Our campaign was not hatched in the halls of Washington.

This is your victory.

There's new energy to harness

The road ahead will be long.

Our climb will be steep

There will be setbacks and false starts.

There are many who won't agree with every decision or policy I make as president.

And we know the government can't solve every problem.

And, above all, I will ask you to join in the work of remaking this nation

It can't happen without you, without a new spirit of service, a new spirit of sacrifice.

So let us summon a new spirit of patriotism, of responsibility

where each of us resolves to pitch in and work harder and look after not only ourselves but each other.

Let us remember that, if this financial crisis taught us anything

Let's resist the temptation to fall back on the same partisanship and pettiness

our stories are singular, but our destiny is shared.
