Baker of Western Kentucky University, the Study Guide includes chapter outlines and summaries, a glossary of key terms for each chapter, analysis of primary source documents, and questions that include matching, multiple choice, fill-in-the blank, chronology, critical thought, and map exercise questions.

Western Civilization: A Brief History, Volume I: To 1715

Best-selling WESTERN CIVILIZATION has helped more than one million users learn about the present by exploring the past. Jackson Spielvogel's engaging, chronological narrative weaves the political, economic, social, religious, intellectual, cultural, and military aspects of history into a gripping story

that is as memorable as it is instructive. The clear narrative of a single gifted author makes it easy to follow the story of Western civilization.

Spielvogel's Western Civilization

There are many reasons why this is the number one selling Western Civilization text in the country. The clear, single-author narrative by Jackson Spielvogel presents history in an appealing and accessible manner. This text truly tells a story that students will understand. WESTERN CIVILIZATION strikes a true balance and provides a synthesis of political, economic, social, religious, military, cultural, and intellectual history. This balance gives students a solid foundation for further study in history. Chapter 29, The Contemporary Western World Since 1970 is a particularly good illustration of the text's balance. The book's documents and maps are useful and superb.

Western Civilization: A Brief History, Volume I

What did the 2006 military coup show us? It demonstrated that the crux of the Thai crisis is far more serious and much wider in scope than had previously been thought. The monarchy is surely not a victim in the protracted conflict, but the root cause and continuing factor that has eroded Thai politics. The coup set in motion more prejudicial uses of the lèse-majesté law, and in the process, has led to more political prisoners. It has also shredded the military into several segments, turning generals into desperate royalists who continue to live off the monarchy in order to survive. Issues of violence in the Thai south and the Thai-Cambodian dispute became greatly intensified in the age of militarized politics. The coup also produced unique colour-coded politics and created crises of legitimacy. This book is a collection of essays that reflect developments in Thai politics in the post-coup period.

What is consciousness? Conventional thinking tells us it is the images, sensations, thoughts, and feelings produced by the brain. When the neurons in the brain stop firing, consciousness ceases to be. But does it?

Comanche Moon

Still in pursuit, the Pony Soldiers get closer and closer to White Eagle, the kidnapper. He put the noose around his own neck the minute he enslaved Major Harding's daughter. Now he is being hunted like a dog, and the Pony Soldiers have no intention of showing any mercy. They want to tear White Eagle apart and feed him to the buzzards. His death draws nearer as the unrelenting, unstoppable Pony Soldiers seek his head.

Comanche Moon

The second book in the Lonesome Dove quartet, Comanche Moon, which follows on from Dead Man's Walk, follows ranchers Gus and Call in their bitter struggle to protect the advancing West frontier against the defiant Comanches, courageously determined to defend their territory and their way of life. It showcases Larry McMurtry's strong affinity for the landscape and its inhabitants with a deeply felt lyrical intensity. On the wild Texas frontier where barbarism and civilization come in many forms, Rangers Gus McCrae and Woodrow Call are pitched into the long, bitter, bloody fighting under the command of Captain Inish Scull. When Scull's favourite horse is stolen by the Comanches, he decides to track him down, leaving Gus and Call in charge. However, on their return to Austin, Gus is greeted by the news that his sweetheart is to marry another man and Call finds that the town's most notorious woman is desperate to settle down with him and become respectable. When Scull's wealthy wife demands that her errant husband be brought home, with feelings akin to relief the two men set off once more into the vast, untamed plains . . . Continue the series set in the American West with the Pulitzer Prize winning Lonesome Dove.

American Book Publishing Record

In the tradition of Bury My Heart at Wounded Knee, a stunningly vivid historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West, centering on

Quanah, the greatest Comanche chief of them all. Empire of the Summer Moon spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second is the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined just how and when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. Against this backdrop Gwynne presents the compelling drama of Cynthia Ann Parker, a nine-year-old girl who was kidnapped by Comanches in 1836. She grew to love her captors and became infamous as the "White Squaw" who refused to return until her tragic capture by Texas Rangers in 1860. More famous still was her son Quanah, a warrior who was never defeated and whose guerrilla wars in the Texas Panhandle made him a legend. S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told.

Empire of the Summer Moon

From Pulitzer Prize-winning author Larry McMurtry comes the "New York Times" bestselling prequel to the "Lonesome Dove" story. Texas rangers August McCrae and Woodrow F. Call, now in their middle years, are just beginning to deal with the enigmas of the heart, while courageously trying to defend their territory and their way of life. Soon to be an ABC made-for-television movie.

Comanche Moon

This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences.

The Whole Story

The Cheyenne tribe set out to drive out the white settlers--killing the men, stealing the cattle, and kidnapping the women. But this year they would be facing the Pony Soldiers, the deadliest misfits in the army, thirsty for revenge.

Forthcoming Books

Fictional account of Grierson's Raid.

Comanche Moon

Texas Rangers Woodrow Call and Augustus McCrae pursue three outlaws, Comanche war chief Buffalo Hump, Comanche horse thief Kicking Wolf and a Mexican bandit king. Now in their middle years, they also struggle with their personal lives, Gus with Clara Forsythe, the love of his life, and Call with Maggie Tilton, the young prostitute who loves him. Meanwhile their partners-in-arms Deets, Jake Spoon and Pea Eye Parker help the Rangers protect the advancing western frontier from the defiant Comanches who are determined to defend their land and way of life. Prequel to Lonesome Dove, and based upon the novel by Larry McMurty.

Fort Blood

In Rawhider's Woman Spur is hot after the ruthless Jamison gang--and runs up against two ruthless rawhidiers and their pretty captive. And in Saloon Girl Spur finds himself surrounded by swindlers and cutthroats in a small Oregon town--and does not even know if he can trust a pretty saloon girl.

The Horse Soldiers

The adventures of Buckskin Frank Leslie, a cowboy whose talent with a gun is only surpassed by his way with the ladies.

Comanche

This expansive three-volume set investigates racial representation in film, providing an authoritative cross-section of the most racially significant films, actors, directors, and movements in American cinematic history. Hollywood has always reflected current American cultural norms and ideas. As such, film provides a window into attitudes about race and ethnicity over the last century. This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject, examining aspects of race and ethnicity in American film through the historical context, themes, and people involved. This three-volume set highlights the most important films and artists of the era, identifying films, actors, or characterizations that were considered racist, were tremendously popular or hugely influential, attempted to be progressive, or some combination thereof. Readers will not only learn basic information about each subject but also be able to contextualize it culturally, historically, and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity—and grasp how the subject is perceived now through the lens of history.

Comanche Moon

The final novel in Larry McMurtry's Lonesome Dove quartet, *Streets of Laredo* is an exhilarating and achingly poignant tale of heroism and friendship, set in the American West. Captain Woodrow Call, Gus McCrae's old partner, once a youthful Texas Ranger, is now a bounty hunter hired to track down a brutal young Mexican bandit. Riding with Call are an Eastern city slicker, a witless deputy, and one of the last members of the Hat Creek outfit, Pea Eye Parker, now married to Lorena – once Gus's sweetheart. Their long, perilous chase leads them across the last wild stretches of the West into a hellhole known as Crow Town and, finally, deep into the vast, relentless plains of the Texas frontier.

Horse Soldiers

Providing an overview of the entertainment industry, this study includes entertainment economics, theories of entertainment, entertainment research, & covers different types of entertainment including media, sports, gaming, theme entertainment, travel & tourism, & live performance.

Rawhide's Woman - Saloon Girl

Dead Man's Walk is the first, extraordinary book in the epic Lonesome Dove tetralogy, in which Larry McMurtry breathed new life into the vanished American West and created two of the most memorable heroes in contemporary fiction: Augustus McCrae and Woodrow Call. As young Texas Rangers, Gus and Call have much to learn about survival in a land fraught with perils: not only the blazing heat and raging tornadoes, roiling rivers and merciless Indians but also the deadly whims of soldiers. On their first expeditions--led by incompetent officers and accompanied by the robust, dauntless whore known as the Great Western--they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez. They will be astonished by the Mexican army. And Gus will meet the love of his life.

Double Action

Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn, fascination with the battle—and with Lieutenant George Armstrong Custer—has never ceased. Widespread interest in the subject has spawned a vast outpouring of literature, which only increases with time. This two-volume bibliography of Custer literature is the first to be published in some twenty-five years and the most complete ever assembled. Drawing on years of research, Michael O'Keefe has compiled entries for roughly 3,000 books and 7,000 articles and pamphlets. Covering both nonfiction and fiction (but not juvenile literature), the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890. Included within this span are Custer's experiences in the Civil War and in Texas, the 1873 Yellowstone and 1874 Black Hills expeditions, the Great Sioux War of 1876–77, and the Seventh Cavalry's pursuit of the Nez Perces in 1877. The literature on Custer, the Battle of the Little Big Horn, and the Seventh Cavalry touches the entire American saga of exploration, conflict, and settlement in the West, including virtually all Plains Indian tribes, the frontier army, railroading, mining, and trading. Hence this bibliography will be a valuable resource for a broad audience of historians, librarians, collectors, and Custer enthusiasts.

Horse Soldiers

A collection of twelve western stories. Features dramatic and suspenseful tales of the days when the soldiers of the U.S. Cavalry patrolled the West, fought Indians, and sometimes fought each other. Authors include Elmer Kelton, Elmore Leonard, Bill Gulick and Bryce Walton.

Race in American Film [3 volumes]

A study that uncovers the lost history of the Comanches shows in detail how the Comanches built their unique empire and resisted European colonization, and why they were defeated in 1875.

Streets of Laredo

The timeless, bestselling four-part epic that began with the Pulitzer Prize-winning *Lonesome Dove* takes readers into the lives of Augustus McCrae and Woodrow Call, two tough-as-nails Texas Rangers in the heyday of the Old West. *Dead Man's Walk* As young Texas Rangers, Augustus McCrae and Woodrow Call--"Gus" and "Call" for short--have much to learn about survival in a land fraught with perils: not only the blazing heat and raging tornadoes, roiling rivers and merciless Indians, but also the deadly whims of soldiers. On their first expeditions--led by incompetent officers and accompanied by the robust, dauntless whore known as the Great Western--they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez. They will be astonished by the Mexican army. And Gus will meet the love of his life. *Comanche Moon* Texas Rangers August McCrae and Woodrow Call, now in their middle years, are still figuring out how to deal with the ever-increasing tensions of adult life--Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him--when they sign up to pursue the Comanche horse thief Kicking Wolf into Mexico. On this mission their captain, Inish Scull, is captured by the brutally cruel Mexican bandit Ahumado, and Gus and Call must come to the rescue, with the aid of new friends including Joshua Deets, Jake Spoon, and Pea Eye Parker, as well as the renowned Kickapoo tracker, Famous Shoes. *Lonesome Dove* Gus and Call, now retired from the Texas Rangers and settled in the border town of Lonesome Dove running the Hat Creek Cattle Company, are visited by their old friend Jake Spoon, who convinces Gus and Call to gather a herd of cattle and drive them north to Montana in order to start a cattle ranch in untouched territory. Gus is further motivated by a desire to see the love of his life, Clara Allen (nee Forsythe), who now lives with her children and comatose horse-trader husband in Ogallala, Nebraska. On the way to Montana they travel through wild country full of thieves, murderers, and a lifetime's worth of unforgettable adventure. *Streets of Laredo* Woodrow Call is back in Texas, a Ranger once again and a general gun-for-hire, but increasingly a relic as the westward sprawl of the railroads rapidly settles the once lawless frontier. Hired by a railroad tycoon to hunt down a dangerous bandit named Joey Garza, Call sets out once again with a hapless Yankee named Ned Brookshire who works for the railroad company that hired Call. Call's old friend Pea Eye Parker--who initially refused to join the expedition because of his family--sets off with the Kickapoo tracker Famous Shoes to try to catch up with Call, until he runs into troubles of his own. The long pursuit of Garza leads them all across the last wild stretches of the West into a hellhole known as Crow Town and, finally, into the vast, relentless plains of the Texas frontier.

Entertainment and Society

From Pulitzer Prize-winning author Larry McMurtry comes the first in a four-volume epic journey through the early American frontier, featuring the Berrybender family, English nobility adrift in the American West in the 1830s. It is 1830, and the Berrybender family—rich, aristocratic, English, and hopelessly out of place—is on its way up the Missouri River to see the untamed West as it begins to open up. With irascible determination—and a great deal of outright chaos—the party experiences both the awesome majesty and brutal savagery of the unexplored land, from buffalo stampedes and natural disasters to Indian raids and encounters with frontiersmen and trappers, explorers, pioneers, and one part-time preacher known as "the Sin Killer." Packed with breathtaking adventure, charming romance, and a sense of humor stretching clear over the horizon, *Sin Killer* is a truly unique view of the West that could only come from the boundless skill and imagination of Larry McMurtry.

Dead Man's Walk

This is Larry McMurtry's ballad in prose: his heartfelt tribute to a bygone era of the American West. Larry McMurtry has done more than any other living writer to shape our literary imagination of the American West. With *The Last Kind Words Saloon*, he returns to the vivid and unsparing portrait of the

nineteenth-century and cowboy lifestyle made so memorable in his classic *Lonesome Dove*. Evoking the greatest characters and legends of the Old Wild West, McMurtry tells the story of the closing of the American frontier through the travails of two of its most immortal figures: Wyatt Earp and Doc Holliday. Long Grass, Texas. Once hailed as heroes for their days of subduing drunks in Abilene and Dodge – more often with a mean look than a pistol – the taciturn Wyatt now idles away his time between bottles, while the dentist-turned-gunslinger Doc is more adept at poker than extracting teeth. With the buffalo herds gone, the Comanche defeated, and vast swaths of the Great Plains enclosed by cattle ranches, Wyatt and Doc live on, even as the storied West that forged their myths disappears. McMurtry traces the rich and varied friendship of the heroic pair from the town of Long Grass to Buffalo Bill's Wild West Show in Denver, then to Mobetie, Texas, and finally to Tombstone, Arizona, culminating with the famed gunfight at the O.K. Corral, rendered here in McMurtry's stark and peerless prose. As harsh and beautiful, and as brutal and captivating as the open range it depicts, *The Last Kind Words Saloon* celebrates the genius of one of the most original American writers.

Custer, the Seventh Cavalry, and the Little Big Horn

This encyclopedia of collectibles includes feature articles on over 85 of the leading manufacturers, plus the latest detailed information and pricing on over 50,000 collectibles. Profiles of more than 200 artists are included, as well as 32 pages of beautiful full-color photography showcasing over 250 products.

The Horse Soldiers

Draws on Red Cloud's autobiography, which was lost for nearly a hundred years, to present the story of the great Oglala Sioux chief who was the only Plains Indian to defeat the United States Army in a war.

Comanche

In this masterful and often surprising sequel to the acclaimed *Duane's Depressed*, the Pulitzer Prize-winning author of *Lonesome Dove* has written a haunting, elegiac, and occasionally erotic novel about one of his most beloved characters. Back from a two-week trip to Egypt, Duane finds he cannot readjust to life in Thalia, the small, dusty West Texas hometown in which he has spent all of his life. In the short time he was away, it seems that everything has changed alarmingly. His office barely has a reason to exist now that his son Dickie is running the company from Wichita Falls, his lifelong friends seem to have suddenly grown old, his familiar hangout—once a good old-fashioned convenience store—has been transformed into an "Asian Wonder Deli," his daughters seem to have taken leave of their senses and moved on to new and strange lives, and his own health is at serious risk. It's as if Duane cannot find any solace or familiarity in Thalia and cannot even bring himself to revisit the house he shared for decades with his late wife, Karla, and their children and grandchildren. He spends his days aimlessly riding his bicycle (already a sign of serious eccentricity in West Texas) and living in his cabin outside town. The more he tries to get back to the rhythm of his old life, the more he realizes that he should have left Thalia long ago—indeed everybody he cared for seems to have moved on without him, to new lives or to death. The only consolation is meeting the young, attractive geologist, Annie Cameron, whom Dickie has hired to work out of the Thalia office. Annie is brazenly seductive, yet oddly cold, young enough to be Duane's daughter, or worse, and Duane hasn't a clue how to handle her. He's also in love with his psychiatrist, Honor Carmichael, who after years of rebuffing him, has decided to undertake what she feels is Duane's very necessary sex reeducation, opening him up to some major, life-changing surprises. When the Light Goes reminds everyone that where there's life, there is indeed hope. At once realistic and life-loving, often hilariously funny, and always moving, Larry McMurtry has written one of his finest and most compelling novels to date, doing for Duane what he did so triumphantly for Aurora in *Terms of Endearment*.

The Old West Quiz and Fact Book

In this brilliant saga—the final volume of *The Berrybender Narratives* and an epic in its own right—Larry McMurtry lives up to his reputation for delivering novels with "wit, grace, and more than a hint of what might be called muscular nostalgia, fit together to create a panoramic portrait of the American West" (*The New York Times Book Review*). As this finale opens, Tasmin and her family are under irksome, though comfortable, arrest in Mexican Santa Fe. Her father, the eccentric Lord Berrybender, is planning to head for Texas with his whole family and his retainers, English, American, and Native American. Tasmin, who would once have followed her husband, Jim Snow, anywhere, is no longer even sure she

likes him, or knows where to go to next. Neither does anyone else—even Captain Clark, of Lewis and Clark fame, is puzzled by the great changes sweeping over the West, replacing Native Americans and buffalo with towns and farms. In the meantime, Jim Snow, accompanied by Kit Carson, journeys to New Orleans, where he meets up with a muscular giant named Juppy, who turns out to be one of Lord Berrybender's many illegitimate offspring, and in whose company they make their way back to Santa Fe. But even they are unable to prevent the Mexicans from carrying the Berrybender family on a long and terrible journey across the desert to Vera Cruz. Starving, dying of thirst, and in constant, bloody battle with slavers pursuing them, the Berrybenders finally make their way to civilization—if New Orleans of the time can be called that—where Jim Snow has to choose between Tasmin and the great American plains, on which he has lived all his life in freedom, and where, after all her adventures, Tasmin must finally decide where her future lies. With a cast of characters that includes almost every major real-life figure of the West, *Folly and Glory* is a novel that represents the culmination of a great and unique four-volume saga of the early days of the West; it is one of Larry McMurtry's finest achievements.

The Comanche Empire

A gritty western saga and timeless love story that will leave you breathless and wanting more. PRAISE FOR ORPHAN MOON: "Gritty, raw American history...I felt like I was there. LOVE that in a good novel."-Gary "Highly recommended! An exciting, breathless read with well-developed characters and a plot that keeps you guessing."-Elizabeth "T. K. Lukas's writing reflects the kind of maturity that will shine more and more with each passing novel. Kudos to her!"-Grammar Dowager Writers' League of Texas 2015 Top Five Finalist-Historical Fiction 1860 - Palo Pinto, Texas: Under the spectacular glow of a Comanche moon, a family is slaughtered, their homestead torched. Nineteen-year-old Barleigh Flanders survives the terrifying raid. Fiercely determined to rebuild, she seizes an opportunity meant for another. It's a foolhardy, reckless scheme. Desperate, near penniless, it's her only hope. Her grueling physical journey stretches from Texas, to Missouri, and into the rugged Utah Territory. However, it's her emotional journey that takes her to places of uncharted darkness, discovery, and redemption. In Hughes Levesque, Barleigh gains an unsought ally with dark secrets of his own. A hired gun, it becomes his personal mission to keep Barleigh safe. Doing so may cost him his life, his job, and his heart, none of which he's keen to lose. *Orphan Moon* is a heart-wrenching saga of family love, loss, and betrayal. Both a gripping adventure and a timeless love story, it gallops across the bleeding edge of the western frontier.

Subject Guide to Books in Print

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Lonesome Dove Series

New York Times Bestseller Named one of the best books of the year by: Parade The Guardian Kirkus Library Journal The true story behind the classic Western *The Searchers* by Pulitzer Prize-winning writer Glenn Frankel that the New York Times calls "A vivid, revelatory account of John Ford's 1956 masterpiece." In 1836 in East Texas, nine-year-old Cynthia Ann Parker was kidnapped by Comanches. She was raised by the tribe and eventually became the wife of a warrior. Twenty-four years after her capture, she was reclaimed by the U.S. cavalry and Texas Rangers and restored to her white family, to die in misery and obscurity. Cynthia Ann's story has been told and re-told over generations to become a foundational American tale. The myth gave rise to operas and one-act plays, and in the 1950s to a novel by Alan LeMay, which would be adapted into one of Hollywood's most legendary films, *The Searchers*, "The Biggest, Roughest, Toughest... and Most Beautiful Picture Ever Made!" directed by John Ford and starring John Wayne. Glenn Frankel, beginning in Hollywood and then returning to the origins of the story, creates a rich and nuanced anatomy of a timeless film and a quintessentially American myth. The dominant story that has emerged departs dramatically from documented history: it is of the inevitable triumph of white civilization, underpinned by anxiety about the sully of white women by "savages." What makes John Ford's film so powerful, and so important, Frankel argues, is that it both upholds that

myth and undermines it, baring the ambiguities surrounding race, sexuality, and violence in the settling of the West and the making of America.

Sin Killer

Spearhead of Logistics is a narrative branch history of the U.S. Army's Transportation Corps, first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community. The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists. The newly established Transportation Corps, however, lasted for only a few years. Its significant utility for coordinating military transportation became again transparent during World War II, and it was resurrected in mid-1942 to meet the unparalleled logistical demands of fighting in distant theaters. Finally becoming a permanent branch in 1950, the Transportation Corps continued to demonstrate its capability of rapidly supporting U.S. Army operations in global theaters over the next fifty years. With useful lessons of high-quality support that validate the necessity of adequate transportation in a viable national defense posture, it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations. This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations, thus ensuring a continuing legacy of Transportation excellence within Army operations. Additionally, military science students and military historians may be interested in this volume.

Last of the Saddle Tramps

Historically the world of equestrian travel has contained an exciting mixture of unique men and women. Some are adventurers seeking danger from the back of their horses. Others are travelers discovering the beauties of the countryside they slowly ride through. A few are searching for inner truths while cantering across desolate parts of the planet. Then there is Messanie Wilkins. She was acting on orders from the Lord! In 1954, at the age of 63, Wilkins had plenty to worry about. A destitute spinster in ill health, Wilkins had been told she had less than two years left to live, provided she spent them quietly. With no family ties, no money, and no future in her native Maine, Wilkins decided to take a daring step. Using the money she had made from selling homemade pickles, Wilkins bought a tired summer camp horse and made preparations to ride from the Atlantic coast to the Pacific Ocean. Yet before leaving she flipped a coin, asking God to direct her to go or not. When the coin came up heads several times in a row, one of America's most unlikely equestrian heroines set off. What followed was one of the twentieth century's most remarkable equestrian journeys. Accompanied by her faithful horse, Tarzan, Wilkins suffered through a host of obstacles including blistering deserts and freezing snow storms, yet never lost faith that she would complete her 7,000 mile odyssey. Last of the Saddle Tramps is thus the warm and humorous story of a humble American heroine bound for adventure and the Pacific Ocean. The classic tale is amply illustrated with photographs.

Last of the Saddle Tramps

"Told by her doctor she had from two to four years to live, she set out on horseback from her farm in Minot, Maine, and traveled nearly 7,000 miles enroute to California." Dust jacket.

Saddle Tramps

Meet Pepper Kane ... a sassy ex-reporter, cowgirl, mother of wayward adult kids and daughter of aged parents, who's putting her brand on a new career in the romantic, mystery-filled modern American West. She has an eye for clues others overlook, and a talent for riding down the deadliest criminals - and lovers. SADDLE TRAMPS Trading her reporter's ID badge for the vocations of selling horse tack and showing horses, Pepper enjoys her new life and friends in Oregon's Rogue River Valley. While line-dancing with her Brassbottom Barn buddies one night, she learns a prize show horse has been killed. A suspect herself, she must find the killer before the killer closes in on her. Upping the urgency is that she, her horse and her barn buddies travel from Oregon to California for a do-or-die event to qualify for the World Open Western Show in Texas. Pepper also seeks an answer to her heart's question about

her elusive lover, Lakota-tribal policeman Sonny Chief. Refusing to be intimidated, Pepper uncovers fellow competitors' secrets --one compelling enough to kill for - while finding an answer for her heart.

Of Mice and Men

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

The Ride of Her Life

NATIONAL BESTSELLER • The triumphant true story of a woman who rode her horse across America in the 1950s, fulfilling her dying wish to see the Pacific Ocean, from the #1 New York Times bestselling author of *The Perfect Horse* and *The Eighty-Dollar Champion* “The gift Elizabeth Letts has is that she makes you feel you are the one taking this trip. This is a book we can enjoy always but especially need now.”—Elizabeth Berg, author of *The Story of Arthur Truluv* In 1954, sixty-three-year-old Maine farmer Annie Wilkins embarked on an impossible journey. She had no money and no family, she had just lost her farm, and her doctor had given her only two years to live. But Annie wanted to see the Pacific Ocean before she died. She ignored her doctor's advice to move into the county charity home. Instead, she bought a cast-off brown gelding named Tarzan, donned men's dungarees, and headed south in mid-November, hoping to beat the snow. Annie had little idea what to expect beyond her rural crossroads; she didn't even have a map. But she did have her ex-racehorse, her faithful mutt, and her own unfailing belief that Americans would treat a stranger with kindness. Annie, Tarzan, and her dog, Depeche Toi, rode straight into a world transformed by the rapid construction of modern highways. Between 1954 and 1956, the three travelers pushed through blizzards, forded rivers, climbed mountains, and clung to the narrow shoulder as cars whipped by them at terrifying speeds. Annie rode more than four thousand miles, through America's big cities and small towns. Along the way, she met ordinary people and celebrities—from Andrew Wyeth (who sketched Tarzan) to Art Linkletter and Groucho Marx. She received many offers—a permanent home at a riding stable in New Jersey, a job at a gas station in rural Kentucky, even a marriage proposal from a Wyoming rancher. In a decade when car ownership nearly tripled, when television's influence was expanding fast, when homeowners began locking their doors, Annie and her four-footed companions inspired an outpouring of neighborliness in a rapidly changing world.

This Crooked Way

Travelling alone in the depths of winter, Morlock Ambrosius (bitterly dry drunk, master of all magical makers, wandering swordsman, and son of Merlin Ambrosius and Nimue Viviana) is attacked by an unknown enemy. To unmask his enemy and end the attacks he must travel a long crooked way through the world: past the soul-eating Boneless One, past a subtle and treacherous master of golems, past the dragon-taming Khroi, past the predatory cities of Sarkunden and Aflraun, past the demons and dark gnomes of the northern woods. Soon he will find that his enemy wears a familiar face, and that the duel he has stumbled into will threaten more lives than his own, leaving nations shattered in its chaotic wake. And at the end of his long road waits the death of a legend.

Saddle Tramps

When you work with a man, ride with him, eat the same food and even love the same woman, you are loyal to him. That was the way Corey Keogh had always believed it should be. But when his gun-happy partner, Andy Givens, turned killer and set his sights on robbing banks and then tried to force his unwanted attentions on Corey's one love, Marly Pierce, the day of reckoning was at hand. With Andy's gold-lust out of control and his desire for Marly unabated, the time comes when friend must turn against friend, even if only guns can sever the bond between them.

The Eighty Dollar Champion

Harry de Leyer first saw the horse he would name Snowman on a truck bound for the slaughterhouse. The recent Dutch immigrant recognized the spark in the eye of the beaten-up nag and bought him for eighty dollars. On Harry's modest farm on Long Island, he ultimately taught Snowman how to fly. Here is the dramatic and inspiring rise to stardom of an unlikely duo. One show at a time, against extraordinary odds and some of the most expensive thoroughbreds alive, the pair climbed to the very top of the sport

of show jumping. Their story captured the heart of Cold War-era America—a story of unstoppable hope, inconceivable dreams, and the chance to have it all. They were the longest of all longshots—and their win was the stuff of legend.

Saddle Tramps

This groundbreaking novel is considered by many to be one of the most important early entries in the western genre. Recounting in rich detail the daily life of a foreman on a vast ranch in Wyoming, this gripping tale has sparked imaginations for more than a century, inspiring at least six film and television versions.

The Virginian

Classic Tramping in New Zealand is a beautifully photographed, award-winning tribute to fourteen of New Zealand's finest tramping trips. This revised and updated edition now includes superb Bird's Eye maps that show each route in three dimensions and two new tramps: the Frew Saddle-Toaroha Saddle and the Northwest Ruahine Range.

Classic Tramping in New Zealand

AND THE LAST SHALL BE FAST Lawrence Shaw once got a boost out of being the quickest gun alive. Now he's partial to telling gunfighter stories rather than living them. But that doesn't stop every ornery shootist with an itchy trigger finger from trying to pull iron on Fast Larry Shaw...or a group of gamblers from wagering five grand on who will kill him...or a gang of cutthroat saddle tramps from slaying his wife while in search of him. Racked with guilt for not saving his beloved, Shaw vows to shorten the life expectancy of her murderers—and any other hardcase who even thinks of sending hot lead his way.

Gunman's Song

Our epoch is an epoch of decadence. Bourgeois-christian-plebeian civilization arrived at the dead end of its evolution a long time ago. Democracy has arrived! But under the false splendor of democratic civilization, higher spiritual values have fallen, shattered. Willful strength, barbarous individuality, free art, heroism, genius, poetry have been scorned, mocked, slandered. And not in the name of "I\

The Revolt of the Unique

This carefully crafted work brings you 70 color pictures, 40+ original drawings, and a story that burns with intensity, radiates personal crises, and reminds us how life can be lived. It is about horses, and not about horses at all. It's about the human journey we're all traveling.

Riding Into the Wind

The second edition of this book serves as a central source of theoretical and practical knowledge to optimize the evaluation and treatment of patients with lymphedema. The book covers all aspects of the disease from anatomical and histological features to diagnosis as well as physical/medical and surgical management of the disease. Updated from the first edition to reflect the substantial progress in diagnostics, medical care and surgical intervention for this patient population, this volume has been reorganized to meet today's practice requirements. It addresses the challenges faced by clinicians in the management of chronic lymphedema enabling them to meet the medical needs of this large patient community. Edited by world leaders in Vascular Medicine and Surgery, this comprehensive volume provides clear, concise background and recommendations in an easy-to-use format. It is a valuable reference tool for clinical practitioners (physicians/nurse practitioners/technicians) who wish to deliver state-of-the-art health care to their patients with lymphatic and venous disorders.

Lymphedema

Boots and Saddles is in reality a bright and sunny sketch of the life of Mrs. Custer's late husband, General George A. Custer, who fell at the battle of Little Big Horn. After the war, General Custer was sent to the Indian frontier. His wife was of the party and she is able to give in minute detail the story of her husband's varied career since she was almost always near the scene of his adventures. She touches on themes little canvassed by the civilian, and makes a volume equally redolent of a loving

devotion to an honored husband and attractive as a picture of necessary duty by the soldier. Book jacket.

Boots and Saddles

Love Goes to Buildings on Fire by Will Hermes - Five Years in New York that Changed Music Forever 'A must-read for any music fan' (Boston Globe) Crime was everywhere, the government was broke and the city's infrastructure was collapsing, but between 1974 and 1978 virtually all forms of music were being recreated in New York City: disco and salsa, the loft jazz scene and the Minimalist classical composers, hip hop and punk. Bruce Springsteen and Patti Smith arrived from New Jersey; Grandmaster Flash transformed the turntable into a musical instrument; Steve Reich and Philip Glass shared an apartment as they experimented with composition; the New York Dolls and Talking Heads blew away the grungy clubs; Weather Report and Herbie Hancock created jazz-rock; and Bob Dylan returned with Blood on the Tracks. Recommended by Nick Hornby, this fascinating and hugely inspiring book will be loved by readers of Just Kids by Patti Smith, Chronicles by Bob Dylan, How Music Works by David Byrne and The Rest is Noise by Alex Ross. 'Can literature change your life? Yes ... along came Will Hermes, who cost me several hundred pounds on iTunes and ruptured my relationship with guitars' Nick Hornby, Believer magazine Will Hermes was born in Queens, in the city of which he writes. He is a senior critic for Rolling Stone, and also writes for the New York Times and the Village Voice. He was co-editor of SPIN: 20 Years of Alternative Music.

Love Goes to Buildings on Fire

Chiles good, so is barbecue, but nothings finer than FANDANGO STEW! No money? No problem! In this sunny, funny western-style take on the famous folktale "Stone Soup," two penniless but wily vaqueros (cowboys) trick a whole town into cooking a giant pot of stew for everyone to share. David Daviss deliciously colorful language and Ben Galbraiths delightful illustrations make this picture book a tasty confection.

Fandango Stew

DigiCat Publishing presents to you this special edition of "The Unforgiven" by Alan Le May. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Unforgiven

"When a rival ranch tries to drive the Creel family out of business, Bo and Scratch find themselves in a bloody battle for survival"--

Bleeding Texas

In the world of Western films, Randolph Scott, Joel McCrea, and Audie Murphy have frequently been overlooked in favor of names like Roy Rogers and John Wayne. Yet these three actors played a crucial role in the changing environment of the post-World War II Western, and, in the process, made many excellent middle-budget films that are still a pleasure to watch. This account of these three Western stars' careers begins in 1946, when Scott and McCrea committed themselves to the Western roles they would play for nearly twenty years. Murphy, who also joined them in 1946, would continue his Western career for a few years after his cohorts rode into the film sunset. Arranged chronologically, and balanced among the three actors, the text concludes with Audie Murphy's last Western in 1967. Covering both the personal and professional lives of these three Hollywood cowboys, the book provides both their stories and the story of a Hollywood whose attitude toward the Western was in a time of transition and transformation. The text is complemented by 60 photographs and a filmography for each of the three.

Last of the Cowboy Heroes

Tramps and Ladies

He's her boss. He'll do what he wants with her. Ziara Divan came from nothing and worked hard to earn her position at Atlanta's most prestigious bridal fashion house. So when her new boss Sloan Creighton tries to seduce her in a power play, she's not having it. She won't climb the corporate ladder right into the boss's bed...even if he's irresistible. Sloan will have his way-in business and in pleasure. He'll regain control of his father's company, and he'll have this woman-not necessarily in that order. But just as his plans fall into place, Ziara's past threatens to tear them apart at the seams....

His by Design

This is the book that made its author Henry George suddenly famous. From the year 1879 to the present the doctrines of 'Progress and Poverty' have been familiar to all who are interested in social problems. The book has been read by many to whom Political Economy is still 'the dismal science', and it has been circulated in cheap editions by the thousand among the classes to which it holds out such an alluring prospect. 'Progress and Poverty' has become a classic in labor literature. Its doctrines have been accepted not only by many who see in them a means of personal rescue from distress and want, but by many others who are convinced by the reasoning of the author. Clergymen, in the Catholic as well as in the Protestant church, have become Mr. George's disciples, and business and professional men have gladly sat at his feet.

A Tramp Abroad

From the two-time Booker Prize-winning author: an irrepressible, audacious, trenchantly funny new novel set in the 19th century and inspired in part by the life of Alexis de Tocqueville. With dazzling exuberance and all the richness of characterization, story, and language that we have come to expect from this superlative writer, Peter Carey explores the birth of democracy, the limits of friendship and whether people really can remake themselves in a New World. The two men at the heart of the novel couldn't be any more different: Olivier is the son of French aristocrats who (barely) survived the French Revolution. Parrot is the motherless son of an itinerant English printer. But when young Parrot is separated from his father (after a stupendous conflagration at a house of forgery) he runs into the powerful embrace of a one-armed marquis who will be his conduit - like it or not - into a life as closely (mis)allied with Olivier's as if they were connected by blood. And when Olivier sets sail for America - ostensibly to make a study of the American penal system, but more precisely to save his neck from the latest guillotineurs - Parrot, unable to loosen the Marquis's grip, is there too: as spy, scribe, comptroller, protector, foe and foil. As the narrative unfurls, shifting between the perspectives of Olivier and Parrot, between their picaresque adventures apart and together, in love and politics, prisons and finance, homelands and brave new lands - a most unlikely friendship begins to take hold.

Progress and Poverty

Reproduction of the original: Comfort Found in Good Old Books by George Hamlin Fitch

Parrot and Olivier in America

"An Ocean Tramp" is a sea story by the American writer William McFee. The novel offers a reader a captivating plot full of 19th-century naval romantics, adventure, unexpected turns, and dangers, which keep the attention of the reader from the very first pages. A perfect story for everyone in love with novels of the era of the great geographic discoveries.

Comfort Found in Good Old Books

Adam Bede, the first novel written by George Eliot (the pen name of Mary Ann Evans), was published in 1859. It was published pseudonymously, even though Evans was a well-published and highly respected scholar of her time. The novel has remained in print ever since and is regularly used in university studies of 19th-century English literature

An Ocean Tramp

In this funny, nightmarish masterpiece of imaginative excess, grotesque characters engage in acts of violent one-upmanship, boundless riches mangle a corner of Africa into a Bacchanalian utopia, and technology, flesh and violence fuse with and undo each other. A fragmentary, freewheeling novel, it sees wild boys engage in vigorous, ritualistic sex and drug taking, as well as pranksterish guerrilla warfare and open combat with a confused and outmatched army. The Wild Boys shows why Burroughs is a writer unlike any other, able to make captivating the explicit and horrific.

Adam Bede Illustrated

Since My Life was first published it has been regarded as a unique political, literary and human document. Written in the first year of Trotsky's exile in Turkey, it contains the earliest authoritative account of the rise of Stalinism and the expulsion of the Left Opposition, who heroically fought for the ideas and traditions of Lenin. Trotsky's exile is the culmination of a narrative which moves from his childhood, his education in the "universities" of Tsarist prisons, Siberia and then foreign exile - to his involvement in the European revolutionary movement and his central role in the tempestuous 1905 revolution and the Bolshevik victory in October 1917 and the civil war which followed. The work concludes with his deportation and exile. With an introduction by Alan Woods and a preface by Trotsky's grandson, Vsievolod Volkov.

The Wild Boys

Lang's fairy books were childhood favorites of Tolkien.

My Life

More than 1,000 photos, along with stories and interviews follow the "tiny house" movement which is currently going on among people who have chosen to scale back in the 21st century. Original.

The Green Fairy Book

When her roommate, Lil, mysteriously vanishes, waitress and TV junkie Parker Grey, inspired by the star of the television series La Femme Nikita, takes to the streets of Manhattan to search for Lil, changing her own life forever in the process. Original.

Tiny Homes

They knew that cycling around the world was never going to be an easy challenge, but there was no harm in trying to make it just a little less complicated. A shame that neither of them thought to do so. Join Daren and Tatjana on an eight thousand mile bicycle ride from a sodden English summer to the wind swept shores of New Zealand. Journey through the turbulent political setting of West Africa where they team up with an unlikely duo to cross the vast empty expanse of Western Sahara and into the Sahel where banditry, be-headings and military coups plague the landscape. Then into South America where favela kids rule and the long road south brought them closer each day to abandoning the trip, selling their bikes and heading to the nearest bar. Surely then, they could argue in peace.

The Parker Grey Show

This book has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

Cycling Spirits

George Orwell was one of the most significant literary figures on the left in the twentieth century. While titles such as *1984*, *Animal Farm* and *Homage to Catalonia* are still rightly regarded as modern classics, his own politics are less well understood. *Hope Lies in the Proles* offers a sympathetic yet critical account of Orwell's political thinking and its continued significance today. John Newsinger explores various aspects of Orwell's politics, detailing Orwell's attempts to change working-class consciousness, considering whether his attitude towards the working class was romantic, realistic or patronising - or all three at different times. He also asks whether Orwell's anti-fascism was eclipsed by his criticism of the Soviet Union, and explores his ambivalent relationship with the Labour Party. Newsinger also breaks important new ground regarding Orwell's shifting views on the USA, and his relationship with the New Left and feminism. Focusing on the enduring interest in Orwell and his influence on current political causes, the book is ultimately a unique, nuanced attempt to demonstrate that Orwell remained a committed socialist up until his death.

The Boy Scouts in the Saddle

"There is star quality in this writer!" raves the *Romantic Times* about gifted author Gaelen Foley. Her love stories are filled with glorious settings, stunning characters, and unforgettable passion. *Destiny* casts its hand one perfect moonlit night when Ascencion's most elusive highwayman, the Masked Rider, chooses the wrong coach to rob. For inside is Rafael, the prince of the kingdom, renowned for his hot-blooded pursuits of women and other decadent pleasures. The failed raid leaves the equally notorious Masked Rider wounded and facing a hangman's noose. Then Rafe realizes his captive criminal is Lady Daniela Chiaramonte, a defiant beauty who torments him, awakening his senses and his heart as no woman has before. Dani can only wonder if she's been delivered to heaven or hell once she agrees to marry the most desirable man in the Mediterranean--until forces of treachery threaten to destroy their tenuous alliance and bring down the throne itself. . . .

Hope Lies in the Proles

A follow-up to Alex Caine's bestselling *Befriend and Betray* and the third in his trilogy about big biker gangs, *Angel Dust* focuses on the Hells Angels. The Angels have built an empire, starting from their days as saddle tramps riding Harleys to becoming multi-millionaires driving high-end SUVs. The organization has moved deeper and deeper into legitimate business, particularly in the entertainment industry, real estate, currency exchange, and online gambling and pornography. Though much has been previously written about the Hells Angels, no author to date has had Caine's combination of experience as an undercover agent and his extensive contacts within gangs and law enforcement. Caine delves into this meteoric ascent and the consequences it has had for the Angels as they transform themselves from outlaw bikers into a new mafia. Using his contacts in domestic and international police forces and Interpol, Caine exposes the inner workings of the club, shows what it's become, and what is on the gang's horizon.
