The Portrait of a Lady
The International Theme
What Is a Marriage
Plot of the Novel
Countess Gemini
We Want To Inherit It To Marry It To Find It To Gamble It into Our Lives or in some Other Way To Have It after About Five Minutes Worth of Thinking about Getting Would Be the Best and James Is with You

There's no Sort of Moral Dirtiness about Money Just the Opposite To Lead an Interesting Life To Be Free Enough To Do What Your Imagination and Your Tastes Could Lead You To Do Requires Money but that's a Tragedy in June That's a Tragedy because the Kinds of Things You both Have To Do To Get the Money and the Kinds of Problems You Inherit with the Money That Is To Say the Perception of You That Is Forever Altered by Having Money Is Not Something Which by Willpower

But I'M Going To Prove to the World and to Myself that I'M Not Subject to It I'M Going To Do Something Irrational I'M Going To Take My Money and Marry the One Person in the World Everybody Is Going To Tell Me Not To Marry It's a Crazy View but You Can Imagine Her in a Way Desperate To Have a Kind of Identity That's Her Own Not Just To Slip Back into the She Married Well Warburton or Goodwood You Got To Remember those Are Her Options and They'Re Meant To Be Alternatives

I Want To Represent to You Namely that James's View of Morality Is Deeply Intertwined with this Understanding of Modern Moral Meaning of the Dependence We Have on each Other for Our Trusting What We'Re Doing Being What We Think We'Re Doing and the Necessity of Free People Not Manipulated People for Us To Get the Right Reaction from the World It's a Large Thesis I Can't Defend but I Think James Is Playing Around with a Much Deeper Understanding of the Nature of Our Dependence What We Owe each Other another Way of Talking about Morality
