Prinz der Dunkelheit

Sag uns kurz, wie du heißt. Jorg. Eigentlich Kronprinz Jorg von Ankrath, aber das war einmal. Du siehst jung aus. Wie alt bist du, fünfzehn? Knapp daneben. Mit fünfzehn werde ich König sein! Du bist die meistgehasste Person im ganzen Land. Warum? Nun ja, wenn man mit einer Horde Gesetzloser ganze Dörfer niederbrennt, löst das Unmut aus. Aber was würdest du tun, wenn die Königin, also deine Mutter, und dein Bruder vor deinen Augen getötet werden? Dieser Hass ist erst der Vorgeschmack auf meine Rache – denn die wird tödlich sein!

Prince of Thorns

BOOK ONE IN THE BROKEN EMPIRE TRILOGY “Prince of Thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing, Medieval-esque Fantasy Trilogy, entirely on its head.”—Locus When he was nine, he watched as his mother and brother were killed before him. By the time he was thirteen, he was the leader of a band of bloodthirsty thugs. By fifteen, he intends to be king... It's time for Prince Honourous Jorg Ancrath to return to the castle he turned his back on, to take what's rightfully his. Since the day he hung pinned on the thorns of a briar patch and watched Count Renar's men slaughter his mother and young brother, Jorg has been driven to vent his rage. Life and death are no more than a game to him—and he has nothing left to lose. But treachery awaits him in his father's castle. Treachery and dark magic. No matter how fierce his will, can one young man conquer enemies with power beyond his imagining?

The path to the throne is broken--only the broken may walk it. The Broken Empire trilogy tells the tale of Jorg Ancrath. It is also the story of armies clashing, cities falling, kingdoms won and lost, and of the remaking of an empire. One narrative shadows the other. The singular struggle of a broken child growing into a man, seeking meaning and purpose is mirrored on a larger stage by his conquest of a broken empire. **لأنا جورج من أنكرات. أأخذ ما أريد، وكل ما أريد ليس كافياً. للوصول إلى العرش يتطلب أن يسافر الإنسان. حتى أن المسار المعبود بالنية الحسنة يمكن أن يؤدي إلى الجحيم، ونياتي لم تكن جيدة أبداً. هنا حيث يبتعد الحكيم. هنا حيث تسجد وتطلب من الله. هذه هي الأميال الأخيرة، يا إخوتي. لا تنظر إليّ لتقضي عليك. لا تفكر أنني لن أسفدك. هرب إذا كان لديك العقل. صل إذا كان لديك الروح. أبقِ أرضك إذا كان لديك الشجاعة. لكن لا تتبعني. اتبعني، وأنا سأكسر قلبك.**

In the final novel in the Broken Empire Trilogy, the boy who would rule all may have finally met his match... King Jorg Ancrath is twenty now—and king of seven nations. His goal—revenge against his father—has not yet been realized, and the demons that haunt him have only grown stronger. Yet no matter how tortured his path, he intends to take the next step in his upward climb. Jorg would be emperor. It is a position not to be gained by the sword but rather by vote. And never in living memory has anyone secured a majority of the vote, leaving the Broken Empire long without a leader. Jorg plans to change that. He's uncovered the lost technology of the land, and he won't hesitate to use it. But he soon finds an adversary standing in his way, a necromancer unlike any he has ever faced—a figure hated and feared even more than himself: the Dead King.

International bestselling author Mark Lawrence continues the bold new world of dark fantasy he created in the Broken Empire trilogy with the first book of the Red Queen's War... For all her reign the Red Queen has fought the long war, contested in secret, against the powers that stand behind nations, for higher stakes than land or gold. Her greatest weapon is The Silent Sister—unseen by most and unspoken of by all. The Red Queen's grandson, Prince Jalan Kendeth—drinker, gambler, seducer of women—is one who can see The Silent Sister. Content with his role as a minor royal, Jal pretends that the hideous crone is not there. But war with the undead is coming, and the Red Queen has called on her family to defend the realm. Jal thinks that nothing that will affect him. He's wrong... After escaping a death trap set by the Silent Sister, Jal finds his fate magically intertwined with a fierce Norse warrior. As the two undertake a journey to undo the spell, encountering grave dangers, willing women, and an upstart prince named Jorg Ancrath along the way, Jalan gradually catches a glimmer of the truth: he and the Norseman are but pieces in a game—and the Red Queen controls the board.

A nova trilogia de Mark Lawrence, A Guerra da Rainha Vermelha, é o primeiro volume da nova saga de Mark Lawrence, o consagrado autor da Trilogia dos Espinhos. Novamente, Lawrence leva o leitor ao Império Destruído, um universo pós-apocalíptico e de inspiração medieval. O príncipe dos tolos é Jalan Kendeth, neto da Rainha Vermelha e décimo na linha de sucessão ao trono. Para sobreviver aos inimigos do reino, esse irresistível anti-herói precisa abandonar a boa vida e lutar da única maneira que conhece: trapaceando. Mark Lawrence é um cientista que trabalha com o desenvolvimento de inteligência artificial e tem acesso liberado a informações secretas dos governos norte-americano e britânico. Prince of Thorns é seu aclamado livro de estreia. A Guerra da Rainha Vermelha é o primeiro volume de sua nova trilogia. "Sou um mentiroso, um trapaceiro e um covarde, mas nunca, jamais, irei decepcionar um amigo. A menos que, para não decepcioná-lo, seja preciso demonstrar honestidade, jogo limpo ou bravura." Assim se apresenta Jalan Kendeth, o neto da Rainha Vermelha e décimo na linha de sucessão ao trono. Um verdadeiro hedonista sem pretensões políticas, que se vê obrigado

a abandonar sua boa vida após sofrer uma tentativa de assassinato. Para escapar, precisa se aliar a um perigoso guerreiro. Mark Lawrence novamente cria um anti-herói irresistível. Por que mesmo estamos torcendo por eles? – é uma pergunta comum entre os cada vez mais numerosos leitores de suas aventuras. A resposta, certamente, está no talento com que o autor conduz seus personagens e narrativas. E desta vez, a violência e o rancor de Jorg Ancrath, da Trilogia dos Espinhos, é substituída pela astúcia e charme do Príncipe dos Tolos. Em comum, as duas trilogias dividem o mesmo cenário, um universo pós-apocalíptico e de inspiração medieval. Se você não via a hora de voltar ao Império Destruido, esta é sua chance, com esta nova saga do universo expandido da Trilogia dos Espinhos.

Peter V. Brett, Sunday Times bestselling author of *The Demon Cycle*, begins a brand new epic fantasy adventure set in his beloved world, following a new generation of heroes.

The Desert Prince

Set in the magical world of Renthia, *The Queen of Blood* is Sarah Beth Durst's ambitious entry into adult epic fantasy. With the danger of Peter Brett's *The Warded Man*, heart of Naomi Novik's *Uprooted*, and lyricism of Patrick Rothfuss' *The Name of the Wind*, this is the first chapter in a series destined to be a classic. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . . But the spirits that reside within this land want to rid it of all humans. One woman stands between these malevolent spirits and the end of humankind: the queen. She alone has the magical power to prevent the spirits from destroying every man, woman, and child. But queens are still just human, and no matter how strong or good, the threat of danger always looms. With the position so precarious, young women are chosen to train as heirs. Daleina, a seemingly quiet academy student, is under no illusions as to her claim to the throne, but simply wants to right the wrongs that have befallen the land. Ven, a disgraced champion, has spent his exile secretly fighting against the growing number of spirit attacks. Joining forces, these daring partners embark on a treacherous quest to find the source of the spirits' restlessness—a journey that will test their courage and trust, and force them to stand against both enemies and friends to save their land . . . before it's bathed in blood.
