

Human Antiquity An Introduction To Physical Anthropology And Archaeology

[#human antiquity](#) [#physical anthropology](#) [#archaeology](#) [#human origins](#) [#early human evolution](#)

This introductory text provides a comprehensive exploration of human antiquity, serving as a fundamental guide to both physical anthropology and archaeology. It delves into the scientific study of human origins, tracing our evolutionary journey through biological developments and the material culture left by our ancestors. Ideal for those seeking to understand the deep past of humanity and the disciplines dedicated to uncovering it.

Our goal is to promote academic transparency and open research sharing.
