My Grandfather's Son

Provocative, inspiring, and unflinchingly honest, My Grandfather's Son is the story of one of America's most remarkable and controversial leaders, Supreme Court justice Clarence Thomas, told in his own words. Thomas was born in rural Georgia on June 23, 1948, into a life marked by poverty and hunger. His parents divorced when Thomas was still a baby, and his father moved north to Philadelphia, leaving his young mother to raise him and his brother and sister on the ten dollars a week she earned as a maid. At age seven, Thomas and his six-year-old brother were sent to live with his mother's father, Myers Anderson, and her stepmother in their Savannah home. It was a move that would forever change Thomas's life. His grandfather, whom he called "Daddy," was a black man with a strict work ethic, trying to raise a family in the years of Jim Crow. Thomas witnessed his grandparents' steadfastness despite injustices, their hopefulness despite bigotry, and their deep love for their country. His own quiet ambition would propel him to Holy Cross and Yale Law School, and eventually—despite a bitter, highly contested public confirmation—to the highest court in the land. In this candid and deeply moving memoir, a quintessential American tale of hardship and grit, Clarence Thomas recounts his astonishing journey for the first time, and pays homage to the man who made it possible. Intimately and eloquently, Thomas speaks out, revealing the pieces of his life he holds dear, detailing the suffering and injustices he has overcome, including the acrimonious and polarizing Senate hearing involving a former aide, Anita Hill, and the depression and despair it created in his own life and the lives of those closest to him. My Grandfather's Son is the story of a determined man whose faith, courage, and perseverance inspired him to rise up against all odds and achieve his dreams.

A Grandfathers Tale, 1775-1859

On Faith is an inspiring collection of the late Supreme Court justice Antonin Scalia's reflections on his own faith, on the challenges that religious believers face in modern America, and on the religious freedoms protected by the Constitution. Featuring a personal introduction by Justice Scalia's son Father Paul Scalia, this volume will enrich every reader's understanding of the legendary justice. Antonin Scalia reflected deeply on matters of religion and shared his insights with many audiences over the course of his remarkable career. As a Supreme Court justice for three decades, he vigorously defended the American constitutional tradition of allowing religion a prominent place in the public square. As a man of faith, he recognized the special challenges of living a distinctively religious life in modern America, and he inspired other believers to meet those challenges. This volume contains Justice Scalia's incisive thoughts on these matters, laced with his characteristic wit. It includes outstanding speeches featured in *Scalia Speaks* and also draws from his Supreme Court opinions and his articles. In addition to the introduction by Fr. Scalia, other highlights include Fr. Scalia's beautiful homily at his father's funeral Mass and reminiscences from various friends and law clerks whose lives were influenced by Antonin Scalia's faith.

Atlas Shrugged

Is there life after death? Will we be reunited with our deceased loved ones when we die? Can they communicate with us now? *Hello From Heaven!* is the first complete study of an exciting new field of research called After-Death Communication, or ADC. This is a spiritual experience that occurs when a person is contacted directly and spontaneously by a family member or friend who has died. During their seven years of research, the authors collected more than 3,300 firsthand accounts from people who believe they have been contacted by a deceased loved one. The 353 ADC accounts in *Hello From Heaven!* offer:

- Fascinating modern-day evidence of life after death
- Comfort and emotional support for those who are bereaved
- Hope for those who yearn to be reunited with a loved one who has died
- Courage and strength for those who have a life-threatening illness
- Inspiration for caregivers to the elderly and terminally ill
- Insight and reassurance for those who are fearful of death
- Inner peace for those whose hearts and minds are awaiting this good news

You will treasure these uplifting messages from those who continue to exist in a life beyond physical death. Their profound communications of love offer comfort, hope, and spiritual inspiration to all readers.

On Faith

Born in 1473, Margaret Pole was the daughter of George, Duke of Clarence, niece of both Edward IV and Richard III, and the only woman, apart from Anne Boleyn, to hold a peerage title in her own right during the sixteenth century. After being restored by Henry VIII to the earldom of Salisbury in 1512, her deep Catholic convictions were increasingly out of favour with Henry and she was executed on a charge of treason in 1541. In 1886, Margaret Pole was among sixty-three martyrs beatified by Pope Leo XIII for not hesitating 'to lay down their lives by the shedding of their blood' for the dignity of the Holy See. In this first biography of a significant female figure in the male-dominated world of Tudor politics, Hazel Pierce presents the life and culture of this propertied titled lady against the social and political background of late Yorkist and early Tudor Britain.

DigiCat Publishing presents to you this special edition of "The Clansman" (An Historical Romance of the Ku Klux Klan) by Thomas Jr. Dixon. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Margaret Pole, Countess of Salisbury 1473-1541

Earl Warren, recorded in American history as one of the most controversial Chief Justices in Supreme Court history, was often the target of bitter public attacks. Earl Warren records his true feelings and responses, in a frank, personal memoir covering the whole course of his distinguished life and career.

In Unfamiliar England

The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for *Game of Thrones*. The inspiration for the Channel 5 series *Britain's Bloody Crown*. The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

The Clansman

This carefully crafted ebook: "Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life)" is formatted for your eReader with a functional and detailed table of contents. This ebook is a series of loosely linked short stories set in the fictional town of Winesburg, mostly written from late 1915 to early 1916. The stories are held together by George Willard, a resident to whom the community confide their personal stories and struggles. The townspeople are withdrawn and emotionally repressed and attempt in telling their stories to gain some sense of meaning and dignity in an otherwise desperate life. The work has received high critical acclaim and is considered one of the great American works of the 20th century. Sherwood Anderson (1876 – 1941) was an American novelist and short story writer, known for subjective and self-revealing works. Anderson published several short story collections, novels, memoirs, books of essays, and a book of poetry. He may be most influential for his effect on the next generation of young writers, as he inspired William Faulkner, Ernest Hemingway, John Steinbeck, and Thomas Wolfe.

The Critic

"In the early 1990s, a small group of "AIDS denialists," including a University of California professor named Peter Duesberg, argued against virtually the entire medical establishment's consensus that the human immunodeficiency virus (HIV) was the cause of Acquired Immune Deficiency Syndrome. Science thrives on such counterintuitive challenges, but there was no evidence for Duesberg's beliefs, which turned out to be baseless. Once researchers found HIV, doctors and public health officials were able to save countless lives through measures aimed at preventing its transmission"--

King Richard III

Describes and rates more than twenty thousand videos, and provides indexes by theme, awards, actors, actresses, and directors.

The Critic

Classical Black Nationalism traces the evolution of black nationalist thought through several phases, from its "proto-nationalistic" phase in the late 1700s through a hiatus in the 1830s, through its flourishing in the 1850s, its eventual eclipse in the 1870s, and its resurgence in the Garvey movement of the 1920s. Moses incorporates a wide range of black nationalist perspectives, including African American capitalists Paul Cuffe and James Forten, Robert Alexander Young from his "Ethiopian Manifesto"

Critic and Literary World

For over a hundred years, the mystery of Jack the Ripper has been a source of unparalleled fascination and horror, spawning an army of obsessive theorists and endless volumes purporting to finally reveal the identity of the brutal murderer who terrorized Victorian England. But what if there was never

really any mystery at all? What if the Ripper was always hiding in plain sight, deliberately leaving a trail of clues to his identity for anyone who cared to look, while cynically mocking those who were supposedly attempting to bring him to justice? In *They All Love Jack*, the award-winning film director and screenwriter Bruce Robinson exposes the cover-up that enabled one of history's most notorious serial killers to remain at large. More than twelve years in the writing, this is no mere radical reinterpretation of the Jack the Ripper legend and an enthralling hunt for the killer. A literary high-wire act reminiscent of Tom Wolfe or Hunter S. Thompson, it is an expressionistic journey through the cesspools of late-Victorian society, a phantasmagoria of highly placed villains, hypocrites, and institutionalized corruption. Polemic forensic investigation and panoramic portrait of an age, underpinned by deep scholarship and delivered in Robinson's inimitably vivid and scabrous prose, *They All Love Jack* is an absolutely riveting and unique book, demolishing the theories of generations of self-appointed experts—the so-called Ripperologists—to make clear, at last, who really did it; and, more important, how he managed to get away with it for so long.

The Memoirs of Earl Warren

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The New York Times Book Review

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

The Illustrated London News

John of Gaunt and Katherine Swynford, Chaucer's sister-in-law, fall in love in the 14th century.

Athenaeum and Literary Chronicle

The novel is narrated in the first-person from the point of view of Alison Poole, "an ostensibly jaded, cocaine-addled, sexually voracious 20-year-old." Alison is originally from Virginia and lives in Manhattan, where she is involved in several sexual relationships and is aspiring to become an actress.

The Illustrated sporting & dramatic news

The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian Flynn, bestselling author of *GONE GIRL* 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' HILARY MANTEL, author of *THE MIRROR AND THE LIGHT*

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? *Life After Life* follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book *Behind the Scenes at the Museum*, which is one of my most favourite books ever.' Marian Keyes, author of *Rachel, Again* 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of Audrey Niffenegger's *The Time Traveler's Wife* or David Nicholl's *One Day*.. a rare book that you want to start again the minute you have finished.' The Times

The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for *Game of Thrones* The inspiration for the Channel 5 series *Britain's Bloody Crown* The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

The Clansman

This carefully crafted ebook: "Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life)" is formatted for your eReader with a functional and detailed table of contents. This ebook is a series of loosely linked short stories set in the fictional town of Winesburg, mostly written from late 1915 to early 1916. The stories are held together by George Willard, a resident to whom the community confide their personal stories and struggles. The townspeople are withdrawn and emotionally repressed and attempt in telling their stories to gain some sense of meaning and dignity in an otherwise desperate life. The work has received high critical acclaim and is considered one of the great American works of the 20th century. Sherwood Anderson (1876 – 1941) was an American novelist and short story writer, known for subjective and self-revealing works. Anderson published several short story collections, novels, memoirs, books of essays, and a book of poetry. He may be most influential for his effect on the next generation of young writers, as he inspired William Faulkner, Ernest Hemingway, John Steinbeck, and Thomas Wolfe.

The Critic

"In the early 1990s, a small group of "AIDS denialists," including a University of California professor named Peter Duesberg, argued against virtually the entire medical establishment's consensus that the human immunodeficiency virus (HIV) was the cause of Acquired Immune Deficiency Syndrome.

Science thrives on such counterintuitive challenges, but there was no evidence for Duesberg's beliefs, which turned out to be baseless. Once researchers found HIV, doctors and public health officials were able to save countless lives through measures aimed at preventing its transmission"--

King Richard III

Describes and rates more than twenty thousand videos, and provides indexes by theme, awards, actors, actresses, and directors.

The Critic

Classical Black Nationalism traces the evolution of black nationalist thought through several phases, from its "proto-nationalistic" phase in the late 1700s through a hiatus in the 1830s, through its flourishing in the 1850s, its eventual eclipse in the 1870s, and its resurgence in the Garvey movement of the 1920s. Moses incorporates a wide range of black nationalist perspectives, including African American capitalists Paul Cuffe and James Forten, Robert Alexander Young from his "Ethiopian Manifesto"

Critic and Literary World

For over a hundred years, the mystery of Jack the Ripper has been a source of unparalleled fascination and horror, spawning an army of obsessive theorists and endless volumes purporting to finally reveal the identity of the brutal murderer who terrorized Victorian England. But what if there was never really any mystery at all? What if the Ripper was always hiding in plain sight, deliberately leaving a trail of clues to his identity for anyone who cared to look, while cynically mocking those who were supposedly attempting to bring him to justice? In *They All Love Jack*, the award-winning film director and screenwriter Bruce Robinson exposes the cover-up that enabled one of history's most notorious serial killers to remain at large. More than twelve years in the writing, this is no mere radical reinterpretation of the Jack the Ripper legend and an enthralling hunt for the killer. A literary high-wire act reminiscent of Tom Wolfe or Hunter S. Thompson, it is an expressionistic journey through the cesspools of late-Victorian society, a phantasmagoria of highly placed villains, hypocrites, and institutionalized corruption. Polemic forensic investigation and panoramic portrait of an age, underpinned by deep scholarship and delivered in Robinson's inimitably vivid and scabrous prose, *They All Love Jack* is an absolutely riveting and unique book, demolishing the theories of generations of self-appointed experts—the so-called Ripperologists—to make clear, at last, who really did it; and, more important, how he managed to get away with it for so long.

The Memoirs of Earl Warren

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The New York Times Book Review

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

The Illustrated London News

John of Gaunt and Katherine Swynford, Chaucer's sister-in-law, fall in love in the 14th century.

Athenaeum and Literary Chronicle

The novel is narrated in the first-person from the point of view of Alison Poole, "an ostensibly jaded, cocaine-addled, sexually voracious 20-year-old." Alison is originally from Virginia and lives in Manhattan, where she is involved in several sexual relationships and is aspiring to become an actress.

The Illustrated sporting & dramatic news

The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian

Flynn, bestselling author of GONE GIRL 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' HILARY MANTEL, author of THE MIRROR AND THE LIGHT

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? Life After Life follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. _____ 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book Behind the Scenes at the Museum, which is one of my most favourite books ever.' Marian Keyes, author of Rachel, Again 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of Audrey Niffenegger's The Time Traveler's Wife or David Nicholl's One Day.. a rare book that you want to start again the minute you have finished.' The Times

The Thorn Birds

One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. The Thorn Birds is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.

The Pillars of the Earth

Set in the turbulent times of twelfth-century England when civil war, famine, religious strife and battles over royal succession tore lives and families apart, The Pillars of the Earth tells the story of the building of a magnificent cathedral. Against this richly imagined backdrop, filled with intrigue and treachery, Ken Follett draws the reader irresistibly into a wonderful epic of family drama, violent conflict and unswerving ambition. From humble stonemason to imperious monarch, the dreams, labours and loves of his characters come vividly to life.

Blood Brothers #1

Diego and Gabriel Soliz are two unusual brothers just trying to do their job in an even more unusual city. What's their job? They're detectives in a city populated by creatures from mythology and fantasy. When an Aztec skull is stolen from the museum, the BLOOD BROTHERS are assigned to the case!

Tommy's World (The Hopkins Family Saga, Book 3)

A Manchester lad's life in the early twentieth century - the slums, Smithfield market and the search for love... Billy Hopkins bases his engaging novel, Tommy's World, on the fascinating and inspiring life of his father Tommy, born in a Manchester slum in 1886. Perfect for fans of Lindsey Hutchinson and Maureen Lee. 'The characters will stay with you after you've finished the book, but what you won't be left with is the sickly sweet taste of nostalgia. If you like to learn something from a good story then this could well be the book for you' - The Bookbag Tommy Hopkins' early years aren't very promising. Born at the end of the nineteenth century in a slum district of Manchester, he's blessed with a loving, hard-working mam and dad, but they don't have two ha'pennies to rub together. The family is struck by tragedy not once but twice - but Tommy is a survivor. He quickly makes friends at school, and together they plot money-making schemes, settle scores and play lots of football. Then, at last, it's time to leave the playground behind. Denied the chance of a promising career as an engineer, Tommy finds employment at Manchester's Smithfield market and works his way up, finally becoming a porter. He's turning into a man, and amongst the young women who catch his eye is Kate Lally, who may just be the love of his life... What readers are saying about Tommy's World: 'Well written and the characters are just so great... you enter a different world when you read a Billy Hopkins book' 'Brilliant author, his books are really ones that you can't put down!' 'Tommy's World was superb. Fascinating detail about life as it was. Unputdownable'

Edge of Despair

A must-read for fans of Anna Jacobs, Dilly Court and Jennifer Donnelly Plans are nothing more than dust and life has a way of dangling happiness in front of you, only to snatch it away. Victoria Caldwell discovers it's much easier to protect her children when decisions are made for them. Would her son, Sean, really have ended his life? Is her daughter, Bella, old enough to choose the right man? Will her stepdaughter, Kate, allow her insecurities to ruin her life? For Victoria, their pain is her torture. Sean's life in America was a heady mix of work and pleasure until faced with betrayal, his world collapses and he heads home, unsure if he can start again. Penniless and facing a lifetime working at the mill,

everyone has their breaking point - has he reached his? Confronted with temptation, will he overcome his demons or allow them to consume him? Bella finds the world exciting, but why do people play games with each other? Surely life would be simpler if everyone was open and honest... When Bella falls in love with a handsome stranger, her happiness is complete. But will her innocence and naivety be her downfall? Kate is clever and witty yet filled with vulnerabilities. With her heart broken, can she get off her path to self-destruction? Whatever her reasons for being reckless and selfish while longing for the unobtainable, things have to change. Can she do something worthwhile with her life? Many reach the edge of despair, but most come back from it. Will these three young people learn that the path ahead doesn't have to be clear - they just need to put one foot in front of the other and keep moving? Or will they give up fighting?

The Family Saga

The family saga is made up of an accumulation of separate family legends. These are the stories of the old folks and the old times that are told among the family when they gather for funerals or Thanksgiving dinner. These are the "remember-when" stories the family tells about the time when the grownups were children.

God is an Englishman

Adam Swann is hungry for success. He is one of the new breed of entrepreneurs thrown up by the Industrial Revolution, determined to take advantage of current economic conditions to build an unrivalled business empire. And he is determined to win the beautiful, strong-minded Henrietta, and persuade her to share in his struggles and triumphs.

Hardacre

It's 1950 and all sixteen-year-old Grace Granville has ever wanted is to become a successful dress designer. She dreams of owning her own fashion house and spends her spare time sketching outfits. Her father, Lord Granville, sees this frivolous activity as nonsense and wants to groom her into a good wife for someone of his choosing... Grace is about to leave Greenemere, a boarding school in Brighton. She's blissfully unaware of her father's plans when she embarks on a new adventure. The quest includes a trip to Bolton's Palais where she meets coal miner, Jack Gilmore. Grace's life is never the same again. Travel with Grace through two decades as she struggles with family conflict, poverty and tragedy. Is Grace strong enough to defy Lord Granville's wishes and find true love? Will she become a successful fashion designer? Where will she turn for help?

Family Saga

Looks at China's Ginling College, the women's missionary institution of higher learning that developed a discourse of family, recasting the Chinese Confucian family ideal as a female and Christian one.

House of Grace

December, 1911: Twelve-year-old Eliza Brannan eagerly awaits the return of her brother Roderick from university, a welcome but brief diversion from her otherwise cosy existence in the heart of Northamptonshire with her widowed mother and cousin Dorothea. Roderick and Dorothea are growing up fast, forging lives and loves of their own, and Eliza feels left behind. When an unexpected proposal of marriage leads Dorothea to a search for her long-lost father in the slums of London, Eliza begins to realize that the world is a bigger and more frightening place than she could ever have imagined.

The Making of a Family Saga

Continuing from *All the Fun of the Fair*, this historical saga follows the dramatic lives and loves of the members of traveling fair in post-war England. Julie and Dicky Otterman arrive at Grundy's fair with an extraordinary new act: the motorcycle extravaganza, *The Wall of Death*. This seemingly happy couple are the talk of the town, but all is not as it seems, and Dicky's dark and violent nature means Julie lives in constant fear. There's always plenty happening at Grundy's fair: Gemma knows Velda's secret. Renata is finally with Donny. New member, the well-spoken Tom, catches the eye of Jenny, the Grundy's lost daughter, returned to the fair very recently . . . Meanwhile, Sonny is away, angry and plotting. Amidst all the challenges the most worrying of all is betrayal from those closest to you. One thing is for sure: life on the fair is never simple. Perfect for fans of Kitty Neale, Rosie Goodwin, and Katie Flynn.

Dreams That Veil

This autobiographical novel tells the story of growing up in poverty in wartime Manchester. The author combines the pace and humour of a family saga with real nostalgia and accurate period detail and atmosphere.

All is Fair

Only true friendship will see them through the Blitz . . . Meet *The East End Angels*, the newest members of Station Seventy-Five's ambulance crew Strong-willed Winnie loves being part of the crew at Station Seventy-Five, but her parents are less than happy. She has managed to avoid their pleas to join the WRENS so far, but when a tragedy hits too close to home she finds herself wondering if she's cut out for this life after all. Former housemaid Bella was forced to leave the place she loved and it's taken her a while to find somewhere else to call home. She's finally starting to build a new life, but when the air raids begin it seems she may have to start over once again. East-End Frankie's sense of loyalty keeps her tied to home so it's not easy for her to stay focused at work. With her head and heart pulling in different directions, will she find the strength to come through for her friends when they need her the most? Brought together at LAAS Station Seventy-Five in London's East End during 1940, these three very different women soon realise that they'll need each other if they're to get through the days ahead. But can the ties of friendship, love and family all remain unbroken? Readers love the *East End Angels* series . . . 'Wonderfully written by one very talented author . . . highly recommended' 'I loved reading this book . . . so looking forward to the next in the series' 'Reminded me of *Call the Midwife*' 'Absolutely brilliant for recreating life in London during the Blitz' 'A very well-written and researched, warm-hearted book . . . with a bit of romance!' *Don't miss Rosie Hendry's brand new novel, *A MOTHER'S HEART*, coming 4th March 2021 and available now to pre-order*

Our Kid

It's Raining in Moscow is a novel that goes both beyond and stays this side of history -- the history of a family, of the post-1945 deportations, of a multiethnic region in Eastern Europe, Transylvania, in the 20th century, of the interactions of animals, plants, and humans, where for once the text inhabits non-human perspectives. A novel that repeatedly asks the question: what do we need to face our own lies and the lies of others; what do we accept as truth if we are dispossessed, left to our own means and entirely alone in the wasteland, or in the torture chamber? Eleven stories from the short 20th century -- the defining events in the life of a man, István Beczássy, the author's grandfather, from sexual initiation to interrogation and torture at the hands of the Securitate, the secret police of communist Romania, narrated mostly from animal perspectives. The familiar historical traumas are shown in a strikingly defamiliarizing light: deportation into forced domicile, when seen through the eyes of a dog, becomes at once more bearable and more gripping, for the dog doesn't perceive the loss of property but senses all the more acutely the absence of his masters, the ghostly silence of the empty house. The interrogation and torture at the Securitate headquarters, when told by a bedbug that voices self-help psychological clichés and Coelho-like fatuities, at once hinders our natural empathizing with the victim of torture, and starkly exposes dominant behavior patterns in the world of the humans. Zsuzsa Selyem's books have been translated into German, French, and Romanian. Her stories have come out in English in *World Literature Today*, the anthology *Best European Fiction 2017* (Dalkey Archive) and elsewhere. This is her first volume in English.

East End Angels

Adam Swann has grown old, and is struggling to keep up with the changing times. The Victorian age is giving way to the Edwardian and the horse is being overtaken by the motorcar, with devastating effect on his transport business. As the new century is born, the Boer war brings tragedy, but even this cannot quench the indomitable spirit of the Swann family.

It's Raining in Moscow

Dorothea looked out of the nursery window. Hours and hours had passed and her papa had not come. He was not going to come. Abandoned by her father and left in the care of an uncle she has never met before, eight-year-old Dorothea Ryan finds herself cast away in a big strange house in the middle of the countryside. No one seems to want her. Her one wish is to return to her old home in London. But as time passes and hopes of ever going back start to fade, Dorothea becomes more and more enmeshed in her new life at Clifton Park. She begins to wonder just where home really is.... This beautifully written story of identity and loyalty pulls the reader deep into contemplation, leaving them emerging, triumphant, from a stupor of remarkable storytelling.

Give Us This Day

A “masterpiece” of a comic novel following four generations of a Jewish family in Minsk torn asunder by the new Soviet reality (Forward). This is the first complete English-language translation of a classic of Yiddish literature, one of the great comic novels of the twentieth century. The *Zelmenyaners* describes the travails of a Jewish family in Minsk that is torn asunder by the new Soviet reality. Four generations are depicted in riveting and often uproarious detail as they face the profound changes brought on by the demands of the Soviet regime and its collectivist, radical secularism. The resultant intergenerational showdowns—including disputes over the introduction of electricity, radio, or electric trolley—are rendered with humor, pathos, and a finely controlled satiric pen. Moyshe Kulbak, a contemporary of the Soviet Jewish writer Isaac Babel, picks up where Sholem Aleichem left off a generation before, exploring in this book the transformation of Jewish life.

Autumn Softly Fell

This 10-book complete collection includes all the books in Mildred D. Taylor's award-winning Logan Family Saga! In this digital package you'll find: 1. Song of the Trees 2. Roll of Thunder, Hear My Cry 3. Let the Circle Be Unbroken 4. The Gold Cadillac 5. The Friendship 6. Mississippi Bridge 7. The Road to Memphis 8. The Well 9. The Land 10. All the Days Past, All the Days to Come The Logan Family Saga follows the Logans, a tight-knit family who grapple with living in America during the 20th century. We follow this family as they experience prejudice, racism, and the major events that characterize our modern racial history. From the Great Depression to the Civil Rights movement, this gripping series will both educate and capture the hearts of all readers as they read about how Cassie Logan finds her voice in an era characterized by oppression, and the often violent confrontations that bring about change. **AWARDS & ACCOLADES FOR THE LOGAN FAMILY SAGA** Ms. Taylor's first book in The Logan Family Saga, *Song of the Trees* received The Council on Interracial Books Award; her second, *Roll of Thunder, Hear My Cry* was the winner of the Newbery Medal and a National Book Award finalist. Two other novels about the Logan family followed: *Let the Circle Be Unbroken* and *The Gold Cadillac*, as well as a prequel, *The Land*; all three received The Coretta Scott King Award. Ms. Taylor is also author of *The Friendship*, her fourth Coretta Scott King Award winner; *The Well*, *The Gold Cadillac*, and *Mississippi Bridge*. In 2020, Ms. Taylor released her tenth and final installment of The Logan Family Saga, *All the Days Past, All the Days to Come*. In 2020 Ms. Taylor also received the Coretta Scott King-Virginia Hamilton Award for Lifetime Achievement.

The Zelmenyaners

A Cinderella romance from 1786, between the son of a duke and a penniless orphan. Set in the glittering aristocratic world of the Roxton family.

Mildred D. Taylor: The Logan Family Saga Complete Collection

NEW YORK TIMES BEST SELLER • “A gripping and poignant ode to a messy, loving family in all its glory.” —Madeline Miller, bestselling author of *Circe* In this “rich, complex family saga” (USA Today) full of long-buried family secrets, Marilyn Connolly and David Sorenson fall in love in the 1970s, blithely ignorant of all that awaits them. By 2016, they have four radically different daughters, each in a state of

unrest. Wendy, widowed young, soothes herself with booze and younger men; Violet, a litigator turned stay-at-home-mom, battles anxiety and self-doubt; Liza, a neurotic and newly tenured professor, finds herself pregnant with a baby she's not sure she wants by a man she's not sure she loves; and Grace, the dawdling youngest daughter, begins living a lie that no one in her family even suspects. With the unexpected arrival of young Jonah Bendt—a child placed for adoption by one of the daughters fifteen years before—the Sorensons will be forced to reckon with the rich and varied tapestry of their past. As they grapple with years marred by adolescent angst, infidelity, and resentment, they also find the transcendent moments of joy that make everything else worthwhile.

The Holland Family Saga Part One

Heir to an earldom, Dair Fitzstuart enjoys the life of a reckless rogue. Rory Talbot, on the other hand, is a wallflower. Dair and Rory's paths will surely never cross. Until one night they do, and everything turns upside down...

Satyr's Son

It's September 1945 and Billy Hopkins is off to London to train as a teacher, with only ten bob in his pocket. Despite his dad's gloomy warnings that he'll pick up bad ways from the toffs down South, Billy survives two years in the Big City, and returns to take up his first teaching job in Manchester - on £300 a year! The catch is his first class, Senior Four, who bitterly resent the raising of the school leaving age, and are all set to take it out on their teacher - luckily the kid from Collyhurst has some tricks up his sleeve. And Billy's about to fall in love with the beautiful Laura. But is she, as his dad says, 'too good for the likes of us'?

Hardacre's Luck

The story of a family living through the turbulent '60s.

The Most Fun We Ever Had

Gripping family drama from household name Prue Leith. An emotional summer read perfect for fans of Penny Vincenzi and Barbara Taylor Bradford. The Angelotti family reels when the lost son, given up for adoption in the war, traces his birth family and returns to the fold, with devastating consequences. As poverty-stricken newlyweds, Laura and Giovanni Angelotti were forced to put their first child - a boy - up for adoption. They have had other children since, and their first little Italian cafe has become a restaurant empire, but Laura is still haunted by thoughts of the baby she lost. Tom is a successful businessman enjoying the fast-paced City lifestyle - until his best friend and business partner is killed in the 9/11 attacks and his world turns upside down. Searching for meaning in his life, he decides to track down his birth family: the Angelottis. But Laura has been keeping an explosive secret about Tom's parentage that means his reappearance in her life is bittersweet. She may have found her son, but will it be at the cost of everything it has taken her fifty years to build?

Dair Devil

Three of the Devereux family siblings are living away from Ireland. Joseph is in New York, working in a publishing company, Kay is successful on the New York stage and Mary and her husband Liam are teachers in a private school in England. Only Harry, who is a politician, remains in Dublin. The outbreak of WWII, changes their lives dramatically. Joseph becomes a war correspondent, based in London, for the New York Times and Kay entertains the American troops in Europe. Mary's husband is called up and sent to fight in France. Mary is left in England looking after their children, with no job and nowhere to live. They all dream of coming home to Ireland. The illness of their father brings them together again briefly in Dublin but old tensions surface between Mary and Kay when a terrible secret is revealed. Can any of them fulfil their dream of coming home?

High Hopes

This enticing family saga unfolds on the background of Italian history from 1870 to 1950. The rich narrative tapestry includes a castle in the Piedmont countryside near Turin, three women, three generations, and a multitude of minor characters. It brings to the fore individual lives and human predicaments, personal feelings and universal themes. The lives of the three main characters, apparently ordinary, but actually tragic in their inexorable decline, are placed in a coral context that includes: the castle

dwellers and the villagers, industrial entrepreneurs and socialist agitators, stars of the silent screen and working girls, American officers in WWI, fascist thugs and victims of the regime, a rogue and an honest prostitute, a singer of the Neapolitan varieté, a Russian prince, a descendant of Sir Walton the pirate, a band of partisans, a liberal priest, and even a domestic leopard. The narrator, who is herself a character, claims an approximate knowledge of facts, which she gathered from personal memories, stories heard from various people, documents and letters, supplemented by the imagination where evidence is lacking. Most of all, it is the photos from the family album that stir her imagination. The use of various languages and dialects very effectively adds sound to the images.

Camelot: A Family Saga

Blood Brothers is M.J. Akbar's amazing story of three generations of a Muslim family-based on his own - and how they deal with the fluctuating contours of Hindu-Muslim relations.

Secrets of the Heart

Caught up in a web of treachery and deceit, George grows up believing his mother sold him. He's determined to make her pay, but at what cost? Is he strong enough to rebel? Will George ever learn to forgive?

The Lost Son

Stolen Sons is a retreat to the bosom of the old South with its mansions, estates, plantations, beautiful women, gala balls, delicious foods, and life at a slower pace. Readers will delight in the courtship of Leila, aged twenty, and Louis, aged sixty, and the love shared by Hannah and John, Leila's parents. Against a Southern backdrop and interwoven with the love story, there is tragedy-the first-born sons of the Fox family are meeting violent deaths, one after another. Members of the family must discover what is causing the deaths in an effort to prevent more. Are they the result of an ancient Indian curse placed on Hannah's father Rainbow by his aunt Pale Dove? How can the Fox family negate the curse? Is there an antidote? Readers will become so intrigued with this family that loves, laughs, cries, mourns, and betrays one another that they will feel they are related to the characters. In the tradition of the old South, the reader will become "a first cousin, once-removed."

Coming Home

The Gate is one of a few gates, which connect the world of the humans with the world of the dragons. It allows humans to cross over into the dragon world without difficulties, but dragons can only cross if they are in their true figures. Chris started the Saga, as she ran away from home and crossed the gate one day. She met a young man called Farren and fell in love with him without knowing that he was a dragon. The story continues through the lives of Chris and Farren, her daughter Delilah, Isabeau, Caro, Sindy and Paige, showing the most important point in life – your family.

Castle of Shadows

Can her free-spirited ways fit into his plan???Radford Keller is a successful businessman who sees life as a corporation. He's guided by structure, facts, and deadlines. He has no time or interest in concepts like serendipity, destiny, or ever-after. In fact, he doesn't believe they exist.?Marisela Ricci is a talented, kind-hearted free spirit with an unfortunate past that's left her filled with self-doubt and an inability to commit to long term or anything resembling a plan. And relationships? Too much hurt, too much exposure. Not happening. Ever.?They're from different worlds but they share one very strong common interest-Radford's Aunt Lina.?Lina Keller has lived in the small town of Magdalena, New York, for over fifty years but she's known her share of heartache, loss, and the repercussions of not taking a chance. That's why she's determined that the two people who mean the most to her-her city-boy nephew and the woman who's like a daughter to her-don't experience those same mistakes. She devises a twenty-one-day list that will force them to work together, develop new skills, and maybe learn about each other. Will they want to do it? Of course not. Will they do it for her? Absolutely.?And perhaps what they'll discover along the way will change how they view each other, the world, and their take on commitment and happily-ever-after. What happens when the twenty-one-day list is completed? Well, that depends on them, with a little help from the residents of Magdalena...

Blood Brothers

Updated Full Color Edition. Volume One includes the surnames: Coon, Kauffman/Coffman, Kneissle, Lovell, Markham, Marshall, Meals, Power, and Williams. Far from being a dull list of "begats," these volumes are a lively romp through history, highlighting both the good and the not-so-good discovered about the family surnames that make up this truly American family. The author, through careful observation and analysis, debunks misconceptions found in previous research by others and exposes the fallacies circulating on the internet. She has also been able to confirm unsubstantiated stories with documentation or by the gathering of a "preponderance of evidence." Y-DNA evidence has been introduced to trace the deep ethnic origin of the surname lines. Ms. Boyett highlights her specialty in adding valuable historical context that makes the stories come alive for the reader. Written in an easy, conversational style and infused with subtle humor, these volumes are a pleasure to read, all the while providing the reader with documented, factual information. Some of the characters you will encounter in these volumes include: a real-live Pirate of the Caribbean; a family friend, President George Washington; a man accused of high treason; a knight who invaded with William the Conqueror; those who perished in a Shawnee raid in the wilderness of Virginia; a family with an ancient Y-DNA signature; a mother lost on a wagon train journey; a Civil War POW; a Lord Mayor of London; a family stripped of their citizenship and deported; a man gunned down by a deputy Sheriff; a Tudor loan shark who had men afraid to come to London; the victim of a frontier lynching; the man who "shot it out" in Arizona against an Earp brother; early settlers in the Republic of Texas; a Confederate spy; and royal connections back to Charlemagne. These stories and many more make up the sweeping saga of a truly American family. Enjoy the journey!

The Coal Miner's Son - A Family Saga

Liverpool, 1934. Hester Lowe agrees to act as governess to spoilt, self-willed, little Lonnie Hetherington-Smith when they leave India to live with Lonnie's elderly aunt in Shaw Street, Liverpool. Hester speedily realises that her new employer dislikes her niece and means to make life uncomfortable for both of them. Things improve a little when they meet the poor, but happy, Bailey family who live in a court off Heyworth Street. Hester likes Dick Bailey very much, but her employer does not permit 'followers', whilst Lonnie and young Ben Bailey are deadly enemies. Then, the regime in Shaw Street changes and Hester is forced to leave the comforts of a middle-class household to make her own way in what is, to her, a strange country... Poor Little Rich Girl is sure to please the huge and growing fanbase of one of the most popular saga authors in the country, with more than two million books sold nationwide.

Stolen Sons

Laura Collins, a widow, is struggling to make a good life for her daughters, Tess and Tina. They are living with Laura's sister Millie and her seven children so when Laura is offered a good job, with accommodation, she is delighted. Life is very different for the Brewsters, living on Manor Farm in Herefordshire. Danny and his girlfriend, Sophie, intend to marry one day so that they can run Manor Farm together but his cousin and best friend, Phil Ryland, feels differently. He longs to get away from farming and intends to escape as soon as he can. Then war comes and changes everything. Tina is evacuated and Tess joins the Land Army. She means to be true to her boyfriend, Mike, but he is far away. Danny and Phil join the RAF, Danny to pilot bombers and Phil as navigator. They end up on the same airfield and fall in love with the same girl... But Phil has a secret which could end his chance of happiness, and Danny is the only person who knows what that secret is ...
