Her Best Friend (Mills & Boon Cherish) (More than Friends, Book 1)

What's a girl to do when she's secretly in love with her best friend...and he's married to someone else?

Her Best Friend

"Being a single dad was never on Michael Young's agenda. Yet with the sudden loss of his wife, that's exactly the role he has. On his best days, he thinks he can handle it. On his worst ... Luckily, family friend Angie Bartlett has his back, easily stepping in to help out. Lately, though, something has changed. Michael is noticing exactly how gorgeous Angie is, and how single she is. She's constantly in his thoughts and he feels an attraction he never expected. Does he dare disrupt the very good thing they have going? If they have a fling that goes nowhere, he stands to lose everything—including her. But if they make it work, he stands to gain everything."--P. [4] of cover.

Within Reach

A new meaning for office politics Audrey Mathews has worked hard to get here. Now she's up for a promotion and nothing will stand in her way—including Zach Black. He's hot, smart and the competition. When they're assigned to the same project, she's shocked at how much she actually likes about him...and how much she misjudged him. Before long Audrey is seriously falling for Zach—and indulging in an affair that's against company policy. And the stakes rise when it's clear only one of them can get ahead. So where do they draw the line between competition and love? Especially when she doesn't want to lose either the promotion or the guy....

Her Favorite Rival

Her Best Friend - Sarah Mayberry What's a girl to do when she's secretly in love with a friend and he's married to someone else? She gets over it. That's what Amy Parker has done. Rather than lose her best bud Quinn Whitfield with an ill-timed, crazy confession of affection, she's taken the smart route. She's eased away from him. Just enough to get past the unrequited bits. And you know, it's working...until the day Quinn announces he's now single. That's right. He's single. And he wants to hang out. With her. Get reconnected the way they used to be. Oh, this is so not good for Amy's equilibrium. Daily doses of Quinn remind her of everything she loves about him. But if he's free...and she's free...well, maybe the time has come for one of those crazy confessions. Always The Best Man - Michelle Major Hometown Golden Girl Emily Whitaker couldn't have left Crimson in her rear view mirror fast enough...until life threw her some curveballs and she's back - divorced and with a young son. Her brother's wedding should have been a welcome reprieve, but Jase Crenshaw is the best man to her maid of honour. She'd steered clear of him when they were kids, but now Jase has become one highly irresistible man. Jase always harbored a crush on his best friend's sister. Back then, she was too good for the kid from

the wrong side of the tracks. Now she thinks the upstanding town lawyer and mayoral candidate is too good for her. Can Jase convince the girl of his dreams they're both actually perfect...for each other? Small-Town Cinderella - Stacy Connelly After years of putting other people first, Debbie Mattson is ready to look for her own happily-ever-after. Clearville's favorite baker is determined to shake off the dust of her small hometown and find her perfect man — someplace far, far away. The last person she would ever consider dating is childhood friend Drew Pirelli. He's a homebody. He loves small-town life. And he is ready to settle down, just when she is ready to venture out. She's convinced he is Mr. Wrong. And then one magical kiss changes everything...

More Than Friends/Her Best Friend/Always the Best Man/Small-Town Cinderella

From bed to baby to?bliss? A chance encounter. A steamy night together. That's all Rhys Walker signs on for when Charlotte "Charlie" Long sashays across his path. Sure, maybe he catches a glimpse of forever in her eyes. But the brush-off note the gorgeous brunette leaves the next morning says it all, doesn't it? Time to move on. Rhys never expects that moving on actually means reconnecting with Charlie. Or that her big news changes everything. Becoming a father now, under these circumstances, never factored into his plans. Yet he's not as upset as he thought. Because now he has the opportunity to explore that glimpse of forever?and turn it into reality.

More Than One Night

He's everything she despises—a babe magnet with more notches on his belt than a millipede has legs.

Can't Get Enough (Mills & Boon Blaze)

"The best thing between Oliver Barrett and Mackenzie Williams is a fence. Ever since Oliver's new-neighbor gestures were met with unfriendly responses, he's decided to keep his distance. After all, he's in this seaside town to get his life on track again. That doesn't include working hard to get on Mackenzie's good side--no matter how intriguing she may be. His intentions are put to the test, however, when his dog becomes infatuated with hers. The two crafty canines do their best to break down the barriers between the properties. And where the dogs go ... well, the humans must follow! It doesn't take long for a powerful attraction to build between Oliver and Mackenzie. They soon discover that the worst of first impressions can lead to the best possible outcomes."--P [4] of cover.

The Other Side of Us

"This is hockey romance for hockey fans." --Rachel Reid, author of the Game Changers series A veteran hockey player and a rookie can't get away from each other—or their own desires—in this sexy, heartfelt opposites-attract hockey romance. Olly Järvinen has a long way to go. He's got a fresh start playing for a new team, but getting his hockey career back on track is going to take more than a change of scenery. He's got to shut his past out and focus. On the game, not on his rookie roommate and his annoyingly sunny disposition—and annoyingly distracting good looks. All Benji Bryzinski ever wanted was to play in the big leagues, and he's not going to waste one single second of his rookie season. Yoga, kale smoothies and guided meditation help keep his head in the game. But his roommate keeps knocking him off track. Maybe it's just that Olly is a grumpy bastard. Or maybe it's something else, something Benji doesn't have a name for yet. Olly and Benji spend all their time together—on the ice, in the locker room, in their apartment—and ignoring their unspoken feelings isn't making them go away. Acting on attraction is one thing, but turning a season's fling into forever would mean facing the past—and redefining the future. Trade Season Book 1: Season's Change Book 2: Contract Season

Season's Change

Parker Welles, a single mother whose family has just lost everything, finds love in an unexpected place when she travels to Maine to sell her lone possession, a decrepit house in need of repair.

Newly-arrived from Ghana with his mother and older sister Lydia, Harri absorbs the many strange elements of city life, from the bewildering array of Haribo sweets, to the frightening, fascinating gang of older boys from his school. But his life is changed forever when one

of his friends is murdered. As the victim's nearly new football boots hang in tribute on railings behind fluorescent tape and a police appeal draws only silence, Harri decides to act, unwittingly endangering the fragile web his mother has spun around her family to keep them safe.

The Best Laid Plans (Mills & Boon Cherish)

When Murphy Landon, the New York socialite, runs off to Vermont with her bruised reputation and stylish wardrobe in the trunk of a used car, it's the first time in her life she's dared to turn her back on her high-society parents. Used to grabbing a gourmet coffee whenever the urge strikes, Murphy finds herself on the other side of the counter, fumbling strangers' orders...until a sinfully handsome thirty-three year old version of Ben Rooney from high school walks in. The pair met years ago at a prestigious boarding school and became friends, but only behind closed doors. She'd been a spoiled brat, and he was a football player on scholarship. Ben tried to hide his crush on her, and Murphy set firm boundaries. After a prom night gone wrong, they'd gone their separate ways. Now their circumstances are reversed. Ben is a successful surgeon. He's come a long way from his parents' humble maple syrup business. And Murphy is pouring his coffee? Is this a joke? His first thought is that she should drive her gorgeous self right back to New York, where she can't possibly break his heart. His second one is deep concern. His third thought is he wants a do-over of prom night. A very adult one... With plenty of secrets between them, and copious pure maple syrup, Ben and Murphy are in for a wild and sticky ride. *** Friendzoned is a stand-alone novel in the Busy Bean series of Sarina Bowen's World of True North! The Last Goodbye

The definition of a happy man? The guy who knows exactly what he wants and has it. That's Harry Porter. He's got the perfect job, the best buddies and no commitments beyond the next good time. It's the ideal life. Then he stops to help Pippa White when she's stranded by the side of the road. He's known--and liked--her for a while, but as the ex of a friend, she's entirely off-limits. And as fun as the banter with her is, Harry knows single moms are out of his league. So why all the excuses to see Pippa again...and again? And why can't he stop thinking about her? But most puzzling of all is how Harry suddenly wants to swap a night with the boys for one with only Pippa!

Suddenly You

Two Against the Odds (Mills & Boon Cherish) (Summerside Stories, Book 3)

When Joe agreed to help his brother with an online dating profile, he didn't expect to bear his heart to Alex—or for her to turn up expecting to meet his brother...

Twist

The final two stories in *The Great Wedding Giveaway*! When a few of Marietta's long standing bachelors start walking down the aisle they vowed to avoid, the town's residents are speculating there must be something magical in the water. Be our wedding guest during *The Great Wedding Giveaway* as these chiseled, brooding cowboys, sexy business owners, and local bad boys return to town to prove a point and say "I do" to the women of their dreams. Books included: *Last Year's Bride* It's for the ranch. It's your duty. A man does his duty, always. His father Sam's words were carved into Cole McCullough's brain. His responsibilities lay with Rafter M Arrow, which had been in their family for over a hundred years. Even though they were fighting a losing battle to keep the place going. The ranch always came first, over personal comfort, sometimes reason and definitely women. Sam had seen both his wives walk away, dismissing them as hot-house city girls who couldn't survive the wilds of rural Montana. So how had Cole ended up making a spur-of-the-moment marriage last year in Reno to TV director Nell, who was as city as they came? Nell was prepared to give it all up to be with Cole. But he knew how it would end: as it had always ended before. It was time to stop living a pipe dream and sue for divorce. But then Nell came back to Marietta with *The Compatibility Game*, a reality program, in which couples discovered what they were willing to do for love by living and working at Rafter M, and Cole

found himself taking part too... Make-Believe Wedding Everyone in Marietta, Montana, is in love and getting married - at least that's the way it feels to Andie Bennett the night of the Valentine's Ball. As she watches the man she's loved from afar for half her life dance with another woman, Andie allows herself a moment of sheer fantasy as she fills out a stray entry form for the Great Wedding Giveaway. Andie channels years of fantasy and yearning for Heath McGregor onto the page, but she never intends to actually enter the Giveaway. Only a crazy woman would do that. But fate has other ideas.... When Heath learns he and Andie are last minute finalists in the Great Wedding Giveaway, he's completely baffled. How on earth could anyone make such a ridiculous mistake? When it becomes clear that Andie will be humiliated if the slip-up becomes public, Heath does what any good friend would - he suggests they pretend the engagement is real until the Giveaway is over and then quietly "break up" when no one is paying any attention. It's the perfect solution, except Heath very quickly realises that pretending Andie is his is no hardship at all. In fact, it may just be the best thing that's ever happened to him...

Love Me Always

Amorous Liaisons Sarah Mayberry

Amorous Liaisons

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

The Things We Leave Unfinished

Two cowboys will have to risk their hearts—again—to find a home on the ranch. Hugo Turner's boots haven't touched Texas soil in almost a decade, and he's not sure they should now. Being in the state is complicated, but Hugo can't resist going back for a job working with his teenage crush. His best friend's hot older brother is now the ranch's foreman, so he'll be Hugo's boss. Inappropriate? Probably. Will it stop Hugo? Probably not. Brand Woods isn't ready for the return of Hugo Turner. He decided long ago to keep his bisexuality private and to focus his life on running the ranch. Working next to the most dangerously tempting man he's ever known stirs up questions Brand thought he'd put to rest. The sparks that send their hearts galloping lead to a deeper passion than either man expects. But by giving in to the chemistry without taking a risk and committing to each other—or, more importantly, to themselves and living the lives they've always wanted—Brand and Hugo might lose their second chance at true love. *Woods Ranch Book 1: His Fresh Start Cowboy*

His Fresh Start Cowboy

If Jocelyn Swann weren't so furious, she'd probably laugh. Her best friend, Dan Jansen, has launched a campaign worthy of his Special Forces training to arrange their wedding, from music and minister to flowers and food. What part of no does he not understand? Their marriage was a tippy scrawl on the back of a coaster three years ago! It's not a question of love. Of course she loves Dan. She's loved him all her life. If only she could get him to slow down a minute and listen to be the friend she needs right now she could convince him that marriage would ruin everything.

Here Comes The Groom

When a few of Marietta's long standing bachelors start walking down the aisle they vowed to avoid, the town's residents are speculating there must be something magical in the water. Be our wedding guest during The Great Wedding Giveaway as these chiseled, brooding cowboys, sexy business owners, and local bad boys return to town to prove a point and say "I do" to the women of their dreams. The Tycoon's Kiss Taylor Harris--Marietta, Montana's new librarian--is the quiet type who likes her glamour between the book covers. When she's pushed into attending the formal Valentine Ball with Marietta's Most Eligible Bachelor, Troy Sheenan, Taylor can't imagine a worse pairing. What in the world would she have in common with a wealthy playboy like Troy? Technology tycoon Troy is forced by business concerns to return to his hometown and take the town librarian to the Valentine Ball... what he doesn't expect is that Taylor is even less excited about the prospect than he is! Intrigued by the only woman in town who wouldn't be thrilled to take his arm at the big event, he's determined that she will not just agree to be his date... but she's going to like it. Can Taylor turn a cold shoulder to Troy's heart-melting charms, or is this about to be Marietta's hottest Valentine's Ball yet? What A Bride Wants Ella Grace Emerson adores her father, but he keeps trying to marry her off to every eligible rancher in Montana. When he puts an ad in the paper on her behalf – for a docile house-husband – Ella retaliates with one of her own, pinned to the noticeboard of the local saloon. No husband required, housebroken or otherwise. What she wants is the perfect lover. Newcomer Cam Sawyer is perfectly willing to tear up the sheets with Ella and be her partner in chaos. She wants a bad boy and he's had experience aplenty. But what she really needs is a strong and loving partner, and until Sawyer stops running from his past he can never be that. Sawyer's the one Ella wants. But can he be the man she needs? Second Chance Bride Scarlett Buck has always been flaky in comparison to her sensible twin sister Tara, so nobody is really surprised when Scarlett spends all her money on a one way ticket to Australia to be with the man she's met on the Net. But she hasn't reckoned on the guy already being married and now she needs money for a flight home to Marietta, MT—quick. Mitch Bannister's ex is about to marry his best friend, and he could really do with a cold beer and a hot woman. When Mitch spies the cowgirl in the local pub begging for a job, he shrinks into the shadows--he's not looking for complications, and something tells him that Scarlett Buck is a whole handful of them. But soon it's clear she's not just trouble, she's in trouble, and like it or not, he's not about to turn his back on this stray from the States. Especially if she can do him a favor in return. After all, it's just a helping hand. Or is it? Almost A Bride Tara Buck has always been the good sister, level-headed by comparison to Scarlett, her flaky, impulsive twin. But when Tara learns her fiancé has been cheating on her with one of his school students, the orderly world she's created for herself suddenly feels as if it's falling apart. For years she chose the safe option, but from now on she's going to live a little...be a little daring. And if that means acting on the long-suppressed feelings she's always had for Reid Dalton, then so be it! Reid has wanted Tara from the moment he met her, but she's always been out of bounds. Not only is she his patrol partner at the Bozeman PD, she's also engaged. But then her relationship blows up, and Reid finds himself battling his own instinct to stake his claim with the finest, hottest woman he's ever known. Even if anything did happen between them, it would only be temporary. So even if things are good between them, it seems their romance is destined to be short and sweet...

Love Me Tender

Ally Bishop knows the settling kind when she sees one. And Tyler Adamson is definitely one. Ordinarily this never-in-one-place-long girl would stay far, far away. Maybe it's the way he looks in jeans, or the way he looks at her, but suddenly Ally is breaking her own rules with dizzying speed. All that Australian temptation right next door...well, there's only so much resistance one girl can have. As she dives into a fling with Tyler, Ally assures herself she can maintain perspective. After all, he's only here long enough to care for his ailing father. That gives them a time limit, right? With each passing day, however, she falls for Tyler more. And soon she has the strongest urge to unpack her suitcase and stay a while.

The Last Goodbye

"Gwen: I was stripped of all my own desires and wants when I was married to my ex-husband. I now carry a list with me--a list that will help me choose a man that will put me first in life -- Leo: My life is run with precision with little regard for others until a woman in crazy clothes challenges me to be a better father. She is one of the few people that puts me in my place and maybe for this very reason-I want her more than I can articulate"--Back cover.

Must Love Coffee

For all the wrong reasons? Anna Summers has always been more than Ben Tyler's assistant. She's even been more than his best friend. Too bad Ben didn't realize it until after she quit. Now that he's more like his old self after facing off against a life-threatening illness, he's ready to win Anna back. Of course, it's not simple. One night Ben broke his own rule about getting involved with an employee. And now Anna is pregnant. She refuses to let him use the baby as a reason for them to reconcile. It will take an act of persuasion to convince her they belong together...and not only because of the baby.

Shameless. That's what she was. Billionaire businesswoman Akira Mori can get anything and anyone her heart desires. Anyone, that is, except for a certain aloof author who has been dominating her dreams for over a decade. Accustomed to Jacob Campbell's stern disapproval, Akira has turned provocation into an art, using every trick in her arsenal to keep the man from guessing the depth of her filthy fantasies. Shameless. That's what she made him. Since the moment the sexy, sultry socialite sidled up to him years ago, there hasn't been a time when Jacob didn't crave Akira. But as guardian to his younger siblings, responsibility has controlled his life. Confining his darkest desires to secret, stolen moments maintains his carefully disciplined world...but a cold bed is the price he pays. A single touch is all it takes for their simmering need to explode. As secrets and fears are stripped away one by one, shame becomes a thing of the past. They find themselves becoming addicted to each other, in bed and out-a frightening prospect for a man just learning to live...and a woman who thinks she doesn't know how to love.

We Sold Our Souls

"A gloriously over-the-top scare fest that has hidden depths. Readers will root for Kris all the way to the explosive, poignant finale."—Publishers Weekly From the New York Times best-selling author of The Southern Book Club's Guide to Slaying Vampires. Only a girl with a guitar can save us all. Every morning, Kris Pulaski wakes up in hell. In the 1990s she was lead guitarist of Du rt Wu rk, a heavy-metal band on the brink of breakout success until lead singer Terry Hunt embarked on a solo career and rocketed to stardom, leaving his bandmates to rot in obscurity. Now Kris works as night manager of a Best Western; she's tired, broke, and unhappy. Then one day everything changes—a shocking act of violence turns her life upside down, and she begins to suspect that Terry sabotaged more than just the band. Kris hits the road, hoping to reunite Du rt Wu rk and confront the man who ruined her life. Her journey will take her from the Pennsylvania rust belt to a celebrity rehab center to a satanic music festival. A spine-tingling horror novel, We Sold Our Souls is an epic journey into the heart of a conspiracy-crazed, pill-popping, paranoid country that seems to have lost its very soul.

The Final Girl Support Group

Winner of the Goodreads Choice Award, and from the author of *The Southern Book Club's Guide to Slaying Vampires*, comes a New York Times bestselling horror novel that follows a group of heroines to die for. In horror movies, the final girl is the one who's left standing when the credits roll. The one who fought back, defeated the killer, and avenged her friends. The one who emerges bloodied but victorious. But after the sirens fade and the audience moves on, what happens to her? Lynnette Tarkington survived a massacre twenty-two years ago, and it has defined every day of her life since. And she's not alone. For more than a decade she's been meeting with five other final girls and their therapist in a support group for those who survived the unthinkable, putting their lives back together, piece by piece. That is until one of the women misses a meeting and Lynnette's worst fears are realized—someone knows about the group and is determined to take their lives apart again, piece by piece. But the thing about these final girls is that they have each other now, and no matter how bad the odds, how dark the night, how sharp the knife, they will never, ever give up.

The Saturday Night Ghost Club

SHORTLISTED FOR THE ROGERS WRITERS' TRUST FICTION PRIZE: An infectious and heart-breaking novel from "one of this country's great kinetic writers" (*Globe and Mail*)--Craig Davidson's first new literary fiction since his bestselling, Giller-shortlisted *Cataract City* When neurosurgeon Jake Baker operates, he knows he's handling more than a patient's delicate brain tissue--he's altering their seat of consciousness, their golden vault of memory. And memory, Jake knows well, can be a tricky thing. When growing up in 1980s Niagara Falls, a.k.a. *Cataract City*--a seedy but magical, slightly haunted place--one of Jake's closest confidantes was his uncle Calvin, a sweet but eccentric misfit enamored of occult artefacts and outlandish conspiracy theories. The summer Jake turned twelve, Calvin invited him to join the "Saturday Night Ghost Club"--a seemingly light-hearted project to investigate some of *Cataract City*'s more macabre urban myths. Over the course of that life-altering summer, Jake not only fell in love and began to imagine his future, he slowly, painfully came to realize that his uncle's preoccupation with chilling legends sprang from something buried so deep in his past that Calvin himself was unaware of it. By turns heartwarming and devastating, written with the skill and cinematic immediacy that has made Craig Davidson a star, *The Saturday Night Ghost Club* is a bravura performance from one of our most remarkable literary talents: a note-perfect novel that poignantly examines the fragility and resilience of mind, body and human spirit, as well as the haunting mutability of memory and story.

They can invite some girls over, order a pizza, then maybe try and fight the alien infection that's taken hold over their suburban town. It's *The Breakfast Club* meets *The Night of the Creeps* in this slime-drenched '80s horror romp. "Hit that first chapter. It'll hook you, and the next time you look up, you'll have swallowed the book. It'll be nesting inside you like a seed, like an egg, like an invasion." -Stephen Graham Jones, author of *Mongrels* "The momentum keeps building. The stakes keep escalating. The monsters just keep getting worse and worse, the catastrophic mayhem more juicy and hopeless. Best of all, the writing moves like a greased torpedo, compulsively readable as it rockets through your brain." -Fangoria "If you put together the gore, action, monsters, and sense of excitement that made '80s horror movies so great, you'll only have about half of what makes *Video Night* a must-read tome for horror fans." -HorrorTalk

Red, White & Royal Blue

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

Undead Girl Gang

"A fun, fast read...it will resonate with readers who dabble in any sort of arts, dark or otherwise." --NPR.org "With a singular and hilariously cutting teen voice, UNDEAD GIRL GANG is sure to be one of the most talked-about YA novels of the year." --BookPage Veronica Mars meets *The Craft* when a teen girl investigates the suspicious deaths of three classmates and accidentally ends up bringing them

back to life to form a hilariously unlikely--and unwilling--vigilante girl gang. Meet teenage Wiccan Mila Flores, who truly could not care less what you think about her Doc Martens, her attitude, or her weight because she knows that, no matter what, her BFF Riley is right by her side. So when Riley and Fairmont Academy mean girls June Phelan-Park and Dayton Nesseth die under suspicious circumstances, Mila refuses to believe everyone's explanation that her BFF was involved in a suicide pact. Instead, armed with a tube of lip gloss and an ancient grimoire, Mila does the unthinkable to uncover the truth: she brings the girls back to life. Unfortunately, Riley, June, and Dayton have no recollection of their murders. But they do have unfinished business to attend to. Now, with only seven days until the spell wears off and the girls return to their graves, Mila must wrangle the distracted group of undead teens and work fast to discover their murderer...before the killer strikes again.

BadAsstronauts

From New York Times bestselling author of *My Best Friend's Exorcism*, *The Southern Book Club's Guide to Slaying Vampires*, and *The Final Girl Support Group*, Grady Hendrix takes a break from horror and goes all-in on sci-fi in this novella about backyard rocket jockeys trying to get into low earth orbit. Melville, South Carolina was out of money, it was out of jobs, it was out of hope, and today it was out of astronauts. There were only two to begin with, and now one is stuck on the abandoned International Space Station after his mission went south. With NASA's budget cut to the bone, there's no one to bring him back home, so everyone is only too happy to ignore this embarrassing sign of American Failure and just let him die. But his cousin, Walter Reddie, isn't going to let that happen. Tanked on vodka, living on a "farm" whose only crop is cars on cinderblocks, Walter's a wash-out from the Shuttle Program and he'll be damned if he's going to let his cousin die in the sky like a dog. And so he begins to build a rocket. If America won't rescue its astronauts, he'll do it himself. Violating numerous laws, good taste, common sense, logic, and reason, Walter becomes a lightning rod for people who aren't ready to give up. His farm is transformed into the promised land for misfits, drifters, rocket junkies, pyromaniacs, dreamers, science nerds, and astro-hippies who believe that space shouldn't just be for billionaires. But it won't be easy. Chances are good they'll blow themselves up, get arrested, or kill each other before they ever get into orbit. *BadAsstronauts* was originally published in 2012 as *Occupy Space*. This edition features a brand-new introduction by the author, and has been extensively revised from its previous edition.

The Emperor's Railroad

Global war devastated the environment, a zombie-like plague wiped out much of humanity, and civilization as we once understood it came to a standstill. But that was a thousand years ago, and the world is now a very different place. Conflict between city states is constant, superstition is rife, and machine relics, mutant creatures and resurrected prehistoric beasts trouble the land. Watching over all are the silent Dreaming Cities. Homes of the angels, bastion outposts of heaven on Earth. Or so the church claims. Very few go in, and nobody ever comes out. Until now... "Haley serves up equal helpings of horror, fantasy adventure, and SF in this stark, intriguing story of a ruined Earth where the remaining humans are determined to survive." - Publishers Weekly "Entertaining and exciting... If grim-dark is your thing, then this is a great read for you." – Bull-Spec At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
