The Edge

Winner of the Angus Book Award, THE EDGE is crackly with tension. How will this mother and son escape their abuser and start a new life? We've got to go. Now. It's early morning and Danny's mother is at his bedside, urging him to get up. They're on the run from Chris, his mother's boyfriend, a violent man who beats them both up, and won't let them go. Chris pursues Danny and his mother from London to the north, where they take refuge with Danny's grandparents. But even there, nothing is safe. Danny is conspicuous as the only mixed-race boy in their small community, and with the ever-present threat of discovery, he has to learn how to live continually on the edge. A tense and chilling story with terrific drama, THE EDGE shows the depth of character and the understanding of the predicaments of children today that gives Alan Gibbons his special quality.

The Edge

Danny is a boy on the edge, teetering on the brink of no return, living in fear. Cathy is his mother; she has been broken by fear. Chris is fear - and they belong to him. When Danny and Cathy break free of their fear and escape to start a new life, instead of freedom they find danger.

They Saw Too Much

Two teenagers witness a murder - and now they're the next targets. An action-packed, edge-of-your-seat YA thriller from bestselling author, Alan Gibbons. Gripping and gritty, perfect for fans of Kevin Brooks, Patrice Lawrence and Malorie Blackman. Sixteen-year-old John has moved away from the tough inner-city neighbourhood he grew up in and started afresh. Ceri James is the guarded girl from the children's home who has captivated his attention. But when their lives are thrown together, it's not in the way John had hoped. They witness a man die. Not only are they eye-witnesses of the fatal shooting, but John caught the whole thing on camera - and the culprits know it. Now, John and Ceri must run for their lives in a deadly, heart-stopping chase that leads them in dark and ever more dangerous directions. So why does John refuse to call the police? As secrets are revealed and loyalties doubted, John and Ceri's world hinges on one question - when it's a matter of life or death, who can you really trust?

The Dark Beneath

Winner of the Blue Peter Book Award, The Dark Beneath tells the chilling tale of how one girl's friendship with three refugees could cost her life. 'Today I shot the girl I love'. GCSE's are over and sixteen-year-old Imogen is looking forward to a perfect, lazy English summer. But her world is turned upside down by three refugees, all hiding from life. Anthony is fourteen, already an outcast, bullied and shunned by his peers. Farid is an asylum seeker from Afghanistan, who has travelled across continents seeking peace. And Gordon Craig is a bitter, lonely man. She knows all of them, but she doesn't know how dangerous they are. Being part of their lives could cost Imogen her own. Supercharged with tension and drama,

Alan Gibbon's novel is about what happens when the fabric of normality is ripped apart exposing the terrifying dark beneath.

Blood Pressure

Aidan has it all - a happy home in leafy suburbia with two cars parked on the drive, and all a boy could ask for in terms of designer labels and gadgets. He's top of the class, captain of the swimming team and has the gorgeous Emily hanging on his every word. So a trip up North with Mum to visit his dying Grandfather doesn't go down well. But it does teach Aidan a thing or two about real life - and friendships, trust, loyalty and survival. He's shattered to discover his real father is a gangland drugs dealer recently released from prison and out to regain his scrap of turf whatever it takes. He's surprised and confused to find he's falling in love with the intriguing Jade even though she's already pregnant after a fling with one of the bad lads who hangs out on the estate. He's humbled by his grandparents, how little they have, but how much wisdom and love they offer him. In a crackingly paced, hard-hitting, real life thriller that deals with drugs and crime, Alan Gibbons also describes the summer of one boy who must grow up super-fast - from hormonal to responsible - in one huge leap of faith.

Shadow of the Minotaur

Phoenix is a death-defying hero of the Greek myths, battling the snake-haired Medusa and the invincible Minotaur...but only when he's not being bullied at the school that he hates. For Phoenix leads two lives - 'real life' and his adventures in side the virtual reality game The Legendeer.

Efficient Parallel Algorithms

Mathematics of Computing -- Parallelism.

An Act of Love

Childhood friends Chris and Imran celebrate the Millenium as inseparable blood brothers, they are both seven years old. But by 2011 their lives have taken very different paths. One has joined the Army and served in Afghanistan, the other is a potential jihad recruit. They are no longer friends, and there are bitter wounds between them which remain unhealed. Will their childhood bond be strong enough to overcome an extremist plot? In a highly-charged, honest and life affirming story, told in flashback from both Chris and Imran's viewpoint, Alan Gibbon's cleverly explores the very real issue of terrorism that affects everyone today.

Lost... In the Jungle of Doom

Deep in the Amazon Rainforest, danger lurks round every corner. Will you survive ferocious jaguars, terrifying black caiman and deadly dehydration? Packed full of fascination facts and essential information to get you to safety, Lost in...is an amazing new interactive, adventure-packed series in which the reader must choose their own path to survive to the end of the story. Can you get alive?

Caught in the Crossfire

Set in a Northern town, where right-wingers are determined to stir up hatred and racial prejudice, CAUGHT IN THE CROSSFIRE is about six teenagers whose lives are woven together by a series of shocking and tragic events. A British Muslim brother and sister, two Irish brothers who take different sides, and two lads out looking for trouble: all of them get caught in the crossfire. Inspired by the Oldham riots and the events of September 11th, this is a book that needed to be written. It is a chilling account of what is happening in Britain today, but as always Alan Gibbons writes with humour and understanding and is utterly on the wavelength of his many readers.

The Golden Rule

Everything the independent investor needs to know to effectively invest in gold With today's increasing economic uncertainties, a strong investment strategy is to put a portion of your net worth in gold. However, given investors' overall lack of knowledge about gold as an investment, as wealth insurance, or as a store of value, many are hesitant to enter this arena. That's why Jim Gibbons has created The Golden Rule. This book answers many questions, including: How do you purchase gold and in what form? Why gold now? When should you buy? And, most importantly, from whom? Throughout

the book, Gibbons puts gold in perspective and shows you why it belongs in every investor's portfolio. Provides practical gold investment insights from New York Times bestsellers Peter Schiff, William Bonner, Doug Casey, Addison Wiggin, and James Turk as well as from leading experts in this field including: Congressman Ron Paul, Rick Rule, Adrian Day, and many others Demystifies gold by putting it in the context of twenty-first century economic realities Highlights a variety of ways to invest in gold-from mining stocks to buying gold coins and bullion With the financial markets more erratic than ever, gold appeals to investors looking for a safe haven for their assets. With *The Golden Rule* as your guide, you'll quickly learn how to make the best decisions possible with regards to this precious commodity.

Tarantula

Richard Lafargue is an eminent plastic surgeon haunted by dirty secrets. He has an operating theatre in the basement of his chateau and keeps his partner Eve imprisoned in her bedroom, a room he has equipped with an intercom and 300-watt speakers through which he bellows orders. Eve is only allowed out to be paraded at cocktail parties and on the last Sunday of each month, when the couple visit a young woman in a mental asylum. Following these outings, Lafargue humiliates Eve by forcing her to perform lewd sexual acts with strangers while he watches through a one-way mirror. In alternating chapters, Jonquet introduces seemingly unrelated characters - a criminal on the run after murdering a policeman, and an abducted young man who finds himself chained naked in a dark chamber, forced to endure all manner of physical torture at the hands of a mysterious stranger, whom he calls Mygale, after a type of tropical spider. All of these characters are caught in a deceitful web, waiting to meet their fate.

Mariah Mundi

Fresh out of school, young Mariah faces a new chapter of his life, living in the Prince Regent hotel built into the face of a cliff. His job is to assist the magician in the stage shows held for the guests. Above ground, the guests are offered every form of luxury. Below ground, in the green, slime-dripping walls of the basements, is where the magic show equipment is kept - and lurking in an Egyptian sarcophagus amongst scuttling sea-creatures is a secret that draws Mariah into the path of villainy, plots and possible death.

The Declaration

Sixteen-year-old Anna should not have been born. It is the year 2140 and people can live for ever. No one wants another mouth to feed, so she lives in a Surplus Hall, where unwanted children go to learn valuable lessons . . . at least she wasn't put down at birth. One day, a new inmate arrives. Anna's life is thrown into chaos. He says things about her parents and the Outside that couldn't possibly be true . . . Or could they? Thrilling, passionate and beautifully written, this dystopian novel is perfect for fans of *The Hunger Games*

The Defender

Guns, violence, mob rule or defending the cause? We all have choices. Or do we? Who would choose blood, sacrifice and exile? At the height of the Troubles in Northern Ireland Ian's dad did. He thought he was fighting for a cause, for his people. But the price was too high - after the murder of his sister's husband and his own wife's death, he's paying for trying to get out. Somewhere along the line the cause got blurred by organised crime and revenge, and all it's left is a bitter taste. He's still a target, still a victim. Now he faces a lifetime of running with nowhere to go and constantly putting at risk the son he loves. This page turner tackles a controversial topic head-on and makes powerful and memorable reading.

One Way Out

A New York Times Best seller! One Way Out is the powerful biography of The Allman Brothers Band, an oral history written with the band's participation and filled with original, never-before-published interviews as well as personal letters and correspondence. This is the most in-depth look at a legendary American rock band that has meant so much to so many for so long. For twenty-five years, Alan Paul has covered and written about The Allman Brothers Band, conducting hundreds of interviews, riding

the buses with them, attending rehearsals and countless shows. He has interviewed every living band member for this book as well as managers, roadies, and contemporaries, including: Gregg Allman, Dickey Betts, Jaimoe, Butch Trucks, Warren Haynes, Derek Trucks, Oteil Burbridge, the late Allen Woody, Jimmy Herring, Eric Clapton, Bob Weir, and many others. Tracking the band's career from their 1969 formation to today, *One Way Out* is filled with musical and cultural insights, riveting tales of sometimes violent personality conflicts and betrayals, drug and alcohol use, murder allegations and exoneration, tragic early deaths, road stories, and much more, including the most in-depth look at the acrimonious 2000 parting with founding guitarist Dickey Betts and behind-the-scenes information on the recording of *At Fillmore East*, *Layla*, *Eat A Peach*, *Brothers and Sisters*, and other classic albums.

Envy

New York Times bestselling adult true crime author Gregg Olsen makes his YA debut with *Empty Coffin*, a gripping new fiction series for teens based on ripped-from-the-headlines stories...with a paranormal touch. Crime lives--and dies--in the deceptively picture-perfect town of Port Gamble (aka "Empty Coffin"), Washington. Evil lurks and strange things happen--and 15-year-olds Hayley and Taylor Ryan secretly use their wits and their telepathic "twin-sense" to uncover the truth about the town's victims and culprits. *Envy*, the series debut, involves the mysterious death of the twins' old friend, Katelyn. Was it murder? Suicide? An accident? Hayley and Taylor are determined to find out--and as they investigate, they stumble upon a dark truth that is far more disturbing than they ever could have imagined. Based on the shocking true crime about cyber-bullying, *Envy* will take you to the edge--and push you right over.

V for Vendetta 30th Anniversary Deluxe Edition

The seminal graphic novel masterpiece *V For Vendetta* is available in this new deluxe edition, featuring an essay from writer Alan Moore, sketches from artist David Lloyd and other bonus material! Eclipse

Bella?' Edward's soft voice came from behind me. I turned to see him spring lightly up the porch steps, his hair windblown from running. He pulled me into his arms at once, and kissed me again. His kiss frightened me. There was too much tension, too strong an edge to the way his lips crushed mine - like he was afraid we had only so much time left to us. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge, Bella once again finds herself surrounded by danger. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob - knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation approaching, Bella has one more decision to make: life or death. But which is which? Following the international bestsellers Twilight and New Moon, Eclipse is the much-anticipated third book in Stephenie Meyer's captivating saga of vampire romance.

Breaking Dawn

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the *Twilight Saga* illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- *Time* "A literary phenomenon." -- *The New York Times*

La segunda vida de Bree Tanner

Bree Tanner y otros vampiros neófitos pisan los talones de Bella Swan y los Cullens.

Twilight

When 17 year old Isabella Swan moves to Forks, Washington to live with her father she expects that her new life will be as dull as the town. But in spite of her awkward manner and low expectations, she

finds that her new classmates are drawn to this pale, dark-haired new girl in town. But not, it seems, the Cullen family. These five adopted brothers and sisters obviously prefer their own company and will make no exception for Bella. Bella is convinced that Edward Cullen in particular hates her, but she feels a strange attraction to him, although his hostility makes her feel almost physically ill. He seems determined to push her away - until, that is, he saves her life from an out of control car. Bella will soon discover that there is a very good reason for Edward's coldness. He, and his family, are vampires - and he knows how dangerous it is for others to get too close.

Twilight: The Graphic Novel, Vol. 1

When Isabella Swan moves to the gloomy town of Forks and meets the mysterious, alluring Edward Cullen, her life takes a thrilling and terrifying turn. With his porcelain skin, golden eyes, mesmerizing voice, and supernatural gifts, Edward is both irresistible and impenetrable. Up until now, he has managed to keep his true identity hidden, but Bella is determined to uncover his dark secret... Beautifully rendered, this first installment of Twilight: The Graphic Novel is a must-have for any collector's library.

La breve seconda vita di Bree Tanner

I fan della saga di Twilight rimarranno affascinati dall'avvincente storia di Bree Tanner, un personaggio incontrato per la prima volta in Eclipse, e dal lato più oscuro del mondo dei vampiri neonati che lei abita. Bree Tanner ricorda appena come fosse la sua vita prima di acquisire dei riflessi sovrumani e un'inesauribile forza fisica. Prima che una sete insaziabile di sangue si impossessasse di lei... prima che qualcuno decidesse di trasformarla in un vampiro. Tutto quello che Bree sa è che vivere tra i suoi simili comporta poche certezze e ancor meno regole: guardati alle spalle, non attirare l'attenzione e, soprattutto, torna a casa prima dell'alba o morirai. Quel che non sa è che il suo tempo da immortale sta velocemente per scadere. Ma Bree trova un inaspettato amico in Diego, un vampiro neonato che desidera quanto lei scoprire l'identità della loro creatrice: un essere misterioso che tutti chiamano "lei". Quando realizzano che i neonati sono semplici pedine su una scacchiera più vasta di quanto non possano immaginare, i due giovani si trovano a dover decidere con chi schierarsi e di chi fidarsi. Ma se tutto ciò che fanno si basa sulla menzogna, sarà realmente possibile giungere alla verità? In questo irresistibile mix di mystery, suspense e amore, Stephenie Meyer ricostruisce il viaggio dell'esercito che si prepara ad attaccare Bella Swan e i Cullen, fino all'indimenticabile scontro finale che sconvolgerà per sempre le regole degli umani e degli immortali.

Saga Twilight - L'appel du sang

Ce nouveau roman raconte l'histoire de Bree Tanner, une vampire de 15 ans transformée par Victoria (l'une des ennemies des Cullen, la famille d'Edward) en même temps qu'une vingtaine d'autres adolescents, pour former une armée de vampires qui combattrait les Cullen. Le roman se focalisera sur les trois mois qui se déroulent entre sa transformation en vampire et le combat final à la fin d'Hésitation à l'issue duquel elle meurt, tuée par les Volturi. Nouveau-née torturée par sa transformation et la soif de sang qu'elle ne contrôle pas, elle est l'alter-ego de Bella et lui renvoie l'image de ce qu'elle serait si elle allait jusqu'au bout de sa décision de se transformer pour rester toute sa vie avec Edward.

Segunda Vida de Bree Tanner (Short Second Life of Bree Tanner)

Fifteen-year-old Fawad has big dreams about being the world's first Pakistani to be drafted into the NBA. A first-generation Pakistani coming-of-age story for fans of David Yoon and Ben Philippe. Fifteen-year-old Fawad Chaudhry loves two things: basketball and his mother's potato and ground beef stuffed parathas. Both are round and both help him forget about things like his father, who died two years ago, his mother's desire to arrange a marriage to his first cousin, Nusrat, back home in Pakistan, and the tiny apartment in Regent Park he shares with his mom and sister. Not to mention his estranged best friend Yousuf, who's coping with the shooting death of his older brother. But Fawad has plans: like, asking out Ashley, even though she lives on the other, wealthier side of the tracks, and saving his friend Arif from being beaten into a pulp for being the school flirt, and making the school basketball team and dreaming of being the world's first Pakistani to be drafted into the NBA. All he has to do now is convince his mother to let him try out for the basketball team. And let him date girls from his school. Not to mention somehow get Omar, the neighborhood bully, to leave him alone . . .

Wrong Side of the Court

From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible *Twilight* saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. New Moon

Everyone remembers their secret imaginary world...but what if you discovered that yours was real? When Arthur and Rose were little, they were the heroes of Roar, a magical world they invented where the wildest creations of their imaginations roamed. Now that they're eleven, Roar is just a distant memory. But it hasn't forgotten them. When their grandfather is spirited away into Roar by the villain who still haunts their nightmares, Arthur and Rose must go back to the world they'd almost left behind. And when they get there, they discover that Grandad isn't the only one who needs their help. This enchanting, action-packed novel is perfect for readers who've always dreamed of exploring Narnia and Neverland.

The Land of Roar

The bewitching first novel from the bestselling author of *THE IMMORTALISTS* 'Benjamin is a gifted writer, a creator of quiet asides and haunting images' *Financial Times* 'Matches the subtle surrealism of a dream with the underpinnings of a thriller' Emma Straub 'You wonder if here is a writer who is truly capable of anything' *Daily Mail* Sylvie and Gabe meet and fall in love at boarding school in Northern California when they are just teenagers. Their headmaster is the enigmatic and mysterious Dr Keller, a man obsessed with the idea that people's waking stress and trauma can be cured in their dreams. The young couple can't help but be drawn into his magnetic pull and slowly become involved in his

research. Years later, Sylvie and Gabe are once again working on Dr Keller's experiments and Sylvie slowly begins to realise there is more both to her employer and her lover than meets the eye, and that the line between dreams and reality has become dangerously blurred.

'I'M THE KING OF THE WORLD' That was the cry from Leonardo DiCaprio as he stood astride the bow in Titanic - the movie that would go on to smash all records, raking in a whopping GBP1.1 billion worldwide. Now, few Hollywood movers and shakers would dispute that statement as Leo has rocketed to become one of the highest paid actors in the world. And his position looks set to be secure after an incredible 2013 which saw Hollywood's hottest talent appearing as the eponymous Jay Gatsby in the Great Gatsby, following swiftly on the heels of the great success of Quentin Tarantino's blockbuster, Django Unchained. Yet, although he's spent over 15 years at the top of his profession, Leonardo remains something of an enigma - his often daring movie choices suggest an actor still striving for perfection.

Bella and Edward find themselves facing new obstacles, including a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires: the Volturi.

New Moon: The Graphic Novel, Vol. 1

'Bella?' Edward's soft voice came from behind me. I turned to see him spring lightly up the porch steps, his hair windblown from running. He pulled me into his arms at once, and kissed me again. His kiss frightened me. There was too much tension, too strong an edge to the way his lips crushed mine - like he was afraid we had only so much time left to us. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge, Bella once again finds herself surrounded by danger. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob - knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation approaching, Bella has one more decision to make: life or death. But which is which? Following the international bestsellers Twilight and New Moon, Eclipse is the much-anticipated third book in Stephenie Meyer's captivating saga of vampire romance.

Eclipse

In this gripping page-turner, an ex-agent on the run from her former employers must take one more case to clear her name and save her life. She used to work for the U.S. government, but very few people ever knew that. An expert in her field, she was one of the darkest secrets of an agency so clandestine it doesn't even have a name. And when they decided she was a liability, they came for her without warning. Now she rarely stays in the same place or uses the same name for long. They've killed the only other person she trusted, but something she knows still poses a threat. They want her dead, and soon. When her former handler offers her a way out, she realizes it's her only chance to erase the giant target on her back. But it means taking one last job for her ex-employers. To her horror, the information she acquires only makes her situation more dangerous. Resolving to meet the threat head-on, she prepares for the toughest fight of her life but finds herself falling for a man who can only complicate her likelihood of survival. As she sees her choices being rapidly whittled down, she must apply her unique talents in ways she never dreamed of. In this tautly plotted novel, Meyer creates a fierce and fascinating

new heroine with a very specialized skill set. And she shows once again why she's one of the world's bestselling authors.

Twilight has enthralled millions of readers around the globe, but Stephenie Meyer never completed *Midnight Sun*, the story told from Edward's perspective. *Midnight Sunburn* is a light and reverent parody of that long-anticipated book. It gives a glimpse into what *Midnight Sun* might have been, with added gentle satire and wry humour. *Midnight Sunburn* shows the unfolding of Edward's fierce love for the mysteriously closed Bella Swan, explains how he overcomes his thirst for her blood, and reveals why he would rather watch her die than transform her into a vampire. It also divulges what Edward uses to paint on his abs, explains why he can't use smartphones, and gives the reader a glimpse of Carlisle and Esme in Wal-Mart. Reviews for a previous version of *Midnight Sunburn*: "I just needed closure. This book provided it delightfully." "This is exactly what I've been craving as a fan. It's just spectacular." "Surprisingly good book. Really good job." "Wow! I would highly recommend to everyone who enjoys the Twilight series to read this." "Finally someone kind enough to give us loyal fans our due. This book was well worth my time. Truly enjoyed this treat and will tell others about it." "I have waited so long for this book. I didn't even know it existed. I thankfully stumbled across it yesterday and bought it. This book is EVERYTHING I wanted and then some."

Twilight: Midnight Sunburn

When it acquired New Mexico and Arizona, the United States inherited the territory of a people who had been a thorn in side of Mexico since 1821 and Spain before that. Known collectively as Apaches, these Indians lived in diverse, widely scattered groups with many names—Mescaleros, Chiricahuas, and Jicarillas, to name but three. Much has been written about them and their leaders, such as Geronimo, Juh, Nana, Victorio, and Mangas Coloradas, but no one wrote extensively about the greatest leader of them all: Cochise. Now, however, Edwin R. Sweeney has remedied this deficiency with his definitive biography. Cochise, a Chiricahua, was said to be the most resourceful, most brutal, most feared Apache. He and his warriors raided in both Mexico and the United States, crossing the border both ways to obtain sanctuary after raids for cattle, horses, and other livestock. Once only he was captured and imprisoned; on the day he was freed he vowed never to be taken again. From that day he gave no quarter and asked none. Always at the head of his warriors in battle, he led a charmed life, being wounded several times but always surviving. In 1861, when his brother was executed by Americans at Apache Pass, Cochise declared war. He fought relentlessly for a decade, and then only in the face of overwhelming military superiority did he agree to a peace and accept the reservation. Nevertheless, even though he was blamed for virtually every subsequent Apache depredation in Arizona and New Mexico, he faithfully kept that peace until his death in 1874. Sweeney has traced Cochise's activities in exhaustive detail in both United States and Mexican Archives. We are not likely to learn more about Cochise than he has given us. His biography will stand as the major source for all that is yet to be written on Cochise.
