Matthew

Matthew is the third volume in the forty-volume Brazos Theological Commentary on the Bible. This commentary, like each in the series, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

A Cross-Shattered Church

Eminent theologian Stanley Hauerwas shows how the sermon is the best context for doing theology.

Deuteronomy (Brazos Theological Commentary on the Bible)

Pastors and leaders of the classical church--such as Augustine, Calvin, Luther, and Wesley--interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In the eighth volume in the series, Telford Work presents a theological exegesis of Deuteronomy.

Jonah (Brazos Theological Commentary on the Bible)

Pastors and leaders of the classical church--such as Augustine, Calvin, Luther, and Wesley--interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians

and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In the sixth volume in the series, Phillip Cary presents a theological exegesis of Jonah.

Ezra & Nehemiah (Brazos Theological Commentary on the Bible)

This volume, like each in the Brazos Theological Commentary on the Bible, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

With the Grain of the Universe

This major work by one of the world's top theologians offers a provocative and closely argued perspective on natural theology. Stanley Hauerwas shows how natural theology, divorced from a confessional doctrine of God, inevitably distorts our understanding of God's character and the world in which we live. This critically acclaimed book, winner of a Christianity Today Book Award, is now in paper. It includes a new afterword that sets the book in contemporary context and responds to critics.

Jonah

The sixth volume in a series that enlists leading theologians to interpret scripture for the twenty-first century presents a theological exegesis of Jonah.

2 Samuel (Brazos Theological Commentary on the Bible)

The Brazos Theological Commentary on the Bible encourages readers to explore how the vital roots of the ancient Christian tradition should inform and shape faithfulness today. In this addition to the series, highly acclaimed author, speaker, and theologian Robert Barron offers a theological exegesis of 2 Samuel. He highlights three major themes: God's non-competitive transcendence, the play between divine and non-divine causality, and the role of Old Testament kingship. As with other volumes in the series, this book is ideal for those called to ministry, serving as a rich resource for preachers, teachers, students, and study groups.

Leviticus (Brazos Theological Commentary on the Bible)

This volume, like each in the Brazos Theological Commentary on the Bible, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Christian Existence Today

Fourteen essays by ethicist Hauerwas stimulate thinking about the nature of the church and the life of its individual members in the world.

Proverbs & Ecclesiastes (Brazos Theological Commentary on the Bible)

Pastors and leaders of the classical church interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century. In this addition to the well-received series, Daniel Treier offers theological exegesis of Proverbs and Ecclesiastes.

Exodus (Brazos Theological Commentary on the Bible)

Exodus recounts the origins of ancient Israel, but it is also a book of religious symbols. How should it be interpreted, especially in light of modern historical-critical study? In this addition to an acclaimed series, a respected scholar offers a theological reading of Exodus that highlights Aquinas's interpretations of the text. As with other volumes in the series, this commentary is ideal for those called to ministry, serving as a rich resource for preachers, teachers, students, and study groups.

Luke

Offers a theological reading of the Book of Luke, demonstrating the continuing intellectual and practical viability of theological interpretation of the Bible.

War and the American Difference

How are American identity and America's presence in the world shaped by war, and what does God have to do with it? Esteemed theologian Stanley Hauerwas helps readers reflect theologically on war, church, justice, and nonviolence in this compelling volume, exploring issues such as how America depends on war for its identity, how war affects the soul of a nation, the sacrifices that war entails, and why war is considered "necessary," especially in America. He also examines the views of nonviolence held by Martin Luther King Jr. and C. S. Lewis, how Jesus constitutes the justice of God, and the relationship between congregational ministry and Christian formation in America.

A Better Hope

By his own admission never one to duck a good fight, Stanley Hauerwas has in the past three decades established himself as one of our most important and most disputatious theologians. With *A Better Hope*, he concentrates on the constructive case for the truth and power of the church and its faith, "since Christians cannot afford to let ourselves be defined by what we are against. Whatever or whomever we are against, we are so only because God has given us so much to be for." Hauerwas here crystallizes and extends profound criticisms of America, liberalism, capitalism, and postmodernism, but also identifies unlikely allies (such as Chicago Archbishop Francis Cardinal George) and locates surprising resources for Christian survival (such as mystery novels). Interlocutors along the way include Reinhold Niebuhr, John Courtney Murray, and, in a significant and previously unpublished essay, social gospeller Walter Rauschenbusch. Never boring and often telling, *A Better Hope* demonstrates how a thinker so often accused of being "tribal" and "sectarian" is at the same time one of few contemporary theologians read not just by other theologians, but by political scientists, philosophers, medical ethicists, law professors, and literary theorists.

Ezekiel (Brazos Theological Commentary on the Bible)

Pastors and leaders of the classical church--such as Augustine, Calvin, Luther, and Wesley--interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In this addition to the series, esteemed theologian Robert W. Jenson presents a theological exegesis of Ezekiel.

Performing the Faith

September 11, Afghanistan, Iraq--more than ever, this is a time for the church to be taking up the question of what, as Christians, our response to violence should be. In *Performing the Faith*, Stanley Hauerwas revisits the familiar territory of political nonviolence through discussion of the writings of Dietrich Bonhoeffer--Christian ethicist, theologian, and by some definitions, martyr. This book is an intriguing commentary on Bonhoeffer's bold claim that if our common life rests on lies and injustice, we cannot be a community of peace. Pastors, seminarians, and those interested in Christian ethics are among the many who will be interested in this new word from an unwavering, faithful voice.

Genesis (Brazos Theological Commentary on the Bible)

The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century, just as the church fathers, the Reformers, and other orthodox Christians did for their times and places. In this addition to the well-received series, esteemed theologian R. R. Reno offers a theological exegesis of Genesis. This commentary, like each in the series, is designed to serve the church--providing a rich resource for preachers, teachers, students, and study groups--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Deuteronomy

A leading theologian interprets Deuteronomy for the twenty-first century in the eighth volume in the Brazos Theological Commentary on the Bible.

Cross-Shattered Christ

In this small but powerful book, renowned theologian Stanley Hauerwas offers a moving reflection on Jesus's final words from the cross. Touching in original and surprising ways on subjects such as praying the Psalms and our need to be remembered by Jesus, Hauerwas emphasizes Christ's humanity as well as the sheer "differentness" of God. Ideal for personal devotion during Lent and throughout the church year, this book offers a transformative reading of Jesus's words that goes directly to the heart of the gospel. Now in paperback.

1 Corinthians (Brazos Theological Commentary on the Bible)

The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition, in all its diversity, provides the proper basis for the interpretation of the Bible as Christian scripture. The series volumes, written by leading theologians, encourage readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today. In this addition to the series, respected theologian Kimlyn Bender offers a theological reading of 1 Corinthians. As with other volumes in the series, this commentary is designed to serve the church, providing a rich resource for preachers, teachers, students, and study groups. It demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible.

Leviticus

This volume, like each in the Brazos Theological Commentary on the Bible, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Unleashing the Scripture

In this challenging, controversial volume, Stanley Hauerwas asserts that both liberal (historical-critical) and fundamentalist (literal) approaches to biblical scholarship have corrupted our use of the Bible--especially in preaching--in the American church.

A Cross-Shattered Church

In this work, eminent theologian Stanley Hauerwas shows how the sermon is the best context for doing good theology. He writes, "I am convinced that the recovery of the sermon as the context for theological reflection is crucial if Christians are to negotiate the world in which we find ourselves." The book includes seventeen sermons preached by Hauerwas, which he considers his best theological work and hopes exemplify the work of theology. The sermons are divided into four sections: seeing, saying, living, and events. Titles range from *Believing Is Seeing and Was It Fitting for Jesus to Die on a Cross?* to *Only Fear Can Drive Out Fear* and *To Be Made Human*. Each sermon includes where and when it was preached and references relevant Scripture passages. EXCERPT I have increasingly come to the recognition that one of the most satisfying contexts for doing the work of theology is in sermons. That should not be surprising because throughout Christian history, at least until recently, the sermon was one of the primary places in which the work of theology was done. For the work of theology is first and foremost to exposit scripture. That modern theology has become less and less scriptural, that modern theology has often tried to appear as a form of philosophy, is but an indication of its alienation from its proper work. I am, therefore, making these sermons available because I think they are not only my best theological work, but because I hope they exemplify the work of theology.

The Pastoral Epistles with Philemon & Jude (Brazos Theological Commentary on the Bible)

This seventh volume in the Brazos Theological Commentary on the Bible offers a theological exegesis of 1st and 2nd Timothy, Titus, Philemon, and Jude. This commentary, like each in the series, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Matthew

One of the most beloved books of the New Testament, the Gospel of Matthew speaks with eloquence and power. Among the Gospels, Matthew paints a fuller picture of the life, ministry, and teachings of Jesus. Anna Case-Winters's incisive commentary reveals that Matthew is clearly a theological book. It is about God's saving work in Jesus Christ. Moreover, it is presented in a way that easily lends itself to the task of teaching and preaching. Case-Winters highlights five themes that shape the distinctive portrait of Jesus this Gospel offers. Here we see Jesus facing up to conflict and controversy, ministering at the margins, overturning presuppositions about insiders and outsiders, privileging the powerless, demonstrating the authority of ethical leadership, challenging allegiance to empire, and pointing the way to a wider divine embrace than many dared imagine. Case-Winters captures the core of Matthew's unique Gospel, which speaks powerfully to the life of Christian faith today in the midst of our own issues and struggles.

Jonah

The sixth volume in a series that enlists leading theologians to interpret scripture for the twenty-first century presents a theological exegesis of Jonah.

1 Corinthians

The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition, in all its diversity, provides the proper basis for the interpretation of the Bible as Christian scripture. The series volumes, written by leading theologians, encourage readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today. In this addition to the series, respected theologian Kimlyn Bender offers a theological reading of 1 Corinthians. As with other volumes in the series, this commentary is designed to serve the church, providing a rich resource for preachers, teachers, students, and study groups. It demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible.

1 & 2 Kings (Brazos Theological Commentary on the Bible)

1 and 2 Kings, like each volume in the Brazos Theological Commentary on the Bible, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Ezra & Nehemiah

This commentary on Ezra and Nehemiah provides guidance to pastors and academics in reading the Bible under the rule of faith.

The Gospel of Matthew

"The English translation at the beginning of each section is France's own, designed to provide the basis for the commentary. This adept translation uses contemporary idioms and, where necessary, gives priority to clarity over literary elegance." -- BOOK JACKET.

Lord, Teach Us

After a short introduction, the authors work through each phrase of the Lord's Prayer, using it as a framework for the Christian life. Providing basic faith understanding, this book will help the user experience Christianity as attractive and inviting, not distant, difficult, or foreboding. (separate leader's guide 9780687089284)

Galatians (Brazos Theological Commentary on the Bible)

The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition, in all its diversity, provides the proper basis for the interpretation of the Bible as Christian scripture. The series volumes, written by leading theologians, encourage readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today. In this addition to the series, respected theologian Kathryn Greene-McCreight offers a theological reading of Galatians. As with other volumes in the series, this commentary is designed to serve the church, providing a

rich resource for preachers, teachers, students, and study groups. It demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible.

Preaching the Gospel of Matthew

This commentary for preaching Matthew, a companion to WJK's successful Preaching the Gospel of Luke, Preaching the Gospel of John, and Preaching the Gospel of Mark, works through every passage of Matthew's Gospel with exegetical insight and a keen sensitivity to the demands of preaching. Stanley P. Saunders' commentary follows the biblical text, divided into passages. After each passage, a number of possibilities are presented for how to preach that text. He includes a wealth of creative and pertinent tips to help preachers apply Matthew's narrative to the lives of today's churchgoers.

Leviticus

This commentary on Leviticus provides guidance to pastors and academics in reading the Bible under the rule of faith.

Thy Word is Truth

Over the past two decades studies on Karl Barth have become increasingly technical. The ironic result is that although Barth wrote chiefly for preachers, scholars have become the primary gatekeepers to his rich theological thought. This collection of essays introduces Karl Barth with both clarity and depth, providing pastors and other serious readers with a valuable overview of Barth's views on Scripture. George Hunsinger -- himself a recognized expert on Barth -- and eight other scholars cover such topics as Barth's belief that Scripture is both reliable and inspired, his typological exegesis, his ideas about time and eternity, and more. Reading this book will whet the reader's appetite to engage further with Barth himself.

The Peaceable Kingdom

Stanley Hauerwas presents an overall introduction to the themes and method that have distinguished his vision of Christian ethics. Emphasizing the significance of Jesus' life and teaching in shaping moral life, The Peaceable Kingdom stresses the narrative character of moral rationality and the necessity of a historic community and tradition for morality. Hauerwas systematically develops the importance of character and virtue as elements of decision making and spirituality and stresses nonviolence as critical for shaping our understanding of Christian ethics.

Matthew and the Margins

This detailed commentary presents the gospel of Matthew as a counter-narrative, showing that it is a work of resistance written from and for a minority community of disciples committed to Jesus, the agent of God's saving presence. It was written and functions to shape the identity and lifestyle of the early community of Jesus' followers as an alternative community that can resist the dominant authorities both in Rome and in the synagogue. The Gospel anticipates the time when Jesus will return and establish God's reign over all, including the powers in Rome.

The Making of Stanley Hauerwas

In the past half-century, few theologians have shaped the landscape of American belief and practice as much as Stanley Hauerwas. His work in social ethics, political theology, and ecclesiology has had a tremendous influence on the church and society. But have we understood Hauerwas's theology, his influences, and his place among the theologians correctly? Hauerwas is often associated—and rightly so—with the postliberal theological movement and its emphasis on a narrative interpretation of Scripture. Yet he also claims to stand within the theological tradition of Karl Barth, who strongly affirmed the priority of Jesus Christ in all matters and famously rejected Protestant liberalism. These are two rivers that seem to flow in different directions. In this New Explorations in Theology (NET) volume, theologian David Hunsicker offers a reevaluation of Hauerwas's theology, arguing that he is both a postliberal and a Barthian theologian. In so doing, Hunsicker helps us to understand better both the formation and the ongoing significance of one of America's great theologians. Featuring new monographs with cutting-edge research, New Explorations in Theology provides a platform for constructive, creative work in the areas of systematic, historical, philosophical, biblical, and practical theology.

Behold the Christ: Proclaiming the Gospel of Matthew

Behold the Christ: Proclaiming the Gospel of Matthew, by Leroy A. Huizenga, reveals the significance of St. Matthew's Jesus: He is Emmanuel, God with us always, who saves his people from their sins by dying for them. In showing how Jesus fulfilled the Old Testament, gave us a way to live, and taught us how to follow the narrow way to the kingdom of heaven, St. Matthew modeled the fourfold way of reading Scripture according to letter and spirit. Above all, St. Matthew's Gospel presents Jesus Christ founding the Catholic Church as a robust, rigorous religion with rich rituals, chiefly the sacrificial Eucharist as sustenance on the narrow way to heaven. Jesus demands much of his Church, but the same Jesus who commands his Church also promises and delivers much—above all, himself. Keyed to the lectionary and featuring a section on the relevance of St. Matthew's Gospel for our contemporary age, Behold the Christ will make the Gospel and indeed the Faith real to today's readers.

Believe Me You Couldn't Get Off at the Place Where I Live but It Went By and the Santa Fe Crossed the Brazos River the West Fork of the Brazos River at that Place Now that Brazos River in Summertime There Wasn't Enough Water in It to Rust a Shingle Nail but in Wintertime You Could Float a Battleship in It Was that Kind of a Place Now One Winter We Really Had a Flood and It Washed Out the Santa Fe Bridge and So We Didn't Have a Train for a Long Time but Finally They Put in a Bridge or They Worked a Long Time and Then One Day They Brought in Two Engines and Put on that Bridge But Finally They Put in a Bridge or They Worked a Long Time and Then One Day They Brought in Two Engines and Put on that Bridge and Tied Down the Whistles on both Hub and Believe Me that's More Whistling and We'D Ever Heard in that Little Town and all of Us in this Little Town We Ran Down out of the River to the Bridge To See What Has Happened When We Got There We Saw all 23 of Us Went Down There by the Way and We Were Standing Around and One Brave Citizen He Went Up and Said to the Engineer in Charge What Are You Doing Says Testing the Bridge

When We Got There We Saw all 23 of Us Went Down There by the Way and We Were Standing Around and One Brave Citizen He Went Up and Said to the Engineer in Charge What Are You Doing Says Testing the Bridge because both of those Locomotives on Top of the Bridge and Discusses

What Are You Doing Trying To Break It Down and the Engineer Almost Stirred He Says of Course Not Well He Says What Do You Mean You'Re Testing It He Says We'Re Testing It To Prove that You Can't Break It Down May I Say to You that's Exactly the Way the Lord Jesus Was Tested God Prove God Demonstrate that He Could Not Be Broken Down His Testing Therefore Was Greater than Ours Because both of those Locomotives on Top of the Bridge and Discusses What Are You Doing Trying To Break It Down and the Engineer Almost Stirred He Says of Course Not Well He Says What Do You Mean You'Re Testing It He Says We'Re Testing It To Prove that You Can't Break It Down May I Say to You that's Exactly the Way the Lord Jesus Was Tested God Prove God Demonstrate that He Could Not Be Broken Down His Testing Therefore Was Greater than Ours You See There's a Limit to What We Can Bear You Just Give Me Enough Temptation

I Say to You that's Exactly the Way the Lord Jesus Was Tested God Prove God Demonstrate that He Could Not Be Broken Down His Testing Therefore Was Greater than Ours You See There's a Limit to What We Can Bear You Just Give Me Enough Temptation and Finally You Build Up Pressure and I'll Succumb to It and that's True You Too but He Never Gave in the Pressure Continued To Increase in Other Words the 10-Pound Fishing Line Is Broken 125 Pounds of Pressures Put on It but a Hundred Pound Line Can Bear More than 25 Pounds of Pressure Now I'm the 10-Pound Fishing Line He's the Hundred Pounds

Then Was Jesus Led of the Spirit into the Wilderness To Be Tempted of the Devil How To Be Tested of the Devil and When He Had Fasted Forty Days and Forty Nights He Was Afterward and Hungered and When the Tempter Came to Him He Said if Thou Be the Son of God Command that these Stones Be Made Bread Now that's the Same Temptation That Came to Eve the First One Was Physical She Saw the Tree Was Good for Food and the Lord Jesus Has Told Command that these Stones Be Made Bread

Now Notice Is Answer but He Answered and Said It's Written Man Shall Not Live by Bread Alone but by every Word That Proceedeth out of the Mouth of God and that's Found in Deuteronomy 8 : 3 He's Sure New Deuteronomy and He Believed It Was the Inspired Word of God Then Verse Five We Have the Second Testing Then the Devil Taketh Him Up in the Holy City Setteth Him upon a Pinnacle of the Temple and Said unto Him if Thou Be the Son of God Cast Thyself Down for It's Written He Shall Give His Angels Charge Concerning Thee in Their Hands They Shall Bear Thee Up lest at any Time Thou Dash Thy Foot

And He Believed It Was the Inspired Word of God Then Verse Five We Have the Second Testing Then the Devil Taketh Him Up in the Holy City Setteth Him upon a Pinnacle of the Temple and Said unto Him if Thou Be the Son of God Cast Thyself Down for It's Written He Shall Give His Angels Charge Concerning Thee in Their Hands They Shall Bear Thee Up lest at any Time Thou Dash Thy Foot against a Stone That's some 91 Verses 11 and 12 Now that's the Second One It's a Spiritual Temptation

Now I Believe that the Word of God Has an Answer for Your Particular Problem That Doesn't Mean I Know It and that Doesn't Mean Your Psychologist Knows that and I Don't Think He Knows It Anyway but May I Say to You God Has an Answer in His Word for Your Problem That's the Reason We Ought To Know the Book a Little Bit Better than We Know the Interesting Thing Is the Lord Jesus Answered Satan every Time out of the Word He Didn't Say Well I Think this or I Think this Is the Best Way To Do It He Said Very Pointedly Very Definitely the Word of God Says

And He Is the One That Is Able To Span for the Law Here Is One Who Can Meet the Data and Can Overcome that's Very Important Now I Think It Might Be Well for Us To Make a Very Brief Recapitulation Today and Look at some Things That Are Very Clearly Taught in this Particular Incident in the Life of Our Lord First of all We Have Seen He's Born as a King He Was Introduced as a King and He Was Baptized as a King and Now He's Tested as a King and All the Way through Matthew He's the King

... and All the Way **through Matthew**, He's the King and this ...

I Say for Him I Don't Think that Would Be a Real Temptation but To Do Good Actually Bread Is the Staff of Life and Therefore To Make Bread Would Be a Very Good Thing Satan Didn't Ask Jesus Here To Turn Water into Wine Later on He Fed the Multitudes with Bread but the Inherent Evil Was To Get Him To Go outside of the Will of God for His Life Now the Lord Jesus All the Way through Here's We Call Your Attention to It Answered Him from the Word of God

Later on He Fed the Multitudes with Bread but the Inherent Evil Was To Get Him To Go outside of the Will of God for His Life Now the Lord Jesus All the Way through Here's We Call Your Attention to It Answered Him from the Word of God every Time in Other Words He Used the Sword of the Spirit To Meet the Enemy of God and the Enemy of Man for that Matter His Answer Was It Is Written Oh if We Were Only a Little Bit More Adept at Using a Sword That Is the Sword of the Spirit

Now the Second Thing He Did He Wanted To Get Jesus To Become a Religious Leader by Stupendous Miracle Rather than by Offering His Credentials in the Manner that God Had Prescribed the Devil's Way Would Miss the Cross of Christ and May I Say that What's Called Christianity Today Is Devil Entity or Satan Entity because It Leaves the Cross of Christ Out Altogether and What He's Saying Become a Great Religious Leader by a Miracle and Friends It's Very Dangerous To Be Led Astray by Miracle Workers Right Now We Have So Much of that throughout Our Land I Do Not Know Why So Many People Go after that Type of Thing It Is So Transparent that They'Re Not Really Miracles Taking Place There's a Whole Lot of Emotion and a Great Deal of Fall To Roll I Have Made an Offer in Southern California of 100 Dollars to Anybody That Will Come Forward and Demonstrate And Do You Know I Was Frankly Amazed I've Had Two or Three That Have Come in Actually They'Re Sincere Folk and They'Re Honest Folk and They Really Think I'M Way Out and Left Field because I Don't Believe that Well I Don't but Don't Misunderstand I Believe in Miracle Healing That Is I Believe that You Go Directly to the Great Physician May I Say When You Got Something Serious You Don't Go to an Intern or a Quack Doctor What You Want To Do Is Get to the Specialist in that Particular Field and that's the One You Go to Well I've Taken My Case to the Great Physician He's a Good Doctor by the Way I Can Recommend Him

He's a Good Doctor by the Way I Can Recommend Him and I Believe in Going Directly to Him and Not through some of these So-Called Miracle Workers no Man Can Perform Miracles Now Even the Lord Jesus Would Not Become a Religious Leader the Way the Devil Wanted Him To Become and that's Very Interesting Now You'LI Notice that the Devil Came Back and He Quoted Scripture Also He Came Back and Said He'LI Give His Angels Charge Concerning Thee and in Their Hands They Shall Bear Thee Up Lest

And that's Very Interesting Now You'LI Notice that the Devil Came Back and He Quoted Scripture Also He Came Back and Said He'LI Give His Angels Charge Concerning Thee and in Their Hands They Shall Bear Thee Up lest at any Time Thou Dash Thy Foot against the Stone My He's Pretty Good at that Is He Not the Only Thing Is He Wasn't Quite Accurate You Remember Shakespeare Said that the Devil Could Quote Scriptures for His Purpose Well He Was Wrong He Can Misquote Scripture for His Purpose and He Left Out the Very Important Phrase in this Passage that He Quoted from Psalm 91 Verse 11 and 12 He Left Out To Keep Thee in all Thy

You See It Was an Attempt To Get Him To Ignore God's Way It's Not Always God's Will Friends To Work Thing in Your Life or My Life That's Miraculous this Idea Today that You Can Force God To Do Something and that God Is Sort of a Western Union Boy R that He Is More or Less Working for You and that You Can Command Him or Get Him To Do Anything You Want and You Can't Do that God Is Sovereign

This Idea Today that You Can Force God To Do Something and that God Is Sort of a Western Union Boy R that He Is More or Less Working for You and that You Can Command Him or Get Him To Do Anything You Want and You Can't Do that God Is Sovereign We Happen To Be the Creature and We Must Yield to the Will of God and that May Not Be Pleasant at Times but the Will of God Is that Which Is All-Important Not Your Will and My Will another Thing about this Temptation That Really Raises a Question and that Is the Devil Offered the Lord Jesus the Kingdoms of this World

And that's Bad Enough by the Way but Back of Communism Is Satan and Back of the Confusion in the World Is Satan Let's Remember Who Our Enemy Really Is and It's a Spiritual Enemy and He Wants To Become God He Wants To Become God He Said if You Just Fall Down and Worship Me Now We'Re Told Here in this Last Verse Then the Devil leaveth Him and Behold Angels Came and Ministered unto Him and I Think It's Dr Luke It Says He Left Him for a Season this Doesn't Mean that the Devil Just Left Him Permanently He Did Not Now I Think that Gives Us a Resume of the Temptation

Now We'Re Told Here in this Last Verse Then the Devil leaveth Him and Behold Angels Came and Ministered unto Him and I Think It's Dr Luke It Says He Left Him for a Season this Doesn't Mean that the Devil Just Left Him Permanently He Did Not Now I Think that Gives Us a Resume of the Temptation as We Look Back of It Now Let's Move On from that Today and in Verse 12 You'LI Note this Now When Jesus Had Heard that John Was Cast into Prison He Departed in the Galilee You See He Withdrew from Jerusalem Area because John Now Had Been Taken by Herod and Put in Prison and Verse 13 Reads and Leaving Nazareth He Came and Dwelt in Capernaum

You See He Withdrew from Jerusalem Area because John Now Had Been Taken by Herod and Put in Prison and Verse 13 Reads and Leaving Nazareth He Came and Dwelt in Capernaum Which Is upon the Seacoast and the Borders of Zebulun and Naphtali We Have Here the Lord Jesus Shifting His Headquarters from the South to the North and from Nazareth His Hometown Over to Capernaum Now Matthew Does Not Give Us the Details Here and I Think that You Ought To Notice that the

Gospels

And from Nazareth His Hometown Over to Capernaum Now Matthew Does Not Give Us the Details Here and I Think that You Ought To Notice that the Gospels Are Not Attempting To Parallel each Other One Is Not a Carbon Copy of the Other this Attempt Today To Harmonize Them Is a Big Mistake I Have Been Print Fly Four Gospels and each One Was Written for Definite Purpose and Not One of Them Was To Be a Biography of the Lord Jesus no One Could Give that but each Presents His Case To Reach a Certain Segment of the Human Family and this Is To Reach the Religious Element Was Written Primarily to the Nation Israel

And Not One of Them Was To Be a Biography of the Lord Jesus no One Could Give that but each Presents His Case To Reach a Certain Segment of the Human Family and this Is To Reach the Religious Element Was Written Primarily to the Nation Israel It Actually Was Written in Hebrew Pay Pious and Eusebius Church Fathers both Say that As Well as Others Now We Find Here that the Lord Jesus Moved His Headquarters To Capernaum and Matthew Doesn't Give Us the Reason We'Re Told It Actually He Was Rejected in His Hometown Now He Went Down to Capernaum and As Far as I Can Tell Capernaum Became His Headquarters and Continued To Be His Headquarters until the Time He Went to Jerusalem for the Last Time To Be Crucified

I Don't Think that He Ever Came Very Game He Had Already Pronounced the Judgement on It because this Is the Place That Saw So Many of His Miracles and We'LI See Later On in this Gospel Whoa under the Capernum Now We Have Then that Statement He's Moved His Headquarters There Why Did He Do that Well the Other Gospels Will Not Give You the Reason but Matthew Gives You the Reason because Everything He's Recording Gets To Show You that the Lord Jesus Is the Fulfillment of the Old Testament Prophecies

There Why Did He Do that Well the Other Gospels Will Not Give You the Reason but Matthew Gives You the Reason because Everything He's Recording Gets To Show You that the Lord Jesus Is the Fulfillment of the Old Testament Prophecies and that Everything He Did He's Moving According to Prophecy and that Actually We Have Here Therefore the Fact that He Moved from Nazareth to Capernaum Was All for a Definite Purpose Here It Is Verse 14 that It Might Be Fulfilled Which Was Spoken by Isaiah the Prophet Saying and Here Is the Statement if You Want To Find It in Isaiah Sin the Ninth Chapter the First Two Verses and Also in the 42nd Chapter Verses 6 & 7 I'M Reading Verse 15 Here the Land of Zebulun

And Also in the 42nd Chapter Verses 6 & 7 I'M Reading Verse 15 Here the Land of Zebulun and the Land of Nepheline by the Way of the Sea beyond Jordan Galilee of the Gentiles the People Which Sat in Darkness Saw Great Light and to Them Which Sat in the Region and Shadow of Death Light Is Sprung Up so that He Went into this Area and I Do Not Have Time To Develop this but if You Want To Do some Investigating You'D Find It Very Profitable To See the Condition of that Area at the Time the Lord Jesus Was There When He Was Raised as a Boy

It's Called the Gentile Country and out of the Roman Empire Many Had Come into that Area It Was a Very Wicked Area It Was a Very Wirless Section It's a Marvelous Resort Area around the Sea of Galilee Now these People in that Area Were Very Far from God They Were Close to Jerusalem but Very Far from God and He Goes into that Area to Capernaum and Not to Jerusalem To Make His Headquarters to those People Here a Great Light Breaks upon His Very Presence of Course Created a Responsibility for those People and Our Lord Judged Them Later Now Will You Know Verse 17 from that Time Jesus Began To Preach

Many Had Come into that Area It Was a Very Wicked Area It Was a Very Wirless Section It's a Marvelous Resort Area around the Sea of Galilee Now these People in that Area Were Very Far from God They Were Close to Jerusalem but Very Far from God and He Goes into that Area to Capernaum and Not to Jerusalem To Make His Headquarters to those People Here a Great Light Breaks upon His Very Presence of Course Created a Responsibility for those People and Our Lord Judged Them Later Now Will You Know Verse 17 from that Time Jesus Began To Preach and To Say Repent for the Kingdom of Heaven Is at Hand

But Very Far from God and He Goes into that Area to Capernaum and Not to Jerusalem To Make His Headquarters to those People Here a Great Light Breaks upon His Very Presence of Course Created a Responsibility for those People and Our Lord Judged Them Later Now Will You Know Verse 17 from that Time Jesus Began To Preach and To Say Repent for the Kingdom of Heaven Is at Hand Now He Picked Up Right Where John the Baptist Left Off that Was Hear the Message Repent Turn Around Come to Me the Kingdom of Heaven Is at Hand in the Person of the King of Course You Couldn't Have the Kingdom without Him the Kingdom of Heaven Is at Hand and Simply Stated Again It's the Reign of the Heavens over the Earth these Theologians Today My some of Them Have Made this a Very Complicated Expression for a Poor Preacher like I Am It's Just a Very Simple Expression

Today My some of Them Have Made this a Very Complicated Expression for a Poor Preacher like I Am It's Just a Very Simple Expression It's Just the Reign of the Heavens over the Earth That's What He's Going To Bring to this Earth Someday after All this Earth Is To Be Heaven for an Earthly People They'LI Go into Eternity Right Here on this Earth Now the Church Has a Heavenly Hope and Actually the Earthly Hope Is a Marvelous Hope It's the Hope of the Old Testament Now Will You Notice Verse 18

Right Here on this Earth Now the Church Has a Heavenly Hope and Actually the Earthly Hope Is a Marvelous Hope It's the Hope of the Old Testament Now Will You Notice Verse 18 and Jesus Walking by the Sea of Galilee Saw Two Brethren Simon Called Peter Andrew His Brother Casting a Net into the Sea for They Were Fishers and He Seth under Them Follow Me and I'LI Make You Fishers of Man We Have in the Gospels At Least Three Calls that the Lord Made to these Men They Were Called First You Find in Meeting Them in Jerusalem

And Then You'LI Find They Went Back to Fishing Mark Gives Us that in Detail and Also Luke and You'LI Find that He Called Him Again and that Was Two Apostleship That's the Wonder of It all That He Called Men like this and I'Ve Always Felt if He Called Men like these Men He May Be Able To Use Me I Wonderfully It Is To Know He Doesn't Call Perfect Man Now He Seth under Them Follow Me I'LI Make You Fishers of Man I May Not Make You Fishers of Man because You'Re Not a Fisher

That's the Wonder of It all That He Called Men like this and I'Ve Always Felt if He Called Men like these Men He May Be Able To Use Me I Wonderfully It Is To Know He Doesn't Call Perfect Man Now He Seth under Them Follow Me I'LI Make You Fishers of Man I May Not Make You Fishers of Man because You'Re Not a Fisher You'Re Not in the Fishing Business Maybe in some Other Business but He'LI Use You and Whatever Your Pilot Might Be if You Turn It Over to Him He Could Use I Used To Tell a Lady That Was a Member of My Church Years Ago She Could Make the Most Wonderful Cakes in the World but She Is Tongue-Tied When It Came to Talking to Anybody and She Used To Deplore the Fact and I Said Never Occurred to You Maybe the Lord Wants You in Church To Cook Change Somebody Says Well that's Ridiculous

When It Came to Talking to Anybody and She Used To Deplore the Fact and I Said Never Occurred to You Maybe the Lord Wants You in Church To Cook Change Somebody Says Well that's Ridiculous No It's Not Friends Whatever Your Talent Is God Can Use It if You Let Him Use It That's the Important Thing and I Don't Care whether You'Ve Got a Talent or Not He Can Use You and He Won't Have a all Doing the Same Thing Cause We all Don't Have the Same Gift the Body of Christ as Many Members in It and They'Re Not All the Same Members Now Will You Notice and They Straightway

Now Will You Notice and They Straightway Left Their Nets and Followed Him and Going On from Fancy Salt to Other Brethren James the Son of Zebedee and John His Brother in a Ship with Zebedee Their Father Mending Their Nets and He Called Them I'M Not Going To Deal with these Men but in the Other Gospels We'Re Going To Get a Little Better Acquainted with Them by the Way Very Interesting Man and They Immediately Left the Ship and Their Father and They Followed Him and Jesus Went about all Galilee Now this Is in the North

Now this Is in the North Section Now Teaching in Their Synagogues He's Teaching and Preaching the Gospel of the Kingdom What Is It It's at Hand in the Person of the King They Are To Accept and Receive Him and Healing all Manner of Sickness and all Manner of Disease among the People Literally Friends There Were Thousands of People in that Day that Jesus Healed Now We'Re Going To See Matthew Specializes in Letting You Know that and if We'LI Pay Attention to It We'LI Find Out They Weren't Just a Few Isolated Cases Thousands of People That's the Reason They Never Questioned Its Miracles

20 Forward and His Fame Went throughout all Syria and They Brought unto Him all Sick People That Were Taken with Divers Diseases and Torments and those Which Were Possessed with Demons and those Which Were Lunatic and those That Had the Palsy and He Healed and Noticed the Multitudes and They Followed Him Great Multitudes of People from Galilee from the Capitalists Now Decapolis Where 10 Cities on the East Side of the Jordan River and from Jerusalem Now They Came Up from Jerusalem and Judea and from beyond Jordan That Means a Long Ways of He Is Ministering There in the North

Five Six and Seven We'Ve Come to the First Major Discourse That Matthew Records He Records Three Major Discourses the Sermon on the Mount and Then in Matthew 13 the Mystery Parable Discourse and Then in Matthew 24 and 25 the Olivet Discourse the Sermon on the Mount Is the Manifesto of the King and the Mystery Parable Discourse Gives the Direction the Kingdom of Heaven Will Take after His Rejection and Then Olivet Discourse Is Prophetic It Looks to the Future Now There's another Discourse in John's Gospel and that all New Truth and New Relationships with Him and We Are Vitally Connected with that Discourse by the Way

You Have To Come Up and Say Well It Couldn't Happen and May I Say Who Are You To Say that It Couldn't Happen When a Few Years Ago Men Said You Couldn't Go the Moon but They'Ve Gone There and They'Ve Gone There by the Way but Natural Means Using the Laws of God and Here We Have this Statement in the Word of God that He's Virgin Born Now this Requires an Explanation Now We Have Here in Verse 17 a Statement That Will Explain Something in the Genealogies It Says So All the Generations from Abraham to David Are Fourteen Generations and from David until the Carrying Away into Babylon of Fourteen Generations

Now We Have Here in Verse 17 a Statement That Will Explain Something in the Genealogies It Says So All the Generations from Abraham to David Are Fourteen Generations and from David until the Carrying Away into Babylon of Fourteen Generations and from the Carrying Away into Babylon unto Christ Are Fourteen Generations Now He Left Out some We Saw that Last Time Why Do Leave It Out in Order that He Might Give Us 14 in each One of these and Make a Real Connection of Course because You Go Back and Pick Up the Story in the Old Testament

Because I Don't Think We Can Arrive at any Satisfactory Solution and I Don't Think that You Can Arrive at One That's Unanimous Even among those That Are Conservative in the Faith We Have Now this Very Remarkable Statement by the Way Jeremiah Had a Tremendous Statement along this Line He Suggests this in Jeremiah 31 22 He Says How Long Will that Go about Old I'Li Backsliding Daughter for the Lord Have Created a New Thing He Calls Israel a Backsliding Daughter Now He Says God's Created Something New in the Earth What Is It a Woman Shall Encompass a Man That's Not the Way It's Done Friends That's Not Natural Birth It's Supernatural Birth and this Is the New Thing God

Is Done this Is the Record of It That We Have Here Now Matthew's GonNa Take Time Out To Explain What He Meant When He Said that Joseph Was Not the Father of Jesus Will You Listen to Him Verse 18

This Is the Way that It Happened When His Mother Mary Was Espoused to Joseph That Is Engaged to Him before They Came Together They Had no Relationship She Was Found with Child and Listen to Matthew of the Holy Ghost Now Dr Luke Will Go into some Detail in that Connection Joseph Was Not the Father and that Actually She Was Not Being Unfaithful to Him At All and that Jesus Is Not Illegitimate but this Is Something New a Woman Shall Encompass a Man Verse 19 Then Joseph Her Husband Being a Just Man

In that Connection Joseph Was Not the Father and that Actually She Was Not Being Unfaithful to Him At All and that Jesus Is Not Illegitimate but this Is Something New a Woman Shall Encompass a Man Verse 19 Then Joseph Her Husband Being a Just Man and Not Willing To Make Her a Public Example Was Minded To Put Away Privily Now the Mosaic Law Was Very Specific that this Point It Said When a Woman Was Guilty of Being Unfaithful that She Was To Be Stoned to Death That Would Be the Extreme Remedy Joseph Is a Remarkable Man I Wish I Had Time To Talk about Him

But this Is Something New a Woman Shall Encompass a Man Verse 19 Then Joseph Her Husband Being a Just Man and Not Willing To Make Her a Public Example Was Minded To Put Away Privily Now the Mosaic Law Was Very Specific that this Point It Said When a Woman Was Guilty of Being Unfaithful that She Was To Be Stoned to Death That Would Be the Extreme Remedy Joseph Is a Remarkable Man I Wish I Had Time To Talk about Him You See We Mentioned a Great Deal about Mary That God Chose Her and I Remarkable

Now in Order To Keep this Man from Putting Her Away in Order To Prevent a Really a Very Tragic Situation To Happen the Angel Appeared Here to Joseph and Made Clear to Him What Was Taking Place and He Says Now-in Verse 21 and She Shall Bring Forth a Son and Thou Shalt Call His Name Jesus for He Shall Save His People from Their Sins the Name Jesus Means Savior and He's Given that Name because He Shall Save His People from Their Sins Notice What Matthew Who Is Writing Now for the Nation Israel but He Says Now All this Was Done that

And He's Given that Name because He Shall Save His People from Their Sins Notice What Matthew Who Is Writing Now for the Nation Israel but He Says Now All this Was Done that It Might Be Fulfilled Which Was Spoken of the Lord by the Prophets Say in Other Words if Matthews Going To Peel to the Nation Israel Then this One Who's Come Must Be the Fulfillment of Old Testament Prophecy and It's Estimated Apparently Somebody's Counted It that There Are over 300 Prophecies Concerning the First Coming of Christ That Were Literally Fulfilled I Do Not Know How Many of Them Are in Matthew It Seems He's Recorded It and He's Not Attempting To Give a Life of Christ but Showing that this Is a Fulfillment of Old Testament Prophecy Concerning Him Now It Was To Be Fulfilled Which Was Spoken by the Prophets Saying Now Here Is the Prophecy Behold a Virgin Shall Be with Child and Shall Bring Forth a Son and They Shall Call His Name Emmanuel Which Being Interpreted Is God with Us Now I Want You To Look at that for Just a Moment because that Is Very Important Now this May Sound like a Christmas Message Maybe We Should Have Given It at Christmas Time

And He Has a Very Exhaustive Hebrew Lexicon and I Can Testify that It's Also Exhausting To Look at It Now He Admitted Gassiness that the Common Translation of the Word Is Virgin but He Said that It Could Be Changed a Young Woman and the Reason He Said that Was because He Rejected the Miraculous and for One To Be Born of a Virgin That Had To Be a Miracle Therefore His Use of the Term Young Woman Now this New Translation and Others Have Followed It Have Attempted To Say that Alma Means Young Woman and Not Virgin Well I Have a Little Evidence To Offer Myself Let's Look at this Incident

And Isaiah Did God Had a Message for Him that He Would Give Him the Victory this Man Couldn't Believe God and in Order To Confirm His Faith I Said God Wants You To Ask for Sign and He in a Very Pious Way Oh Do We Have these Super Passe Folk He Said Well I Wouldn't Ask Her the Lord a Sign as I Said Then God's Going To Give You One whether You Like It or Not but Not to You the Whole House of David this Is the Sign the Hold of Virgin Shall Conceive and Bear a Son Shall Call His Name Emmanuel Now Obviously if It's Just Be a Young Woman That'll Be no Sunday Has by the House of David or Anybody Else but I Tell You a Virgin Conceived and Bore a Son that My Friend Is a Sign and that's Exactly What It Means but Somebody Goes On and Says Well Wait Just a Minute Maybe

And this Is His Name Jesus He Shall Save His People from Their Sins but Here It Says He Shall Be Called a Manual That Is His Name Will Be a Manual Which Being Interpreted Is God with Us I Think this Is One of the Most Wonderful Things That You Have in the Entire Word of God Friends There's Nothing Quite As Wonderful as this Will You Look at this Emmanuel Means God with Us He

Can't Be Emmanuel God with Us unless His Virgin Born that's the Only Way and Listen unless He Is Emmanuel He Can't Be Jesus and the Reason They Could Call Him Jesus Savior Is because He's God with Us May I Say this Is without that One of the Most Wonderful Things That You Have in the Entire Word of God How

He Can't Be Emmanuel God with Us unless His Virgin Born that's the Only Way and Listen unless He Is Emmanuel He Can't Be Jesus and the Reason They Could Call Him Jesus Savior Is because He's God with Us May I Say this Is without that One of the Most Wonderful Things That You Have in the Entire Word of God How this One Came Down to this Earth We See Jesus Who's Made a Little Lower than the Angels because of the Suffering of Death Crowned with Glory and Honor that He by the Grace of God Should Taste Death for every Man and He Had To Be a Sacrifice That Was Acceptable I Couldn't Die for the Sins of the World Couldn't Even Die for My Own

Will You Notice these Next Two Verses Then Joseph Being Raised from Sleep Did as the Angel of the Lord Had Bidden Him and Took unto Him His Wife and Knew Her Not till She Had Brought Forth Her Firstborn Son and He Called His Name Jesus Not Emmanuel He Was Never Called Lat but You See You Can't Call Him Jesus unless He Is Emmanuel God with Us He Has To Be Emmanuel God with Us or He Can't Be the Savior of the World That's How Important the Virgin Birth Is Somebody Said to Me Can You Be a Christian and Deny the Virgin Birth When You Hear Me Very Carefully I Believe that It's Possible To Accept Christ as Your Savior without Knowing Anything Much about Him You May Not Even Know that this Record Is in the Bible

That's How Important the Virgin Birth Is Somebody Said to Me Can You Be a Christian and Deny the Virgin Birth When You Hear Me Very Carefully I Believe that It's Possible To Accept Christ as Your Savior without Knowing Anything Much about Him You May Not Even Know that this Record Is in the Bible but after You Become a Child of God May I Say this You Will Not Deny the Virgin Birth of the Lord Jesus You May Not Have To Know It To Be Saved but as a Child of God You Can't Deny the Virgin Birth Do I Sound Dogmatic Friends Well I Hope I Do I Intend To Be because

I Say this You Will Not Deny the Virgin Birth of the Lord Jesus You May Not Have To Know It To Be Saved but as a Child of God You Can't Deny the Virgin Birth Do I Sound Dogmatic Friends Well I Hope I Do I Intend To Be because I Consider this All Important because I Want To Save You Who's Able To Reach Down and Save Vernon Mcgee and I Am of the Opinion if He's Just another Man like I Am He's Not Going To Be Able To Help Me Very Much

I Consider this All Important because I Want To Save You Who's Able To Reach Down and Save Vernon Mcgee and I Am of the Opinion if He's Just another Man like I Am He's Not Going To Be Able To Help Me Very Much but if He Is Manuel God with Us Then Virgin Born Then My Savior Is He Your Savior Today He Took upon Himself Our Humanity in this Way that He Might Taste Death That Is that He Might Bear Your Penalty that He Might Die a Redemptive Death for Us on the Cross

New Under the Sun

New Under the Sun shines a critical light on Australia's Jewish community. In a range of essays from contributors such as Robert Manne, Ruth Ostrow, Arnold Zable, Andrea Goldsmith, Dorothy Porter, John Safran, Marcus Einfeld and Julie Szego, the anthology takes a snapshot of Australia's Jewish community and analyses the issues the community faces as it moves into the twenty-first century. For many years Australia's Jewish community was defined by its post Second World War migrants. These newcomers to Australia - many of whom were Holocaust survivors - set the parameters for how the community would respond to the challenges of migration, assimilation, Zionism and antisemitism. As we enter the new century, this generation is making way for a younger group of leaders. In scholarship, religious practice, attitudes to Israel and relationships to the broader community, this new generation of Jews is finding its own way, and redefining the hallmarks of Jewish identity and experience. New Under the Sun is a provocative, challenging and important collection.

Jews and Australian Politics

This book -- an edited collection of new contributions from distinguished Australian academics -- contextualises, illuminates, and explains the contemporary politics of Australian Jewry. It critically analyses the three broad themes above through relevant case studies and source material, and situates the politics of Australian Jews through comparisons with general patterns in Australian politics, the politics of other minorities in Australia, and the politics of other Western Jewish communities. Contains a detailed appendix of Jewish Parliamentarians, 1849 to the Present.

Studies in Judaism

Essay from the year 2007 in the subject Theology - Comparative Religion Studies, , language: English, abstract: The relationship of Israel to the New Testament Church has always been a great theological battleground, and a challenging topic among Christians since the early days of the church. On the

one hand some reformed Theologians see literal Israel as virtually swallowed up or displaced by the church or spiritual Israel. On the other hand, dispensationalists regard Israel and the Church as two eternally separate entities with which God deals in different ways. This paper's aim is to present an ecclesiological argument regarding the topic of the "Church and Israel."

Israel and the Church

Has God brought the Jewish people back to Palestine? How can both Jews and Christians be God's chosen people? How many covenants are there in the Bible? Do all Christian Zionists accept dispensational teaching? Does the God of Israel ever change his promises? These are some of the questions that must be faced in the light of current attacks on Christian Zionism by some evangelical writers. David Pawson believes that Christians need very clear biblical understanding before making political pronouncements about conflict in the Middle East.

Judaism at the World's Parliament of Religions

A discussion of the history of Jewish settlement in Australia from convicts arriving with the First Fleet to the present. Shows how the "Anglo-Saxon" and assimilationist character of Australian Jews changed with the arrival of Jewish survivors of Hitler's Europe, with Jews becoming more committed to their religion and culture yet combining the reaffirmation of their identity with full participation in Australian affairs.

Jews, Their Religious Beliefs and Practices

Designed as a six-week study program on Christian-Jewish relations in the light of the Holocaust, deals also with Christian antisemitism throughout the ages. Pp. 29-38, "The Holocaust Years, 1933-1945," note the indifference of the Churches and the "wholesale apostasy" of the Christian population in general who remained silent in the face of Nazi treatment of the Jews. Recognizes that this attitude was shaped by centuries of Christian anti-Judaism.

The Jewish Expositor and Friend of Israel

"Sydney's Great Synagogue (aka the Big Shule), constructed in 1878, is a significant heritage building and its congregation, which is 50 years older than the building itself, has made a major contribution to Australian life. This book, by its emeritus rabbi, traces the vital role of the Great Synagogue in the life of its congregation and the history of Australia." -- Publisher.

Defending Christian Zionism

A Reform rabbi's scholarly analysis of Christian influences on Jewish practice and thought, showing some growing similarities between the two faiths.

The Jews in Australia

A collection of personal stories of British Jews that uncovers a religious revolution and re-defines the meaning of Judaism in the 21st century. It presents a marriage of tradition and modernity and depicts how a community that has been part of the British religious landscape for centuries is changing.

Israel in the Plan of God

Has God brought the Jewish people back to Palestine? How can both Jews and Christians be God's chosen people? How many covenants are there in the Bible? Do all Christian Zionists accept dispensational teaching? Does the God of Israel ever change his promises? These are some of the questions that must be faced in the light of current attacks on Christian Zionism by some evangelical writers. David Pawson believes that Christians need very clear biblical understanding before making political pronouncements about conflict in the Middle East.

Let's Talk Jewish

An historical account of Jewish experience in Western Australia, from early settlement until the present day. The title, taken from a 1901 census classification, emphasizes the diversity of Jewish pioneers separated by rivalries and tensions until their eventual amalgamation into an important regional ethnic minority. Includes statistical tables and bibliography.

From Darkness to Dawn

Williamson challenges churches and theologians to become aware of the inherited ideology of anti-Judaism that has distorted their teaching, even on such key matters as Jesus, the Scriptures, the church, and God, and suggests a radical, constructive alternative to the "teaching of contempt".

From Assimilation to Group Survival

In *Christians and Jews Together*, Stuart Dauermann challenges Christians and Jews to discover new ways to partner together in serving what God is up to in the world. He imaginatively connects the thinking of Paul the Apostle with the Prophet Ezekiel, forming a previously unexplored bridge between Jews and Christians. This is an excellent resource for Christians seeking new ways to understand and share their faith within the context of deep respect for their Jewish neighbors, relatives, and friends.

The Jewish Quarterly Review

Ch. 11 (pp. 281-315), "Public Relations 1978-1995," discusses the New South Wales Jewish Board of Deputies' monitoring of the local media (including Arabic newspapers) and its reactions to antisemitism and anti-Zionism. It also monitored extremist organizations, both right and left, and encouraged the passing of anti-racist (including anti-antisemitic) legislation. In 1995 the Federal Racial Hatred Act was passed, but the Jewish community was not satisfied with its watered-down provisions. Ch. 12 (pp. 317-343), "Remembering the Holocaust 1978-1995," discusses the Holocaust commemoration activities sponsored by the Jewish community, among them the Holocaust Remembrance Committee, Yom Hashoah and Holocaust Awareness Week, the Australian Association of Jewish Holocaust Survivors, an oral testimony project, Holocaust teaching kits, an educational link to Yad Vashem, the Australian Institute for Holocaust Studies, and the Sydney Jewish Museum, which is largely devoted to the Holocaust and has had an impact on Australian non-Jews as well as Jews.

The Great Synagogue

Pentecostal religion is the fastest-growing religion in Australia, recording a huge growth at a time when more traditional Christian congregations are shrinking. This book explores the rise of the religious right in Australia and in particular the influence of the Assemblies of God.

The Christian Effect on Jewish Life

This is a anthropological and sociological study of a Jewish boys school in Melbourne undertaken over a period of 15 months. The research centres on the issues facing the teaching staff as well as student perspectives of life at the school.

Inclusive Judaism

Discusses the philosophy of Judaism, the role of reason, Jewish election, the personality of God, ethics, and the messianic aspects of Judaism

Defending Christian Zionism

This study is largely based on 93 interviews conducted in the 1990s with current or ex-New Zealand Jews of widely differing backgrounds. Ch. 5 (pp. 85-99) discusses antisemitism (as do pp. 15-18, 28-30 in ch. 1). Jews in New Zealand (who in 1991 numbered 3,048 or 0.1% of the total population) generally have kept a low profile. Most of the interviewees view present-day antisemitism as slight, despite some anti-Jewish Christian attitudes. Four types of antisemitism are noted: ignorant, petty (e.g. jokes), political (including anti-Zionist and anti-Israel), and malicious (including vandalism and Holocaust denial). Local Jews have been cautious in responding to antisemitism, though there has been some effort to speak out. While the identities of survivors and their descendants have been

strongly affected by the Holocaust, those of other new Zealand Jews have not. Commemoration of the Holocaust has been much more modest than in Australia or in Israel. Some Jews continue to feel that "it" could happen again, even in New Zealand".
