A funny thing happened on my way to a career

Bill Saylor decided to share his life with all his friends. His book begins with his childhood, proceeds to his Naval career, the many jobs he performed, his life as a broadcaster, first in radio, then television, and finally politics. Along the way there is a great emphasis on baseball, a major part of his life.

A Funny Thing Happened on the Way to the Future

Michael J. Fox abandoned high school to pursue an acting career, but went on to receive honorary degrees from several universities and garner the highest accolades for his acting, as well as for his writing. In his new book, he inspires and motivates graduates to recognize opportunities, maximize their abilities, and roll with the punches--all with his trademark optimism, warmth, and humor. In *A Funny Thing Happened on the Way to the Future*, Michael draws on his own life experiences to make a case that real learning happens when "life goes skidding sideways." He writes of coming to Los Angeles from Canada at age eighteen and attempting to make his way as an actor. Fox offers up a comically skewed take on how, in his own way, he fulfilled the requirements of a college syllabus. He learned Economics as a starving artist; an unexpected turn as a neophyte activist schooled him in Political Science; and his approach to Comparative Literature involved stacking books up against their movie versions. Replete with personal stories and hilarious anecdotes, Michael J. Fox's new book is the perfect gift for graduates.

A Funny Thing Happened on my way Through the Bible

In this collection of nearly four thousand Bible verses, author James Larson highlights the humor—and sometimes tragedy—of Scripture through his original and eye-opening interpretation. Respectfully presented with unique commentary and thought-provoking questions, this compilation will be sure to pique interest, inspire deeper contemplation, and launch the curious reader on a journey of reading and reflecting upon God's Word every day. www.JamesLLarson.com

A Funny Thing Happened on the Way to Beirut

It's hard to coach a team when your players don't show up. Mafi muscula. Hard to make air flights without reservations. Mafi muscula. Can't tape ankles without tape. Hey! Why isn't Darrin here from the States yet? Mafi Muscula. Can't understand these Hungarian menu forms...we could starve. Mafi muscula. We're almost out of tea. Muscula! In Arabic, mafi muscula means "no problem." But a better definition is probably: "no problem for ME, big problem for YOU." Saudi Arabia is where mafi musculas start, but they don't end there. From Saudi it's on to a training camp near Budapest then onward to Beirut for the basketball championships of the Eighth Pan Arab Games. Some funny things happen along the way. And there, too. These are recounted through the eyes of an American coach. They sometimes happen on the court., but more often off. Some are pretty peculiar and that's the kind of questions they raise. For example: —Was Bruce Springsteen born in Saudi Arabia? —Do you know how to properly kiss your players? —Why are Homer's underpants radioactive? —Is Martin as dead as he thinks? —Is Adel as dead as Coach tells his mom he is? —How to get a lunatic asylum airborne? —When must camels kill you? And more.

A Funny Thing Happened on the Way to Cooperstown

A memoir by the 1940s pitching sensation looks back at a career playing for thirteen teams in four countries from the 1940s to the 1960s.

A Funny Thing Happened at the Interview

Over 100 fact-based short stories illustrated with 50 Rocky the Resume cartoons. With a foreward by Steve Allen.

A Funny Thing Happened on My Way to Freedom

Author Desi Sanchez, a native of Cuba, was twenty-two years old when the Bay of Pigs incident took place there in 1961. He had made the decision to side against Fidel Castro long before the confrontation and served as a merchant marine in the SS Houston during the invasion. In 2010 Desi Sanchez received an honorary crew member certificate of the DDE-510 Eaton. Havana was Desi Sanchez's home. He was born there, grew up there, went to school there, and fell in love there. Eventually, however, as Castro's regime began to take hold and everything began to change, he learned that home isn't where your life happened; it's where your heart is. Sometimes you just have to find a new home. Originally writing his memoir in order to bridge the gap between generations within his own family, Sanchez has since come to realize the importance of preserving history from the perspectives of the participants for all to see. Now he shares his life story.

A Funny Thing Happened on My Journey to Heaven

Me?!? Go to church? Lightning will strike me dead! Me?!? Homeless? Jobless? How did this happen? Me?!? Give money to the church? They are just after my money! Me?!? Go back to school? Become a CPA? I'm over 40! Me?!? Tithe? I give enough! Me?!? Date? How could I ever trust a man again? Me?!? Write a book? I'm a CPA for Heaven's sake! Me?!? Witness? People will think I'm strange! Author Patricia Coury Hartman is, of all things, a CPA. She always sees the lighter side of life, even though she has been through some very deep painful times, including divorce and parenting alone. Her smile and her laughter brighten any room. Her humility shows through in her writing, as she shares transparently how she got to where she is today. She has a gift of taking the complex and making it simple. Her journey has taken her from: [Runaway to Home Again [Liberal to Conservative [Atheist to Christian [Single Mom to Married [Empty Nester [Rebellion to Contentment [Broke to Financially Stable [Bus Driver to CPA [Homeless to Homeowner [Proud to Humble [Lost to Found [Sinner to... well... Grab a cup of coffee and a box of tissues and head for the easy chair. Get ready for times of laughter, reflection and joy...

A Funny Thing Happened on the Way to the Health Fair

The medicinal value of humor is not a new phenomenon. During the American Civil War, President Abraham Lincoln told his Cabinet, "With the fearful strain upon me day and night, if I did not laugh, I should die. You need this medicine as much as I do." With the funniest stories and lists this side of the millennium, this book is a heaping helping of penicillin for the mind. This book will heal the stitches it keeps you in. Almost everything has been fair game for the Email laugh mavens who contributed stories to this book. Under a laugh attack are (Heaven forbid) the Bible, travel, kids, sex and sexists, the Clinton years, News at 11, body parts, medical moments, politically incorrect and the usual suspects - blondes and lawyers. Nothing new, everything borrowed and some stories decidedly blue.

A Funny Thing Happened on the Way to the Senate

The Franken-Coleman campaign saga really begins with the tragic plane crash resulting in the death of Senator Paul Wellstone. That moment provided Norm Coleman his second opportunity for major political reinvention (the first being when he switched parties). Following the tragedy, Coleman shifted gears to run a kinder, gentler series of television ads that hardly mentioned his new opponent, Walter Mondale. Meanwhile, when Republicans accused Democrats of turning the Wellstone memorial service into a carefully choreographed political rally, Franken was outraged. He immediately set upon a mission to unseat Coleman, which ended up with their eventual head-to-head run in 2008. The unprecedented recount and legal drama that ultimately decided the election was an appropriate coda to what had already been an extraordinary Minnesota Senate race. A Funny Thing Happened on the Way to the Senate tells the whole story.

In the Dark We Forget

"A chilling, nerve-jangling journey into lost memories and unforgettable terrors. Sandra Wong knows what scares us all--and what we can never forget." --Tess Gerritsen, New York Times-bestselling author of Listen to Me A jolting psychological suspense novel from an up-and-coming Chinese-Canadian crime

writer about missing parents, a winning lottery ticket and the lies we tell ourselves in order to survive. Some things are better left forgotten . . . When a woman wakes up with amnesia beside a mountain highway, confused and alone, she fights to regain her identity, only to learn that her parents have disappeared--not long after her mother bought a winning \$47 million lottery ticket. As her memories painfully resurface and the police uncover details of her parents' mysterious disappearance, Cleo Li finds herself under increasing suspicion. Even with the unwavering support of her brother, she can't quite reconcile her fears with reality or keep the harrowing nightmares at bay. As Cleo delves deeper for the truth, she cannot escape the nagging sense that maybe the person she should be afraid of...is herself. With jolting revelations and taut ambiguity, *In the Dark We Forget* vividly examines the complexities of family--and the lies we tell ourselves in order to survive.

A Funny Thing Happened on My Way to Old Age

"It started almost 15 years ago ... the assault on our prime-of-life status from every quarter of society.... Waitresses have stopped asking if we qualify for the senior discount; they simply give it to us. When I'm in public, young women step aside for me to enter doors ahead of them." Whether you are 50 or 70, you have probably shared some of Stanley Baldwin's experiences. Here is an opportunity to relive them with laughter. But, more important, in these pages you'll find an opportunity to reflect on how these life changes relate to your Christian life. This is a book for those who reject the grumpiness of aging and embrace the grace of life with Christ.

A Funny Thing Happened on the Way to Stockholm

The rollicking memoir from the cardiologist turned legendary scientist and winner of the Nobel Prize that revels in the joy of science and discovery. Like Richard Feynman in the field of physics, Dr. Robert Lefkowitz is also known for being a larger-than-life character: a not-immodest, often self-deprecating, always entertaining raconteur. Indeed, when he received the Nobel Prize, the press corps in Sweden covered him intensively, describing him as "the happiest Laureate." In addition to his time as a physician, from being a "yellow beret" in the public health corps with Dr. Anthony Fauci to his time as a cardiologist, and his extraordinary transition to biochemistry, which would lead to his Nobel Prize win, Dr. Lefkowitz has ignited passion and curiosity as a fabled mentor and teacher. But it's all in a day's work, as Lefkowitz reveals in *A Funny Thing Happened on the Way to Stockholm*, which is filled to the brim with anecdotes and energy, and gives us a glimpse into the life of one of today's leading scientists.

Job Interviews For Dummies®

Job interviews are crucial meetings that seal the deal on who gets hired. But, since the previous edition of *Job Interviews for Dummies* was published, everything about the interview process has changed in ways you need to know about and get comfortable with beforehand. This completely revised and updated 3rd Edition brings you fully up to speed with the latest technological changes, interview strategies, and negotiation techniques to help you give a show-stopping performance and land the job of your dreams. You learn the secrets of successful Internet video interviewing and find out how to present yourself on a global scale. And, you'll get plenty of expert advice on giving targeted responses, pinpointing the critical parts of questions, and following up on the interview. In this outstanding handbook of contemporary interview arts, you'll discover how to: Out-prepare the competition Overcome your fear of interviewing Ask smart questions about the job and the employer Give the best answers to make-or-break questions Fit your qualifications to the job's requirements Dress like an insider Survive personality tests Interview across cultures Deliver a show-stopping interview performance Evaluate a job offer Negotiate a better salary Whether you're fresh from the classroom, a prime-timer over 50, or somewhere in between, *Job Interviews For Dummies, 3rd Edition* gets you up to speed fast on the skills and tools you need to land the job you want.

Funny Things Happened on My Way to the Cemetery

Ever been chased by a jealous husband swinging an axe? Or had your shoelaces and socks chewed by a cheetah while you couldn't move? What about having a doctor pass out beside you while he was delivering your child? If your answers are no, then you are lucky. If you want to find out how someone survived these wild and crazy adventures, read this book! The light-hearted autobiography of Hugh MacDonald recounts the laughable and unusual adventures and misadventures of a budding concert pianist, a minister of one of Canada's largest churches, a college professor, a radio talk-show host, a Paris tour guide, and a civil marriage commissioner. MacDonald tells of being carried down a main

street in Montreal completely naked; walking a marathon with raw eggs squishing in his boots; being forced to eat beef stew, well-flavoured with cat hair; inadvertently buying 3,125 condoms in preparation for his wedding; being marooned and coming close to death in a Northern Ontario blizzard; and so much more! MacDonald winds these yarns into an interesting account of his long and varied life. This book can be read in one sitting, or you can savour it as bedtime reading, enjoying one or two funny stories each night. Either way, you can't go wrong with this humorous telling of MacDonald's life.

A Funny Thing Happened on the Way to the White House

This book profiles eighteen of our funniest elections, from 1828, the first election in which all states had electors, to the election from hell in 2000. The book also includes chapters on Watergate and impeachment, and a gallery of official photographs.

A Funny Thing Happened on the Way to the Pulpit

This book is written with no other agenda than to simply entertain the reader. In the truest definition of the word it is not an autobiography; it is a collection of short stories that have happened in the lives of Arnold & Joy Lastinger in over 50 years of ministry. You may laugh; you may cry. But, you will enjoy reading about how the marvelous grace of a loving Lord has carried this couple through 50 years of ministry together. Some of the stories are too fantastic to be believable. But, every one of them is true. Brace yourself for an enjoyable read!

A Funny Thing Happened on the Way to School...

First, some giant ants steal breakfast. Then there are the evil ninjas, massive ape, mysterious mole people, giant blob, and countless other daunting (and astonishing) detours along the way to school. Are these excuses really why this student is late? Or is there another explanation that is even more outrageous than the rest? From Davide Cali and Benjamin Chaud, the critically acclaimed author/illustrator team behind *I Didn't Do My Homework Because . . .* comes a fast-paced, actionpacked, laugh-out-loud story about finding the way to school despite the odds—and the unbelievable oddness! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Funny Things Happened on Our Way to Living

Nineteen side-splitting stories from Sri Lanka to begin this chronicle of the funny things that have happened to him, Muller goes back to his days as a recruit in the Royal Ceylon Navy when the Queen of England came a-visiting: the saucy sailors decide to tip her a wink! The second story takes us back to Muller's childhood in Anuradhapura where two visiting rat snakes turn out to be a railway linesman's grandparents. There are further hilarious adventures in the navy, encounters with more snakes of different sizes and lineage, graphic descriptions of jam-making factories, and hazardous days in the Gulf. Effortlessly, Muller creates caricatures that leave you helpless with laughter as they highlight the follies and foibles of the human race.

A funny thing happened on the way to the Cemetery

Slipknot and Stone Sour singer Corey Taylor's New York Times bestselling journey into the world of ghosts and the supernatural. Corey Taylor has seen a lot of unbelievable things. However, many of his most incredible experiences might just shock you. For much of his life, the Grammy Award-winning singer of Slipknot and Stone Sour and New York Times bestselling author of *Seven Deadly Sins* has brushed up against the supernatural world. Those encounters impacted his own personal evolution just as much as headlining at Castle Donington in front of 100,000 people at Download Festival or debuting at #1 on the Billboard Top 200. Since growing up in Iowa, his own curiosity drew him into situations that would've sent most people screaming scared and running for the hills. He's ballsy enough to go into the darkness and deal with the consequences, though. As a result, he's seen ghosts up close and personal, whether while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories (and scars) to prove it. For some reason, he can't seem to shake these spectral stories, and that brings us to this little tome right here... At the same time, being an erudite, tattooed, modern Renaissance Man, he was never one for Sunday Service. Simply put, he's seen ghosts, but he hasn't seen Jesus. Taylor especially can't find a reason why people do the insane things they do in His name. That's where

everything gets really interesting. His second book, *A Funny Thing Happened on the Way to Heaven*, compiles Taylor's most intimate, incredible, and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of religious belief systems and two-thousand-year-old dogma. As always, his rapid-fire writing, razor sharp sense of humor, unbridled honesty, and cozy anecdotes make quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride.

A Funny Thing Happened on the Way to Heaven

Covering both the Old and New Testaments, this fascinating collection of trivia will delight teenagers and senior citizens alike. Set up in a multiple choice format, this book can easily be utilized as a teaching/learning tool for individuals and study groups, offering a true challenge of Bible knowledge with a heavy dose of humor along the way.

A Funny Thing Happened on My Way Through the Bible

This book is about my life and some funny things that happened. Some are not so funny but serious. My working life has been 74 years with many careers. You find this book not only funny but inspiring.

A Funny Thing Happened on My Way to Old Age (EasyRead Super Large 18pt Edition)

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you · then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged · or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

A Funny Thing Happened on My Way to Retirement

In the tradition of *TUESDAYS WITH MORRIE* and *THE LAST LECTURE* comes an inspiring book of life lessons from Michael J Fox. Michael J Fox didn't finish high school, but he has gone on to receive honorary degrees from several universities and has achieved the highest accolades for his acting, as well as his writing. In his new book, he inspires and motivates his readers to work hard, achieve the most they can and maximise their abilities – all with his trademark optimism, warmth and humour. From moving to Los Angeles fresh from Canada, without a high school degree and learning to live on a wage to taking on roles in 'Family Ties' and the 'Back to the Future' movies and nearly crashing and burning and then learning to cope first with the death of his father and then with his own diagnosis of Parkinson's disease, MJF shares what he's learned about life, work, love, family and happiness and everything else along the way.

A Funny Thing Happened on My Way to Success

Full of wit and stories, some well-known. Plus, a recap of memories of famous comedians he's known and places where he's been the entertainer.

Ask a Manager

Who can't use a healthy look at the lighter side of life once in a while? Connie Breedlove tells of her adventures as a middle American homemaker in this delightful collection of anecdotes with a spiritual flavor. Connie has a funny way of looking at the world, a special gift for storytelling, and a unique ability to find natural spiritual insights in the events of every day.

A Funny Thing Happened On The Way To The Future: Twists And Turns And Lessons Learned

With this book you can discover how to unlock your latent creativity and make your dreams a reality. It provides a 12-week course that guides you through the process of recovering your creative self.

A Funny Thing Happened to Me on the Way to My Funeral

This book has emerged primarily from Jim Connor's own life experiences. It is written to all those trying to deal with dementia and similar wretched diseases, in the hope that their lives will be enriched. This book has emerged primarily from Jim Connor's own life experiences caring for his wife. It is written for all those trying to deal with dementia in the hope that their lives will be enriched.

A Funny Thing Happened on the Way to Heaven

The era of the comfy, offsite strategy retreat is over--who has the time? Beset by rapid change, leaders have to build the strategy airplane while they fly it. Agile organizations use execution (i.e., performance) to drive strategy. Laura Stack, bestselling author of *What to Do When There's Too Much to Do* (25,000 copies sold), provides the tools leaders need to adapt.

The Artist's Way

Corey Taylor has seen a lot of unbelievable things. The Grammy Award-winning singer of Slipknot and Stone Sour's curiosity has drawn him into situations that would've sent most people screaming scared and running for the hills. Corey's ballsy enough to go into the darkness and deal with the consequences though. As a result, he's seen ghosts up close and personal, whether it be while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories (and scars) to prove it. For some reason, he can't seem to shake these spectral stories, and that brings us to this little tome right here... At the same time, being an erudite, tattooed, modern Renaissance Man, he never bought into the whole God thing. Simply put, he's seen ghosts, but he hasn't seen Jesus. Corey especially can't find a reason why people do the insane things they do in HIS name. That's where everything really gets interesting. His second book, *A Funny Thing Happened on the Way to Heaven*, compiles Corey's most intimate, incredible, and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of religious belief systems and two-thousand-year-old dogma. As always his rapid-fire writing, razor sharp sense of humour, unbridled honesty, and cosy anecdotes make quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride.

The Frogs

One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book **DO YOU WORK WITH A MEAN GIRL?** A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? *Mean Girls at Work* isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, “You've just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. *Mean Girls at Work* is your map to dodging the mines and moving forward in today's transformed workplace. Praise for *Mean Girls at Work* “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of *How to Talk to Anyone* “If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn't exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and

offer solid defensive strategies.” —Ann Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who’s seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women’s Foundation “A must-read for women of all ages in today’s workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

A Funny Thing Happened on the Way to the Nursing Home

"Join Emmy-nominated comedy writer Martha Bolton on an absolutely hilarious journey through the Bible in this laughter-packed book. Her zany wit will brighten your day and leave you chuckling with joy as you rediscover the Bible through the eyes of humor. Comments that might have been overheard during Egypt's plague of flies: You left the screen door open again, didn't you, Abigail? Waiter, I think there are 4,000 flies in my soup. Where are all those frogs now that we need them, huh? Just how many pounds do these 'No-Pest Strips' hold anyway? All I know, Omar, is you can't have a beauty contest when the contestants are drawing this many flies."

Execution IS the Strategy

"Everyone knows that Marcus Tullius Cicero was one of the great statesmen, lawyers, and effective orators in the history of Rome. But did you also know he was regarded as one of the funniest people in Roman society as well? Five hundred years after his death, in the twilight of antiquity, the writer Macrobius ranks him alongside the comic playwright Plautus as the one of the two greatest wits ever. In this book, classicist Michael Fontaine, proposes to translate selections from Cicero's great rhetorical treatise, *On the Ideal Orator (De Oratore)*. That larger work covered the whole of rhetoric and effective public speaking and debate. However, contained within it, is a long section focused on the effective use of humor in public speaking. In it, Cicero is concerned not just with various kinds of individual jokes, but with jokes that are advantageous in social situations. He advises readers on how to make the most effective use of wit to win friends, audiences, and achieve their overall ambitions. Cicero wants to teach his readers how to tell a joke without looking like a buffoon, and how to prevent or avoid jokes from backfiring. Hence, he does give scores of examples of jokes—some of which are timeless and translate easily, others that involve puns in Latin that challenged the translator's creativity. But overall, this work brings to the fore a little known, but important part of Cicero's classic work."--

A Funny Thing Happened On The Way To Heaven

From bestselling writer David Graeber—“a master of opening up thought and stimulating debate” (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “On the Phenomenon of Bullshit Jobs.” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society’s most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. “Clever and charismatic” (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “a thought-provoking examination of our working lives” (Financial Times).
