Holidays * There Is No Christmas Like a Home Christmas * Toyland * Up on the Housetop * We Three Kings of Orient Are * We Wish You a Merry Christmas * Welcome Christmas * What Child Is This? * Where Are You Christm

The Christmas song book

When Bing Crosby's "White Christmas" debuted in 1942, no one imagined that a holiday song would top the charts year after year. One of the best-selling singles ever released, it remains on rotation at tree lighting ceremonies across the country, in crowded shopping malls on Black Friday, and at warm diners on lonely Christmas Eve nights. Over the years, other favorites have been added to America's annual playlist, including Elvis Presley's "Blue Christmas," the King Cole Trio's "The Christmas Song," Gene Autry's "Rudolph the Red-Nosed Reindeer," Willie Nelson's "Pretty Paper," and, of course, Elmo & Patsy's "Grandma Got Run Over by a Reindeer." Viewing American holiday values through the filter of familiar Christmas songs, Ronald Lankford examines popular culture, consumerism, and the dynamics of the traditional American family. He surveys more than seventy-five years of songs and reveals that the "modern American Christmas" has carried a complex and sometimes contradictory set of meanings. Interpreting tunes against the backdrop of the eras in which they were first released, he identifies the repeated themes of nostalgia, commerce, holiday blues, carnival, and travesty that underscore so much beloved music. This first full-length analysis of the lyrics, images, and commercial forces inextricably linked to Yuletide music hits the heart of what many Americans think Christmas is--or should be.

Sleigh Rides, Jingle Bells, and Silent Nights

You know these songs by heart. They're the "greatest hits" of Christmas. But do you know the fascinating, inspirational stories behind them - who wrote them and how they came to be? In his latest book, Ace Collins reveals the stories behind the greatest hits of Christmas - all the songs you have enjoyed for generations. For example, as the story goes, jazz great Mel Torme wrote "The Christmas Song" after visiting a friend in California, who, longing to escape California's heat for the cold winters of his New England, doodled these now-famous phrases on his spiral pad: "Chestnuts roasting Jack Frost nipping Yuletide carols " Torme saw those words and one of the most famous Christmas songs of all time, first recorded by Nat King Cole, was born. Within these pages, you'll discover the origins of such famous Christmas songs as "Have Yourself a Merry Little Christmas, " "Winter Wonderland, " "White Christmas, " "Little Drummer Boy, " "Feliz Navidad, " "O Holy Night, " and two dozen others. Although not yet as famous as the Christmas songs of which he writes (he's working on that), Collins's many books have sold tens of thousands of copies and have become treasured family classics, read and enjoyed by young and old alike. His new book is a treasure-trove of the kind of magic that makes Christmas the beloved holiday it is. This is Ace Collins at his storytelling best which means it's sure to become a "greatest hit" with your family

Stories Behind the Greatest Hits of Christmas

This comprehensive collection includes hymns, carols and other Christmas music from a variety of cultures including African-American, Welsh, French, German and more. Many composers are represented, from Bach to Handel, on to Mendelssohn, Tchaikovsky and even Victor Herbert. A must-have for every lover of sing-alongs! Chord symbols and lyrics included.

World's Greatest Christmas Songs

Simply Christmas is a collection of the most beloved carols and popular Christmas tunes. Children's Christmas Songs

Updated for Christmas 2013! James King is tired of 'Step Into Christmas'. He's tired of 'All I Want for Christmas is You'. He's tired – if it's possible – of 'Fairytale of New York'. It's time for a new Christmas Classic.

Fun & Jolly Christmas Songs, Book 1

You may visit the author's website at www.christmassongsandtheirstories.com. CHRISTMAS SONGS AND THEIR STORIES is an invitingly written and thoroughly interesting selection of facts about Christmas songs from different countries and different racial backgrounds. In addition to presenting the complete words, with variations in some cases, of 54 songs, it gives the origins of the songs, the stories of the writers and composers wherever possible, and offers pertinent information on where music for the songs may be found today. Here is a book for those who enjoy Christmas music and like to read how different peoples at different times have expressed the spirit that makes this holy day so well loved. It will also be warmly appreciated by those who have been aware that there has been no other book

available dealing with more than half a dozen or a dozen of Christmas songs, their history, special characteristics, content, or suitability for use in special ways. Included in this outstanding collection are such beautiful and widely varying songs as "Away in a Manger"; "Watchman, Tell Us of the Night"; "The Boar's Head Carol"; "Go, Tell It on the Mountains"; "O Holy Night!"; "Brahms's Cradle Song (Christmas Version)"; and many others—familiar songs such as "O Come, All Ye Faithful" and "Deck the Halls," and such unusual ones as "He Became Incarnate," a Christmas carol in India. The international flavor of the book is vividly emphasized with the "National and racial grouping" of selections given at the end of the volume, while such little known facts as the symbolic meaning of the holly and the ivy, and anecdotes connected with the traditions of certain songs, help bring unusual interest to the book. The careful scholarship and convenient arrangement of the material make the book of particular value to church and Sunday school workers, ministers, and leaders of nonchurch groups preparing Christmas programs. The appealing stories of the creation of some of the world's best-loved music and poetry make it a book to be appreciated and used not only on Christmas time, but during the rest of the year, and not only as a dependable volume reference and information, but as source of pure enjoyment.
