acrylics are affordable

acrylics become water resistant when dry

not sure where to start?

a palette

start your art journey

you can spray water directly onto your canvas

impatient? use a hair dryer to speed up drying time

just a few synthetic brushes are all you need to begin with

I have a video you can watch to get an idea about color mixing

done painting? clean the brushes right away and lay them horizontally to dry

keep acrylics wet

store your DRY brushes with the bristles facing UP
