Frankenstein

Frankenstein; or, The Modern Prometheus, generally known as Frankenstein, is a novel written by the British author Mary Shelley. The title of the novel refers to a scientist, Victor Frankenstein, who learns how to create life and creates a being in the likeness of man, but larger than average and more powerful. In popular culture, people have tended to refer to the Creature as "Frankenstein," despite this being the name of the scientist. Frankenstein is a novel infused with some elements of the Gothic novel and the Romantic movement. It was also a warning against the "over-reaching" of modern man and the Industrial Revolution, alluded to in the novel's subtitle, The Modern Prometheus. The story has had an influence across literature and popular culture and spawned a complete genre of horror stories and films. It is arguably considered the first fully realized science fiction novel.

Frankenstein (Annotated and Illustrated) Volume

Mary Shelley began writing Frankenstein when she was only eighteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but; upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein. Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with Nature? In our age, filled with news of organ donation genetic engineering, and bio-terrorism, these questions are more relevant than ever.

A Handbook of Critical Approaches to Literature

A Handbook of Critical Approaches to Literature, Sixth Edition, offers a valuable combination of theory and practice, introducing and applying the most useful contemporary approaches. Thoroughly updated and revised for this edition, the text presents a variety of ways to interpret a work, ranging from historical/biographical and moral/philosophical to feminisms and cultural studies. It applies these diverse approaches to the same six classic works - "To His Coy Mistress," "Young Goodman Brown," "Everyday Use," Hamlet, Huckleberry Finn, and Frankenstein-showing how each approach produces different types of insights.

Paradise Lost

It also includes detailed analysis of these important characters: Victor Frankenstein; the Monster; Robert Walton."--Back cover.

Frankenstein SparkNotes Literature Guide

Rosina is secretly engaged to Henry, the son of her guardian Sir Peter Vernon. On discovering their relationship, an angry Sir Peter casts her out into the Welsh countryside and to her death. When Henry returns home, he is heartbroken and searches for Rosina's body, only to learn of a villager's tale about 'The Invisible Girl', a ghostly figure that wanders the woods at night. 'The Invisible Girl' (1832) is a short, Gothic, ghost story by the English writer Mary Shelley, famous for her best-selling novel 'Frankenstein'. Mary Shelley (1797–1851) was an English author and travel writer best known for her ground-breaking Gothic novel 'Frankenstein' (1818). Considered one of the first true works of science-fiction, the book became an instant bestseller. It has been adapted for TV, stage and film on many occasions, with Boris Karloff famously playing Frankenstein's monster on screen in 1933. Other adaptations include 'Mary Shelley's Frankenstein' (1994) starring Kenneth Branagh and Robert De Niro and 'Viktor Frankenstein' (2015) starring Daniel Radcliffe and James McAvoy. Shelley's other novels include Valperga (1823), The Last Man (1826), Perkin Warbeck (1830), Lodore (1835), Falkner (1837) and the posthumously published Mathilde (1959). However, she will always be remembered as the creator of Frankenstein. The book continues to influence filmmakers, writers and popular culture to this day, inspiring and terrifying new audiences the world over.

The Invisible Girl

"My Hideous Progeny" : Mary Shelley, William Godwin, and the Father-Daughter Relationship is a study of the influence of William Godwin on his daughter, Mary Wollstonecraft Shelley. "My Hideous Progeny" explores Godwin's unsettling psychological legacy - and his generous intellectual gifts - to his daughter. The relationship between Mary Shelley and her father illustrates a typical pattern of female development and a typical course of father-daughter relationships over a lifetime. Mary Shelley's response to her father's influence is unforgettably portrayed in the figure of the father in the pages of her novels.

Prometheus Unbound

Retells, in graphic novel format, Mary Shelley's classic tale of a monster, assembled by a scientist from parts of dead bodies, who develops a mind of his own as he learns to loathe himself and hate his creator.

My Hideous Progeny

Frankenstein

Gris Grimly's Frankenstein

On the 200th anniversary of the publication of "Frankenstein," Margaret Saville has finally been given voice. Mrs Saville's husband has been away on business for weeks and has stopped replying to her letters. Her brother, Robert Walton, has returned after three years at sea, having barely survived his exploratory voyage to the northern pole.

Frankenstein

To understand the current moment in school accountability, one must understand the larger contradictions in education politics. Accountability *Frankenstein* provides a broader perspective on the school accountability debate by exploring the contradictions inherent in high-stakes testing. Accountability *Frankenstein* explains the historical and social origins of test-based accountability: the political roots of accountability, why we trust test scores while we distrust teachers, the assumptions behind formulaic accountability systems, and the weaknesses with the current carrot-and-stick approach to motivating teachers. Accountability *Frankenstein* answers the questions of educators and parents who want to understand the origins of accountability. This book challenges the beliefs of fierce advocates and opponents of highstakes testing. It provides a rescue plan for accountability after the failures of high-stakes testing, a plan to make accountability smart, democratic, and real.

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. *Frankenstein*, a Level 5 Reader, is B1 in the CEFR framework. The text is made up of sentences with up to four clauses, introducing present perfect continuous, past perfect, reported speech and second conditional. It is well supported by illustrations, which appear regularly. Victor Frankenstein wants to make his own creature from body parts from his laboratory. But, when the creature is finished, Frankenstein is shocked by his creation and runs away. Lonely and angry, the creature plans to kill his maker and all the people that Frankenstein loves. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

Penguin Readers Level 5: *Frankenstein* (ELT Graded Reader)

Edited with a new introduction by Aimee McLaughlin "The Yellow Wallpaper" by American writer Charlotte Perkins Gilman, first published in January 1892, is regarded as an important early work of American feminist literature for its illustration of the attitudes towards mental and physical health of women in the 19th century. What happens when a woman is pushed too far? Is she able to express her thoughts and feelings, or is she forced towards the expectation of behaving 'normally' again soon? A woman travels with her husband to an old colonial mansion after a nervous breakdown triggered by the birth of their child. Confined to the nursery and allowed only to breathe fresh air, eat well and rest in line with a regimented 'cure', she slowly begins to unravel at the seams. Her only distraction is writing in secret – that, and the woman she begins to see trapped inside the yellow wallpaper of the room itself. Isolated and breaking apart, she sets herself a task: to free the woman, and to become one with her temporary confinement. Charlotte Perkins-Gilman's 'The Yellow Wallpaper' presents a harrowing, disturbing account of mental stress, confinement and female turmoil - within which the only available solace can be found inside four peeling, sickly yellow walls ... Our new edition also features the sequence of poems "Woman" by Charlotte Perkins Gilman. "The gothic genre offers Gilman an effective mode of diagnosing contemporary culture whilst in tandem expressing her ensuing fears and anxieties. Gilman within this novella, gothicises the domestic setting, inverting the pillars of domesticity: family, security and understanding, in turn unveiling the dangers lurking behind the familiarity of gender roles within marital relations. The intimate first-person narration of the narrative serves to enhance Gilman's exposure of the oppressive forces of a male-dominated society, as she deplores her protagonist's inferior position in her domestic arrangement. The female narrator is encumbered by masculine superiority, undoubtedly dwelling in the middle of patriarchy. Embedded within her characterisation is the subjugated role bestowed upon Victorian women. Gilman projects derangement onto a familiar literary figure – the middle class wife and mother – placing the source of this

madness in the inviolate sphere for dutiful women the home." from the new introduction to *The Yellow Wallpaper* by Aimee McLaughlin

Frankenstein: GCSE 9-1 set text student edition (Collins Classroom Classics)

Join Dr Frankenstein in his laboratory and see how the human body works! York Notes for AQA GCSE (9-1) Rapid Revision

"The Mortal Immortal" is a short story from 1833 written by Mary Shelley. It tells the story of a man named Winzy, who drinks an elixir which makes him immortal. At first, immortality appears to promise him eternal tranquility. However, it soon becomes apparent that he is cursed to endure eternal psychological torture, as everything he loves dies around him.

The Yellow Wallpaper

D.L. Macdonald and Kathleen Scherf's edition of *Frankenstein* has been widely acclaimed as an outstanding edition of the novel—for the general reader and the student as much as for the scholar. The editors use as their copy-text the original 1818 version, and detail in an appendix all of Shelley's later revisions. They also include a range of contemporary documents that shed light on the historical context from which this unique masterpiece emerged. New to this edition is a discussion of Percy Shelley's role in contributing to the first draft of the novel. Recent scholarship has provoked considerable interest in the degree to which Percy Shelley contributed to Mary Shelley's original text, and this edition's updated introduction discusses this scholarship. A new appendix also includes Lord Byron's "A Fragment" and John William Polidori's *The Vampyre*, works that are engaging in their own right and that also add further insights into the literary context of *Frankenstein*.

Dr Frankenstein's Human Body Book

The Mortal Immortal Illustrated

Reproduction of the original: *Frankenstein* by Mary Shelley

Frankenstein - Third Edition

Not reprinted since its first edition, Mary Shelley's second novel is sure to be a major discovery of the Mary Shelley bicentenary of 1997. The novel's lack of success as a follow-up to *Frankenstein* was the result of its subject matter and unconventional approach to the genre of historical fiction, attributes that can only delight the twentieth-century reader. Shelley's mastery of the intricate details of thirteenth-century Tuscan politics is unique among women of her time, and her resolute filtering of the bloody heroics of the age through the sensibilities of two women who are destroyed by them reveals the

feminist perspective missing so conspicuously from her first novel. The latest addition to the acclaimed Women Writers in English series, this glittering novel from Romanticism's premier woman storyteller belongs on the shelves of all serious readers of Englishfiction.

Alastor

A poetry broadside letterpress printed as a commission in Centaur metal type with the "My name is Ozymandias ..." line across the page in larger size Imprint Shadow (in large and small caps). "Of | stone" is set in white Gill Sans Light Shadowed on the top right, and a line of red rules separates the text of the poem from the colophon.

5 Steps to a 5 500 AP English Literature Questions to Know By Test Day

"Because I'm teaching an intro-level course in comparative literature, this edition was extremely helpful in showing the variety of critical approaches that they can take toward a single text. The article on radical science also helped me compare Frankenstein to Alasdair Gray's Poor Things. I highly recommend this edition of Frankenstein and will use it in the future." -Joshua Beall, Rutgers University

501 Critical Reading Questions

The dark, captivating story of one remarkable young woman. And her monster. Creative genius...? Inventor of science fiction...? Pregnant teenage runaway...? Who was the real Mary Shelley? Mary's Monster is the compelling and beautifully illustrated story of Frankenstein's author Mary Shelley - the original rebel girl and an inspiration for everyone from teenage readers to adult. Aged 16 and pregnant, Mary runs away to Switzerland with the married poet Percy Bysshe Shelley. Few people would have guessed that that fateful act would lead to a gothic novel still celebrated 200 years later. But cast out by her family and isolated by society, Mary Shelley created Frankenstein and his monster, forged in the fire of her troubled and tragic life. Part biography and part graphic novel, Mary's Monster is an engrossing take on one remarkable young woman and her monster.

Ozymandias

Coriolanus is a tragedy by William Shakespeare, believed to have been written between 1605 and 1608. The play is based on the life of the legendary Roman leader Caius Marcius Coriolanus. The tragedy is one of the last two tragedies written by Shakespeare,

Frankenstein

THE IMMERSIVE AND HEARTFELT EXPLORATION OF FAMILY AND LOVE 'A beautiful bittersweet story of love, loss and families. Tears were shed!' GRAHAM NORTON 'A moving and powerful novel' JOHN BOYNE 'Human, graceful and healing, a true gift of a novel' SEBASTIAN BARRY 'A beautiful story' SARAH WINMAN 'Lyrical, optimistic and redemptive' CLARE CHAMBERS 'Just loved it . . . so moving on motherhood, depression, family ties and Ireland' ANNIE MACMANUS _____ On an island off the west coast of Ireland, the Moone family gathers. Maeve is an actor, struggling with her most challenging role yet - as a mother to four children. Murtagh, her devoted husband, is a potter whose craft brought them from the city to this rural life. In the wake of one fateful night, the Moone siblings must learn the story of who their parents truly are, and what has happened since their first meeting, years before, outside Trinity College in Dublin. We watch as one love story gives rise to another, until we arrive at a future that none of the Moones could have predicted. Except perhaps Maeve herself. The Truth Must Dazzle Gradually is a celebration of the complex, flawed and stubbornly optimistic human heart. _____ Longlisted for the Guardian's 'Not The Booker' prize PRAISE FOR THE TRUTH MUST DAZZLE GRADUALLY: 'I devoured this, falling in love with the setting and with every character. It is just glorious. A close-up on the everyday beautiful details that make up love' Emma Flint, author of Little Deaths 'Intensely moving, beautifully written and drenched with Irish atmosphere, this novel asks brave and thoughtful questions about mental health' Daily Mail 'Loved it. Beautiful and original' Sunday Independent 'Cullen is a thoughtful writer and she dissects the stubborn optimism of the human heart with skill and sympathy' Irish Independent 'A perfect combination of deeply-felt tragedy with great hopefulness' Anne Youngson, author of Meet me at the Museum 'Masterfully constructed. A book of rare quality' i Paper 'A beautifully observed saga of abandoned dreams, loss and self-discovery. A fabulous creation' Alan McGonagle, author of Ithaca 'So wonderful on the Irish family and the utter complexity of motherhood, family entanglement and love. I was full on weeping at the end' Elaine Feeney, author of As You Were

History of a Six Weeks' Tour Through a Part of France, Switzerland, Germany and Holland

"In the summer of 1816, Mary Wollstonecraft Godwin, then eighteen years old, began to write the novel Frankenstein after she and her lover Percy Bysshe Shelley took part in a ghost-story competition at Lord Byron's villa by Lake Geneva. Over the next nine months - a period which saw their return to England in autumn 1816 and subsequent marriage - she (with Percy) drafted the entire novel in a form materially different from the two standard editions of 1818 and 1831, which were based on a later fair copy." "Until now, no one has been able to read what Mary Shelley herself initially wrote in this original draft of the novel. Going back to the unique draft manuscript of the text held in the Bodleian Library, Charles E. Robinson has teased out Percy Shelley's amendments, isolating them from the story in Mary Shelley's hand. Both texts - with and without Percy's interventions - are presented in this edition, allowing us for the first time to read the story in Mary's original hand and also to see how Percy edited his wife's prose."--BOOK JACKET.

Classic Starts®: Frankenstein

Gr 7 Up Drawing on documented primary sources and modern scholarship, these well-written books separate fact from myth and give readers a detail-rich glimpse into life during the often gruesome Middle Ages. Books are primarily focused on Western Europe, and authors describe both the rigid social and religious structures and the ignorance and brutality that were hallmarks of medieval life. They also explain how innovation and expanded trade with the Middle East brought gradual change, especially in weaponry, warfare, and medicine. Texts are supplemented with sidebars that provide longer primary source excerpts and additional information about related topics. Illustrations, which include a single map of medieval Europe and color reproductions of period art and contemporary photos of locations and weapons, add little. These books will help readers and report writers understand the reality of medieval life. Good choices for secondary libraries.

Mary's Monster

Provides exam content review, score-raising strategies, practice questions with detailed answer explanations for each part of the exam, and a full-length practice tests, along with additional online resources.
