Choice

A Titanic Love Story, is the story of Ida and Isidor Straus. Their tragic death on the Titanic ended the lives of this remarkable couple devoted to business, family, and philanthropy.

Tap Roots

Their songs insist that the arrival of the railroad and the appearance of the tiny depot often created such hope that it inspired the construction of the architectural extravaganzas that were the courthouses of the era. In these buildings the distorted myth of the Old South collided head-on with the equally deformed myth of the New South."

A Titanic Love Story

Abner Woodall was born April 25, 1798 in Johnston County, North Carolina. Sarah "Sallie" Baugh was born in 1791 in Virginia. They were married February 20, 1819 in Putnam County, Georgia. They had six children. Abner died in 1833 and Sarah died in 1856. They were both buried in Talbot, Georgia. Descendants and relatives lived in Georgia, Alabama, South Carolina and elsewhere.

The Courthouse and the Depot

In A Southern Moderate in Radical Times, David I. Durham offers a comprehensive and critical appraisal of one of the South's famous dissenters. Against the backdrop of one of the most turbulent periods in American history, he explores the ideological and political journey of Henry Washington Hilliard (1808--1892), a southern politician whose opposition to secession placed him at odds with many of his peers in the South's elite class. Durham weaves threads of American legal, social, and diplomatic history to tell the story of this fascinating man who, living during a time of unrestrained destruction as well as seemingly endless possibilities, consistently focused on the positive elements in society even as forces beyond his control shaped his destiny. A three-term congressman from Alabama, as

well as professor, attorney, diplomat, minister, soldier, and author, Hilliard had a career that spanned more than six decades and involved work on three continents. He modeled himself on the ideal of the erudite statesman and celebrated orator, and strove to maintain that persona throughout his life. As a member of Congress, he strongly opposed secession from the Union. No radical abolitionist, Hilliard supported the constitutional legality of slavery, but working in the tradition of the great moderates, he affirmed the status quo and warned of the dangers of change. For a period of time he and like-minded colleagues succeeded in overcoming the more radical voices and blocking disunion, but their success was short-lived and eventually overwhelmed by the growing appeal of sectional extremism. As Durham shows, Hilliard's personal suffering, tempered by his consistent faith in Divine Providence, eventually allowed him to return to his ideological roots and find a lasting sense of accomplishment late in life by becoming the unlikely spokesman for the Brazilian antislavery cause. Drawing on a large range of materials, from Hilliard's literary addresses at South Carolina College and the University of Alabama to his letters and speeches during his tenure in Brazil, Durham reveals an intellectual struggling to understand his world and to reconcile the sphere of the intellectual with that of the church and political interests. *A Southern Moderate in Radical Times* opens a window into Hilliard's world, and reveals the tragedy of a visionary who understood the dangers lurking in the conflicts he could not control.

Woodalls of Talbot

Originally published in hardback in 1998, the most important book on Malcolm X since his autobiography is now available in paperback, including never-before-published family photos and letters. In this book, the poignant, vivid memories of Malcolm X's sister are told by her son, to whom Malcolm was a much-loved uncle and mentor. *Seventh Child* contains bitter, haunting, as well as joyful recollections by two people who knew him intimately as only family members can. Includes photos.

National Genealogical Society Quarterly

From the first Georgians to march north to fight under Robert E. Lee, through the Battle of Chickamauga, the Atlanta Campaign, the March to the Sea, and the awful conditions of Andersonville, Anne J. Bailey and Walter J. Fraser, Jr., have compiled 260 photographs, four maps, and related documents that detail the physical and spiritual suffering of soldiers, slaves, and civilians in their fight for their country, land, and their own freedom. Centering on the common soldier, *Portraits of Conflict: A Photographic History of Georgia in the Civil War*, the fifth volume in the University of Arkansas Press's award-winning series, tells the stories of the actual people, rich and poor, whose lives were changed forever by the nation's great drama.

Library Catalog

Ancestors of the author go back into Georgia in the late 1700's and early 1800's. Descendants lived mostly in Georgia but some moved to other places including Florida.

Bibliographic Guide to North American History

Ella Little Collins saw her brother Malcolm through some of the most significant times of his life, and knew him better than anyone else. Now, for the first time, she shares her poignant, vivid memories of him. Told to her son, Rodnell, to whom Malcolm was a much-loved uncle and mentor, *"Seventh Child"* contains bitter, haunting, as well as joyful, recollections by two people who knew him intimately in the context of the family. It reveals Malcolm not just as a leader, but also as a brother, cousin, nephew, uncle,

father, husband, and friend. It also provides remarkable information about Malcolm's family genealogy that has never before been available to the general public. No other book about Malcolm X -- and there have been dozens -- offers such enlightenment on the man. With rare family photos, including one of Rodnell with Malcolm the night before his assassination, "Seventh Child" adds immeasurably to our knowledge of this great and controversial figure.

The Georgia Genealogical Society Quarterly

The Architecture of Country Houses is a lengthy pattern book full of designs for cottages, interiors and furniture. The designs were illustrated by Andrew Jackson Downing, inventor of the Picturesque Gothic style.

Genealogical & Local History Books in Print

Claiborne of Virginia

The most thorough and ambitious study yet made of this significant and turbulent period in Kentucky's history. Over 70 pictures and maps recreate the atmosphere of the times.

Seventh Child

This book provides an in-depth look at the great motor races that took place in Savannah, Georgia, in the golden era of early road racing: the Grand Prize of the Automobile Club of America and the Vanderbilt Cup. By examining Savannah's earlier fame in national bicycle racing competitions and its ties to the powerful dynasties who controlled the racing world, the book explains how and why Savannah was chosen. It details the construction of the course, reveals why the races and course were considered "America's greatest" by international racing experts of the period and includes many biographies of the drivers who came to Savannah. Finally, the book explores the theories and complexities of why Savannah's races and road racing in general came to an end.

Kansas History

The Cherokee land lottery, containing a numerical list of the names of the fortunate drawers in said lottery, with an engraved map of each district.
