I often get annoyed with people who get things wrong.

I find it easy to form close relationships.

I am reluctant to get involved with other people's welfare.

I refuse to concede an argument.

I make an effort to get to know everyone I work with.

I am never the leader amongst a group of people.

Mock PERSONALITY TEST walk-through!

I make the people I work with feel at ease.
I prefer obedient people as opposed to carefree people.
You have to look after number one.
I usually adapt my behaviour so I work better with people.
I work best if I am working in a team.
I consider myself an unselfish person.
You can't judge a book by its cover.
Everyone should be treated equally.
I am reserved and shy.
I like to follow the crowd.
It is important to feel like you are part of something 'big' and 'exciting'.
I am always realistic, even if that means being negative.
I would do overtime in order to get closer to my goals.
