Misunderstood Relationships

Contemporary Christian Artist, I was given the inspiration to begin the thought process of writing a book to address misunderstood relationships, since, in times past, I struggled with relationships. After teaching, counseling and pasturing so many marriages and relationship that were consumed with problems, the Lord put on my heart to put my thoughts and teachings in a book form. A straightforward, and yet shy person, I teach and witness to the Spirit of God that brings truth to any situation based on facts of the Holy Bible. I am , a self-taught bass guitarist and pianist who depend upon the Spirit of the Lord to inspire me as a songwriter and musician, I depend upon the Spirit of God to lead me in writing about His Words. I have been a writer, in my heart, since 1997 as I became a Pastor of a congregation. As a untrained and undiscovered writer, I was called into the ministry in 1987 to preach the Word of God. While being led by the Spirit of God two years ago, this book was birthed and without the assistance of any nor with guidance from a professionally trained writing instructor or tutor, the Lord was able to anoint and bless me to write and arrange every word of my debut book.

Authentic Human Sexuality

Jack and Judith Balswick investigate how human sexuality originates both biologically and socially, lay groundwork for a normative Christian interpretation of sexuality, show how authentic sexuality is necessarily grounded in relationships, and explore forms of "inauthentic sexuality" such as sexual harassment, pornography and rape.

Whatever Became of Sin?

The distinguished psychiatrist examines human morality and the existence and consequences of sin today

Shaping the Journey of Emerging Adults

In this book Veteran disciplinarians Rick Dunn and Jana Sundene offer concrete guidance for those who shepherd and care for emerging adults, emphasizing relational rhythms of discernment, intentionality and reflection to meet emerging adults where they are at and then to walk with them further into the Christlife.

Understanding and Loving a Person with Sexual Addiction

This practical guide helps spouses to understand what drives sexual addiction and how to find healing after betrayal. When Jason Martinkus confessed his infidelity to his wife, Shelley, she wasn't sure she could ever trust him again. Together they began a difficult but redemptive journey of understanding sexual addiction. In this book, Jason and Shelley join Stephen Arterburn to address the following: What sexual addiction is and how to know if someone is addicted How to understand the roller coaster of post betrayal emotions Guidance in developing boundaries What to do if a spouse doesn't want to recover This is a valuable resource for anyone who loves someone addicted to sex or pornography.

The Road to Grace

Empty. Corrupted. Tormented. Starved; these words describe the Christian sex addict. No matter what he (or she) does, he will not experience true freedom from the bondage of sexual addiction until he finds the life, love and acceptance he yearns for. The Road to Grace delves into the core heart issues that block the reader from receiving God's love, and then guides him to the place where he can accept the free gift of the abundant life in Christ. Topics addressed include: * Biblical methods for overcoming sexual temptation. * Finding healing from shame. * How to stop a masturbation habit. * Dealing with the core issues of the heart that drive sexual addiction. * Healing for sexual abuse and father wound issues. * Understanding and accepting the grace of God. * Healing for the wives of husbands who are sex addicts. * Restoring a marriage that's been scarred by sexual addiction/adultery.

Finding Mr. Right

In discussions about finding a marriage partner, we often hear the cliché, "you'll just know." Unfortunately, this conjecture can be dangerous, as love is blind to many faults. When those words have faded, the heartache of an ailing or broken marriage will still be sharp. In Finding Mr. Right, the authors offer a list of ten characteristics to look for in Mr. Right -- physical attraction is NOT one of them -- along with ten principles on how to choose well. They dispel the "one perfect person" myth, encouraging women to abandon the search for Mr. Perfect and become comfortable with Mr. Right. Additionally, they share steps to becoming Mrs. Right. Among other attributes, readers will learn to look for men who: Are responsible men of integrity Communicate effectively Are not misers with emotions, time, or money For women confused by the dating game or seeking guidance in this major life decision, Finding Mr. Right is an essential resource.

THERE IS ALWAYS A WAY BACK

Whether you have wandered away and lost faith or never embraced real faith in Jesus Christ, this book will bring you new hope. Perhaps, on the other hand, you are praying for loved ones and friends to return or come to faith, this book will inspire you to believe in the God who answers prayer and that "there is always a way back." The casualties of life are everywhere, and deceptions are numerous. Many look back on wrong decisions, hurts, and broken relationships, and the scars and guilt from such things are etched into their hearts, leaving them with regrets that may have haunted them for years. The pull of a world system constantly seeks to take people as far away from God as possible and then leaves them wondering if there is any way back to real faith, peace, and hope. This book will bring you face-to-face with the truth that no matter what has transpired in your life, "there is always a way back." My challenge to you is to be prepared to take the journey this book sets before you and to seriously consider the truth Jesus taught as he told a simple story one day in order to illustrate the heart of his loving heavenly Father who is full of grace and truth and is always waiting to welcome home those who have wandered away. Whatever has transpired in your journey of life, no one is too far away that the grace and forgiveness of God cannot reach and restore. It's time to come home. Your heavenly Father

is waiting, and everything is prepared because "there is always a way back." At the back of this book is the added bonus of questions for discussion on each of the nineteen chapters, which can be used in small groups. May you be blessed and encouraged as you read *There Is Always a Way Back*.

Regaining Control

If you're struggling with a sexual addiction of any sort, you understand that feeling of being trapped, out of control, and afraid of being found out. No matter what you try, it seems impossible to break free from the lure of illicit sexual thoughts and practices. Author David Powlison encourages those who want to overcome their compulsive sexual behavior to remember that lasting change comes in degrees and is often a slow progressive process. Addiction sufferers will discover powerful action steps to take and introspective heart questions to ask as they seek to conquer this harmful sin issue. Even though sexual temptation is everywhere, God's power and resource is closer still because the Holy Spirit resides within us to meet our every need.

Sexual Addiction

Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Overcoming Lust

In this best-selling, award-winning book, Drs. Cloud and Townsend introduce eight persuasive principles that demonstrate how God enters both the heart-breaking situation and the life looking for more. Life is difficult. Life for every person on earth is a challenging journey – with or without God. Those who invite God to join them on this adventure believe that when bad things happen they can trust God to be present and work on their behalf. But just exactly how does He go about the business of helping us when we don't know what to do? Henry Cloud and John Townsend believe God has given us instructions on how He makes a way for us when we call on Him. If you follow God's eight principles in this book, you can thrive relationally, emotionally, and spiritually. As clinical psychologists, the authors deal daily with real people facing real problems, so this book is not just psychological or biblical theory. It is a life system that captures God's wisdom for coping with our most difficult problems.

Out of the Shadows

This all-in-one guide is designed to better equip clergy and the church leaders to meet their congregations' needs in a spiritually grounded and scientifically sound manner. Succinct, easy-to-read chapters summarize all a pastor needs to know about a given problem area, including its signs or symptoms, questions to ask, effective helping skills, and, most importantly, when to refer to a mental health professional. Synthesizing what research says about treatment approaches for mental health issues, this user-friendly reference is filled with guidelines, case scenarios, key points to remember, resources for further help, advice on integrating scripture and theology with the best available research, and tips on partnering with others to provide the best possible care for each church member. Each chapter is designed for quick lookup by problem area, empowering church leaders to understand and help meet the challenges facing the children, adults, families, and communities that they serve.

What to Do When You Don't Know What to Do

As people, we all struggle with stress, moments of panic, times of confusion, and other times that we feel overwhelmed and we can't sleep. And if it was up to the devil, he would be more than happy to medicate all of us with his fake remedies of alcohol and drugs. He is an opportunist, experienced in using our problems, our vulnerability, our wounding, our pain, our traumatic past experiences to get us where he

wants. He is good at offering temporary relief for deeper crises of the soul. This is my true story of God stepping into my messy, shattered, and broken family life and rescuing me. You see, freedom, according to Satan, is being away from God. I don't think my son had any idea of who the devil was or how cunning he could be. He befriends to destroy, he gives to take away. As a mother of an adult struggling with addiction, my life was paralyzed. Every breath increased my pain of hopelessness and despair. I felt afraid, alone, and abandoned by God. God seemed distant, absent, silent, and unconcerned. I felt like running, but there was no place to hide. Was God punishing me? Where and how did I go wrong? Sharing my painful journey was not an easy step. I tried at all costs to hide this painful part of my life. It took years in my classroom of pain for my mind to be unshackled by the Teacher, the Holy Spirit. I no longer need to hide nor be ashamed of my challenges with my prodigal son. Nevertheless, breaking free from shame, stigma, and judgment is a process that took years. When we only let others see the beautiful parts of our stories, avoiding our broken painful chapters, we mislead people, and perhaps they envy us for what they falsely think are perfect lives. Worse, we misrepresent the power of the good news that reaches down into our broken souls, hearts, and lives to provide peace from our broken pieces. Dear waiting, praying, and expecting parents of struggling children, I believe God wants to usher you to your own breakthrough, healing, and freedom. You can learn to relinquish your child(ren) to God. Do not lose hope. Have faith. In his time, he will make all things beautiful for us! God wastes nothing, even our pain.

The Church Leader's Counseling Resource Book

Society is littered with the barbed hooks of sexually explicit imagery and seductive temptation. Simply telling yourself not to look or think about dark thoughts is not going to help you break free from the stranglehold. Everywhere we turn, women and men are engaged in a war being waged for our attention through temptation. The cost of this battle is the corruption of our minds. You have the authority to control your way of thinking. Retrain Your Brain gives you the resource to accomplish it. Don't give up! It's never too late to rewire the way your mind's thoughts fire. The process of focusing your thinking toward a positive, winning process is the same for men, women, single, married, old or young. Our brains are a complex and incredible miracle, and we can learn to clear the clutter. Dr. Scott Silverii goes straight to the heart of the problem in this practical battle plan for retraining your brain. You'll understand the enemy like never before and begin to identify the streams used to launch attacks against your mind. Developing mental armor against those attacks will help you break free from the chains of sexual temptation. You can live in victory, and it all begins with the way you think.

The Debris of Drugs and Alcohol: Finding Peace in the Midst of the Broken Pieces

Caring for People God's Way presents Christian counseling in a systematic, step-by-step manner that outlines the process as practically as possible. It then applies the process to the most common issues faced by Christian counselors: personal and emotional issues, trauma, grief, loss, and suicide.

When Good Things Become Addictions

Up from the Pit: The Holy Spirit and Sexual Addiction By: Dr. Pete Johnson Up from the Pit: The Holy Spirit and Sexual Addiction discusses the formation, struggle with, and recovery from Dr. Pete Johnson's sexual addiction. It is rather unique in three basic ways. First, it is a publicized case history of a topic often hushed up. Second, Dr. Johnson's recovery did not entail successfully using professional help. Instead, it was based on his faith in God and following the leading of the Holy Spirit. Third, it involves him as a born-again Christian being delivered of three demons. Counselors and others helping sexual addicts deal with their problems can see a spiritual dimension that can be folded into treatment regimens. Hopefully this book will help others accept that they can be more open addressing sexual addictions, especially in Christian settings.

Retrain Your Brain

For too many believers, God's wonderful creation of sex has become a source of spiritual slavery rather than a liberating blessing. Neil T. Anderson presents a clarifying, refreshing look at God's plan for sex and how Christians can release a distorted view of physical intimacy and embrace a pure, godly view of this gift. With biblical advice and compassion, Anderson points to the way out of confusion and shame by exposing the guilt, anger, and fear involved in sexual struggles showing how believing the truth breaks the sexual and emotional lies giving practical steps to overcome spiritual entrapment with God's Word As Christians grasp what the Bible says about who they really are—God's loved children

and new creations in His Son—they will be able to enjoy and value His marvelous design for their emotions and bodies. A newly updated and expanded version of Finding Freedom In a Sex-Obsessed World.

Caring for People God's Way

Uses personal examples, illustrations from Scripture, and twenty years of counseling experience to explain how porn struggles begin, what to do to prevent them, and how to overcome them once compulsive behavior presents itself.

Up from the Pit

Behavioural Addiction in Women gives insight into ongoing research efforts and clinical developments across the globe, focusing specifically on women with behavioural addictions. The book brings together an international network of clinicians and researchers to offer a unique transcultural female perspective on female-specific aspects of addiction, which is underrepresented in the available literature. By compiling both research and clinical spotlights focusing on women with behavioural addictions across the six continents, the book is an important first step towards building a shared knowledge base on the subject, starting from the importance of female-specific diagnostic criteria, to new therapeutic strategies, prevention programs, and harm reduction approaches. This book will help us gain a better understanding of ongoing work and where to allocate our attention and efforts for helping a vulnerable, and - in many areas of the world - still underserved, and economically disadvantaged, population. The book will be of great interest to researchers and clinicians in the field of addiction.

Winning the Battle Within

This is an incredible true story of a man who overcame sexual addiction, turned his marriage around, and has since gone on to help many others create similar victories in their own lives. After his arrest in 2017, Eric Saterdalen was faced with the devastating truth of his sexual addiction. This event launched him on a journey of recovery that would bring him closer to God and his faith. He now shares his story with the world in hopes that others won't have to go through the extremes that he did before getting help. Eric presents his story as a testament to faith-based recovery and provides readers with actionable steps and resources to support their own journey of redemption. This book is meant to inspire people-to show them that they can do it, too.

Surfing for God

If you feel you've lost your bearings, you aren't alone! Global pandemic . . . Economic crisis . . . Racial tensions . . . Political polarization . . . Climate change. The converging crises expose our timeless need for an internal compass to guide us through disruption, disorientation and change. James Harnish invites you into six crucial moments when Jesus found his bearings by recalling words and stories from the Old Testament. By connecting Jesus' story with your own, you can find your bearings as you walk the way Jesus walked in the way that Jesus walked it. It's the way that leads to life! Questions for Reflection create an opportunity for you to pause, find your place in the story, and determine your next step along the way. These may also be used for journaling or small group discussion.

Behavioural Addiction in Women

Expert, biblical answers to tough questions Every couple has those questions they don't know how or whom to ask! Sexual Intimacy in Marriage discusses the basics, like the definition of marriage, and the not-so-basic topics, such as achieving sexual pleasure and biblically "OK" sexual activity. It addresses real people in the real world--without compromising God's wonderful purpose and design for his gift of sex. This highly acclaimed, medically and biblically accurate book extensively covers sex in marriage with a sensitivity and frankness that every couple will appreciate. With over 100,000 copies in print, and now in its fourth edition, this best-selling biblically based book for nearly-weds, newly-weds, and truly-weds is the gold standard for Christian intimacy guides. "Has greatly benefited our own family and marriage relationship. . . . Marvelously blends the glory of sex with the reality of life." --Dr. Tony and Lois Evans "Scientifically accurate, biblically based, intensely practical, and written with a large dose of humor." --David Stevens, President, Christian Medical & Dental Association "Cutrer and Glahn . . . cut through the fog of partial truths to help newlyweds, soon-to-weds, or couples who have been married for years." --The Dallas/Fort Worth Heritage

I Am Redeemed

Since the Garden of Eden sin has ravaged people's lives, leaving behind a plethora of troubling problems such as anxieties, fears, insecurities, confusion, unbelief, bitterness, sexual hang-ups, and even addictions. Most people look for answers in all the wrong places. They ought to look within. They ought to look at i. i is the "self-life." i is the core of the fallen human nature. i is the realm where sin grows and flourishes. i: the root of sin exposed unravels the mystery of the corrupted human nature, and convincingly proves that all of man's struggles with sin can be traced to the pride-driven "self-life" that emerges from it. Rather than relying on trendy quick-fixes, this book digs deeply into the treasures of Scripture to provide struggling believers everything they need to deal with their problems at the root level: the inescapable, ever-present i.

Finding Your Bearings

More than 100,000 copies sold "Without rival, the best book on broken sexuality I have ever read." —Dan B. Allender, PhD Many of us feel ashamed and undesirable after years of sexual brokenness and addiction. The guilt and stigma surrounding sexual struggles can paralyze us and keep us from seeking help and healing. Author Jay Stringer approaches these sensitive subjects with gentleness and understanding. Based on original research from over 3,800 men and women, *Unwanted* is a groundbreaking resource that explores the "why" behind self-destructive sexual choices in order to help readers work towards freedom. Addressing difficult issues with compassionate insight, this book discusses: Abandonment and broken relationships Trauma and sexual abuse The sex industry and pornography Violence against women Learning to love and care for yourself Healthy conflict and repair in your relationships Investing in community Creating healthy boundaries A perfect resource for those seeking self-help or those working to minister to the sexually broken people around them, *Unwanted* offers life-changing, practical guidance rooted in clinical evidence to light the way on a path to wholeness. "If you're hungry for deep healing or searching for practical ways to help others heal . . . this will be an incredibly sharp tool in your tool belt!" —Shannon Ethridge, MA, author of *Every Woman's Battle* "Unwanted demonstrates a depth of insight and wisdom that I found stunning! It will truly help many come out of their shame and finally be free." —Dr. Ted Roberts, cofounder of Pure Desire Ministries "Unwanted is a courageous, insightful work that will undoubtedly equip many on the journey to freedom." —Dr. Juli Slattery, cofounder of Authentic Intimacy and author of *Rethinking Sexuality*

Sexual Intimacy in Marriage, 4th ed.

Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self-identify as sexual addicts. *Losing the Bond with God: Sexual Addiction and Evangelical Men* offers a humane and constructive understanding of this issue, treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject. Based on her own qualitative study of self-identified evangelical sex addicts, the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion, marriage, and sexuality if they are to break their destructive patterns. The book addresses many of the most dominant issues specific to sexuality within the evangelical movement, such as sexual purity, gender roles, attitudes regarding homosexuality, and marriage. It begins with a framework for understanding the evangelical movement and its stance on sexual issues. and ends with a cumulative summary about evangelical men who self-identify as sexual addicts. Direct quotes and personal experiences from interviews are woven throughout the study, and appendices provide a detailed description of the author's research.

I

With frank honesty, *False Intimacy* offers realistic direction to those whose lives or ministries have been impacted by sexual addiction while examining the roots behind these behaviors. This compelling book examines different aspects of sexual addiction, including shame, purity, and forgiveness, while exploring one's true identity and God-given sexuality.

Unwanted

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized." —Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness

lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Losing the Bond with God

A comprehensive British volume on lesbian and gay affirmative psychotherapy has been a while coming. *Pink Therapy*, however, has arrived, amply fills this gap, and is well worth the wait. The literature reviews are masterful for scholars, and the book offers a comprehensive, thoughtful approach for clinicians. A deft editorial hand is evident in the unusual consistency across chapters, the uniformly crisp, helpful chapter summaries, and the practical appendices, generous resources lists and well organized bibliographies. I particularly like the contributors' subtle appreciation of theoretical nuance, genuine open-mindedness to diversity of ideas, and willingness to synthesize in a pragmatic and client-oriented manner. John C. Gonsiorek, PhD., Minneapolis, MN USA; Diplomate in Clinical Psychology, American Board of Professional Psychology; Past President, Society for the Psychological Study of Lesbian and Gay Issues (Division 44 of the American Psychological Association). *Pink Therapy* is the first British guide for counsellors and therapists working with people who are lesbian, gay or bisexual. It provides a much needed overview of lesbian, gay and bisexual psychology, and examines some of the differences between lesbians, gays and bisexuals, and heterosexuals. *Pink Therapy* proposes a model of gay affirmative therapy, which challenges the prevailing pathologizing models. It will help to provide answers to pressing questions such as: what is different about lesbian, gay and bisexual psychologies? how can I improve my work with lesbian, gay and bisexual clients? what are the key clinical issues that this work raises? The contributors draw on their wide range of practical experience to provide - in an accessible style - information about the contemporary experience of living as a lesbian, gay or bisexual person, and to explore some of the common difficulties. *Pink Therapy* will be important reading for students and practitioners of counselling and psychotherapy, and will also be of value to anyone involved in helping people with a lesbian, gay or bisexual orientation.

False Intimacy

Victory Rests with the Lord is a validation of Proverbs 21:31, "The Horse is made ready for the day of battle, but victory rests with the Lord." The commander of one of the most successful infantry companies during the Vietnam War makes a strong case that the war was winnable if God would have provided our leaders the wisdom and creativity to employ the correct tactics. *Victory Rests with the Lord* explains why the most powerful military in the world was defeated in the Vietnam War. It explains why and how God intervened in both victory and defeat within the war. Uncover both the flawed tactics that led to America's defeat, and the tactics that would have led to victory if used throughout the war. *Victory Rests with the Lord* reveals a highly effective automated battlefield that employed mechanical ambushes in the latter years of the war. Learn the most important lesson from the Vietnam War and what America must do to prevent another similar defeat. *Victory Rests with the Lord* provides evidence of the power of Jesus Christ and serves as a warning to America to return to the Bible as its moral compass.

I Love Jesus, But I Want to Die

Provide professionally sound and principled therapy based on the truth of God. Christians are faced with the same range of problems as everyone else. However, Christian therapists understand deeply the unique issues involved with their therapy. *The Christian Therapist's Notebook* is a single source for innovative, user-friendly techniques for connecting the everyday world of the client with Christian principles and Scripture. This creative, timesaving guide assists therapists in helping clients achieve therapy goals through professionally sound and principled exercises while always maintaining a positive, supportive connection with Christian beliefs. Helpful features include Scripture references relevant to common problems, case studies, vignettes, professional resource lists, client resource lists, in-session exercises, homework exercises, and handouts. *The Christian Therapist's Notebook* bases its success on three foundations: the truth of scripture; the centrality of Christ; and the guidance of

the Holy Spirit. The book's three sections include individuals, couples and families, and children and adolescents. Each chapter focuses on a single exercise to address an important issue that may be affecting the client. Chapters provide a guiding Scripture quote, an objective, rationale for use, clear and specific instructions, suggestions for a follow-up, a vignette illustrating the exercise's success, contraindications, extensive resources, and related Scriptures. The Christian Therapist's Notebook exercises include: "A New Creation," which uses a Christogram to personalize the Biblical promises and truths of the spiritual transformation "Snapshots," which reveals repetitive behavior patterns in relationships "Core Connections," which helps the client explore the organization of relational core connections to other people as well as to God "Temptation Judo," which explores the connection between temptation and needs while uncovering God's promise of escape "Broken Mirrors," which identifies unresolved issues affecting self-image and moves the client to a personal relationship with God "The Book of My Life," which helps identify situations and people that have had an impact on clients, while helping them to acknowledge that God has a plan for them "Tearing Down Strongholds," which helps take the client through the process of repentance "It Was Wrong," which helps abuse victims deal with pain and frustration "Bowing Down," which helps to restore a healthy relationship "Panic Breaker," which helps get to the root of client fears "Parenting after Divorce" "Self-esteem," which helps children with self-concept and many, many more! The Christian Therapist's Notebook is the answer for practicing therapists, counselors, interns, pastors, educators, and students searching for activities for client therapy based upon the truth of God.

Pink Therapy

The best-selling book *God Will Make a Way* by Drs. Cloud and Townsend clearly illustrates the often-surprising ways God shows up and addresses our problems in ways we never dreamed possible. This new companion workbook goes even deeper to help readers thrive relationally, emotionally, and spiritually--especially in difficult times.

Victory Rests with the Lord

We all experience emotional pain--and even devastation--in our lives, but few of us know how to deal with it properly. Our unresolved pain accumulates deep within the recesses of our hearts, in a place Jimmy Evans calls the "hurt pocket." The more pain we accumulate, the more we are mentally, emotionally, and relationally crippled. But what if we could reach into that hurt pocket, confront our pain, and experience release and freedom? Jimmy Evans shows readers how to completely remove and resolve every negative event from their past that is compromising their present and keeping them from their God-given destiny. He helps readers forgive others and themselves and discover true inner peace. Perfect for individuals, as well as small groups and entire churches, *When Life Hurts* will help set people free from the pain of the past so they can live fully in the present and look forward to the future.

The Christian Therapist's Notebook

It is said if you answer one question ten others pop up in its place! Not only in philosophical mapping is it true, the questions multiply even more for all who look in the God domain. Questions may seem similar, but the diversity of human experience and the cultural milieu tend to make one think things are actually different language systems. Meeting and knowing God varies for societies; diversity varies within societies, religious intuitions, family traditions' and an untold more make God communication very difficult. Underneath them all, they are basically the same. This book on meeting God is not intended to answer questions; it is for the thinking person who has spent a lifetime of examination of oneself and the larger world. We ask with you the reader; and do not tell because we are like you, studying the issues. We offer an open question format. We are not silly enough to think there are absolute answers. We suggest information until something better comes along on the journey. The task is to search and to research some more, until we feel comfortable with a place where we have sought. This may be at the same place where we have started or arrive at a strange place which we never thought existed before our exploration began.

God Will Make a Way

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those

dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

When Life Hurts

The fall of man resulted in Adam and Eve losing all consciousness of God. They woke up to self and found themselves imprisoned by a completely new nature—the sin nature—which would poison the entire human race for all time. From then until now, the troubles of the world—wars, man's inhumanity to man, his dependency on cruel vices, and the habits of hell—are all caused by the sin nature which rules every person. Of course the death and resurrection of Jesus Christ broke the hold of this deadly yoke and repositioned the believer in Christ. So why do Christians struggle so hard to live for God? In this revelatory book, Evangelist Jimmy Swaggart explains how the sin nature, which remains in Christians, can be reactivated, and how victory over the world, the flesh, and the Devil can only be maintained through faith in the Cross of Christ.
