Billionaire Boss

My hot boss is no longer just my hot fantasy. I crawled into his bed. And then he crawled into my heart. I've made a mistake. It was tempting to sleep with him. After all, I'd wanted him for years. He's the Brent Waltham. Forbes cover hottie. Big billionaire pockets. Every woman's dream. Off-limits. And now he's my boss. That's the part I forgot when I gave him my all. And now I'm about to give him more. A baby. Too bad his guilt got the best of him. He's sent me into exile. Miles and miles away from himself. But he deserves to know this secret. Or maybe... he doesn't.

Barfing Up the Wrong Tree

I made a terrible mistake. On my first day at work, I was nervous enough to hurl in the elevator. I tossed my cookies all over a guy's suit and expensive wingtips. Turned out he was my billionaire boss. I was in charge of getting his suit dry cleaned in a day. Meanwhile, he was sitting in his office completely naked. He refused to shut the door, so I couldn't keep my eyes off of his body, which was built like a Greek god's. By the time that I could pick up his suit and bring it back, everyone else in the office was gone. The two of us were the only ones there. And that's how I got pregnant. Now I'm worshipping the porcelain god for a very different reason.

Secret Baby For My Billionaire Boss

I need to find the father of my son to answer his innocent questions. But I have a past which is very hard to explain to him. I slept with a stranger whose name even I did not know and got pregnant, so what to tell my baby boy now? My name is Cassandra, and I lost my v-card to a stunning stranger before I was 20. I thought my heart would never beat for love again. But the attraction that I feel for my new

boss must be leading me to fulfill the void of passionate love in my life. How can a man almost twice my age be this stunning, with thick eyebrows, blue eyes, chiseled abs, and broad shoulders? To add it all up, he is a grumpy billionaire, the only one who commands the shot in the entertainment industry. And now I'm in love with my boss and I have a baby already, which is against our office rule. So, it must be kept secret from everybody. He is totally off-limits for me and with his hot body, I doubt if I could resist him. What do I do if he begins to fall for me? He is broken, would there be a space for me in his heart? I know I'm scared of this feeling because of my past. But can I turn down an offer to get my mind, body and soul to be comforted and stimulated by him in the face of danger? I doubt that. Would I be able to find my son's real father on this journey? What if my new boss decides to be my baby's daddy too? It turns out that this turmoil will decide my life in the next few months. But whatever happens, I would want to be beneath him and touched by him even for a day, and if he wants more, a 'No' wouldn't be my answer. Author's Note: This book contains a billionaire possessive alpha boss and steamy scenes. Slip into something spicy with My Billionaire Boss Story, bursting at the seams with young curvy heroine and older Boss who can't keep their hands to themselves. 'Secret Baby for My Billionaire Boss' is a standalone enemies-to-lovers age gap billionaire boss romance novel--A saga of intensely passionate love and hate relationship.

Babies For My Billionaire Boss

My life used to be simple. Wake up, do chores, grocery shopping, sleep, and then repeat everything all over again. Not until I started working as a Maid for Jonathan Conrad, the famous billionaire celebrity artist in Italy. He's cold, grumpy, and strikingly sexy for his middle-age. He is the Godfather of my childhood Best Friend. Above all he is my father's Archenemy. But his broad chest, diamond-cut abs, and piercing dark brown eyes turn me into a teen. No no no, I shouldn't have a relationship with my boss. I know, he is totally off-limits for me. And an absolute perfectionist. Nothing pleases him. This is why it was a surprise when he asked me to join him in the bathtub, naked. Nothing is perfect about me or my life, but that doesn't stop his mouth-watering kisses or his hands to keep off my body. I never felt myself as perfect as in those moments. What if someday I wake up and see it was all just a dream? Well, eventually, I did wake up, yes, but pregnant. What will happen next? Expect a near heart-wrenching rollercoaster ride with a Happily-Ever-After ending with lots of surprises that leaves you melting on the floor. This is a standalone with absolutely no cliffhanger and no cheating. Author's Note: This book contains a billionaire possessive alpha boss and steamy scenes. Slip into something spicy with My Billionaire Boss Story, bursting at the seams with young curvy heroine and older Boss who can't keep their hands to themselves. 'Babies for My Billionaire Boss' is a standalone enemies-to-lovers age gap billionaire boss romance novel--A saga of intensely passionate love and hate relationship.

Accidental Baby For My Billionaire Boss

My father is almost going to kill me... I slept with my father's Billionaire Enemy aka my Boss and I got pregnant (secretly)....shhh I'm Clementine Collins. Even though I'm not even 20 yet, I believe I've found the man of my dreams. What do you do when you have a boss who looks just as good as he gets older? He already made my dreams come true by giving me the job I always wanted. But how can I resist the fact that he makes my belly turn in ways that I didn't know were possible? Not only is he tall, with a perfect hot body, clean-shaved face with a chiseled jawline, when he wears suits worth a fortune, I can't stop drooling over him. He is a grumpy boss, my dad's greatest business rival and way older than me.....so off-limit for me. And that totally makes him more irresistible. What if this jaw-dropping alpha man ignores all my signals until one day, in his private jet, he decides to stamp my V-card. What if things take an unexpected turn? Turns out that will decide my life for the next few months, maybe years to come. Author's Note: This book contains a billionaire possessive alpha boss and steamy scenes. 'Accidental Baby For My Billionaire Boss' is a standalone enemies-to-lovers age gap billionaire boss romance novel--A saga of intensely passionate love and hate relationship.

Have you ever made a decision you thought was for the best, then you realized you were wrong? Like maybe it was the worst choice you'd ever made, and now you had to clean it up? Felicia Yeah. That was what my life looked like less than a year after picking up and moving away from my hometown. I'd lied. To everyone I loved. My family. My best friends. My baby-daddy. Yep. Now, I was back, trying to fix my mistakes. I thought coping with a secret pregnancy far from home was hard, but I quickly realized resisting Marshall Parker was much harder. Marshall When I found out what Felicia had been hiding from me, I panicked and said some things I regretted. But one look into my son's blue eyes, and I was in love. I made a lot of mistakes with her, but now that she was back in my life, I wanted to fix them all. My Billionaire's Baby

I accidentally sent my nude image to my billionaire boss. "I need you to do me a favor baby." "Well?!" I texted back impatiently. "Send nudes." Nikki's boyfriend asked her for a nude photo. She is Chad's secretary and is half a step closer to losing her job. She is defined as clumsy and forgetful. One fateful night, she texts her nude image to her boss by accident. Will she lose her job because of the mistake? What will happen to her billionaire boss because of the sexual arousal?

Have Baby, Need Billionaire

Wrong Number

A bachelor auction, a wedding we don't remember, and a baby we don't recall making. FML. I had a plan: move to LA, get a job, find the love of my life. Live happily ever after. I was on track for this when being assistant to gorgeous billionaire philanthropist Nate Sterling suddenly gets a whole lot more complicated. It's a dream job...until he asks me to save him from a fur-bikini-wearing, totally psycho ex-girlfriend who is determined to win him at a charity bachelor auction. All I have to do is outbid her at the auction. Easy, right? But nobody told me Nate and I had to go on an extravagant Las Vegas date afterward. Everything goes off as planned...until Nate and I wake up the next day, hung-over, wearing identical golden wedding bands and with no memory of what happened the night before. Cue major hyperventilation. But it's okay. Nothing that a quick marriage dissolution can't solve... Until the pregnancy test stick comes back with two pink lines. Marrying My Billionaire Boss is a standalone romantic comedy with a sexy billionaire, his sassy assistant, a bachelor auction, a Vegas wedding and a surprise baby. Oh, and the most hilarious and sweet proposal scene ever. No cheating, no cliffhanger. Just lots of heat, heart and humor. Grab it today!

I need to work with him if I want to escape the rat race and spend time with my family. But he is as grumpy as he was before and it drives me insane! And now someone is trying to sabotage both the company and our relationship. I have to finish the project, I need to tell him about his son and I want to feel his embrace, but... ..I can only pick one. No cheating, no cliffhangers. HEA guaranteed! Can be read as a standalone.

Marrying My Billionaire Boss

A fake relationship with her boss was not on Abigail's Christmas wish list, but neither was falling in love. Ambitious and responsible, Abigail Johnson always puts aside her own needs to fulfill her boss's. Playing the role of his fake girlfriend, however, is one task that pushed her to her limits. Pretending to be a billionaire's girlfriend during his family's white sand Christmas reveals a side of her boss that intrigues her. Their first staged kiss, awakens Abigail to the realization that this invented relationship might actually have become real. When someone leaks her identity to the media, she has to make a decision that will change the rest of her life, and that of her Billionaire Boss.
