The prophecy says that in the distant future the Dharma will be forgotten by all the terrestrial world. Emotions will be strong and the world will be left in a moral vacuum.

Originally, Bodhisattva Maitreya was a student of Buddha Shakyamuni.

He will then reintroduce true Dharma to the world

Maitreya is usually depicted sitting on the throne or in a meditative posture, waiting for his time.

Maitreya's name means "loving kindness" or "friendliness".

Awaiting his destiny as the future buddha, Maitreya currently resides in the Tushita Heaven.

The coming of the Buddha Maitreya heralds the arrival of a new golden age on Earth

Maitreya will also manifest many spectacular miracles.

It is said that in the moment of death he will not leave behind his human body and no relics will

remain.
