My Little Book of Baby Animals

With simple, rhyming text and lavish illustrations by Charles Fuge, this vibrant board book explores the lives of the cutest critters in the land: baby animals! From baby bears who feel safest up a tree and baby penguins who nest on their daddy's feet to baby koalas who hitch a ride on their mama's back, each spread features unlikely pairs of baby animals playing and interacting. Ducks, chimps, elephants, rhinos, meerkats, whales, and even sea horses all make an appearance to bring delight children of all ages.

Animal Babies

This is a fun-packed picture and puzzle book for little ones. It is a soft-to-touch first book for babies and toddlers, with big bright photographs on every page. Young children adore looking at baby pets and farm animals, and they will find lots of them in this inviting boardbook - from tiny mice to a little donkey, from adventurous kittens to tired puppies, and from cute pink piglets to a lovable lamb. Eye-catching images, informative and entertaining captions, and simple challenges will encourage children to observe, name, count, group and remember, all while increasing their reading skills. Find the cat who's hiding in the collage of images, look for the parent dog's puppy, count from 1 fluffy duckling to 4 furry guinea pigs, put animals into matching pairs, and identify the odd one out. With an engaging point-and-say format, the book is designed for children and grown-ups to read together, or for more confident readers to enjoy by themselves. This delightful picture and word book introduces an adorable collection of pets and farm animals. See puppies playing together, a caring mother cat washing her kitten with her tongue, a hungry hamster storing food in its cheeks, and a line-up of fluffy owl chicks. Count 4 beautiful bunnies, 10 waddling ducklings and 12 dalmation pups. See if you can name all the animals, find out what noises they make, and much more. With plenty of activities, and lots to talk about, this first words and recognition book is ideal for young readers.

Baby Animals First Colors Book

Books in the Animal Babies series take a simple look at different classes of animal babies: amphibians, birds, fish, mammals, bugs, and reptiles. Each title examines how the animal babies are born, where they live, how they are cared for, how they develop, and differences and similarities between animal babies and their parents. Other features include a simple life cycle diagram in each title, and a picture glossary.

Baby Animals: a Spotting Game (My Bath Book)

Shows a variety of baby animals, in an easy-to-read text that incorporates phonics instruction and rebuses.

Baby Animals First Shapes Book

The only thing better than a book about animals is one about adorable baby animals! Kids will love learning about baby animals and their favorite snacks as they turn the pages and spin the sturdy wheel to answer the prompts. So, when the baby monkeys are hungry after a long day of swinging and leaping, children can turn the wheel until the monkeys' favorite snack shows up on the page! Each spread features a different animal and a different snack to find. This special format is perfect for keeping little hands and curious minds busy and engaged. The colorful board pages are bright, busy, and playful, which are all perfect ways to keep toddlers engaged. This book's sturdy construction can handle the rough-and-tumble life of a toddler! Other books in this series include Busy Shapes, Busy Christmas, Busy Numbers, and Busy Colors. Collect them all!

Busy Baby Animals

This charming, best-selling board book introduces eight adorable baby animals, featuring high-contrast black-and-white illustrations perfect for babies from birth to age two. Research has shown that infants respond more readily to contrasting black and white images, making this book an ideal choice for the youngest of eyes. Up-close images of a playful Dalmatian puppy, a cuddly panda cub, a striped zebra,

and other loveable animals grace each page. A final two-page spread completes this charming book with a clever surprise.

Baby Animals

Kids love nature at very early ages. In fact, they develop a love for certain animals as soon as they are exposed to them. Often, it is the babies of their favorite creatures that really spark their imaginations. In this case, a nature book about baby animals can be used to engage the children in the things that they have in common with the babies and also how they differ. The kids are often engaged as soon as they see these baby animals in books.

Baby Animals

Safe for baby and perfect for bath time fun or high chair play, 'Baby Animals' is packed with bright pictures of baby animals, squashy, waterproof pages, and a built-in squeaker making baby bath time fun for your little one

Baby Animals First 123 Book

Baby Animals Black and White

This edition is to be used with a "talking" pen which reads the text out loud. Beautiful and graceful pop-up baby animals hide behind bold black and white letters in this paper-engineering marvel from Chuck Murphy. Each spread includes four lift-the-flap or pull-tab letters and four wondrous pop-up scenes. Readers can lift the letter B and discover a baby baboon out for a walk with its mother. Or, they may pull-the-tab and the letter D and encounter an amazing pop-up dinosaur baby. Bold black and white graphics combined with vibrant color pop-up surprises this design scheme is a "signature" Murphy style.

Baby Animals

Babies will love meeting the adorable animals and exploring the touch-and-feel pages in Baby Animals, the next title publishing into the successful Baby Touch & Feel series by Priddy Books. Filled with cute baby animals, from kittens and puppies, to bunnies and more, this multi-sensory shaped board book will stimulate babies' senses as they explore the pages. Featuring a different touch and feel texture on each spread, the gentle rhyming text and vibrant photographic images of animals and babies help to develop picture recognition.

Baby Animals First ABC Book

This hands-on first look at endangered animals has so much to offer in a simple, bold, yet very creative format. Striking photographs of birds, mammals, reptiles, and aquatic creatures fill each page of six board books for little hands. Short, first person text pulls young listeners into the natural world and offers interesting facts about habitat, diet, and features of each animal. The six books are die cut puzzle shapes that fit together to form a sturdy, decorative cube. Placed on a table or nightstand, it acts as a reminder to revisit the animals within. The books also fit together to form a flat panel montage of the creatures in their environments. The Cube Book is a tactile way to engage young children and hold their attention while instilling the importance of safeguarding the world's glorious array of wildlife. A total of thirty-six beautiful portraits from the giant panda to the colorful clown fish take us to the rain forests, grasslands, wetlands, deserts, oceans, and polar regions of the planet. Six ten-page board books, two types of puzzles, an ornament, and just the right amount of information make this a value-packed gift to awaken curiosity.

Baby Animals

Baby Animals Chunky Set is an adorable gift for any baby or toddler. The shrink-wrapped set contains three board books --Farm, Pets, and Wild Animals --with cute photographs of real baby animals. The fun text relates to animal noises and actions to encourage first language skills and picture recognition as well as promote interaction with parents. The chunky pages are easy for little hands to turn, plus the die-cut covers make these books interesting to hold and share.

Animal Babies

Little ones will love using their fingers to follow the glittery, bumpy shiny trails in DK's Follow The Trail Baby Animals. This tactile book is packed with colourful illustrations to help encourage early learning. Perfect for hands-on learning, every page of this baby animals board book has a bright, bold finger trail with a special finish, from foil to raised dots or ridges. Follow The Trail Baby Animals is perfect for developing hand eye-coordination and pre-writing skills. Help your child learn all about baby animals in Follow The Trail Baby Animals. With tactile trails and fun peepholes, your little one will discover baby rabbits, kittens and puppies. Follow The Trail Baby Animals makes early learning fun for your little one.

Baby Animals a to Z

Baby Animals A to Z is a perfect gift for the youngest readers. It contains engaging images of cute, cuddly baby animals covering the alphabets A to Z. Each baby animal makes their own cute, sounds like meow, ruff, chirp, umph, eem, baa and so on. Baby Animals A to Z encourages sensory development, early reading skills, language skills, recognition skills while teaching colors, shapes, patterns, opposites, and much more.

Baby Animals From A to Z

This picture book is a great teaching tool for vocabulary building. A set of wonderful pictures show exactly what a baby animal looks like and all children seem to just love them. It is like a dictionary of animals for toddlers. The pictures are clear, the colors are nice, and the letters are big enough. It's excellent for your little one to help him build confidence in his ability to "read" the letters from A to Z (shown on the pages for the words shown that begin with them). The best thing about this book is the wonderful illustration of each animal - clearly labeled with its name. As you read this book over and over to your child it won't be long before they are the ones pointing to the picture and telling you what it is. Just point and say.

Animal Babies a to Z

This edition is to be used with a "talking" pen which reads the text out loud. Beautiful and graceful pop-up baby animals hide behind bold black and white letters in this paper-engineering marvel from Chuck Murphy. Each spread includes four lift-the-flap or pull-tab letters and four wondrous pop-up scenes. Readers can lift the letter B and discover a baby baboon out for a walk with its mother. Or, they may pull-the-tab and the letter D and encounter an amazing pop-up dinosaur baby. Bold black and white graphics combined with vibrant color pop-up surprises this design scheme is a "signature" Murphy style.

ABCs of Baby Animal

ABCs of Baby Animal is a fun and educative animal-themed alphabet book for children. Each letter of the alphabet is represented by a cute and cuddly baby animal, making learning fun and memorable. With bright and beautiful illustrations of different baby animals, kids will love to read them aloud. The vibrant, full-color illustrations are not just eye-catching but also educational, providing an engaging way for children to learn about different animal species and their unique characteristics. This Fun animal book features: A to Z of Animals Fun Animal Facts for Kids A cute certificate for learning all the animal names Premium Paper 8.5 * 8.5 inch paper size 40 pages Beautiful cover Toddler-friendly text & illustrations Collect your copy today cause it makes an excellent gift for kids who love animals.

My Baby Animals - From A to Z

Introducing the "My Baby Animals from A to Z" Coloring Book - a captivating and educational journey through the animal kingdom like never before! Unleash your creativity and explore the wonders of nature as you embark on a colorful adventure from A to Z. Each page of this coloring book features a unique animal representing a letter of the alphabet, making learning both fun and visually engaging. From the graceful "Antelope" representing "A" to the whimsical playfulness of "Z" is for "Zebra," every animal comes to life as you add your personal touch. With a total of 96 pages, this coloring book offers an abundance of creative opportunities for kids to explore their artistic side. They can take their time to carefully color within the lines or let their imaginations run wild with bold, playful strokes. Whether they're using crayons, markers, or colored pencils, these pages are a canvas for their colorful dreams.

Baby's World

This picture book helps young children learn and write the English capital letters of the alphabet. Young learners are able to use their fingers to trace the arrows on each alphabet letter. In addition, an animal illustration is presented to encourage dialogue and foster curiosity

A - Z Animals

This A - Z Animal book is a guide for little kids on information about the worlds most fascinating animals on our planet, the wonders of the natural world are set on incredible display in this animal book in an alphabetical order from A-Z with beautiful and stunning pictures to engage children who are first year readers to learn about the amazing creatures on our planet and also to satisfy their curiosity about the different names, looks and types of animals. The A-Z animal book is a must have for every classroom, Library and family bookshelf.

Animal Babies A to Z

This beautiful book will appeal to children and grownups. Well know paper engineer, Chuck Murphy, has created 4 graceful pop ups per page. This book had pop ups, lift the flaps and pull tabs. This is a classic Chuch Murphy title with is black and white

Animal Babies

A baby kangaroo is a joey. A baby fish is a fry. But no matter what they are called, all baby animals are adorable as they jump, scamper, and swim in their habitats. Learn the different baby animals' names so you can share which one is your favorite. Rookie Ready to Learn titles help develop young children's language and early reading skills as they engage in topic-rich conversations. The Seasons and Weather subset focuses on how children experience the seasons through delightful activities such as carving pumpkins and building a snowman, as well as satisfying their natural curiosity about changes in weather and nature.

Zoo Animal Alphabet and Baby Animal Numbers

This book is an excellent teaching tool for your little ones and anyone learning the English language. Teach your child new words, letters, animals, numbers, colors, and sizes. Cute and fun animal alphabet, A through Z. Fun descriptive names and words that begin with the letters of the alphabet to match the zoo animals. Have them tell you the colors of the written words. Talk to your child about Joyful Jewelled Jellyfish, Mighty Messy Monkey, Unique Useful Unicorn, Whistling Wishing Whale, and more. Numbers one through ten with baby animals for counting. The baby animals range in size to teach little ones about large and small. Ask them to find the largest and smallest baby animals. They can use the animals for counting the full amount or only find the largest or smallest animals. Fun for your children to learn with you or on their own. Here are some books from my series of children's books Fun with Friends. Sam and Susie Talk about Zoo Animals is the first book in the series. The second book in the series is Max and Maxine Talk about Outer Space. The third book is Jake and Jennie Talk about Dinosaurs. Fourth in the series is Kylie, Kate, and Cody Talk about Money. Please visit my author's page and let me know how you and your children like the book with a comment or two. You are welcome to contact me at Julie@JoyfulStorybooks.com The wonderful illustrations of the Zoo Animal Alphabet are drawn by Sumek Injai (Handmek). Please find him on Etsy. (Search Handmek)
