If there was one thing that prevented her from dreaming, it was her father. He was a New Yorker through and through and the world beyond New York ceased to exist. He thought Alex would one day marry a nice New York boy and live somewhere in Brooklyn. Alex's mother had left when she was two after falling in love with a guy who predicted that one day "wine would be big." He was right, and they'd settled in northern California and had joined the ranks of the very wealthy. Alex also inherited a stepbrother named Thom that she rarely saw but disliked just the same. When her mother offered her a job in the company business, Alex decided to try it for a year. The salary was great, but the thought of finally seeing the world appealed to her the most. She'd been dreaming of foreign lands her entire life. What she didn't expect was to have to work closely with a stepbrother who had a penchant for business and an even better penchant for love.

Billionaire's Baby - Player's Club Complete Box Set

Once a PLAYER, always a player? Book 1 "It's all about you," he said to the little one beside him. "All I need is to take care of you...and to make lots of money for the both of us." Brodie Rogan's baby-mama only wanted one thing from Brodie: his money. Since she wanted nothing to do with his son, billionaire player Brodie must prepare to face a new role in life, single fatherhood, with a strong emphasis on single. Feeling disgruntled and abandoned by the mother of his child, the former playboy has no plans to get involved with any new bunnies anytime soon, if ever. After all, what's the point of being rich if he has to worry all the time about being taking advantage of? When his tiny Thomas arrives, it is that new life rather than dead presidents that now dictates the terms of Brodie's life, at least until he meets Cara Rodriguez, a walking, talking breath of fresh air, with a scorching hot body. Brodie only lets his guard down enough for a one-night stand, but little does he know that Cara will turn out to be good for him and his precious son. As hard as he tries, he cannot fight the heat and passion he feels when he's around her. Just when things appear to be perfect, will Brodie's player ways ruin the best thing he and his little Thomas could have ever hoped for, or will Cara overlook his imperfections and love the billionaire and his baby? Book 2 What if your best chance for blistering passion is also a one-in-a-billion, unrealistic one? Julie Corbin is a stunning, successful nurse, but she's all alone in the sexy city of Washington, DC. She was sure the last guy who hit on her couldn't have possibly taken her seriously, but he certainly captured her deepest desires. In fact, he made her want more than any man ever had. The very delicious, very single billionaire Brodie Rogan is also a new father who just so happens to be Julie's former boss. After a tumultuous parting of ways, one thing after another leads them back to each other. Two lonely people with so much going for them, they learn they share more than just a love for dance. Their chemistry is so powerful and erotic that they can't keep their hands off each other. In their secret moments, they're driven to new heights to which neither has dared travel before. While Julie can't stop fantasizing about a future with the wealthy, powerful Brodie, it is Mr. Rogan's shady past that she's caught up in, and that comes at a high price. Just as she reaches the crescendo, when she is at her all-time happiest, she has devastating run-ins with the mother of Brodie's child and his last lady love. Overcome with jealousy and insecurity, Julie begins to doubt Brodie, and he suddenly loses his Prince Charming appeal. Will Brodie's pesky past be enough to put an end to their fiery affair? Can Julie really bear to walk away from that romantic, magical world the dashing billionaire has to offer, or will she be seduced by those enchanting lips that beg her for one more chance? Book 3 Of all the reckless things that single dad and billionaire Brodie Rogan's done in his life, giving the woman he loves a job with him is at the top of the list. Julie Corbin meant what she said when she said goodbye, so Brodie feels like he has no other choice than to plant a false ad for a too-good-to-be-true job and to wait for sweet Julie to take the bait. It all goes perfectly until it blows up in his face. Can Brodie fix this one? Or maybe the billionaire's money can't make this one right. The Billionaires Box Set Volume 3

Book 1 – The Secretary's Seduction (A Standalone Billionaire Boss and Secretary Love Story) The funeral was short. Laurel was surprised that she cried during the service. It had been small, primarily populated by Laurel and her husband's family. He didn't have many friends and she had no family to speak of so the service was short and sweet. The sky was unbearably bright and they held the service in the late afternoon. Maybe not a sweet funeral, but it was short. Richard Ericson had died at the age of thirty five of a massive heart attack. He had grown larger during the last five years of his life and made no effort to remain healthy despite the fact that he nagged at Laurel constantly to maintain her beauty for him. Richard and Laurel had lived quietly side by side, she kept the house and he went to his office job from eight to six. He came home and she had dinner ready. They never had children. There was little love in the marriage. Because there was such little love Laurel was surprised when a few tears slipped out as Richard was lowered into the ground. Her mother-in-law patted her briskly on the shoulder. The woman's face was tight and devoid of emotion as she gave her a stiff hug. Without another word she walked to where her husband stood, a somber man. The two made a lovely emotionless pair. Her mother and father-in-law were silent and shed few tears. There was little love in the family as well.

Book 2 – Saved by the Billionaire (A Standalone Billionaire's Second Chance Love Story) The sun was rising, gently pouring into my bedroom. I stretched out in the sheets, feeling them beneath my fingertips. They felt better this morning – softer and nicer. I had met a boy. It sounded silly but I had. Not my type either. There was no way around the fact he was a dork. A nerd. Silly and flustered when he spoke to me, trying to make eye contact but failing because I was a cheerleader. And I loved it. He was so adorable that I couldn't stand it. On a whim and three drinks later, I had given him my number in hopes he'd contact me.

Book 3 – Second Chance with the Billionaire (A Standalone Billionaire Romance Short Story) Breanna and Josh are two college students who are madly in love. Sarah is Breanna's best friend and roommate. Josh is a computer science student and Breanna is a cheerleader on a scholarship, Josh is the valedictorian as well. The three of them graduate together and start their new lives. All goes well for Josh and Breanna in their new life, until the unexpected happens. They thought they had forever but when Josh gets something that he always wanted, something he needs, a hard decision has to be made.

Book 4 – The Actress (A Standalone Billionaire and Actress Erotic Romance Novel) As Jan looked up the address of the hotel nearest LAX, LA's airport. A casting call looking for young female leads had caught her attention from the back of a literary magazine. She was going out on a limb, and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires. When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump. Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious, it was something that she'd learned back many years ago. Cheerleading had taught Jane a lot, and often times her minds drifted back to the life lessons. Teamwork was something that few people in high school seemed to understand, besides maybe a few of the all star athletes. Jane learned it took others to really excel. She still believed that the individual was important, but she saw them as cogs in a larger framework of other cogs. **WARNING:** This collection which contains some very steamy love scenes. It is only appropriate for mature readers age 18+.
