Etymology and Extracts

Invocation of Death

Ekphrasis

There Was no Hair on His Head Nothing To Speak of At Least Nothing but a Small Scalp Not Twisted Up on His Forehead His Bald Purplish Head Now Looks for All the World like a Mildewed Skull Had Not the Stranger Stood between Me and the Door I Would Have Bolted out of It Quicker than I Ever Bolted a Dinner Again that's a Kind of Thorough Vien Moment Right but It's Part of the Comedy Here So Look What's Going On I Mean She Was Trying To Make Himself Comfortable He's Put Himself in a New Situation

Thinks He Can Handle It He Looks for the Most Comfortable Frame of Explanation Staving on What He Knows Is the Truth and What We Already Have Realized Is the Truth about this Person Here Even as It Was I Thought Something of Slipping out of the Window but It Was the Second-Floor Back I Am no Coward but What To Make of this Hired Paddling Purple Rascal All Together Can Pass My Comprehension Ignorance Is the Parent of Fear and Being Completely Nonplussed and Confounded about the Stranger I Confess I Was Now As Much Afraid of Him if It Was the Devil Himself with Us Broken into My Room at the Dead of Night in Fact I Was So Afraid of Him that I Was Not Game Enough Just Then To Address Him and Demand a Satisfactory Answer Concerning What Seemed Inexplicable

Page in the Integral I Spent Deliberating What To Say Was a Fatal One Taking Up His Tomahawk from the Table He Examined the Head of It for an Instance and Then Holding It to the Light with His Mouth at the Handle He Puffed Out Great Clouds of Tobacco Smoke the Next Moment the Light Was Extinguished and this Wild Cannibal Tom Walked between His Teeth Spraying into Bed with Me I Sang Out I Could Not Help It Now and Giving a Sudden Just Grunt Grunt of Astonishment He Began Feeling Me Stammering Out Something I Knew Not When I Rolled Away from Him against the Wall And Angels Say V Speak E Telling Me Who Eb or Dummy I Kill E Again Growled the Cannibal with His Hard Flourishing of the Tomahawk Scattering the Hot Tobacco Ashes about Me till I Thought My Linen Would Get on Fire but Hang Heaven at that Moment and I'M Telling You He's outside the Door Listening the Landlord Came into the Room Light in Hand and Leaping from the Bed I Ran Up to Him You Can Imagine Him Doing a Yogi Berra and like You Know Putting All His Legs around Him Perhaps Don't Be Afraid Now Said He Careening Again Queequeg Here Wouldn't Harm a Hair on Your Head

This You Might Say Is a Kind of Technique That We Will See Other People Use a Novel and the Novel Is Sort of Making Us a Tune to It at Particular Moment this Being Told To Queequeg He at Once Complied and Again Politely Motioned Me To Get in Bed Rolling Over to One Side So Much To Say I Won't Touch a Leg a Ye Goodnight Landlord Said I You May Go I Turned In and Never Slept Better in

My Life Now I Want To Ask You What You Think of that Scene All Right I Mean It's Meant To Be Funny so that's One of the Signals that the Novel Is Selling this Is Actually GonNa Be a Funny Novel No It Makes Fun of the Bible It Has a Lot of Kind of Dirty Jokes That Are Based on Biblical Culture and the Fact that People Probably Don't Bother To Look Things Up or Don't Know It Quite As Well as Melville Does Ask Yourself How We'Re Supposed To Take this Idea Better Sleep with the Sober Cannibal than a Drunken Christian Are We Supposed To Take that Straight Up or the Grain of Salt Are We Supposed To Think that Ishmael Has Come Around to the Right Way of Thinking this Is a Kind of Image of Cosmopolitan Tolerance or Has He Been Too Quick To Rationalize Things Has He Not Actually Thought All this through Is He Too Quick To Jump into Something New Is There a Problem Here with the Narration That We'Re Seeing

It May Seem Ridiculous but Reminded Me of General Washington's Head as Seen in the Popular Busts of Him It Had the Same Long Regularly Graded Retreating Slope from above the Brows Which Were Likewise Very Projecting like Too Long Promontories Thickly Wooded on Top Queequeg Was George Washington Cannibalistic Lee Developed Know Again I Think this Is a Little Moment but I Think It's Again an Invitation to a Thought Experiment What Would It Mean for George Washington To Be Developed in a Cannibal Context

These Are the Kinds of Little Thought Experiments That I Think Novels Inviting Us To Consider All the Way through and that's One of the Things That I Wanted To Point Out to You Here Now this Chapter Is Interesting and Iconic As Well because It Gives Us another Example of Ishmael's Religious Thinking and You Might Say His Commitment to Toleration He's Trying To Understand Quick Clothes Different Practices Right and so He Talks to about Them and Then at the Top of 57 We Have this It's the End of Chapter

So I Kindled the Shavings Help Propped Up the Little Innocent Idol Offered Him Burnt Biscuit with Queequeg Salam before Him Twice or Thrice Kissed His Nose in that Done We Undressed and Went to Bed at Peace with Our Own Consciousness and All the World but We Did Not Go to Bed without some Little Chat How Is It I Know Not but There Is no Place like a Bed for Confidential Closures between Friends Man and Wife They Say There Open the Very Bottom of Their Souls to each Other and some Old Couples Often Lie and Chat over Old Times on Nearly Morning Thus Then in Our Hearts Honeymoon Lake We Quickly Guy and Queequeg a Cozy Loving Pair Now that Is a Very Juicy and Ripe Parent Set of Paragraphs Which You Know We Could Think about a Lot

Remember that Ah What Do You Mean Sir Was the Other One Lost by a Whale Lost by a Whale Young Man Come Near to Me It Was Devoured Chewed Up Crunched by the Monstrous to Sperm a City That Ever Shipped a Boat Why Don't I Was a Little Alarmed Alarmed by His Energy Perhaps Also a Little Touched at the Hardy Grief and It's Concluding Exclamation All Right so He Goes on Right and He Says this Very Good Now Art Thou Man To Pitch a Harpoon down a Live Whales Throat and Then Jump after It Answer Quick I Am Sir as if It Should Possibly Indispensable They Do So Not To Be Got Rid of that Is Which I Don't Take To Be the Fact

Again Now Then Now Not Only Wants To Go Away Lling To Find Out Experience What Whaling Is but You Also Want To Go in Order To See the World Was that Not What You Said I Thought So Well Then Just Step Forward There Take a Peep over the Weather Bow Then Back to Me and Tell Me What You See So He Says Go to Back Trip Take a Look Go to the Front Take a Look Ok Well What's the Report Said Peleg When I Came Back What'D You See Not Much I Replied Nothing but Water Considerable Horizon Though and There's a Squall Coming Up I Think Well What Did Thou Think of Seeing the World Do You Wish To Go Round Cape Horn To See any More of It Can't Just See the World
Page 73
