Oathbreaker

A century since the departure of the Gods, the Three Nations are now united beneath the Tsar. Magic has been outlawed, its power too dangerous to remain unchecked. All Magickers must surrender themselves to the crown, or face imprisonment and death. Alana's mundane life has just been torn apart by the emergence of her brother's magic. Now they must leave behind everything they've ever known and flee – before the Tsar's Stalkers pick up their trail. Tasked with hunting down renegade Magickers, the merciless hunters will stop at nothing to bring them before the Tsar's judgement. As the noose closes around Alana and her brother, disgraced hero Devon finds himself at odds with the law when he picks a fight with the wrong man. The former warrior has set aside his weapons, but now, caught between the renegades and the Stalkers, he is forced to pick a side – the empire, or the innocent. An original epic fantasy book with dragons, gods and magic, packed with action, adventure, swords and sorcery, by New York Times Bestselling Author Aaron Hodges.

Stormwielder

Alana has been captured. She expected an agonizing death to follow, but instead, she now finds herself a guest of the Tsar. Locked away amidst untold wealth and luxury, it isn't long before she learns the reason she was spared – her entire life has been a lie. Her true identity lurks within, chained by magic, but with promises of untold power. It terrifies her, and yet...she must know the truth. Meanwhile, ex-soldier Devon plans a fresh rebellion in Trola. But after carving his legend in the blood of their people, he's a marked man. He'll have to watch his step if he's to successfully negotiate the shifting tides of the Trolan cause – and not get himself killed in the process. Either way, failure is not an option, because without an uprising, Alana will be lost to him forever... Wrath of the Forgotten

In the crucible of progress, sacrifices must be made. The weak must fall to make room for the strong. Haunted by the devastating loss of Chris, Liz finds solace waging a solitary war against the oppressive government. Driven by vengeance and consumed by grief, she unleashes her formidable powers against the regime that stole everything from her. But even a girl with wings and superhuman abilities has her limits, and as Liz's reckless pursuit of justice escalates, she unwittingly sets the stage for a reckoning. As Liz battles her personal demons, a greater threat looms—the insidious spread of the Chead. Guided by the ancient and enigmatic Talisa, these creatures ravage the land, leaving towns in ruins and slaughter in their wake. Their merciless rampage spares only the young, consigning them to a fate that will transform them into monsters themselves. In a world teetering on the edge, the tyrannical government might just be humanity's last hope. In this heart-pounding conclusion to the *Evolution Gene* trilogy, the forces of good and evil collide, pushing the indomitable spirit of humanity to the brink. As alliances are forged and shattered, and the line between enemy and ally blurs, it all comes down to one choice. Will Liz's thirst for revenge lead to redemption, or will the world fall?

Dreams of Fury

Witness the dawn of a new era, where the threads of destiny unravel and a new species emerges from the shadows. Brace yourself, for the world will never be the same again... In the aftermath of their harrowing escape from nightmarish laboratory of Doctor Halt, Liz and Chris find themselves thrust into a perilous struggle for survival. The taste of freedom is bittersweet, stained by the price of friends left behind. Meanwhile, the relentless government hunters pursue them with unyielding determination, threatening to return them to their cages. But Liz and Chris are no longer the innocent teenagers who were ensnared in Halt's web of cruelty. Their very essence has been altered, forcing them to shed their innocence and embrace the darkness within. Hunted and despised, society may have labelled them as traitors, but Liz and Chris are determined to expose the government's lies to the world. Only then might they stand a chance of salvaging their shattered lives. Discover the thrilling continuation of this dystopian trilogy, as Chris and Liz struggle for justice, survival, and the ultimate reclamation of their humanity. With the odds stacked against them, they must unveil the chilling reality beneath the government's deceitful façade, even as their own identities teeter on the precipice of transformation. Prepare for a breath-taking journey that ignites the spirit of rebellion and leave readers eagerly anticipating the fate of these extraordinary beings in a world forever altered. In this electrifying sequel, the stakes have never been higher as our defiant renegades navigate a treacherous landscape, hunted and despised. With their newfound powers pulsating through their veins, they must summon the courage to unravel the secrets shrouded in shadows, seeking redemption and vindication in a world determined to bury the truth.

Descendants of the Fall

In a world where progress has stifled the very essence of human evolution, a terrifying future waits... The year is 2051, and the Western Allied States have emerged as the dominant power in North America. However, a sinister plague is spreading like wildfire, transforming its victims into something unimaginable. They call them the Chead, and where they walk, destruction follows. Across the nation, the search for a cure becomes paramount. As fear tightens its grip, the government's ironclad control grows, thriving on obedience and conformity. In this treacherous landscape, eighteen-year-old Chris, a seemingly ordinary young man, believes in the illusion of safety. Until the night they come for him. Branded a traitor, Chris is abducted and taken to a clandestine facility deep in the Californian mountains. There he becomes an unwilling subject in a diabolical experiment aimed at reshaping humanity. The odds of emerging unscathed are slim. But death is a privilege reserved for the fortunate few. Can Chris overcome his new reality and find a glimmer of hope in the darkness? Or will he succumb to the merciless powers that threaten to consume him and everything else in this grim world? Prepare to be captivated by a relentless and gripping dystopian trilogy that marries the intensity of *The Hunger Games* with the revolutionary spirit of *Red Rising*. In this heart-pounding tale, readers will be left breathless, contemplating the limits of humanity and the sacrifices required to reclaim freedom from the clutches of a merciless dictatorship.

With stunning twists, heart-stopping action, and a breath-taking climax, this gripping sword and sorcery sequel will leave readers on the edge of their seats, anxiously awaiting the final verdict: salvation or oblivion.

The Sword of Light

The reign of the Alfur has ended. Talamh has been liberated. For once, humanity are the conquerors. So why does Rydian Holt feel like they lost? With the destruction of the Haze, Talamh has been revealed to the universe. But the realm beyond their world is not what Rydian and his fellows were told. The Alfur lied. It is not they who rule the galaxy, but humanity. Led by the autocratic Federation, their empire spans galaxies. Returning to Talamh after six months training his powers, Rydian finds his former masters enslaved. Condemned to fight and die in the arena, few of the Alfur remain. Conquerors they might have been, but Rydian can't help but wonder if this was the fate they deserved. Afterall, some had helped him. Some had saved him. He can't fight the Federation. Not alone. But there are still mysteries on his home world, powers that even the Federation fear. Can Rydian Holt unlock the secret of their species' shared past and finally bring peace between human and Alfur? Or will his desperate gamble lead to the destruction of everyone and everything he has ever known?

Darkstrider

On the wild planet of Talamh, humanity thrived... ..until the alien Alfur conquered their world. Now, defeated and broken, humanity serves their immortal overlords. And pleads to the stars for a hero. Rydian Holt is nothing, nobody. Just another human from the streets of Talamh. Or at least, that's what he thinks—until his mother is caught up in a fledgling resistance group. Branded a traitor and sentenced to fight in the arena, now Rydian must face hardened gladiators in single combat. To survive and advance through the ranks, he'll need the help of an enigmatic weapons master—and more than a little luck. But after a lifetime of servitude, survival is no longer enough for Rydian. He seeks a way to fight back— not just against his fellow gladiators, but against the Alfur themselves. If Rydian can uncover their greatest secret—the truth about the mysterious Light that powers their world—he might just win his freedom.

Voidlight

Rydian Halt has defeated one of the immortal Alfur, the alien species that has ruled over humanity for generations. With newfound power burning in his veins, for a brief moment, anything seemed possible. Freedom for himself, for his people, for all of Talamh. Until the Haze struck. Now cast into the wildlands of Talamh, Rydian struggles for survival—and his very sanity. Each time he uses his new power, the Haze threatens, tearing at his mind. But without its aid, Rydian won't last a day against the beasts that stalk him. He needs an ally, one that can teach him about the Light that now burns within him. The Alfur have kept its secrets close, but there is one who might aid him, an Alfur who seems too loath her own people almost as much as any human. Rotin, gladiator of the Alfur.

Conquest

Son to a hero. Brother to a legend. Logan Kaine has spent his entire life in the shadows. Now he must forge his own path. When a mysterious island veiled in mists appears in the Northern Sea, Logan knows his time has come. The plan is simple: journey to the island, uncover its secrets, return a hero. But the best laid plans come to ruin when Logan's ship is destroyed. Stranded on the island, he discovers a realm of magic and wonder. Strange creatures prowl the jagged shoreline, offering impossible powers to those with the courage to tame them. And death to those who fail. Logan must unravel the secrets of the island and its magical beasts if he's to find a way back home. But he's not the only human on this world. Zachary Sicario, master thief and assassin, wants the island's magic for himself. Only one can claim the power. Will Logan finally seize his chance to become a hero?

Defiant

In a world where progress has stifled the very essence of human evolution, a terrifying future waits... The year is 2051, and the Western Allied States have emerged as the dominant power in North America. However, a sinister plague is spreading like wildfire, transforming its victims into something unimaginable. They call them the Chead, and where they walk, destruction follows. Guardian

High in the mountains, Pela and Ruebyn have finally escaped the deadly Knights of Alana. But the future remains uncertain, their only way forward the forbidden lands of Trola. Buoyed by their recent victory, Pela is confident they can overcome whatever lies ahead. When they find the Trolan countryside empty, its villages abandoned, they realise nothing is as it seems in the western nation. There is an evil on the air, an ancient darkness that neither sword nor magic can fight. Meanwhile, King Braidon has earned a victory against his treacherous wife and her zealous Knights. If only the war could be so easily won. Marianne still holds the capital, and has magic enough to conquer the Three Nations.

Braidon must gather the forces of good beneath his banner, and fast, before the queen can march on his stronghold.

Untamed Isles: The Path Awakens

When Knights attack the town of Skystead, seventeen-year-old Pela is the only one to escape. Her mother and the other villagers are taken, accused of worshiping the False Gods. They will pay the ultimate price – unless Pela can rescue them. Pela has never left the safety of her town, let alone touched a sword. What chance does she have against the ruthless Knights of Alana? The Three Nations: Discover a World of Gods, Dragons, and Magic

'Brandon Sanderson is one of the greatest fantasy writers' FANTASY BOOK REVIEW From the bestselling author who completed Robert Jordan's epic Wheel of Time series comes a new, original creation that matches anything else in modern fantasy for epic scope, thrilling imagination, superb characters and sheer addictiveness. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive series, humanity faces a new Desolation with the return of the Voidbringers, a foe whose numbers are as great as their thirst for vengeance. The Alethi armies commanded by Dalinar Kholin won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, and now its destruction sweeps the world and its passing awakens the once peaceful and subservient parshmen to the true horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that their newly kindled anger may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths the dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put Dalinar's blood-soaked past aside and stand together - and unless Dalinar himself can confront that past - even the restoration of the Knights Radiant will not avert the end of civilization. 'I loved this book. What else is there to say?' Patrick Rothfuss, New York Times bestselling author of The Name of the Wind, on The Way of Kings

Child of the Sword

The tyranny of the gods is absolute, and they are capricious, malevolent and almost all-powerful, playing cruel games with the fates of mortals for their own ends . . . A vibrant and powerful epic set against an alternate Bronze Age, this tale of gods, men and monsters, conspiracy and war, is a rich, compelling and original read from a master of the historical and fantasy genres. The people caught up in toils of the gods are merely trying to survive. Victims of vicious whims, trapped by their circumstances or pushed beyond what the mortal frame can bear, a handful of god-touched mortals - a scribe, a warlord, a dancer and a child - are about to be brought together in a conspiracy of their own. A conspiracy to reach the heavens, and take down the corrupt and aging gods . . . who are already facing troubles of their own . . . An epic that draws on a wide variety of myths and legends, gods and heroes, this new trilogy is a must read for fans of Dan Simmons and Madeline Miller alike. Praise for Miles Cameron:

'Utterly, utterly brilliant. A masterclass in how to write modern fantasy - world building, characters, plot and pacing, all perfectly blended. Miles Cameron is at the top of his game' John Gwynne, author of The Faithful and the Fallen series 'Cold Iron is fantastic. It shimmers like a well-honed sword blade' Anna Smith Spark, author of The Court of Broken Knives 'Promising historical fantasy debut featuring an expansive cast, an engaging plot, and a detailed eye for combat' The Ranting Dragon on The Red Knight 'Literate, intelligent, and well-thought-out . . . a pleasingly complex and greatly satisfying novel' SFF World on The Red Knight

Spirit Walker

Warbreaker is the story of two sisters - who happen to be princesses, the God King one of them has to marry, a lesser god, and an immortal trying to undo the mistakes he made hundreds of years ago. There is a world in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city. A world transformed by BioChromatic magic, a power based on an essence known as breath. Using magic is arduous: breath can only be collected one unit at a time from individual people. But the rewards are great: by using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be performed. Brandon Sanderson proves again that he is a master of what Tolkien called 'secondary creation,' the invention of whole worlds, complete with magics and myths all their own.

Oathbringer

A boy. A wolf. A legend for all time. The third book in the internationally bestselling WOLF BROTHER (Chronicles of Ancient Darkness) series by renowned author Michelle Paver. Torak has survived the summer and his heartstopping adventure in the Seal Islands. He and Wolf are together once more. But their reunion is short-lived. As mid winter approaches, Torak learns that Wolf has been snatched. In a desperate bid to rescue him, Torak and Renn must brave the frozen wilderness of the Far North and step into a world of deceit, treachery and lies, coming face to face with a terrifying evil. Another step is taken on his quest to destroy the Soul-Eaters, but with it comes the burden of an utterly chilling secret of his own ... Audio edition also available, read by Sir Ian McKellen.
