

Gender Perspective In Disaster Management 1st Published

[#gender perspective disaster management](#) [#women in disaster relief](#) [#gender equality humanitarian aid](#) [#inclusive disaster preparedness](#) [#pioneering gender studies disaster](#)

Explore the foundational insights from the first published work on integrating a gender perspective into disaster management. This critical piece examines how gender influences vulnerability, resilience, and recovery efforts, advocating for more equitable and effective humanitarian strategies. Understand the essential role of gender equality in disaster preparedness and response to build more resilient communities.
