Fire Bible for Kids

You might wonder why we call this the Fire Bible for Kids. In the Bible, fire is often a symbol of God's presence and power. In the Old Testament, God spoke to Moses in a burning bush and guided his people through the wilderness in the form of a pillar of fire. In the New Testament, Jesus told his followers that he would send the Holy Spirit to give them the power to serve him after he returned to heaven. Though the sign of fire occurred only on that special day, we can still receive the spiritual power that God gave to the disciples. The Fire Bible for Kids provides tools that will help young Christians be filled with the fire of God's mighty power.

The One Year Devotions for Kids

Knowing God truly, experiencing Him deeply. What would it look like to genuinely love God with our head AND our heart? To have a faith marked by right thinking AND right feeling? To know God deeply AND worship him passionately? Too often, Christians act as though these things are at odds with one another. But what if God intends for us to possess a Christianity that is radically committed to biblical truth, in a way that did not diminish the life of the heart, but actually intensified it? Adam Ramsey invites us to engage both our minds and our emotions in our walk with God as we gaze at him until our hearts sing. He sums it up like this: "My hope in these following pages is to paint a biblical portrait of what God is actually like, so that we can gaze upon him together until our hearts can't help but sing. To behold him in such a way that our daily experience is transformed with a deepened awareness of who it is we pray to, who it is that is with us, and who it is that we are loved by. To let God's truth set our hearts on fire." If you yearn for God but desire a clearer biblical picture of this God whom you love, or if you have been walking with God for a while now, but your experience of him has become settled or dry, then this book is for you.

This Bible also features: clear, readable 9pt text easy-to-read layout maps shortcuts to key stories, events and people of the Bible reading plan timeline book by book overview quick links to find inspiration and help from the Bible in different life situations. British Text This edition uses British spelling, punctuation and grammar to allow the Bible to be read more naturally. More about the translation: This revised and updated edition of the NIV includes three main types of change, taking into account changes in the way we use language day to day; advances in biblical scholarship and understanding; and the need to ensure that gender accurate language is used, to faithfully reflect whether men and women are referred to in each instance. The translators have carefully assessed a

huge body of scholarship, as well as inviting peer submissions, in order to review every word of the existing NIV to ensure it remains as clear and relevant today as when it was first published. Royalties from all sales of the NIV Bible help Biblica, formerly the International Bible Society, in their work of translating and distributing Bibles around the world.
