Spectrum Language Arts, Grade 8

Welcome to the second edition of *Avanti!* In the new edition our priorities remain the same as those of the first edition, to provide an introductory language course that meets the needs of both instructors and learners. Three significant characteristics set *Avanti!* apart from other first-year Italian texts: First, *Avanti!* satisfies students' desire to communicate in everyday situations right from the start and to explore Italy's rich and unique culture in meaningful ways. Second, *Avanti!* responds to instructors' concern that most textbooks attempt to cover too much material in the first year. We have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Third, the methodology of *Avanti!* is firmly grounded in current findings of research in second language acquisition and foreign language pedagogy. The materials provide support for instructors, particularly those with limited experience, whose goals are to teach mainly, if not exclusively, in Italian, and to create the student-centered, communicative classroom environment that is promoted by this research. The title *Avanti!* was chosen to convey the forward-thinking approach of this exciting new program.

Oxford Latin Course

Seventh grade students practice language skills covering punctuation, verb tense, conjunctions, word meaning, and more in ten- to fifteen-minute daily lessons. This new edition has been completely updated to support Common Core methodology and skill practice, and includes: Practice of the Conventions of Standard English and Vocabulary Acquisition and Use for grade 7 Using language in the context of writing and reading Increased practice of academic and idiomatic vocabulary Exposure to sentences from all Common Core writing types (informational, narrative, and opinion/argument) How it works Daily Language Review follows the research-based model of frequent, focused practice to help students learn and retain skills. On days 1 through 4, half-page activities provide four language exercises: two sentence-editing exercises two items that practice a variety of language and vocabulary skills On day 5, a full-page activity provides more extensive practice of a vocabulary strategy or skill, and gives students the opportunity to practice using the words in their own sentences.
