The Four Beauties and the Four Beasts

Nicolas-EdmE Restif de la Bretonne (1734-1806) produced over 180 books, totaling some 57,000 pages, many of them printed by his own hand, on almost every conceivable subject. Praised in Germany, he was mostly forgotten in France until being rediscovered by the Surrealists in the early 20th century. Several of his most important works are being presented here for the first time in English. This volume contains two fantasy tales, The Four Beauties and the Four Beasts and The Demicock, both featuring the character of the Enchantress Ouroucoucou. Written between 1775 and 1785, they are fascinating examples of a particular phase in the evolution of fantasy fiction, and of one exceptional author's contribution to that progress.

The Four Beauties

First published in 1968, The Four Beauties is Bates's last collection of novellas offering a mixture of comedy, adventure, a semi-autobiographical piece and an exploration of a dark love triangle. 'The Simple Life' is set at a country cottage offering the joys of a humble existence, and focuses on a bitter alcoholic wife who finds temporary pleasure in a seventeen-year-old boy. A reminiscence of newspaper reporter, reflecting Bates's own experiences at the Northamptonshire Chronicle, 'The Four Beauties' concerns the narrator's complicated relationship with three lovely and highly-sexed daughters, as well as their mother. A television adaptation Country Matters was aired in March 1973. 'The Chords of Youth' sees Bates revive the character of Aunt Leonora, first introduced in the 1965 story 'The Picnic', in this comic novella in which she entertains a visiting German, mistaking him for an old flame. Linguistic confusion, abundant food and wine, and a pompous English bureaucrat contribute to the humorous unfolding of the story. In contrasting tone, 'The White Wind' is a late novella featuring a young man coming to terms with life's realities, with considerable action and violence and an irascible man serving as the captain of a boat. The element of a dedicated doctor vainly trying to get Pacific islanders to take their medicines is based on Bates's own Tahitian travels.

Mercy Abused; Or An Unanimous Desire for the Protestant Reform

Beasts and Beauties examines the relationship between domesticity and power by focusing on the contemporaneous development of the invention of the 'pet' and the delineation of the home as a uniquely private enclosure, where the pater familias ruled over his own secluded world of domesticated wife, children, servants, and animals.

Beasts and Beauties

This volume offers 28 versions of the fable of "Beauty and the Beast"

Beauties and Beasts

Beauty and the Beast - All Four Versions includes the original, adult-oriented edition of the story by Gabrielle-Suzanne Barbot de Villeneuve (translated from the French by James Robinson Planché), the simplified and shortened version by Jeanne-Marie Leprince De Beaumont which appeared sixteen years later - the basis for all future versions, the Brothers Grimm adaptation and a somewhat forgotten version by Victorian folklorist and anthropologist Andrew Lang.

The beauties of Emanuel Swedenborg, with a preliminary dissertation upon his life and writings, tr. by R. Socius

Lord Aaprin Summerfelt has been recalled by the Empress as the threat to the Empire from within and without grows perilous. He's assigned to the one problem no one has been able to solve... The Imperial heir, the little Princess, continues to elude her lessons. For her part, the Princess's haven, her magical library, has been discovered. Past and present, realities shifting, she finds herself confronting those whose histories she's been more than reading... Lady Farrel, and a number of her companions, find themselves outside their own time and place -- and a book of old twisted fairy tales trembles on its shelf as Lady Farrel meets the gaze of the princess's older half-sister, Farrel's daughter, who she left as a babe and history says she never saw again. Meanwhile, in the past, a dragon's fire awaits Lady Farrel as the Demonlord's schemes threaten the existence of the kingdom of her birth, but end humanity and their elvin allies once and for all. There only hope may be the magic of true love's kiss, sleeping beauties and beasts.

The Beauties of the Holy Bible; Being Selections from the Old and New Testaments, with Numerous Notes. By the Author of "Lines on the Holy Bible."

The priesthood of the believer will continue after the rapture during the Day of the Lord when God judges the earth. God will seal and protect 144 Thousand Jewish believers who are described in the book of the Revelation and the Old Testament They will carry the message of the Gospel of Jesus Christ during the time of God's wrath which is thoroughly described in the Revelation of Jesus Christ. "The Priesthood of the Apocalypse" unfolds the ministry of these 144 Thousand as they continue on earth as God's representatives to those who will be saved during this coming time of devastating judgment.

BEAUTIES AND BEASTS.

Reprint of the original, first published in 1883.

Beauty and the Beast & All Four Versions

A THE Book of the Week. Did you know that Aristotle thought the best tragedies were those which ended happily? Or that the first mention of the motor car in literature may have been in 1791 in James Boswell's *Life of Johnson*? Or that it was not unknown in the nineteenth century for book reviews to be 30,000 words long? These are just a few of the fascinating facts to be found in this absorbing history of literary criticism. From the Ancient Greek period to the present day, we learn about critics' lives, the times in which they lived and how the same problems of interpretation and valuation persist through the ages. In this lively and engaging book, Gary Day questions whether the 'theory wars' of recent years have lost sight of the actual literature, and makes surprising connections between criticism and a range of subjects, including the rise of money. General readers will appreciate this informative, intriguing and often provocative

An Exposition of the Revelation

Amid the lovely roses and razor-sharp thorns, love tangles between beasts and beauties in the romantic tale that transcends time... Five novels retell the classic story of Beauty and the Beast, each with its own twist. Meet a dark-elf prince, a dragonian princess, a brooding vigilante, mighty superheroes, and futuristic guards, and watch as Beast meets Beauty, falling in love across fantasy, science fiction, and romantic suspense. Each of these novels is only available as part of this set, so don't miss them: enter the enchanted castle and break the spell today

Family Bible

Everyone doesn't make it to IIT *f*.. But, they do make it BIG and sometimes GREAT Born in an Army background, Sid was brought up by his parents to become an "Army Medical Officer". But getting indulged in all sorts of tarnished activities and thereafter screwing up his board results, he finally landed in Chennai to pursue his engineering *f*.of course.. Not from IIT!! College fun, Ragging in Hostel, scariest mess-food, dumbest mates, carats of beer and smoky environment ruined him further. Yes, he was ruined but somehow he got himself placed in an automobile MNC. Being so idiotic, how Sid made it to campus placement? Soon the grey part of corporate world makes him feel inferior among the other freshers hired from IIT's. He wanted to prove himself, but was suppressed by his manager. Will Sid ever be able to make it BIG in corporate? Two beautiful and loving girls, Aayesha & Angel, step into his life. But commitment towards love is never easy, and for Sid, it was the most complicated one!! How does he handle both the love story and finally whom does he fall for? Will he be able to convince his orthodox parents especially his mother-INDIA? Spending lavished life in college, struggling to manage 2-love stories and fighting for respect and pride in corporate world is the chronicle of every graduate's life! "College 2 Company" is a very true tale off one and all!! Once again feel the College excitement, Semester Exams fear, corporate pains, Appraisal worries, and a bewildering love story!! "PAY FOR OUR WORTH *f* NOT FOR OUR BACKGROUND"

Yale French Studies

BEAUTIES, BEASTS AND ENCHANTMENT: CLASSIC FRENCH FAIRY TALES A beautiful new collection of 36 French fairy tales translated into English by renowned writer and authority on fairy tales, Jack Zipes. Cinderella, Beauty and the Beast, Sleepy Beauty, Puss In Boots, Bluebeard, and Little Red Riding Hood are some of the classic fairy tales in this amazing book. There are many stories here by Charles Perrault, the most famous author of French conte de fees. Features a new introduction by editor Jack Zipes. Includes a generous number of exquisite illustrations from fairy tale collections. This is a clothbound edition, with gold letters embossed on a blue cloth cover, and a colour flyleaf. 'Terrific... a succulent array of 17th and 18th century 'salon' fairy tales' - The New York Times Book Review 'These tales are adventurous, thrilling in a way fairy tales are meant to be... The translation from the French is modern, happily free of archaic and hyperbolic language... a fine and sophisticated collection' - New York Tribune 'Enjoyable to read... a unique collection of French regional folklore' - Library Journal 'Charming stories accompanied by attractive pen-and-ink drawings' - Chattanooga Times 'An excellent collection' - Booklist. REVIEW FROM AMAZON: If you love fairy tales and felt some were lacking you will love this book. With two versions of Beauty and the Beast, one covering the true details of the prince's curse and fairy politics, and several classic style french stories, it will quickly become a family favorite. JACK ZIPES is professor emeritus of German and comparative literature at the University of Minnesota. In addition to his scholarly work, he is an active storyteller in public schools and has worked with children's theaters in Europe and the United States. Some of Jack Zipes' major publications include Breaking the Magic Spell: Radical Theories of Folk and Fairy Tales (1979), Fairy Tales and the Art of Subversion (1983, rev. ed. 2006), Don't Bet On the Prince: Contemporary Feminist Fairy Tales in North America and England (1986), The Brothers Grimm: From Enchanted Forests to the Modern World (1988), Sticks and Stones: The Troublesome Success of Children's Literature from Slovenly Peter to Harry Potter (2000), Speaking Out: Storytelling and Creative Drama For Children (2004), Hans Christian Andersen: The Misunderstood Storyteller (2005), and Why Fairy Tales Stick: The Evolution and Relevance of a Genre (2006). Jack Zipes has also translated The Complete Fairy Tales of the Brothers Grimm (1987) and edited The Oxford Companion to Fairy Tales (2000), and The Great Fairy Tale Tradition (2001). Most recently he has translated and edited The Folk and Fairy Tales of Giuseppe Pitre (2008) and Lucky Hans and Other Merz Fairy Tales (2008) by Kurt Schwitters. Includes illustrations and a new introduction. ISBN 97818617144770. Clothbound in blue. 612 pages. www.crmoon.com"
