Ali Baba and the Forty Thieves

"Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi

and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET.

A Life Less Ordinary

BollySwar is a decade-wise compendium of information about the music of Hindi films. Volume 6 chronicles the Hindi film music of the decade between 1981 and 1990. This volume catalogues more than 1000 films and 7000 songs, involving more than 1000 music directors, lyricists and singers. An overview of the decade highlights the key artists of the decade - music directors, lyricists and singers - and discusses the emerging trends in Hindi film music. A yearly review provides listings of the year's top artists and songs and describes the key milestones of the year in Hindi film music. The bulk of the book provides the song listing of every Hindi film album released in the decade. Basic information about each film's cast and crew is provided and detailed music credits are provided. Where available, music credits go beyond information regarding music directors, lyricists and singers, and include the names of assistants, arrangers, recordists, etc. Where applicable, music related awards are listed. Interesting trivia is listed for most films. This includes information about artist debuts, plagiarised or sampled songs, controversies and stories behind the making of the film and its music. This book is primarily meant as a quick reference for people looking for information related to a Hindi film or a song, but readers can also browse through the book to get an overview of the events that shaped Bollywood music in the decade. Given that Hindi films are a reflection of the Indian society, the reader can also glean insights about the country's socio-political and cultural environment from the book.

Rural Market Unleashed discusses the importance of India's rural market, its size, factors and opportunities. It highlights government policies and initiatives impacting the lives of those in rural areas. The second part of the book focuses on rural marketing strategies for products and services. With an emphasis on brand building, this part touches on studying prospect behaviour and cultural diversity of rural India. Aspects such as pricing, communication and effectiveness of the advertising campaign are also discussed. The book uncovers adaptation of new technologies, women empowerment and the rise of private schools in rural India. The part also focuses on High Net-worth Individuals (HNIs) of rural India, unconventional methods of advertising, rural call centres and importantly, the advent of Digital Marketing. The author's view on maximising Return on Investment (ROI) with 360-degree sales and marketing, is explained in detail. The third part talks about the challenges, do's and don'ts for rural marketing campaigns and specific techniques for campaign effectiveness. Taking a futuristic view, this part also comprises the role of artificial intelligence and the future of rural marketing. This futuristic perspective makes for an interesting read and is the key takeaway of this part. It is a useful resource for current and aspiring rural marketing professionals.

The Ant & The Pigeon

Following the trail of the best-selling Grandma's Bag of Stories, India's favourite author Sudha Murty brings to you this collection of immortal tales. Wonderfully woven in her inimitable style, this book is unputdownable and perfect for every child's bookshelf!

Springeri Srinivas Learns to Laugh

6 June 1984: The Indian Army storms the Golden Temple in Amritsar. Called Operation Bluestar, the historic and unprecedented event ended the growing spectre of terrorism perpetrated by the extremist Sikh leader Jarnail Singh Bhindranwale and his followers once and for all. But it left in its wake unsolved political questions that continued to threaten Punjab's stability for years to come. How, in a brief span of three years, did India's dynamic frontier state become a national problem? Who was to blame: the central government for allowing the crisis to drift despite warnings, or the long-drawn-out Akali agitation, or the notorious gang of militants who transformed a holy shrine into a sanctuary for

terrorists? First published two months after Operation Bluestar, *The Punjab Story* pieces together the complex Punjab jigsaw through the eyes of some of India's most eminent public figures and journalists. Writing with the passion and conviction of those who were involved with the drama, they present a wide-ranging perspective on the past, present and future of the Punjab tangle; and the truth of many of their conclusions having been borne out by time.

And the Rivers Flow

Who can resist a good story, especially when it's being told by Grandma? From her bag emerges tales of kings and cheats, monkeys and mice, bears and gods. Here comes the bear who ate some really bad dessert and got very angry; a lazy man who would not put out a fire till it reached his beard; a princess who got turned into an onion; a queen who discovered silk, and many more weird and wonderful people and animals. Grandma tells the stories over long summer days and nights, as seven children enjoy life in her little town. The stories entertain, educate and provide hours of enjoyment to them. So come, why don't you too join in the fun.

BollySwar: 1981 - 1990

May 3, 1913-a historic day in the history of Indian Cinema. India's first indigenous silent film *Raja Harishchandra* was released at the Coronation Cinema in Mumbai. This lay the foundation of what, in time, would grow to become the largest film-producing industry in the world. Spanning a wide range of decades, genres, and style, the Bollywood film culture in all its glory is a wonderful thing. Of the hundreds of great hits it has given, some have attained an aura of unparalleled respectability because, overtime, they continue to draw viewers in multitudes for weeks, months, and even years. *Bless You Bollywood* is an endeavor to pay tribute to the tallest among movie makers, artistes, composers, lyricists, and scriptwriters down the decades for contributing their extraordinary caliber to Bollywood.

Madhushala

Gaban, first published in 1931, five years before Premchand's death, gives us a fascinating glimpse of north Indian society, and especially of the author's own Kayasth community. But this novel also serves to put forth his own deeply-held views of the ills of that society - the insatiable love of its women for personal adornment, its failure to create fulfilling marriage relationships, and its moral corruption. This is a felicitous translation by Christopher R. King and will enable many readers to appreciate Premchand's important novel, available for the first time in English

Grandparents' Bag of Stories

Travelling through time, space and history to 'discover' his beloved city, the narrator of this novel meets a myriad of people - poets and princes, saints and sultans, temptresses and traitors, emperors and eunuchs - who have shaped and endowed Delhi with its very mystique.

The Punjab Story

From ancient times our grand mothers have treated us with their home remedies. Whenever we suffered from a cold, a headache or any other sickness, they would run to their kitchen and get a concoction for it instantly. Herbal remedies are the oldest and the most natural form of therapy.

Grandma's Bag of Stories

The book is about three friends. The title of the book defines that we create different stories when we meet with different peoples in our journey. We think about continuing our journey with them but what's destiny is written no one knows.
