Diana Ross

Contains film memories, iconic images, four soundtracks, and anecdotes from the music diva's career, in a volume that includes fashion pictures by leading photographers and text from her 1993 memoir, *Secrets of a Sparrow*.

Diana Ross Reflections

With a career now spanning over five decades, Diana Ross remains one of the most successful recording and performing artists of all time. As lead singer of The Supremes, she amassed a total of twelve number one hit singles between 1964 - 1969, and had a further six as a solo artist. Ian Phillips' book takes a detailed, affectionate and critical look back at Miss Ross' career which began in the late 1950s. Phillips' examines all of her recording work from The Primettes through to the present day, as well as highlighting her many career highlights and accomplishments, including her work in film, television and on stage. There are a wealth of fascinating background stories and anecdotes relating to her river of legendary classics, from Baby Love, Reflections, Love Child, to Ain't No Mountain High Enough, Touch Me In The Morning, Love Hangover, Upside Down, I'm Coming Out and so many, many more. This is an essential read for all Diana Ross fans, spotlighting not only on her ground-breaking success but also her revolutionary cultural impact, overcoming so many obstacles as a black woman and breaking down so many racial barriers. A legend, a trailblazer, pioneer, icon, there are so many words that can be used to describe Diana Ross but so little has been written in such detail on her extensive body of work. Until now. A true labour of love for this book, is an entertaining, and the ultimate, guide to the career of Miss Diana Ross.

Upside Down

I really tried to be strong about the divorce. I took the boys to visit Arne and his new love and their baby, and I even planned a divorce ceremony so that the kids would know that our relationship had ended on a good note. I spoke at the ceremony about the good things that had come into my life since I met Arne, and about how much I loved him and the children. Later on, I realized that I was really denying myself the time to grieve over losing his love. I denied the hurt and tried to rise above it. But one day, I realized I still needed to heal. I wanted to be left alone. Many people encouraged me to go back to work, but my heart said, "Stay in bed."

Diana Ross

The New York Times bestselling biographer provides "the dish on Motown's most famous songstress" in this newly updated edition (The Dallas Morning News). Drawn from hundreds of interviews conducted over four decades, Diana Ross paints an unforgettable picture of an extraordinary and often controversial legend—a pop music goddess, acclaimed actress, loving mother, Civil Rights trailblazer, and consummate entertainer. Beautiful and fascinating, she is her own invention—the definition of a

superstar. First-time revelations abound, from the tough decisions she made while having Berry Gordy's baby and the real reasons behind the break-up of the Supremes to her triumphant recovery after a surprising DUI arrest and her gala appearance at the Kennedy Center Honors. Bestselling biographer J. Randy Taraborrelli boldly explores Diana Ross's troubled relationships and the heartbreak she feels compelled to hide, bringing into focus a complex personality too often obscured by the bright lights of fame. Rich with detail and personal anecdotes, and fully up-to-date, Diana Ross is both definitive and delightful—the ultimate biography that Miss Ross so richly deserves. “A complete, up-to-date history of the star.” —Associated Press “Truly a definitive biography . . . boasts epic research, including extensive interviews with Ross and virtually all the major people in her life.” —Publishers Weekly (starred review) “Riveting.” —The Washington Post

Diana Ross:

For 22 years, on and off the road, Eddy Hampton Armani was Tina Turner's confidant, personal assistant, and best friend. *The Real Tina* is a unique biography, a helter skelter ride of a book documenting Tina's rise to fame, with a vibrant insight into the highs and lows of life as a superstar. The public know Tina Turner as a consummate survivor, but no one has told the whole truth until now.

The Real Tina

This unauthorized biography of entertainment legend Diana Ross strives to give a balanced account of her life and career while giving her the historical due that seems to have escaped her previously. Captured in vivid detail are her groundbreaking performances leading the Supremes, the renowned concert in Central Park amidst a raging thunderstorm, and the peaks and valleys of the more than 40 years of her ongoing stage, studio, and screen career. The book steers clear of dry biography, in that it is interspersed with entertaining essays that capture the effect her life and career have had on fans throughout the years. This book is a must-read for anyone with an appreciation for popular culture over the last half century.

Diana Ross

Reprinted, revamped and updated version of the acclaimed sporting book charting the life and times of a journeyman footballer in the 1970s through his contemporary diaries.

Steak Diana Ross

The Guinness Book of World Records calls her the best-selling female singer in history. Billboard named her the Celebrity of the Century. Diana Ross, lead singer of the most popular girl group of the 1960s and later a consummate solo artist, has been in the public eye for over four decades. From 1964-when "Where Did Our Love Go?" rose to number one on the pop charts-to the present day, she has been the ultimate diva, an artist worshiped by fanatical fans, yet pilloried in the press for her temper tantrums and untoward demands. Ed Ifkovic delivers his own spin on this international celebrity, an idiosyncratic collection of short pieces that create a portrait of the mercurial star. From a Detroit housing project to a Connecticut mansion—who is this woman who exacts such loyalty from her fans and such vitriol from her detractors? There are pieces on Diana's tantrums, true, but also jottings on the homes she's lived in, the food she eats, the cars she drives, even her role as muse for writers. There is a collection of poetic similes commentators have employed to describe her, as well as a mind-boggling catalogue of garish tabloid headlines. This off-beat book, admittedly an obsessive fan's unembarrassed send-up-equal parts delight and censure—is a spirited yet sardonic tale that also explores the integration of black music into the white mainstream. Frankly, Diana led that noble charge. What the author delights in is the unorthodox observation and gossipy tidbit that accompanied that revolution.

Secrets of a Sparrow

For centuries, African Americans have made important contributions to American culture. From Crispus Attucks, whose death marked the start of the Revolutionary War, to Oprah Winfrey, perhaps the most recognizable and influential TV personality today, black men and women have played an integral part in American history. This greatly expanded and updated edition of our best-selling volume, *The Biographical Dictionary of Black Americans, Revised Edition* profiles more than 250 of America's important, influential, and fascinating black figures, past and present—in all fields, including the arts,

entertainment, politics, science, sports, the military, literature, education, the media, religion, and many more.

Diana's Dogs

She was Motown's brightest star, the one with guts enough and ambition enough to make her dreams come true, no matter where they took her. Rules that apply to others have never applied to Diana Ross. She won't let them. CALL HER MISS ROSS goes behind the footlights and stage facade, behind the broad smile and beautiful voice, for an exclusive look at the real Diana. J. Randy Taraborrelli has interviewed over 400 people and uncovered stories that have never been told before. The ultimate control maven, she became the star of The Supremes without giving Mary Wilson and Florence Ballard a second thought, but also gave them both money when they ended up broke; self-centered, she dated newlywed Smokey Robinson on the sly in order to get more work at Motown; fiercely devoted mother of five, she gives her children anything they desire; impossible employer, she insists that everyone call her "Miss Ross"; insecure star, she demands complete control over every record, every movie, and every performance, no matter what the result. Her triumphs and tragedies, her virtues and vices, her lovers and enemies -- here's Miss Diana Ross as she's never been seen before. "Enjoyable . . . [A] marathon bitchfest." -- The Village Voice

Chic

The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

Focus On: 100 Most Popular Tony Award Winners

A collection of the greatest video hits of Diana Ross.

Focus On: 100 Most Popular Grammy Lifetime Achievement Award Winners

The first-ever, comprehensive and authorized showcase of legendary fashion designer Bob Mackie's fabulous life and work, featuring hundreds of photos and dozens of never-before-seen sketches from his personal collection. Cher, Carol Burnett, Bette Midler, P!nk, Tina Turner, Elton John, Liza Minnelli, Angela Lansbury, Diana Ross, Beyoncé, RuPaul, and Madonna...what do they all have in common? All have been dressed by Bob Mackie. For nearly six decades, the iconic and incomparable Bob Mackie has been designing stunning, unforgettable clothing. His unique, glamorous—sometimes hilarious—creations have appeared on Broadway stages, TV screens, runways, and red carpets worldwide. For his pioneering genius and continual reinvention, he is a Tony Award and nine-time Emmy Award winner, a three-time Oscar nominee, and recipient of the Geoffrey Beene Lifetime Achievement Award from the Council of Fashion Designers of America. For the first time, he has granted full access to his archives and personal memories to the authors of this lavish celebration of his achievements. The Art of Bob Mackie is the first-ever comprehensive and fully authorized book showcasing Mackie's work, from his early days as a sketch artist for the legendary Edith Head at Paramount to his current, cutting-edge costumes for pop stars and line of accessible, wearable clothing for QVC. In addition to hundreds of glorious photos and dozens of dishy recollections from Mackie and his many muses, this gorgeous volume features never-before-seen sketches from throughout his prolific career, from Marilyn Monroe's iconic "Happy Birthday, Mr. President" gown to Carol Burnett's "Went with the Wind" curtain-rod dress, to Cher's show-stopping 1986 Oscar look. As other designers have burst onto the scene and faded out of fashion, Mackie has soared from success to success, always remaining relevant because he has always been spectacularly fashion-forward. With a foreword by Carol Burnett and an afterword by Cher, The Art of Bob Mackie is a stunning must-have for lovers of sequins, beads, and feathers; Broadway shows and classic television; pop music and pop culture; and fashion with incomparable flair.

Focus On: 100 Most Popular RCA Records Artists

Includes excerpt of sequel, Fish & Chips.

Focus On: 100 Most Popular American Stage Actresses

Diana Ross was raised in the Detroit projects and, through hard work and determination, scaled the heights of superstardom, first as lead singer of the Supremes and then as a solo artist. To this day she remains the grand diva against which all others in showbusiness are measured. This acclaimed biography reveals stunning new details about her combative relationship with the other Supremes, her passionate romance with Berry Gordy, president of Motown, which produced her very own 'love child', her two marriages and divorces, her recent arrest for drunk driving and her inspiring recovery. Drawing on hundreds of interviews, Taraborrelli paints an unforgettable picture of an extraordinary star. Diana is a Civil Rights trailblazer, a temperamental celebrity, a consummate entertainer, a loving mother. There is only one Diana Ross. And this is her story. 'For this admirably balanced, nuanced and respectful - yes respectful - examination of her life, Diana Ross should be grateful to J. Randy Taraborrelli. His credentials are excellent, as is the source of his cumulative labours . . . grips to the very last page' Sunday Times

Biographical Dictionary of African Americans, Revised Edition

The Supremes is a sprawling tale of unforgettable music, cutthroat ambition, and heartbreaking betrayal. Mark Ribowsky explodes Dreamgirl fantasies by taking the reader behind the closed doors of Motown to witness the rise of group leader Diana Ross, the creation of timeless classics like "Where Did Our Love Go?," and the dramatic power struggles within Detroit's fabled music factory. Drawing on firsthand, intimate recollections from knowledgeable sources such as the Temptations's Otis Williams and other Motown contemporaries—many never before interviewed—The Supremes is "a comprehensive look at the tumultuous relationships within the Supremes as well as among others at the Motown label" (Library Journal).

Diana Ross

"The greatest girl group of all time. Their songs are part of our lives... Motown's fabulous superstars... until the dream dissolved in tragedy deeper than any outsider ever knew." - back cover.

Call Her Miss Ross

A former public relations consultant for Michael Jackson describes the singer's life and music career.

Call Her Miss Ross

The weekly source of African American political and entertainment news.

The Byrds

The sequel to David McVay's highly-acclaimed Steak Diana Ross: Diary of a Football Nobody, has been delivered with all the alacrity of the author's prodigious goalscoring acumen: one every 14 years or so. Titled as creatively as his midfield passes, Steak Diana Ross II: Further diaries of a Football Nobody sees the former Notts County player revisit the 1970s in Nottingham a little later in the decade that discovered prog rock but discarded style while Jimmy Sirrel has returned to Notts County for a second spell with the Magpies rooted in the Division Two relegation zone... and though little has altered at the club in many respects, by the end of the book, the winds of change are about to blow through the domestic game. Britain would be welcoming its first AGBP1million footballer and its first woman Prime Minister. Things could never be the same again.

The Crisis

A National Book Critics Circle Finalist in Autobiography * Finalist for a Lambda Literary Award * Named one of the most anticipated books of the year by USA Today, Bitch Magazine, Parade, Salon and Ms. Magazine From a fierce and humorous new voice comes a relevant, insightful, and riveting collection of personal essays on the richness and resilience of black girl culture—for readers of Samantha Irby, Roxane Gay, Morgan Jerkins, and Lindy West. Shayla Lawson is major. You don't know who she is. Yet. But that's okay. She is on a mission to move black girls like herself from best supporting actress to a starring role in the major narrative. Whether she's taking on workplace microaggressions or upending racist stereotypes about her home state of Kentucky, she looks for the side of the story that isn't always told, the places where the voices of black girls haven't been heard. The essays in This is Major ask questions like: Why are black women invisible to AI? What is "black girl magic"? Or: Am I one viral tweet away from becoming Twitter famous? And: How much magic does it take to land a Tinder date? With a

unique mix of personal stories, pop culture observations, and insights into politics and history, Lawson sheds light on these questions, as well as the many ways black women and girls have influenced mainstream culture—from their style, to their language, and even their art—and how “major” they really are. Timely, enlightening, and wickedly sharp, *This Is Major* places black women at the center—no longer silenced, no longer the minority.

Diana

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

The Art of Bob Mackie

What meaning does the American public attach to images of key black political, social, and cultural figures? Considering photography's role as a means of documenting historical progress, what is the representational currency of these images? How do racial icons “signify”? Nicole R. Fleetwood's answers to these questions will change the way you think about the next photograph that you see depicting a racial event, black celebrity, or public figure. In *On Racial Icons*, Fleetwood focuses a sustained look on photography in documenting black public life, exploring the ways in which iconic images function as celebrations of national and racial progress at times or as a gauge of collective racial wounds in moments of crisis. Offering an overview of photography's ability to capture shifting race relations, Fleetwood spotlights in each chapter a different set of iconic images in key sectors of public life. She considers flash points of racialized violence in photographs of Trayvon Martin and Emmett Till; the political, aesthetic, and cultural shifts marked by the rise of pop stars such as Diana Ross; and the power and precarity of such black sports icons as Serena Williams and LeBron James; and she does not miss Barack Obama and his family along the way. *On Racial Icons* is an eye-opener in every sense of the phrase. Images from the book. (<http://rutgerspress.rutgers.edu/pages/Fleetwood.aspx>)

Diana Ross

Florence Blondie Ballard, Diane Diana Ross and Mary Wilson met and became childhood friends during the 1950s. Under the watchful eye and skilled tutelage of Milton Jenkins, the friends later became the trio The Primettes, ultimately transformed into the greatest female singing group of all time, The Supremes. In 1967, Florence Ballard left the group, and though much has been written about her life after The Supremes, the true facts of her story have never surfaced --until now. Maxine Precious Ballard Jenkins, the sister of Florence Ballard, has written the true account of Florence Ballard's life, including the reasons behind her leaving the group and the turn her life took in later years. The book also helps to dispel many of the rumors surrounding Florence Ballard's death. Your view of Florence Ballard and her life will be dramatically reversed after reading this book. --Back cover.

Dreamgirl

Stop in the name of love ... and of Motown, and read Tony Turner's dazzling insider's story -- updated with new material for the blockbuster 2000 Supremes tour!

Michael Jackson, the Man Behind the Mask

In 1959, twenty-nine-year-old Berry Gordy, who had already given up on his dream to be a champion boxer, borrowed eight hundred dollars from his family and started a record company. A run-down bungalow sandwiched between a funeral home and a beauty shop in a poor Detroit neighborhood served as his headquarters. The building's entrance was adorned with a large sign that improbably boasted "Hitsville U.S.A." The kitchen served as the control room, the garage became the two-track studio, the living room was reserved for bookkeeping, and sales were handled in the dining room. Soon word spread that any youngster with a streak of talent should visit the only record label that Detroit had seen in years. The company's name was Motown. Motown cuts through decades of unsubstantiated rumors and speculation to tell the true behind-the-scenes narrative of America's most exciting musical dynasty. It follows the company and its amazing roster of stars from the tumultuous growth years in Detroit, to the drama and intrigue of Hollywood in the 1970s, to resurgence in 2002. Set against the civil rights movement, the decay of America's northern industrial cities, and the social upheaval of the 1960s, Motown is a tale of the incredible entrepreneurship of Berry Gordy. But it also features the moving stories of kids from Detroit's inner-city projects who achieved remarkable success and then, in many cases, found themselves fighting the demons that so often come with stardom—drugs, jealousy, sexual indulgence, greed, and uncontrollable ambition. Motown features an extraordinary cast of characters, including Diana Ross, Michael Jackson, Marvin Gaye, Smokey Robinson, and Stevie Wonder. They are presented as they lived and worked: a clan of friends, lovers, competitors, and sometimes vicious foes. Motown reveals how the hopes and dreams of each affected the lives of the others and illustrates why this singular story is a made-in-America Greek tragedy, the rise and fall of a supremely talented yet completely dysfunctional extended family. Based on numerous original interviews and extensive documentation, Motown benefits particularly from the thousands of pages of files crammed into the basement of downtown Detroit's Wayne County Courthouse. Those court records provide the unofficial—and hitherto largely untold—history of Motown and its stars, since almost every relationship between departing singers, songwriters, producers, and the label ended up in litigation. From its peaks in the late 1960s and early 1970s, when Motown controlled the pop charts and its stars were sought after even by the Beatles, through the inexorable slide caused by their failure to handle their stardom, Motown is a riveting and troubling look inside a music label that provided the unofficial soundtrack to an entire generation.
