Robert Louis Stevenson

Looks at Stevenson's background, his development as a writer, his relationship to his work, and his literary reputation.

Louis

This biography of beloved Scottish writer, Robert Louis Stevenson, provides an illuminating account of a sickly child, son of a Presbyterian lighthouse engineer, who became in turn a Bohemian dandy, a literary gypsy, and at 28 the lover of an American woman ten years his senior. The text chronicles Stevenson's life and achievements right through to his death in 1894.

The Life of Robert Louis Stevenson

William Brodie (28 September 1741 - 1 October 1788), more commonly known by his prestigious title of Deacon Brodie, was a Scottish cabinet-maker, deacon of a trades guild and Edinburgh city councillor, who maintained a secret life as a burglar, partly for the thrill, and partly to fund his gambling. Stevenson remained fascinated by the dichotomy between Brodie's respectable facade, and his real nature and was inspired to write *The Strange Case of Dr. Jekyll and Mr. Hyde* (1886)."

Robert Louis Stevenson

The short life of Robert Louis Stevenson (1850-94) was as adventurous as almost anything in his fiction: his travels, illness, struggles to become a writer, relationships with his volatile wife and step-family, friendships and quarrels have fascinated readers for over a century. In his time he was both engineer and aesthete, dutiful son and reckless lover, Scotsman and South Sea Islander, Covenanter and atheist. Stevenson's books, including *Treasure Island*, *The Strange Case of Dr Jekyll and Mr Hyde* and

Kidnapped, have achieved world fame; others -- The Master of Ballantrae, A Child's Garden of Verses, Travels with a Donkey -- remain all-time favourites.

Deacon Brodie

"The Life of Robert Louis Stevenson for Boys and Girls" by Jacqueline Overton Robert Louis Stevenson was a Scottish novelist, essayist, poet, and travel writer. He is best known for his adventure, paranormal, and horror books. His tales have often been popular among children who love the thrill of his stories. In this book, his life is laid out in an easy-to-read and captivating fashion that allows young children the ability to learn about this important literary figure.

Robert Louis Stevenson

Differentiated book- It has a historical context with research of the time-This book contains a historical context, where past events or the study and narration of these events are examined. The historical context refers to the circumstances and incidents surrounding an event. This context is formed by everything that, in some way, influences the event when it happens. A fact is always tied to its time: that is, to its characteristics. Therefore, when analyzing events that took place tens, hundreds or thousands of years ago, it is essential to know the historical context to understand them. Otherwise, we would be analyzing and judging what happened in a totally different era with a current perspective. The Life of Robert Louis Stevenson for Boys and Girls by Robert Louis Stevenson. Robert Louis Balfour Stevenson (Edinburgh, Scotland, November 13, 1850-Vailima, near Apia, Samoa, December 3, 1894) was a British novelist, poet and essayist. His legacy is a vast work that includes travel chronicles, adventure and historical novels, as well as lyrics and essays. He is best known for being the author of some of the most classic fantasy and adventure stories in young adult literature, such as Treasure Island, the adventure novel Kidnapped, the historical novel The Black Arrow, and the popular horror novel The Strange Case of Dr. Jekyll and Mr. Hyde,

The Life of Robert Louis Stevenson

More than most writers, Robert Louis Stevenson requires a Literary Life. Fascination with Stevenson's life (the 'Stevenson biography' is almost a minor genre) has tended to eclipse his literary achievement. This study focuses on Stevenson's writing practice within the different geographical, cultural and political contexts that shaped it, from Scotland to the South Seas. Following Stevenson's own views on biography, the book is not structured primarily in terms of chronology, but is more a kind of literary geography than traditional literary history.

The Life of Robert Louis Stevenson for Boys and Girls

Excerpt from The Life of Mrs. Robert Louis Stevenson When I first set out to tell the life story of Mrs. Robert Louis Stevenson, I received the following letter from her old friend Mr. Bruce Porter. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Life of Robert Louis Stevenson for Boys and Girls (Annotated)

'A day with Robert Louis Stevenson' is no doubt every 'Stevensonian's' dream, it is a rare look behind the curtain of one of the greatest literary talents mankind has ever seen. This book takes you to the sickly author's home where only the most "favoured" people were ever permitted. Consider yourself favoured, and step inside with this legendary author as you sit down to have all your burning questions answered. This book is perfect for fans of the great author as it gives an incredibly fascinating and vivid first hand insight into his later life. Robert Louis Stevenson (1850-1894), was an author with a formidable legacy. You will be hard pressed to find anyone alive today who has not come across his work in one form or another. The brilliant mind behind 'Treasure Island' and the 'Strange case of Dr Jekyll and Mr Hyde', has had a profound impact on every aspect of entertainment to this day with his brilliant creations. Despite dealing with ill health all his life he was a prolific traveller, spending his later

years in Samoa where he fought vigorously for the rights of the natives, earning their love and respect. R.L. Stevenson was a character in his own right, passionate and adventurous, his spirit shines through in his work, from his novels to his travel guides. You simply owe it to yourself to experience his creations, he was a true titan of literature on whose shoulders we all stand.

Robert Louis Stevenson

A sensual Calvinist, a Tory radical, a consumptive celebrant of action, a Passionate Scot who chose to live anywhere but Scotland. Not for nothing was Robert Louis Stevenson the author of Dr Jekyll and Mr Hyde. The greatest of Scottish novelists, Stevenson lived a life as extraordinary and as absorbing as his books. But it was a life tormented by an autocratic father, recurring illness, the prudery of the Victorian reading public and, most of all, the stresses imposed on him by his wife and stepchildren. This powerful new study is published to mark the centenary of Stevenson's death at the age of forty-four.

The Life of Mrs. Robert Louis Stevenson (Classic Reprint)

Robert Louis Stevenson's cinematic legacy is studied in-depth here, with a look at his life and his body of work. From *The Sire De Maletroit's Door* (1877) to *St. Ives* (1896), each adapted story and all relevant film versions are examined, including exhaustive analyses of the 1931 adaptation of *Dr. Jekyll and Mr. Hyde* and the 1945 version of *The Body Snatcher*. A discussion of the process of adapting literature for the movies, demonstrating how Stevenson's stories have been misrepresented for more than 80 years, is also provided.

Robert Louis Stevenson

"For in emigration the young men enter direct by the shipload on their heritage of work; empty continents swarm, as at the bosun's whistle, with industrious hands, and whole hew empires are domesticated to the service of man." -Robert Louis Stevenson, *The Amateur Emigrant* *The Amateur Emigrant from the Clyde to Sandy Hook* (1895), by Robert Louis Stevenson is the first book (followed by *Across the Plains* and *the Silverado Squatters*) in a trilogy the author wrote about his journey from Scotland to California in 1879-1880. In this volume, he describes the first leg of his trip, made by ship from Europe to New York City. Stevenson depicts the crowded conditions he experienced in steerage with others who, like him, were poor and sick. At the conclusion, the author also offers his usual sharp-eyed observations, which, in this case are of New York and New Yorkers.

The Life of Mrs. Robert Louis Stevenson

This book provides a comprehensive overview of the life and works of Robert Louis Stevenson through critiques and analysis of his literary achievements. The author, Henry Bellyse Baildon, delves into various aspects of Stevenson's life, including his travels, relationships, and literary influences, to provide a compelling portrait of this celebrated writer. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. The Amateur Emigrant

Millions of readers throughout the world continue to enjoy *Treasure Island*, *Dr. Jekyll and Mr. Hyde*, *A Child's Garden of Verses*, and other books by Robert Louis Stevenson (1850-1894). A celebrated author in many different fields of literature, Stevenson is also recognized as a highly engaging and prolific correspondent: he penned over 2,800 letters, which are contained in eight critically acclaimed volumes published by Yale University Press. In this book, 317 of Stevenson's most interesting and revealing letters represent each stage of his mature life. With a linking narrative and full annotation, Ernest Mehew sets the letters in the context of Stevenson's remarkable life. Beginning with the days of his troubled youth in Edinburgh, Stevenson's letters go on to tell of his love for Frances Sitwell, a beautiful, older married woman; a reckless journey to California in pursuit of Fanny Osbourne, the woman who became his wife; their worldwide but vain search for a healthy place to live; and a period of adventure in the South Seas, where Stevenson wrote some of his best work and became passionately involved in Samoan life. The letters show the author's zest for living despite daunting illnesses, his struggles with his own writing, his literary tastes, and his affection for his friends. Stevenson writes in many moods, ranging from playful and witty to deeply serious. Better than any biography ever could, these letters in Stevenson's own words tell the real story of his life.
