It is advisable to have first thought about the main keywords which best describe your topic and to have prepared your search.

Look at our interactive search strategy guide for further advice

Here is topic that we will use as our example: "Examine the effects of social media addiction on teenagers"

Look for PDF, HTML or 'Full Text' links - these will give you online access to articles.

If you use a subject database to search for journal articles you will have similar features and options to limit your search.
