The Club

This chronicle of a year in the life of St Joseph's Doora-Barefield GAA club in Co. Clare - which won the William Hill Irish Sports Book of the Year award for 2010 - breaks new ground in Irish sportswriting. Christy O'Connor, a national GAA correspondent who has also been the St Joseph's senior team goalkeeper for 20 years, tells this story with unflinching honesty: a fly-on-the-wall tale of the effort, agony and struggles that define the journey undertaken every season by every club side. This is grassroots GAA at its purest and rawest, a great story brilliantly told.

The Club

Two veteran sports writers and editors take readers inside the history of the most-watched sports league on earth -- England's Premier League.

The Club

#1 INTERNATIONAL BESTSELLER When playboy businessman Jonas Faraday receives a private note from the anonymous intake agent assigned to process his online application to an exclusive club, he becomes obsessed with finding her and giving her the satisfaction she claims has always eluded her.

The Club

Prize-winning biographer Leo Damrosch tells the story of "the Club," a group of extraordinary writers, artists, and thinkers who gathered weekly at a London tavern In 1763, the painter Joshua Reynolds proposed to his friend Samuel Johnson that they invite a few friends to join them every Friday at the Turk's Head Tavern in London to dine, drink, and talk until midnight. Eventually the group came to include among its members Edmund Burke, Adam Smith, Edward Gibbon, and James Boswell. It was known simply as "the Club." In this captivating book, Leo Damrosch brings alive a brilliant, competitive, and eccentric cast of characters. With the friendship of the "odd couple" Samuel Johnson and James Boswell at the heart of his narrative, Damrosch conjures up the precarious, exciting, and often brutal world of late eighteenth-century Britain. This is the story of an extraordinary group of people whose ideas helped to shape their age, and our own.

The Club

A blistering, timely and gripping novel set at Cambridge University, centring around an all-male dining club for the privileged and wealthy. Hans Stichler's uncomplicated German childhood ends abruptly when his aunt invites him to study at Cambridge, where she teaches. She will ensure his application is accepted, but in return he must help her investigate an elite university society, the Pitt Club, which has existed for centuries, its long legacy of tradition and privilege largely unquestioned. But there are secrets in the club's history, as well as in its present, and Hans soon finds himself in the inner sanctum of an increasingly dangerous institution, forced to grapple with the notion that sometimes one must do wrong to do right.

The Club

'One of the bad girls of gritty crime' Daily Mirror It's the hottest new night club in town. . . ARE YOU IN? Jenna Lorde knows she's taking on a challenge when she inherits her dad's nightclub. But Zenith comes with a top class reputation and a location which other clubs would kill for, so she reckons she's more than up for it. Until she starts to realise that the dangers aren't just from other clubs. Beneath the glamour of the VIP lounge and the pumping music, sleaze and corruption are starting to creep in, and it'll take all Jenna's cunning to stop the rot. The club's survival - and her own - depend on it ... 'A cracking read that will chill you to the bone' Sun on Two-Faced 'Mandasue has played a real blinder with this fantastic novel' Martina Cole on Forget-Me-Not

The 5AM Club

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

---and Ladies of the Club

"A great novel that is American to its core...so gently memorable, so bursting with life, that those who abandon themselves to its pages will find it claiming a permanent place close to their hearts." --New York Daily News "A warm, evocative, often hilarious picture of society, culture, politics and family life." --Atlanta Constitution "A warmly human story...never flags from first page to last." --Publishers Weekly A groundbreaking bestseller with two and a half million copies in print, "...And Ladies of the Club" centers on the members of a book club and their struggles to understand themselves, each other, and the tumultuous world they live in. A true classic, it is sure to enchant, enthrall, and intrigue readers for years to come. "It is hard to think of a better place to spend the summer than in AHelen Hooven Santmyer's? world." --Cosmopolitan

People Like Her

A Richard & Judy Book Club Pick Summer 2021 'Smart, gobble-at-a-sitting thriller about life as a yummy mummy influencer and the dark side of Instagram' – Guardian 'Brilliantly original' – Clare Mackintosh, author of After the End 'Deliciously dark and devious' – Red 'Highly recommended' – Harriet Tyce, author of Blood Orange 'Gone Girl-esque' – The Times 'I couldn't turn the pages fast enough' – Abigail

Dean, author of *Girl A* People like Emmy Jackson. They always have. Especially online, where she is Instagram sensation Mamabare, famous for telling the unvarnished truth about modern parenthood. But Emmy isn't as honest as she'd like the fans to believe. She may think she has her followers fooled, but someone out there knows the truth and plans to make her pay . . . A deliciously dark, page-turning thriller full of unguessable twists and turns.

The Club

A Reese Witherspoon Book Club Pick and Instant New York Times Bestseller 'Marple meets Succession' – Sunday Times 'If rich terrible people behaving appallingly is your jam then *The Club* is the book for you!' – Marian Keyes There's no place like Home . . . The Home Group is a collection of ultra-exclusive private members' clubs and a global phenomenon, and the opening of its most ambitious project yet – Island Home, a forgotten island transformed into the height of luxury – is billed as the celebrity event of the decade. But as the first guests arrive, the weekend soon proves deadly – because it turns out that even the most beautiful people can keep the ugliest secrets and, in a world where reputation is everything, they'll do anything to keep it. If your name's on the list, you're not getting out . . . For fans of *The White Lotus* and *Big Little Lies*, Ellery Lloyd's *The Club* is an exhilarating, addictive read, telling a story of ambition, excess, and what happens when people who have everything - or nothing - to lose are pushed to their limit. 'One of the most riveting books I've read in a long time' – Louise Candlish, author of *Our House* 'Smart, topical and immensely entertaining' – T.M. Logan, author of *The Holiday* 'Glitzy and twisty and tons of fun' – Observer

Join the Club

In the style of *Nudge* or *The Spirit Level* - a groundbreaking book that will change the way you look at the world. Tina Rosenberg has spent her career tackling some of the world's hardest problems. *The Haunted Land*, her searing book on how Eastern Europe faced the crimes of Communism, was awarded both the National Book Award and the Pulitzer Prize in the US. In *Join the Club*, she identifies a brewing social revolution that is changing the way people live, based on harnessing the positive force of peer pressure. Her stories of peer power in action show how it has reduced teen smoking in the United States, made villages in India healthier and more prosperous, helped minority students get top grades in college calculus, and even led to the fall of Slobodan Milosevic. She tells how creative social entrepreneurs are starting to use peer pressure to accomplish goals as personal as losing weight and as global as fighting terrorism. Inspiring and engrossing, *Join the Club* explains how we can better our world through humanity's most powerful and abundant resource: our connections with one another.

The Old Man in the Club

He's the "old guy in the club" who everyone judges and scorns, but there's so much more to his story... Travel into the mind and soul of a complex man on the road to redemption in this riveting, true-to-life novel. Almost everyone who has been to a nightclub has seen him: the "old man in the club." He's the graying, balding loner looking totally out of place, like he could be everyone's father. Or grandfather. And almost everyone's wondering the same thing: Why is he in here? In Curtis Bunn's *The Old Man in the Club*, you learn why. Meet Elliott Thomas, sixty-one years old, and not afraid of spending a night among twenty-something strangers. But his motivation for hanging out in clubs isn't his fear of growing old; it's his desire to "catch up on what I have missed." Life hasn't been easy for Elliott, and now he's on a journey to redemption. How he goes about it, however, gives some people pause. Some find him charming, some find him creepy. The women his age find him disgusting. His buddies marvel at his nerve. His children loathe his existence. But no matter who judges him, Elliott is set on reclaiming his youth—the way he wants to. A page-turner that outlines the depth, complexities, and motivations of an intriguing character, this novel will surprise and touch you—and make sure you'll never look at the "old man in the club" the same way again.

The Club

"A thinly-veiled roman à clef about Studio 54, [which] raised the ire of nightclub owner Steve Rubell, designer Halston, and singer Liza Minnelli, among others."--Wikipedia.

Every Day Is Like Sunday

A brilliantly funny rallying cry for anyone who has ever had that sinking Sunday night moment... That Sunday feeling... The weekend's over, there's nothing on TV except for the Antiques Roadshow. The only thing you can do is face the fact that the working week is just around the corner. And for Matt Bletch, the working week is not a prospect to be relished. He's moved to middle of nowhere and taken a job at the only school that would have him. Surrounded by social misfits, clowns and psychopaths (and that's just his fellow teachers) he's left his girlfriend, social life and sanity back in London in the hope of earning some cash and maybe even finishing off his novel in the school holidays. Unfortunately, no one told Matt that a year spent in the dead-end town of Buxdon is unlikely to get the creative juices flowing. Walking through town before the first week of term, everything is grey, damp and smells slightly dubious. Will he ever tempt his girlfriend down to stay? Will the kids lynch him? And will Matt survive a year in the place where every day is like Sunday?

The No Club

A practical guide for bringing gender equality to the workplace with a new imperative: unburden women's careers from work that goes unrewarded. THE NO CLUB started when four women who were crushed by endless to-do lists banded together over \$10 bottles of wine and vowed to get their work lives under control. Running faster than ever, they nevertheless trailed behind their male colleagues. And so, they vowed to say no to requests that pulled them away from the work that mattered most to their careers. This book reveals how their over-a-decade-long journey and groundbreaking research uncovered that women everywhere are unfairly burdened with "non-promotable work"

The Breakfast Club

Billie, Lexie, Ella and Natalie are all 14 years old, living in the fashionable and hip Notting Hill Gate. They're as different to each other as all four of Sex and City friends, but that's what makes them such good friends. Lexie's the sporty, practical tomboy, Ella's ever-so-slightly ditzy, but creative fashionista, with a heart of gold; Nat's the witty, self-depracting hopeless romantic and Billie's the resident musician and Lily Allen in the making Each of them have their own set of issues - whether it's school, parents or boys...and support is there, every week at their weekly breakfast catch up in their favourite cafe. In this first book, Billie's narrative takes the lead, as she and her mum are at loggerheads over Billie's growing obsession with her music and her curiosity over her dad -who she hasn't seen since she was a baby. On top of that, the girls' favourite cafe has been bought up by property developers and the hunt is on for a new venue! Fashion, fun and friendship surround some familiar issues in this fresh new tween series.

The Club-book: The fatal whisper

Welcome to The Club-leave your inhibitions and your everyday cares at the door and indulge yourself in an evening of anonymous, no-strings, woman-on-woman action. For many of the women who visit The Club this is exactly what they are looking for and what they get. For others the emotions run high, and one night of sex can change their lives in ways they couldn't have imagined. For Lou, her weekly visits to The Club enable her to set aside her shyness and loneliness and feel intimacy, however briefly. For Kath, caring for her mother at home, The Club is a welcome relief from her everyday toil; while Max needs distraction from her troubled relationship, even as she tries to tell herself she isn't really cheating. Tania and Jacky find an outlet for a tricky block in their sex life. Cassie and Nina, bar staff at The Club, find themselves staying on after hours. And finally, Stephanie, struggling with her sexuality, finds her life changing in so many ways once she plucks up courage to enter. The lives of these women intersect in ways they don't realize, and watching over them all is Mandy- the owner, whose own ghosts play a pivotal role in the existence of The Club.

In the Club

"The scene is an exclusive men's club in 1903, a time when male chauvinist behavior and banter were in full flower. There are seven characters, all portrayed by women in men's full dress apparel"--Page 4.

The Club

Originally published in Horsham, West Sussex by Maverick Arts Publishing Ltd. in 2015.

In the Club

In the run-up to the 2012 presidential election, Democrats and Republicans were locked in a fierce battle for the female vote. Democrats charged Republicans with waging a “war on women,” while Republicans countered that Democratic policies actually undermined women’s rights. The women of the Senate wielded particular power, planning press conferences, appearing on political programs, and taking to the Senate floor over gender-related issues such as workplace equality and reproductive rights. The first book to examine the impact of gender differences in the Senate, *Women in the Club* is an eye-opening exploration of how women are influencing policy and politics in this erstwhile male bastion of power. Gender, Michele L. Swers shows, is a fundamental factor for women in the Senate, interacting with both party affiliation and individual ideology to shape priorities on policy. Women, for example, are more active proponents of social welfare and women’s rights. But the effects of gender extend beyond mere policy preferences. Senators also develop their priorities with an eye to managing voter expectations about their expertise and advancing their party’s position on a given issue. The election of women in increasing numbers has also coincided with the evolution of the Senate as a highly partisan institution. The stark differences between the parties on issues pertaining to gender have meant that Democratic and Republican senators often assume very different roles as they reconcile their policy views on gender issues with the desire to act as members of partisan teams championing or defending their party’s record in an effort to reach various groups of voters.

The Club

To prove himself to Ringo and the other members of the Club, True breaks into a house to try and steal something, but he ends up in a juvenile detection center instead when he is caught by the police.

The Black and White Club

Almost everyone who's been to a nightclub has seen him - the 'old guy in the club', the greying, balding loner who looks like he could be everyone else's grandfather. Why is he there? This sensitive portrayal tells the story of a man desperately trying to recapture his youth. Some find him charming, some find him creepy - but this is not a habit he is ready to give up... Meet Elliott Thomas, 61 years old. His motivation for hanging out in clubs isn't fear of growing old; it's his desire to catch up on what he's missed.

Contains it's Proceedings.

Women in the Club

In *The Club* you will find glamour, intrigue, gossip and the story of everyday life for the members of an exclusive golf club and spa. The book reflects the hopes and fears, trials and tribulations which we all face, reflected in an absorbing, dramatic and humorous tale which focuses on a small set of the membership. Will Marigold, recently widowed, find happiness on her own or with a new partner? How will Doug and Alice cope with the serious problem they face? Will the dilemma facing the Club destroy the friends' refuge or bring them closer together? And where does a knight in shining armour come in? With exotic holidays, good-looking men, beautiful women and intrigue in and out of the Club, enjoy the fun of the action and share the worries of the members and staff as they both clash and co-operate in this gentle, entertaining book by Mary Martin.

The Club

This is the fascinating history of the male-only members of the Kit-Cat Club, the unofficial centre of Whig power in 17th century Britain, and home to the greatest political and artistic thinkers of a generation.

The Old Man in the Club

Every day after school, kids in the Parkside neighborhood hang out at the community rec center, which they call The Club. Milo, Noah, Zoe, Javi, and Addy couldn't be more different, but they have one thing in common, The Club. The Club has a way of pushing their comfort zones and making them try new things, from competing in the annual go-kart rally to starring in a musical. Together, they'll learn some tough life lessons, discover their strengths, and find their true friends. Features include: Multicultural characters learn tough life lessons about perseverance, friendship, and self-efficacy. High interest topics expressed in low reading level narratives are accessible and engaging for developing

readers and proficient readers alike. Storylines will empower middle grade readers ages 10 to 13 to overcome challenges and achieve their dreams.

The Club

"A great novel that is American to its core...so gently memorable, so bursting with life, that those who abandon themselves to its pages will find it claiming a permanent place close to their hearts." --New York Daily News "A warm, evocative, often hilarious picture of society, culture, politics and family life." --Atlanta Constitution "A warmly human story...never flags from first page to last." --Publishers Weekly A groundbreaking bestseller with two and a half million copies in print, "...And Ladies of the Club" centers on the members of a book club and their struggles to understand themselves, each other, and the tumultuous world they live in. A true classic, it is sure to enchant, enthrall, and intrigue readers for years to come. "It is hard to think of a better place to spend the summer than in AHelen Hooven Santmyer's? world." --Cosmopolitan

The Kit-Cat Club

Club Illusions is thee hottest club in the entire Southeast. Being located smack dab in the middle of the ATL made it the place to be when visiting the city, and the only place to be if you lived there. This was where the ballers from the court and ballers from the block shared space in the exclusive VIP section. It was the place to see and be seen for the city's elite. The trendy club had an air of magic and mystique to it. The lights were set low and relaxing while the DJ spun the records that made everything better. The ambiance was just right, but it was just as the name suggested; an illusion. Follow the lives of the poor souls who counted on and depended upon the club. From the ex drug dealer turned owner looking for legitimacy to the drug enforcement agent looking to nail him. Then there's the party girl looking for love no matter how many men she has to sleep with to find it. Then there's the athlete, the family man, and the wanna-be, who are amongst some of the lost souls searching for redemption. Each one is in search of someone or something missing from their lives. Will they find it in the club or is it just an illusion? Everyone searches, but has anyone ever truly found LUV IN THE CLUB.

The Club

Is hideous prose and ghastly poetry more fabulous than great literature? Determined to find out, award-winning comedian Robin Ince has spent most of the 21st century rummaging through charity shops, jumble sales, and even the odd skip to compile the defining collection of the world's worst inadvertently hilarious books. This book will guide you through the hinterland of celebrity autobiography, unearthing underappreciated classics such as those by It Ain't Half Hot Mum's Don Estelle and the brother of a former PM (MAJOR MAJOR). It offers a detailed study of romance sub-genres, from the equine (DIAMOND STUD) to the gynaecological (SIGN OF THE SPECULUM). And it will prove invaluable to anyone who wants to know THE SECRETS OF PICKING UP SEXY GIRLS. Above all, the Book Club is a manual - almost a life guide - training you up for membership of the Grand Order of Curators of Books That Should Never Have Been. Join the club.

Bulletin of the Torrey Botanical Club

THE FIRST INSTALLMENT OF THE MUCH-LOVED ISABEL DALHOUSIE SERIES Amateur sleuth Isabel Dalhousie is a philosopher who also uses her training to solve unusual mysteries. Isabel is Editor of the Review of Applied Ethics - which addresses such questions as 'Truth telling in sexual relationships' - and she also hosts The Sunday Philosophy Club at her house in Edinburgh. Behind the city's Georgian facades its moral compasses are spinning with greed, dishonesty and murderous intent. Instinct tells Isabel that the young man who tumbled to his death in front of her eyes at a concert in the Usher Hall didn't fall. He was pushed. With Isabel Dalhousie Alexander McCall Smith introduces a new and pneumatic female sleuth to tackle murder, mayhem - and the mysteries of life. As her hero WH Auden maintained, classic detective fiction stems from a desire for an uncorrupted Eden which the detective, as an agent of God, can return to us. But then Isabel, being a philosopher, has a thing or two to say about God as well. The Sunday Philosophy Club is the first book in the series, but you may enjoy reading the series in any order.

And Ladies of the Club

A full account of the Metaphysical Club, featuring the members' philosophical writings and four critical essays. The Metaphysical Club, a gathering of intellectuals in the 1870s, is widely recognized as the crucible where pragmatism, America's distinctively original philosophy, was refined and proclaimed. Louis Menand's bestseller about the group was a dramatic publishing success. However, only three actual members—Oliver Wendell Holmes Jr., Charles S. Peirce, and William James—appear in the book, alongside other thinkers who were never in the Club. The Real Metaphysical Club tells the full story of how this influential group shifted the course of philosophy in America. In addition to pioneering pragmatism, the group explored radical empiricism and idealism, and formulated personalism and process philosophy, equally important developments. This volume contains the important writings dating from 1870 to 1885 by the real members of the Metaphysical Club. The first section centers on pragmatism and science; the second part collects writings of the lawyers; and the third part covers idealist and personalist philosophers. Many of these writings have never been reprinted before, and nothing like this impressive collection has ever been attempted. A general introduction provides a narrative history, and the editors' three introductions to the volume's sections vividly bring to life the intense meetings, sustained debates, and pioneering thought of the Metaphysical Club. "The Real Metaphysical Club includes some very important thinkers that don't always make it into anthologies of American philosophy. The period is also important. 1870 to 1885 is critical to the development of classical American philosophy. It precedes it and sets its direction. The book accomplishes its goal of giving the reader a sense of the period by arranging the works in a very interesting way. The readings and introduction are very readable and would be helpful to both graduate and undergraduate students as well as general readers interested in American Thought." — James M. McLachlan, Western Carolina University
