This comprehensive catalog of every food and beverage mentioned in the Edgar Cayce readings has more than 2,500 entries. It contains an index by food and illness, as well as dietary advice on numerous disorders.

An Edgar Cayce Encyclopedia of Foods for Health and Healing

Edgar Cayce left behind a legacy of psychic readings, two-thirds of which dealt with physical illnesses and what might be done to restore the body to health. Throughout his suggestions on ways to correct these conditions, Cayce spoke volumes about diet. He saw certain food combinations as helpful, some as harmful. His theme throughout the readings was to keep the body and its functions balanced-often by using nutrition. This book provides readers with specific diets for arthritis, cancer, epilepsy, hypoglycemia, colitis, diabetes, and more. Plus, you'll learn that the diet you need for full health is as unique as you are. This book will show you the diet that will suit you best.

Edgar Cayce on Healing Foods

What opens the door to disease in our body? What enables us to get well? Dr. William A. McGarey answers these questions and shows us the way to glowing good health. Guided by the teachings of Edgar Cayce, Dr. McGarey has treated thousands in his Arizona clinic. He treats the human body not as a biochemical factory but as a whole entity in time and space, affected by our consciousness and the experienced of life, now and through many incarnations. Utilizing holistic concepts that use our minds creatively to bring health to our bodies, Dr. McGarey shows us a process of healing that includes: special diets and herbs, the preparation and use of Cayce's famous castor oil packs. Effective healing massages, an exercise program, treatments for specific illnesses, including psoriasis, colitis, asthma, heart disease, arthritis, and many more, daily meditation and prayer, dreams in health and healing, a Cayce pharmacopoeia.

Edgar Cayce on Healing

Beyond pills and potions, there is a way to subdue this often-debilitating disease, says the author, a student and advocate of the Cayce readings. This book examines physical conditions that contribute to arthritis and what can be done to eliminate them, including mental and spiritual courses of action.

Edgar Cayce on Healing

John Van Auken, the Director of the Edgar Cayce Foundation has brought together these insights in this latest book. The key concepts of Cayce's holistic approach to health and happiness are here: his insights into good and bad foods, the mechanics of healing and rejuvenation, therapies, tonics, and devices for keeping our bodies functioning well, as well as our minds becoming clearer and fully aware. Included with all the health information are metaphysical concepts and methods that bring the influence of our souls into our health and well-being. There is also a valuable list of resources and an easy to use index for finding exactly what you are looking for. There are also 13 illustrations. The Journal of the American Medical Association credited Edgar Cayce with initiating the American holistic health movement.

The Edgar Cayce Remedies

A complete guide to the work of the remarkable twentieth-century seer Edgar Cayce, featuring Cayce's most intriguing and influential readings, and a biographical introduction to his life. Edgar Cayce is one of the most mysterious men of the twentieth century. Sometimes called "The Sleeping Prophet," he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning. The core of his life's work was actually being an intuitive healer and Christian mystic. More than one hundred books have been written about his teachings and his life story. Yet no book has combined insightful commentary with lengthy, verbatim selections of the full range of his contribution to holistic healing, practical spirituality, and the psychology of the soul. The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement, as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and Western religious traditions. The book's substantial introduction frames Cayce and his life's work, and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer's most significant readings. Here is a truly integral portrait of the life and work of one of the twentieth century's most fascinating spiritual figures.

Edgar Cayce was perhaps the most famous and most carefully documented psychic of our time. For more than 40 years at least twice a day he would lie down on a couch and go into a sleep light state and respond to questions. These sessions called readings were carefully transcribed by his secretary and preserved by the Edgar Cayce Foundation in Virginia Beach. The Edgar Cayce Clinic (formally A.R.E. Clinic) in Phoenix, AZ. used these natural cures, holistic therapies and all natural holistic remedies for over 40 years to treat patients based on the Edgar Cayce readings. Doctors William A Mc Garey and Gladys Mc Garey started the ARE Clinic in Phoenix Arizona. The many healings accomplished at the clinic for patients who found little relief from conventional medicine is attributed not only to doctors William and Gladys Mc Garey and their staff at the continuing value

of the unconventional remedies found in the Edgar Cayce readings and his philosophy of healing the body mind and spirit.

This is the remarkable true story of a young woman's seven-year struggle and final victory over epilepsy. The medications didn't help; Jody was cured by Cayce's remedies.

The Gifts of Healing

A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

Edgar Cayce's Quick & Easy Remedies

Edgar Cayce (1877-1945) was one of the most famous trance mediums in the world and the best-known psychic in America's history. Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as "the sleeping prophet". Through entering a self-induced hypnotic trance he produced over 14300 health and spiritual "Readings" (one of the largest psychic libraries in history) allegedly from his unconscious mind and/or the supposed akashic records. Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine. His influence has extended to millions of people. This book takes a critical look at the life readings and health/spiritual impact of Edgar Cayce. It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions—and how benevolent concepts such as improved health and spirituality may indeed become the devil's playground. Ironically this is the very thing Cayce himself had worried about in reference to the Readings.

Edgar Cayce Cures

Imagine being able to ask the sleeping Edgar a question on almost any topic? Thumbing through his "famous black book" is like stepping back into Cayce's time to gain wisdom straight from the source of universal consciousness that he was known to access. For decades, the Cayce "readings" have stood the test of time, research, and extensive study. Most of the readings dealt with physical health, but countless other topics were explored and included in this volume: dreams, intuition, ancient civilizations, meditation, karma and grace, reincarnation, and much more.

Healing Through Meditation & Prayer

What do you do when you get sick? Believe it or not, the answer can determine your recovery. Elaine Hruska has written a clear, concise book on healing and what it really means. While many books on health and healing are geared toward those who are not ill but trying to prevent illness, this book speaks directly to those who have been diagnosed with a sickness. It covers topics including the alternative causes of illness, such as attitudes or emotions; the modalities and treatments for illness ranging from homeopathic to conventional medicine; the thought that if we nourish the mind, the body will follow; and the belief that the choices we make can either help us in our healing or hinder our progress in getting better. Book jacket.

Edgar Cayce on the Akashic Records

Based on accounts of illnesses cured by Cayce's medical clairvoyance and taken directly from his Readings, this book reveals challenging alternatives to healing. Enlightening and inspiring, it explores different options in health restoration, energy resurgence, and spiritual rebirth.

Holistic Healing and the Edgar Cayce Readings

The mystic philosophies of a most intriguing and complex figure. Presents the best-known works of Edgar Cayce, on a number of topics including ESP, dreams, healing and health.

Epilepsy - Jody's Journey an Inspiring True Story of Healing with the Edgar Cayce Remedies

One of the first to explore the relationship between karma and physical illnesses was Edgar Cayce, America's famous "sleeping prophet." Cayce often told people seeking his advice that their ailments were caused by character trends set in motion in earlier lives -- "scars of the soul." Mary Ann Woodward takes up this theme and explores in depth the rich material left by Cayce on the role of karma in physical health. Scars of the Soul provides a fascinating glimpse into the underlying causes of stroke, diabetes, anemia, arthritis, allergies, epilepsy, and many other health conditions -- even homosexuality. It demonstrates the impact of the law of cause and effect upon physical health, even though centuries may intervene.

In any form of healing, the goal is to change the current frequency (or vibration) to one that is more balanced and in rapport with optimal results. Shelley shows us that working with our consciousness to overcome our life lessons and challenges to achieve lasting happiness and peace throughout our lives is actually achievable. When Illness Strikes

6000 Year Old Remedy Cures Over 300 Ailments If an inexpensive and widely available oil could cure the following, would you use it? Cancer Allergies Insect Bites Alcoholism Tinnitus Warts Sprains Drug Overdose Wounds Tumors This is just a partial list Dr. Susan Ward N.D. Proclaimed, After Reading The Manuscript, Before It Went To Press: "Best Information On This Topic I Have Ever Read - I was unaware of the magnitude of how this remedy works, especially on a spiritual level and how many illnesses it treats" The "Palma Christi" oil, as an alternative healing treatment, is in a class by itself. This single remedy provides relief and cure to over 300 ailments, and has a track record to prove it. For 6000 years it has worked magic. The story of its history is one of amazement and wonder. Its relation to Jesus and how he may have used it and how it is being used today, not only in a physical way, but in a spiritual way, is examined in great depth. Recent scientific studies have uncovered some of its unique properties as they relate to specific ailments, but the fact that it benefits so many different types of complaints, justifies its christening as "The Hand of Christ". Anyone interested in natural healing, homeopathy, natural medicine, cancer cures, castor oil, Edgar Cayce, Palma Christi, herbal medicine, yoga, prayer, spiritual healing, Christ, Jesus, Christianity, sleeping prophet should read this.

That Ye May Heal

Castor Oil was recommended by Edgar Cayce for treating many ailments that resist traditional therapies. Dr. McGarey's book recounts case histories in which he succeeded in employing castor oil packs as a healing agent for a variety of disorders from constipation and arthritis to ovarian cysts, urinary problems and more. Includes instructions for use of castor oil packs.

Edgar Cayce on Healing

Rather than seeing financial hardships as some sort of punishment, or mistakenly assuming that the experience of poverty can somehow make someone more "spiritual," the Cayce readings suggest that—seen correctly—the process of achieving economic healing can embody a worthwhile experience in personal growth. This book teaches individuals how to overcome their financial difficulties.

The Edgar Cayce Collection

For over seventy-five years, the prophecies and readings of Edgar Cayce-- The Sleeping Prophet-- have inspired millions of people around the world, and been the subject of hundreds of books. Over fifty years after his death, Cayce is still regarded as the father of the new age movement, and the foremost psychic of the twentieth century. His thoughts on the soul's journey, past lives, dreams, ancient civilizations, and astrology are still closely studied and followed by practitioners in these fields. But until now, only those who knew and studied him have been able to tell Cayce's story and philosophy. From Jess Stearn's The Sleeping Prophet to Thomas Sugrue's There Is a River, many bestselling books have sold millions of copies and touched many lives. Now, for the first time, Edgar Cayce tells his story in his own words. Only recently discovered, this new memoir delivers Cayce's important message to the world at a most crucial time, the dawn of the twenty-first century. In this personal, moving story, readers learn how Cayce felt about his amazing powers. Here Cayce speaks about the angelic presence that visited his childhood Kentucky home and told him that he would become a healer to millions. We also learn about his extraordinary childhood ability to learn his school lessons simply by sleeping on his books. Cayce also addresses the devastating throat paralysis that he miraculously overcame, and how he ultimately realized that his powers could only be used to help and enable people, and not for personal profit. Cayce even gives a "behind the scenes" glimpse at his many psychic readings. The combination of ability and humility, compassion and caring turned Cayce from social outcast to world-renowned psychic healer. Throughout his life, Edgar Cayce's was the voice people turned to for advice on issues as diverse as health and healing and philosophy and world issues. Now, Cayce speaks once more on these issues and delivers his ultimate message to humanity for the first time. My Life as a Seer brings to life the emotional frustrations, motivations, fears, and visions of the century's premier spiritualist.

That Ye May Heal

Edgar Cayce's natural drug-free techniques for restoring a healthy body, mind, and spirit often anticipated the discoveries of modern medical research for decades. Now, a world-famous practitioner with forty-five years experience in the Cayce therapies combines those holistic therapies with his own knowledge to show how you can renew your body and live a healthy life. The book covers weight loss, beauty tips, nutrition, heart health, and massage. It has been reorganized for easier reference.

Scars of the Soul

Thousands of Edgar Cayce's psychic readings included dietary guidance. Two classic works on this information are now available under one cover. The diet portion of the book uses information from the readings to define a health approach to diet for the average person in good health. The recipe guide is a collection that complements the Cayce approach to diet. Combined, this information is a useful guide that has proven beneficial over the years for thousands of people around the world. Index.

Edgar Cayce's Self-Healing Tips

Author Elaine Hruska has spent more than 30 years working with the Cayce health readings at the Edgar Cayce health centers in Virginia Beach, Va., and Houston, Texas. Her latest book highlights the wealth of information given with a spotlight on the simplest and most commonly prescribed remedies. The books Symptom-Remedy In-dex allows you to find suggested solutions for just about any illness or disease, including: Alzheimers Arthritis Cancer Constipation Diabetes Epilepsy Flu Gastritis Gout Headaches Infertility Menopause Nau-sea Obesity Pneumonia Ringworm Sarcoma Stiff Joints Stress Tinnitus Tumors Varicose Veins Ver-tigo Warts, and much more!
