The Atlantis Ascent

~~THE THRILLING FINAL BOOK IN THE ATLANTIS SAGA~~ The US government, the US military, and world-renowned scientists are all after one thing—the Atlantis gene, from the descendants of the lost island of Atlantis. General Corbin is close to dictatorship of the United States—and possibly the world—but the Atlantis Allegiance is still a thorn in his side. Now there are a shadowy group of Atlanteans with special powers and deadly Russian spies thrown into the mix. His hired guns, Agent Isadore Grant and the psychopathic McKay twins, are outnumbered in Africa. He must go there himself, with two soldiers injected with the Atlantean serum, and take care of business once and for all. The Atlantis Origins

Imagine for a moment that legend and fact are two living and breathing entities. In legends, Atlantis was destroyed by a great flood due to greed. For a civilization to be gluttonous, they have to be imperialistic. A great war would have taken place to destroy such a powerful civilization. In fact, mankind has learned of civilizations older than the Egyptians and Sumerians. Within the last five decades, archeologists have learned about the Gobekli Tepe in Turkey, and the City of Lord Krishna submerged under the Gulf of Cambay. Both cities can date back twelve thousand years ago. Right after the Ice Age, the world looked different. The oceans and seas started to rise four hundred feet due to climate change. After the glaciers started to melt, Mankind was ready to strive to the next level of its existence. Societies and cultures started to expand. If a person fuses fact and legend together, the result would be the civilization of the Atlantean Empire.

Door To Atlantis describes what really happened to us in that Atlantean cataclysmic event which submerged the continent over a period of one day and a night. Many thousands of years ago, a race of extraordinary beings determined the future of mankind, influenced our technologies and changed the direction and the genetic make-up of humanity. *Door to Atlantis* describes the gods of Atlantis, the Ancient Elder Brothers, Interdimensional Portals of Atlantis, the Mars Atlantis Voyagers and their genetic and technological experiments. The book is an expose of how advanced technologies reshaped the destiny of mankind taking us down through the dimensions. What happened during our transit back up to the Fifth Dimension? It discloses UFO sightings and extraterrestrial encounters. You may or may not be convinced by these startling revelations, but it is the truth that many have been waiting for. *Door to Atlantis* also addresses spiritual precepts about new dimensions ruled by "thought" that we will be moving into and must prepare for by the end of the "cycle". *Door to Atlantis* encourages people of this planet to wake up and recognize their legacy of little known expression in mankind today and their multidimensional spirit.

Mermen and Magic: Part One

A young queen is torn between her heart's desire and the fate of her kingdom in this "first-rate" fantasy from a New York Times–bestselling author (Library Journal). On his deathbed, the four-hundred-year-old emperor of Atlantis has reason to worry. Signar, the savage ruler of a powerful outlying state, is scheming to seize control of the empire, and not even its advanced technology can save it. But something else can . . . From the frozen north country of Althrustri, Signar will halt his invasion if he can take the emperor's daughter, the beautiful Empress Salustra, as his bride. Such a marriage contradicts the deepest feelings of Salustra's heart, the secret wisdom of her lineage, and her sacred trust as Atlantis's queen. But the emperor has a plan: Salustra will seduce Signar and then sentence him to death. In spite of every effort to harden her heart, Salustra soon finds herself falling in love with the lustful barbarian. Her loyalties gravely divided, the empress must make a decision that will change the course of history. Written by author Taylor Caldwell when she was a young girl and revised and published decades later, *The Romance of Atlantis* transforms the legend of a lost kingdom into an "extraordinary" tale of passion and intrigue (TheColumbus Dispatch).
