Though his pitching career lasted only a few seasons, Howard Ellsworth “Smoky Joe” Wood was one of the most dominating figures in baseball history—a man many consider the best baseball player who is not in the Hall of Fame. About his fastball, Hall of Fame pitcher Walter Johnson once said: “Listen, mister, no man alive can throw harder than Smoky Joe Wood.” Smoky Joe Wood chronicles the singular life befitting such a baseball legend. Wood got his start impersonating a female on the National Bloomer Girls team. A natural athlete, he pitched for the Boston Red Sox at eighteen, won twenty-one games and threw a no-hitter at twenty-one, and had a 34-5 record plus three wins in the 1912 World Series, for a 1.91 ERA, when he was just twenty-two. Then in 1913 Wood suffered devastating injuries to his right hand and shoulder that forced him to pitch in pain for two more years. After sitting out the 1916 season, he came back as a converted outfielder and played another five years for the Cleveland Indians before retiring to coach the Yale University baseball team. Joe's final reward for courageously enduring the eccentricities of his father, his sister's polio, the 1926–27 baseball scandal, and the loss of his beloved wife and a son was an honorary doctorate in 1985 from Yale and its president, Bart Giamatti. With details culled from interviews and family archives, this biography, the first of this rugged player of the Deadball Era, brings to life one of the genuine characters of baseball history.

World War Records

A world doesn't need a king to be prosperous, but it definitely needs great morals and principals for it to be prosperous. For a world that is turning into hell, the Supreme Being planned a game called 'God's Chess.' Ajin, a twisted college president, and another seven pieces, a prostitute, a scientist, a general, a reporter, an actress, an educator, and a queen play the game. The game they are playing for a wish come true is a holy book to a world that has rotten to the core and forgotten humanity.

Smoky Joe Wood

TFW you wake up and realise you're trending... #GirlOutoftheWoods Arty has always lived in the Clearing, a commune hidden in the forests of south India. But her happy life, separate from the rest of the world, is shattered after a terrible event. For the first time, Arty must leave her home, and head into the intriguing but frightening outside world. On the streets of India, a chance encounter leads to her becoming an unwilling overnight celebrity. As she embarks on her journey, she discovers she is being followed by thousands of strangers, who seem to know her every move... Forced to fight against mysterious hashtags and being constantly photographed, how can she find the help she desperately needs? Everything is changing too fast for this girl who came out of the woods... could she be running into a trap? The new thriller from the acclaimed author of *The One Memory of Flora Banks*, perfect for fans of Karen McManus, E. Lockhart and Sophie McKenzie. Praise for *The Girl Who Came Out of the Woods*: 'Compelling and brilliantly written'- *Fabulous Magazine* 'Barr brilliantly captures Arty's naivety and eager innocence as she's swept up in the globalised world of capitalism and social media'- *The Observer*

World Trade in Commodities

The fun fair is in town! With its clouds of pink candyfloss and whirling big wheel, what child could resist such temptation? Little do the Eden sisters know that they are being lured into a wicked witch's lair . . . Barely escaping from a deadly game of hide-and-seek in the enchanted fair, our three heroines flee through the woods, with several ravenous wolves and a sweet-toothed lion hot on their heels. But now they face their biggest challenge yet. Will the Eden sisters ever truly be out of the woods?

Volume 1: Chapters in Chess

OPENING FENWAY PARK WITH STYLE: The 1912 World Champion Red Sox is the collaborative work of 27 members of the Society for American Baseball Research (SABR). This book, which contains over 300 period photographs and illustrations, has at its core the individual biographies of every player on the team, even Douglass Smith—who appeared in just one game. There are also biographies of owner John I. Taylor and American League founder Ban Johnson. The book also contains a detailed

timeline of the full calendar year, with essays on the construction of brand-new Fenway Park and its first renovation, as the team (which won the pennant by 14 games) prepared for Fenway's first World Series. The 1912 World Series remains one of the most exciting in baseball history, extending to eight games because of a 14-inning tie game in Game Two. In Game Eight the Giants scored a tie-breaking run to take a lead in the top of the 10th inning, only to see Boston come back with two in the bottom of the 10th to win at home. Other articles in the book detail intriguing topics including a fascinating spring training, during which Sox players joined the hunt for a murderer in Hot Springs, life in Boston in 1912, and how the newspapers and telegraph reported the games in the days before radio, television, or the internet. It may surprise some to learn of the thousands of people who crowded outside the downtown offices of newspapers so they could get batter-by-batter updates on the progress of the World Series games-in-progress. There are more than a dozen books celebrating the 100th anniversary of Fenway Park, but only this one is devoted to the 1912 season itself, providing the context for the then-new park which remains home to Boston baseball a century later.

Railroad Gazette

THE NEW YORK TIMES BESTSELLER Could you leave behind all that you know and live in solitude for three decades? This is the extraordinary story of the last true hermit - Christopher Knight. 'This was a breath-taking book to read and many weeks later I am still thinking about the implications for our society and - by extension - for my own life' Sebastian Junger, bestselling author of *The Perfect Storm* 'A wry meditation on one man's attempt to escape life's distractions and look inwards, to find meaning not by doing, but by being' Martin Sixsmith, bestselling author of *Philomena* and *Ayesha's Gift* 'Not all heroes wear capes. My latest one is a man called Christopher Knight – a silent idol for anyone who has felt the urge to just sack it all off and live the life of a hermit' Lucy Mangan, Stylist 'An extraordinary story about solitude, community, identity and freedom' Guardian 'A meditation on solitude, wildness and survival. It is also, unexpectedly, a tribute to the joys of reading' The Wall Street Journal In 1986, twenty-year-old Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the woods. He would not speak to another human being until three decades later when he was arrested for stealing food. Christopher survived by his wits and courage, developing ingenious ways to store food and water in order to avoid freezing to death in his tent during the harsh Maine winters. He broke into nearby cottages for food, clothes, reading material and other provisions, taking only what he needed. In the process, he unwittingly terrified a community unable to solve the mysterious burglaries. Myths abounded amongst the locals eager to find this legendary hermit. Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life and the challenges he faced returning to the world. *The Stranger in the Woods* is a riveting story of survival that asks fundamental questions about solitude and what makes for a good life. Above all, this is a deeply moving portrait of a man determined to live life his own way.

The Railway Engineer

Shortlisted for the Waterstones Children's Book Prize 2019 Shortlisted for the Branford Boase Award 2019 Shortlisted for the IBW Book Awards 2019 All aboard for a magical journey... When Suzy hears a strange noise in the middle of the night, she creeps downstairs to find a train roaring through her house. But this is no ordinary train. This is the magical delivery express for The Union of Impossible Places. Whisked onboard by a troll-boy, Suzy's world is turned upside down when she's asked to deliver a cursed package to a fearsome sorceress. And quite suddenly, Suzy realizes the fate of the Impossible Places is in her hands... Except when the mysterious package begs not to be delivered, Suzy discovers the fate of the Impossible Places might just be in her hands...

My Side of the Mountain

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Railroad Age Gazette

The period of 1890-1950 marked the romantic era of steam power as the rails reached deep into the old growth of the Adirondack woods to harvest the timber crop. In this volume, not only does William Gove provide an in-depth history of railroad activity in the Adirondacks he also describes the logging methods used, the role of railroads in the logging industry, and the influence of the railroads on the condition of the Adirondack forest today. In addition, he addresses the political and economic forces determining the location and viability of logging railroads, villages, and the forest industry.

Out of the Woods

"In the early days of lumbering, the railroads went where the timber was - right up to the "spar tree" at the head of cutting operations - and locomotives performed many of the chores formerly handled by horses and oxen. To reach the timber, railroads had to climb nearly unsurmountable grades (some in excess of 70%), cross nearly impossible ravines on improvised timber trestles hundreds of feet high, yet be so flexibly constructed that trackage could be shifted constantly to "follow the timber." Operations of such lines required special types of equipment, many of which were improvised right at the camps, plus a special breed of men. They came out of the deep woods of the Northwest, of Michigan, of Wisconsin and even the Scandinavian countries, to write a thrilling chapter in the history of the iron horse." --From inside of jacket

The Stranger in the Woods

Some of the most savage war in world history was waged on the American Plains from 1865 to 1879. As settlers moved west following the Civil War, they found powerful Indian tribes barring the way. When the U.S. Army intervened, a bloody and prolonged conflict ensued. Drawing heavily from diaries, letters, and memoirs from American Plains settlers, historian Thomas Goodrich weaves a spellbinding tale of life and death on the prairie, told in the timeless words of the participants themselves. "Scalp Dance" is a powerful, unforgettable epic that shatters modern myths. Within its pages, the reader will find a truthful account of Indian warfare as it occurred.

Armored Bears Volume One

My Journey to Becoming Chinese American

In his memoir, Dr. Shium Andrew Chen recounts the fascinating story of his youth in pre-Communist China, his emigration to the United States, his significant contributions to the field of psychology, and

his years of community service and activism on behalf of Chinese Americans and other ethnic minority groups. He also addresses the difficulty Chinese Americans have identifying with and blending their Chinese and American identities, and asserts that finding a balance of both backgrounds and cultures leads to finding community and compassion. Through his narrative and the story of his life's work, Dr. Chen makes a compelling case for supporting, promoting, and embracing ethnic diversity as a tenet of American values.

Becoming Chinese American

Collection of essays by Chinese-American scholar Him Mark Lai; published in association with the Chinese Historical Society of San Francisco.

A Chinese-American Exciting Journey Into the 21st Century

The book is written in three parts, with Appendices, Maps, References and Photos. The first is a story of myself and immediate family, and the role we played in Chinese history. The second covers my extended family, and friends who have lived equally interesting lives. The third delves into all the major aspects of China's economy, resources, industry and infrastructure, etc, present and future. This section should interest most readers in business, industry, academic and government circles. I even tried to highlight events from history, geography, philosophy, religion, education, social welfare, agriculture, food supply, ecology, medicine, performing arts, tourism and sports, to science and technology, natural and human resources, heavy industry, "four electricals"

A Chinaman's Chance

From Tony Hsieh to Amy Chua to Jeremy Lin, Chinese Americans are now arriving at the highest levels of American business, civic life, and culture. But what makes this story of immigrant ascent unique is that Chinese Americans are emerging at just the same moment when China has emerged -- and indeed may displace America -- at the center of the global scene. What does it mean to be Chinese American in this moment? And how does exploring that question alter our notions of just what an American is and will be? In many ways, Chinese Americans today are exemplars of the American Dream: during a crowded century and a half, this community has gone from indentured servitude, second-class status and outright exclusion to economic and social integration and achievement. But this narrative obscures too much: the Chinese Americans still left behind, the erosion of the American Dream in general, the emergence -- perhaps -- of a Chinese Dream, and how other Americans will look at their countrymen of Chinese descent if China and America ever become adversaries. As Chinese Americans reconcile competing beliefs about what constitutes success, virtue, power, and purpose, they hold a mirror up to their country in a time of deep flux. In searching, often personal essays that range from the meaning of Confucius to the role of Chinese Americans in shaping how we read the Constitution to why he hates the hyphen in "Chinese-American," Eric Liu pieces together a sense of the Chinese American identity in these auspicious years for both countries. He considers his own public career in American media and government; his daughter's efforts to hold and release aspects of her Chinese inheritance; and the still-recent history that made anyone Chinese in America seem foreign and disloyal until proven otherwise. Provocative, often playful but always thoughtful, Liu breaks down his vast subject into bite-sized chunks, along the way providing insights into universal matters: identity, nationalism, family, and more.

Being Chinese, Becoming Chinese American

The 1911 revolution in China sparked debates that politicized and divided Chinese communities in the United States. People in these communities affirmed traditional Chinese values and expressed their visions of a modern China, while nationalist feelings emboldened them to stand up for their rights as an integral part of American society. When Japan threatened the China's young republic, the Chinese response in the United States revealed the limits of Chinese nationalism and the emergence of a Chinese American identity. Shehong Chen investigates how Chinese immigrants to the United States transformed themselves into Chinese Americans during the crucial period between 1911 and 1927. Chen focuses on four essential elements of a distinct Chinese American identity: support for republicanism over the restoration of monarchy; a wish to preserve Confucianism and traditional Chinese culture; support for Christianity, despite a strong anti-Christian movement in China; and opposition to the Nationalist party's alliance with the Soviet Union and cooperation with the Chinese Communist Party. Sensitive and enlightening, *Being Chinese, Becoming Chinese American*

documents how Chinese immigrants survived exclusion and discrimination, envisioned and maintained Chineseness, and adapted to American society.

Good Fortune

In this dramatic memoir of early-twentieth century immigration, author Li Keng Wong shares her family's difficult journey from rural China to a new life in California. In 1933, seven-year-old Li Keng's life changed forever when her father decided to bring his family from a small village in southern China to California. Getting to America was not easy, as their family faced America's strict anti-Chinese immigration laws that meant any misstep could mean deportation and disgrace. Life in America during the Great Depression brought many exciting surprises as well as many challenges. Hunger, poverty, police raids, frequent moves, and the occasional sting of racism were a part of everyday life, but slowly Li Keng and her family found stability and a true home in "Gold Mountain." An author's note contains photos and an update on Li Keng Wong's family. This evocative memoir presents the joys and sorrows of pursuing the American Dream during a time of racism and great poverty, but also immense opportunity. The book also contains information on Angel Island and its significance in history as well as an explanation of the Chinese Exclusion Act.

Journey to the West

The bestselling Journey to the West comic book by artist Chang Boon Kiat is now back in a brand new fully coloured edition. Journey to the West is one of the greatest classics in Chinese literature. It tells the epic tale of the monk Xuanzang who journeys to the West in search of the Buddhist sutras with his disciples, Sun Wukong, Sandy and Pigsy. Along the way, Xuanzang's life was threatened by the diabolical White Bone Spirit, the menacing Red Child and his fearsome parents and, a host of evil spirits who sought to devour Xuanzang's flesh to attain immortality. Bear witness to the formidable Sun Wukong's (Monkey God) prowess as he takes them on, using his Fiery Eyes, Golden Cudgel, Somersault Cloud, and quick wits! Be prepared for a galloping read that will leave you breathless!

Beyond the Narrow Gate

The story of four women whose lives took divergent paths, yet who will always be bound by their shared heritage. It is a moving, insightful portrait of what it means to be a foreigner in America.

Being Chinese

Chinese have traveled the globe for centuries, and today people of Chinese ancestry live all over the world. They are the Huayi or "Chinese overseas" and can be found not only in the thriving Chinese communities of the United States, Canada, and Southeast, but also in enclaves as far-reaching as Cuba, Zimbabwe, and Peru. In this book, twenty-two Chinese living and working outside of China—ordinary people from all walks of life—tell us something about their lives and about what it means to be Chinese in non-Chinese societies. In these pages we meet a surgeon raised in Singapore but westernized in London who still believes in the value of Chinese medicine, which "revitalizes you in ways that Western medicine cannot understand." A member of the Chinese Canadian community who bristles at the insistence that you can't be Chinese unless you speak a Chinese dialect, because "Even though I do not have the Chinese language, I think my ability to manifest many things in Chinese culture to others in English is still very important." Individuals all loyal to their countries of citizenship who continue to observe the customs of their ancestral home to varying degrees, whether performing rites in memory of ancestors, practicing fengshui, wearing jade for good luck, or giving out red packets of lucky money for New Year. What emerges from many of these accounts is a selective adherence to Chinese values. One person cites a high regard for elders, for high achievement, and for the sense of togetherness fostered by his culture. Another, the bride in an arranged marriage to a transplanted Chinese man, speaks highly of her relationship: "It's the Chinese way to put in the effort and persevere." Several of the stories consider the difference between how Chinese women overseas actually live and the stereotypes of how they ought to live. One writes: "Coming from a traditional Chinese family, which placed value on sons and not on daughters, it was necessary for me to assert my own direction in life rather than to follow in the traditional paths of obedience." Bracketing the testimonies are an overview of the history of emigration from China and an assessment of the extent to which the Chinese overseas retain elements of Chinese culture in their lives. In compiling these personal accounts, Wei Djao, who was born in China and now lives near Seattle, undertook a quest that took her not only to many countries but also to the inner landscapes of the heart. Being Chinese is a highly personal book that bares the

aspirations, despairs, and triumphs of real people as it makes an insightful and lasting contribution to Chinese diasporic studies.

The Chinese in America

A quintessentially American story chronicling Chinese American achievement in the face of institutionalized racism by the New York Times bestselling author of *The Rape of Nanking* In an epic story that spans 150 years and continues to the present day, Iris Chang tells of a people's search for a better life—the determination of the Chinese to forge an identity and a destiny in a strange land and, often against great obstacles, to find success. She chronicles the many accomplishments in America of Chinese immigrants and their descendents: building the infrastructure of their adopted country, fighting racist and exclusionary laws and anti-Asian violence, contributing to major scientific and technological advances, expanding the literary canon, and influencing the way we think about racial and ethnic groups. Interweaving political, social, economic, and cultural history, as well as the stories of individuals, Chang offers a bracing view not only of what it means to be Chinese American, but also of what it is to be American.

Good Fortune

Presented from the point of view of the author from age seven to fifteen, tells of life in rural China, her trip from China to the United States with her family beginning in 1933, and the joys and sorrows of her family's pursuit of the American Dream.

Learning to be Chinese American

Learning to Be Chinese American aims at exploring the complicated identity production process among Chinese immigrants in the United States in relation to the rapidly changing global and local contexts. Based on original ethnographic material collected in an upper-middle class Chinese American community, the author argues for the need to move beyond the framework of traditional nation-state boundaries in order to examine the identity production process of contemporary Chinese Americans. In doing so, we can better understand how this particular group, in response to changing economic and social conditions, actively takes part in the production of their unique ethnic identities through local institutions such as community-based organizations and ethnic education. This book expands the scope of existing literature on identity production among immigrants of color in both empirical and methodological terms.

Journey to Gold Mountain

"Helene Wong was born in New Zealand in 1949, to parents whose families had emigrated from China one or two generations earlier. Preferring invisibility, she grew up resisting her Chinese identity. But in 1980 she travelled to her father's home in southern China and came face to face with her ancestral past. What followed was a journey to come to terms with being Chinese"--Publisher information.

Being Chinese

"The first thing you need to know is I'm not Chinese. My name is Raymond Wong and I stopped being Chinese at the age of five." Raymond Wong wants to forget his past: a charming, conniving, and controlling Chinese mother, a father who hasn't so much as written him a letter in 28 years, a stepfather who never sees him as a son, a childhood rife with ridicule and bullying from American kids, and the pain of being an outcast in his own family. Raymond goes back to Hong Kong with the mother he has always pushed away, a woman who represents everything he wants to disown. He meets a father he doesn't recognize and can't talk to because they speak different languages. He encounters a people and a country as foreign as the Cantonese he can no longer comprehend. *I'm Not Chinese: The Journey from Resentment to Reverence* is about a man who has spent his life running from his culture, his family, himself-and what happens when he is forced to stop running.

I'm Not Chinese

One of the twentieth century's most extraordinary Americans, Pearl Buck was the first person to make China accessible to the West. She recreated the lives of ordinary Chinese people in *The Good Earth*, an overnight worldwide bestseller in 1932, later a blockbuster movie. Buck went on to become the first American woman to win the Nobel Prize for Literature. Long before anyone else, she foresaw

China's future as a superpower, and she recognized the crucial importance for both countries of China's building a relationship with the United States. As a teenager she had witnessed the first stirrings of Chinese revolution, and as a young woman she narrowly escaped being killed in the deadly struggle between Chinese Nationalists and the newly formed Communist Party. Pearl grew up in an imperial China unchanged for thousands of years. She was the child of American missionaries, but she spoke Chinese before she learned English, and her friends were the children of Chinese farmers. She took it for granted that she was Chinese herself until she was eight years old, when the terrorist uprising known as the Boxer Rebellion forced her family to flee for their lives. It was the first of many desperate flights. Flood, famine, drought, bandits, and war formed the background of Pearl's life in China. "Asia was the real, the actual world," she said, "and my own country became the dreamworld." Pearl wrote about the realities of the only world she knew in *The Good Earth*. It was one of the last things she did before being finally forced out of China to settle for the first time in the United States. She was unknown and penniless with a failed marriage behind her, a disabled child to support, no prospects, and no way of telling that *The Good Earth* would sell tens of millions of copies. It transfixed a whole generation of readers just as Jung Chang's *Wild Swans* would do more than half a century later. No Westerner had ever written anything like this before, and no Chinese had either. Buck was the forerunner of a wave of Chinese Americans from Maxine Hong Kingston to Amy Tan. Until their books began coming out in the last few decades, her novels were unique in that they spoke for ordinary Asian people—"translating my parents to me," said Hong Kingston, "and giving me our ancestry and our habitation." As a phenomenally successful writer and civil-rights campaigner, Buck did more than anyone else in her lifetime to change Western perceptions of China. In a world with its eyes trained on China today, she has much to tell us about what lies behind its astonishing reawakening.

Pearl Buck in China

An exhilarating, inspirational page-turner of poignant childhood memories, culture shock, high-tech revolution, global travels, corporate intrigue, forbidden love, and one woman's search for her Chinese-American identity—set in rural Portuguese Macau and modern-day Chicago.

The Lesson of the Lost Horse

A labor of love chronicling what should be seen as the Chinese-American version of the story of America's greatest generation: Immigration intrigue. Depression-era survival. Family tragedy and drama. WWII at the ground level. Overcoming barriers. Finally making it and leaving a lasting mark. It's all here. It's about family. It's about tenacity and scrappiness. It's about being Chinese in America. It's about a century's worth of history. It's about legacy and what is important. Read it. It's big stuff. You will feel humbled.

Life's Journey

Chinaland: Through a Glass, Darkly is the memoir of a Chinese American woman that touches, with humor and irony, on issues of race, ethnicity, culture and faith. The writer's life takes her, often clueless and bumbling, across countries and continents, from Taiwan where she was born to Canada where she was raised, to England and Europe, to China, back to England and finally to America. It's a journey she hopes will lead to a clearly defined identity. It does not. But it does result in a unique, wide-eyed experience of life as a Chinese citizen in Red China in the 1970s and early 1980s, from the latter part of the Cultural Revolution steeped in Maoism to the beginnings of Deng Xiaoping's modernization and a shockingly ineluctable traditionalism. It is an intriguing journey that colors every aspect of her life even after she manages to circle back to the beginning of her journey in North America.

Chinaland

A tour-de-force by rising indy comics star Gene Yang, *American Born Chinese* tells the story of three apparently unrelated characters: Jin Wang, who moves to a new neighborhood with his family only to discover that he's the only Chinese-American student at his new school; the powerful Monkey King, subject of one of the oldest and greatest Chinese fables; and Chin-Kee, a personification of the ultimate negative Chinese stereotype, who is ruining his cousin Danny's life with his yearly visits. Their lives and stories come together with an unexpected twist in this action-packed modern fable. *American Born Chinese* is an amazing ride, all the way up to the astonishing climax. *American Born Chinese* is a 2006 National Book Award Finalist for Young People's Literature, the winner of the 2007 Eisner Award for

Best Graphic Album: New, an Eisner Award nominee for Best Coloring and a 2007 Bank Street - Best Children's Book of the Year. This title has Common Core Connections

American Born Chinese

Praise for the first edition: "Ben Fong-Torres ran and wrote the music section of Rolling Stone and at the same time kept his other foot in the dark, secret world of San Francisco's Chinatown. It's an amazing story."—Jann Wenner "A poignant examination of Ben's life. I couldn't put it down. In fact, I'm still holding it."—Steve Martin "I am a fifty-three-year-old Caucasian woman, and I feel as if a forty-seven-year-old Chinese man has just told my story—and that of a generation of Americans. Thank you, Ben."—Grace Slick of The Jefferson Airplane "Ben Fong-Torres's voice rocked over the radio waves and a whole generation listened to one of the pioneer voices to break out of Chinatown. Now Fong-Torres fills his memoir, *The Rice Room*, with worlds of feeling, both tender and tragic, to reveal the fire behind that voice."—Fae Myenne Ng, author of *Bone* "Ben Fong-Torres's book is one man's journey into the heart of contemporary America. From childhood to manhood we see his struggles and triumphs as he negotiates growing up in the 60s with Elvis, hippie rock and roll, personal tragedy, and a Chinese-American soul. A witty, moving, heartfelt read."—Philip Kan Gotanda, writer and director of *The Kiss* and author of *Yankee Dawg You Die*

The Rice Room

What happens when Chinese American youths travel to mainland China in search of their ancestral roots, only to realize that in many ways they still feel out of place, or when mainland Chinese realize that the lives of the Chinese abroad may not be as good as they had imagined? By considering programs designed to facilitate interactions between overseas Chinese and their ancestral homelands, Andrea Louie highlights how these programs not only create opportunities for new connections but also reveal the disjunctures that now separate Chinese Americans from China and mainland Chinese from the Chinese abroad. Louie focuses on "In Search of Roots," a program that takes young Chinese American adults of Cantonese descent to visit their ancestral villages in China's Guangdong province. Through ethnographic interviews and observation, Louie examines the experiences of Chinese Americans both during village visits in China and following their participation in the program, which she herself took part in as an intern and researcher. She presents a vivid portrait of two populations who, though connected through family ties generations back, are meeting for the first time in the context of a rapidly changing contemporary China. Louie situates the participants' and hosts' shifting understandings of China and Chineseness within the context of transnational flows of people, media, goods, and money; China's political and economic policies; and the racial and cultural politics of the United States.

Chineseness across Borders

It's not easy being an Asian American in China, where residents of big cities believe that Asians, including those born and raised in English-speaking countries, are not qualified to teach English. In a country of 1.3 billion people where studying English is as popular as having the latest electronic gadget, this can be a huge problem. Author Jada Tan Rufo, descended from a Chinese immigrant who took a Filipino name when he came to the United States, takes up the challenge to teach in the country of her ancestors. Her detailed memoir *Banana Girl* takes readers on a journey throughout China, describing the lows—such as working for a corrupt and inept boss—to the highs, the time she spends with her eager young students and the chance to travel inside the beautiful country. The vast nation incorporates 55 recognized minorities in addition to the Han majority, each with its own language and identity. During her free time, Jada explores China's wonders, walking along the Great Wall, visiting the Olympic Stadium in Beijing and riding camels in Inner Mongolia. It is her work with her students, however, that will define Jada's experience. Although she may be a cultural banana, falling into the Asian American way of thinking of herself as looking yellow on the outside and white on the inside, Jada leaves an indelible impression on the students and fellow teachers whose lives intersected with hers. In *Banana Girl*, she freely shares the frustration, joy and laughter experienced during her time in China.

Banana Girl

Sweet Bamboo is the vivid and absorbing memoir of a Chinese American family who lived in Los Angeles since the first years of the twentieth century. Lovingly recounted by the second daughter, who went on to become the first Asian American reporter for a major American newspaper, this

account illuminates the many changes that occurred in the family as members increasingly became integrated into American society. While much of the attention given to Chinese immigrants has focused on the struggles of working class people, this book sheds new light on a different kind of immigrant experience—that of privileged Chinese parents and their children living in relative affluence in a predominantly white neighborhood. The family saga begins in China's Kwangtung Province, in the village of Gum Jook (Sweet Bamboo), about 31 miles south of Canton. It follows Louise Leung Larson's parents through their arranged marriage in 1898, to their arrival in Los Angeles, the birth of three daughters and five sons (named after American presidents), and her father's development of a successful herbalist business. Larson's intimate portrait of her family, her lively depiction of Los Angeles at the turn of the century, and her engaging descriptions of meals eaten, holidays celebrated, school events, visits from relatives, and much more make this a richly textured excursion into the dreams and disappointments of everyday life. The death of the author's mother in 1957 marks the end of an era for the Tom Leung family. An epilogue brings the story to the late 1980s, tracing the intermarriage of the third and fourth generations, and the family's diminishing sense of its Chinese identity. A postscript by the author's daughter, Jane Leung Larson, provides details of the fourth and fifth generations Leungs and recounts Jane's trip to China where she visited her parents' birthplaces and met relatives from both her grandmother's and grandfather's families. Taken together, these keen observations illustrate several generations' adaptation to dual cultures and the formation of a unique Chinese American sensibility.

Sweet Bamboo

This book is a collection of stories and reflections that represent Chinese American leaders and depict their tortuous journeys in U.S. higher education that comes at a critical point in time. Many books have been devoted to academic leadership, but this volume uniquely focuses on subjects most relevant to Chinese Americans. We live at a time that not only witnesses an increase in Chinese American leaders on U.S. campuses but also mounting incidents of discriminatory treatment of this group. This book showcases 36 stories and reflections from past, present, and future leaders, including the five previously published stories. They represent leaders holding different ideological values in various academic fields, positions, stages of careers, professional trajectories, generations, Chinese ethnic groups, and geographical locations. *The Rise of Chinese American Leaders in U.S. Higher Education* makes a valuable contribution to the body of literature that has assisted countless academic leaders in navigating their careers, bringing to the forefront a distinct group of academic leaders who have been underrepresented.

The Rise of Chinese American Leaders in U.S. Higher Education: Stories and Roadmaps

What can you expect from a woman who had only a couple hundred dollars in her pocket when she first came to America? Whatever your expectations may be, you certainly wouldn't expect that young woman to become a billionaire. Bursting through the barriers of the male-dominated community of competitive business, Yeni Wong is the first Chinese American woman to become a successful entrepreneur and philanthropist in Washington, DC. Her amazing journey spans from Taipei to Washington, with many stories in between. Yeni Wong is quite smart, talented, accomplished, and a natural leader, not to mention attractive, in her community and beyond. Kent Wang's stunning portrait of Yeni Wong shows us the true trajectory of her life and journey. This book addresses important questions about one of the most interesting figures in Chinatown in Washington, D.C.: Who is Yeni Wong? What is her character? And, most important, what can we expect from her?

Striving in Chinatown and Beyond

This biography describes a Chinese American woman who fell in love with her American husband while on a business trip in the mid-1990, after China opened its door to the west. Deeply influenced by her husband's American cultural values, she becomes a mother of two, a career woman, and a community leader. And, with her husband's support, founds Silicon Valley Women's Association serving local communities and individuals in need. Later, also with her husband's support, she created a franchise "SeeU Coffee" in the Bay area. The biography is based on a true story. A mother raises a child in America and later went to West-pointe Military Academy, then graduated as a military officer serving the combat in Afghanistan and South Korea. The story depicts an extraordinary woman, a community leader, nevertheless, as a new immigrant like millions of other immigrants in America, made her dream come true living in American society. The book is first published in January 2015 as first volume from a series of title about Asian Chinese women venture stories in America in modern time!

My American Husband

Offering a textured history of the Chinese in America since their arrival during the California Gold Rush, this work includes letters, speeches, testimonies, oral histories, personal memoirs, poems, essays, and folksongs. It provides an insight into immigration, work, family and social life, and the longstanding fight for equality and inclusion.

MY LIFE IN CHINA AND AMERICA BY YUNG WING, A. B., LL. D. YALE COMMISSIONER OF THE CHINESE EDUCATIONAL COMMISSION, ASSOCIATE CHINESE MINISTER IN WASHINGTON, EXPECTANT TAO-TAI OF KIANG SU NEW YORK HENRY HOLT AND COMPANY 1909 COPY-RIGHT, 1909 BY HENRY HOLT AND COMPANY TO MY DEVOTED SONS MORRISON BROWN AND BARTLETT GOLDEN YUNG THESE REMINISCENCES ARE AFFECTIONATELY DEDICATED

PREFACE The first five chapters of this book give an account of my early education, previous to going to America, where it was continued, first at Monson Academy, in Monson, Massachusetts, and later, at Yale College. The sixth chapter begins with my reentrance into the Chinese world, after an absence of eight years. Would it not be strange, if an Occidental education, continually exemplified by an Occidental civilization, had not wrought upon an Oriental such a metamorphosis in his inward nature as to make him feel and act as though he were a being coming from a different world, when he confronted one so diametrically different? This was precisely my case, and yet neither my patriotism nor the love of my fellow countrymen had been weakened. On the contrary, they had increased in strength from sympathy. Hence, the succeeding chapters of my book will be found to be devoted to the working out of my educational scheme, as an expression of my undying love for China, and as the most feasible method to my mind, of reformation and regeneration for her. With the sudden ending of the Educational Commission, and the recall of the one hundred and twenty students who formed the vanguard of the pioneers of modern education in China, my educational work was brought to a close. Of the survivors of these students of 1872, a few by dint of hard, persistent industry, have at last come forth to stand in the front ranks of the leading statesmen of China, and it is through them that the original Chinese Educational Commission has been revived, though in a modified form, so that now, Chinese students are seen flocking to America and Europe from even the distant shores of Siam for a scientific education. November, 1909, 16 Atwood St., Hartford, Conn.

MY LIFE IN CHINA AND AMERICA CHAPTER I BOYHOOD I was born on the 17th of November, 1828, in the village of Nam Ping South Screen which is about four miles southwest of the Portuguese Colony of Macao, and is situated on Pedro Island lying west of Macao, from which it is separated by a channel of half a mile wide. I was one of a family of four children. A brother was the eldest, a sister came next, I was the third, and another brother was the fourth and the youngest of the group. I am the only survivor of them all. As early as 1834, an English lady, Mrs. Gutzlaff, wife of the Rev. Charles Gutzlaff, a missionary to China, came to Macao and, under the auspices of the Ladies Association in London for the promotion of female education in India and the East, immediately took up the

My Life in China and America

Based on true character prototypes, series of book of "My American Life" -- volume one, A story about one Chinese student, his life and struggle abroad. As the first book, My American Wife represents a story about the fighting road in America of a Chinese Student sent out by government in early 1980's in Deng era, right after China opened its door to West. Not only his unordinary life and stories in America but also how he is influenced and changed totally by American wife, of her country and whole west civilization.

My American Wife

The only English translation of John Blofeld's memoirs as a Westerner living in China prior to the Communist Revolution • Paints an intimate portrait of the grace and refinement of ancient Chinese civilization • Originally written in Chinese for Chinese readers, revealing a rare glimpse of Blofeld's private Chinese side and uncensored views • The last book by the great English sinologist, translator of the I Ching and author of Taoist Mystery and Magic The reveries and remembrances contained in the travel diaries of John Blofeld cover every aspect of his life in China--from visits to opium dens and sing-song houses to sojourns in the Buddhist monasteries and Taoist hermitages of China's sacred mountains. Here is a vivid glimpse of "old" China as it existed in elegance and grace for three thousand years before China's Communist Revolution. Originally written in Chinese for a Chinese audience, Blofeld's travel diary reveals a rare, uncensored view of pre-communist China to which few westerners have been exposed.

My Journey in Mystic China

Chasing the American Dream in China centers the stories of second-generation Chinese American professionals who "return" to their ancestral homeland to build careers. This book highlights complex issues of ethnic identity and belonging faced by Chinese Americans in both the United States and China as they position themselves as indispensable economic bridges between the world's two greatest superpowers.

Chasing the American Dream in China

Original writings address the struggles of young Asian Americans to define their identities while growing up in the United States

Asian American X

In the tradition of Haley's Roots this book tells the story of a Chinese family and their journey to America.

On Gold Mountain

This memoir describes the discoveries, many unexpected, when a Chinese American psychology professor retires and reinvents himself as a public historian of Chinese in America... a fascinating behind-the-scenes look at the processes involved in researching, writing, publishing, and promoting books. Writers of books on any topic will find useful information. Academic Reviews John Jung is a phenomenon: a career academic turned "outsider" scholar, he has managed to reshape our understanding of the Chinese American experience by his novel historical studies.. Part memoir, part how-to book, it provides a detailed engaging study of Jung's transformation from a psychologist into a historian Greg Robinson, Professor of History, University of Quebec. A fascinating book about a retirement journey that started with the author's memoir about growing up in a laundry in Macon, GA., where his family were the only Chinese. He next published three more rich and important books about Chinese immigrants in North America. ... documents Jung's fascinating metamorphosis as he retired from psychology to enter and become an important voice in Chinese American history. And John's richly contextualized tales of his unique experiences as a Chinese makes the book an insightful cultural biography. Yong Chen, Professor of History, University of California, Irvine. ...Jung's books have been the epitome of good scholarship: his writing informs the reader and compels us to want more beauty and take more time for reflection in our own lives. He has mastered humanizing the Chinese American experience by placing it in a Southern context and, in doing so, humanizes us all by complicating the South we think we know. ...Jung demonstrates the intellectual power of creative scholarship and his generous spirit offers practical guidance for those who want to move ahead with telling their own story. Stephanie Y. Evans, Chair, African American Studies, Africana Women's Studies, and History Clark Atlanta University John Jung has done it again. His quirky memoir is a kaleidoscopic view of Chinese American history from inside out and outside in. Mel Brown, Chinese Heart of Texas: The San Antonio Community 1875-1975. John Jung is the epitome of a retiree who never fades away. He just changed his academic focus to expand his horizons into the field of Chinese American social history, and expose the struggles and triumphs of the second and third generations of laundry operators and restaurateurs - Sylvia Sun Minnick, SAMFOW: The San Joaquin Chinese Legacy. Reader Reviews Enjoyable, Informative, and a Pleasure to Explore By E. Kanell Considering writing a memoir or a collection of memories? Treat yourself to A CHINESE AMERICAN ODYSSEY before you start. Not only does Jung give the back-story of his earlier books (Southern Fried Rice; Sweet and Sour), but he also

provides insight into the research, writing, and publishing process for independent authors in particular. And he shows how a deep interest in a topic and a willingness to gather others' experiences can lead to fresh insight in contemporary history. This book is helpful if you want to learn how to self-publish and promote a book, change careers or learn about Chinese-American history. John Jung's writing style is folksy, with a lot of humor. He tells how he retired from his job as a psychology professor and became an author of four books about Chinese American history (this is his fifth). His *Odyssey Is My Journey On Gold Mountain*. By Raymond D. Chong on February 17, 2015 Dr. John Jung's "A Chinese American Odyssey" is wonderful work of our Chinese American experience in Gold Mountain. He offers many historical and ancestral gems of the Chinese in America. His writing style is folksy as well as intimate. His memoir truly reflects my similar journey as a Bamboo on Gold Mountain. Another literary masterpiece by Dr. John Jung, a true giant.

A Chinese American Odyssey

Asian Americans are the fastest growing racial/ethnic population in the United States. Especially since the 1990s, readings by Asian American biblical scholars have been increasing to meet the particular theological and pastoral concerns of their Christian racial/ethnic seminarians, clergy, and churches. Gale A. Yee is one of their major interpreters, becoming the first Asian American and first woman of color president of the oldest professional guild devoted to the critical study of the Bible, the Society of Biblical Literature. This book is an anthology of her major, ground-breaking essays on Asian American theorizing and analysis of the biblical text. It is a retrospective of her growth of over almost three decades in wrestling with questions like "What is Asian American biblical hermeneutics and how does one undertake it?"

Towards an Asian American Biblical Hermeneutics

In today's educational world, supporting graduate students from all backgrounds and ensuring they receive the best education possible is vital. Due to this, academic mentors and graduate student mentoring programs must provide equitable support within learning environments as a construct of social justice for supporting the success of advanced, underrepresented student learners. *Best Practices and Programmatic Approaches for Mentoring Educational Leaders* discusses empowered perspectives about conceptual and best practice approaches regarding mentoring and supporting doctoral students' success and considers the area of diversity and inclusion in higher education related to best practices in programming. Covering topics such as educational leadership, higher education, mentoring networks, and communities, this reference work is ideal for industry professionals, administrators, policymakers, researchers, academicians, scholars, practitioners, instructors, and students.

Best Practices and Programmatic Approaches for Mentoring Educational Leaders

The story of Xuanzang, the monk who went from China to India in quest of Buddhist scriptures.

The Journey to the West, Revised Edition, Volume 1

Literary Nonfiction. LGBTQIA Studies. Asian & Asian American Studies. Born in a rural Chinese village and identified as a girl at birth, Lei Ming, is barely cared for during his childhood. Often lonely, terrified and abused, he learns early to fend for himself and look within for answers, but there he discovers a paradox that threatens to undo him. Although he does not yet know the word "transsexual," at 16, Ming sets out on a secret mission to find relief. *LIFE BEYOND MY BODY* tells the true story of his quest to find answers in a society that is closed-mouthed about men like Ming. Along the way, Ming finds solace and judgement in the Christian church, loves and loses a woman, begins his physical transition using black market testosterone, is jailed over his identity, and arranges for top surgery without blowing his cover. But ultimately, understanding the true meaning of being a man will require reckoning with God.

The Chronicles of Ruth

Ruth Shaw began a blog, Ruthlace, in 2006 at the age of 82, in order to write about her life growing up in the 1920s and 1930s, the Great Depression, World War II, along with stories her own mother shared with her of earlier times.

Learn, Believe, and Obey

Caleb and Mary Ruth have become teenagers and are doing more and more for the Lord. They now bring many young people to Jesus Christ. They received four very close friends that will help them teach their Christian believers. They are hoping to help the world someday and bring more and more people to the Lord and Savior, Jesus Christ. This is the third book of the series, "The Chronicles of Caleb and Mary Ruth." They are now starting to meet their true destiny.

Rewriting History in the Bible

Caleb and Mary Ruth are now older and closer to the Lord. It is now the years of the 1970s and early 80s. They are teaching people and following their true destiny. Other things are happening and it is making them stronger and stronger and helping others to believe in our Lord and Savior, Jesus Christ. They now have a group of wonderful Christians helping them. Also getting stronger to teach and help

others. They truly want to do God's will, walk in his narrow path of righteousness, and stay in it while they are in the flesh.

We Will Always Have Faith

Two young children, Caleb a ten year old boy and Mary Ruth a seven year old girl, have a wonderful destiny to be fulfilled. Not knowing why bad things are happening to them, they soon realize what is causing these dreadful things. Caleb and Mary Ruth know how to protect themselves. This is a very emotional and suspenseful story. Many things are happening to these children and you will start to understand why and who is doing it. You will then understand the meaning of the story. This is the first in a series of books, titled "The Chronicles of Caleb and Mary Ruth"

Children of Destiny

"In Cornwall, on the eve of the First World War, aspiring poet Kit Rivers has a bright future ahead. As the Lord of the Manor's heir, Kit knows his duty is to the family estate but when he falls passionately in love Kit is determined not to let his parents' bitter opposition spoil an idyllic summer. Yet before the golden days even have a chance to fade into autumn war comes to change Kit's world forever. One century later, widowed Chloe Pencarrow exchanges London for the solitude of a Cornish cliff top house. Haunted by memories, Chloe's interest in an obscure war poet, Kit Rivers, proves a welcome distraction and leads her to piece together a forgotten history. Faced with more questions than answers, her own life soon becomes entwined with Kit's through love, loss, and the darkest of secrets..."--Cover p.4.

The Letter

Everything She Touched recounts the incredible life of the American sculptor Ruth Asawa. This is the story of a woman who wielded imagination and hope in the face of intolerance and who transformed everything she touched into art. In this compelling biography, author Marilyn Chase brings Asawa's story to vivid life. She draws on Asawa's extensive archives and weaves together many voices—family, friends, teachers, and critics—to offer a complex and fascinating portrait of the artist. Born in California in 1926, Ruth Asawa grew from a farmer's daughter to a celebrated sculptor. She survived adolescence in the World War II Japanese-American internment camps and attended the groundbreaking art school at Black Mountain College. Asawa then went on to develop her signature hanging-wire sculptures, create iconic urban installations, revolutionize arts education in her adopted hometown of San Francisco, fight through lupus, and defy convention to nurture a multiracial family. • A richly visual volume with over 60 reproductions of Asawa's art and archival photos of her life (including portraits shot by her friend, the celebrated photographer Imogen Cunningham) • Documents Asawa's transformative touch—most notably by turning wire – the material of the internment camp fences – into sculptures • Author Marilyn Chase mined Asawa's letters, diaries, sketches, and photos and conducted interviews with those who knew her to tell this inspiring story. Ruth Asawa forged an unconventional path in everything she did—whether raising a multiracial family of six children, founding a high school dedicated to the arts, or pursuing her own practice independent of the New York art market. Her beloved fountains are now San Francisco icons, and her signature hanging-wire sculptures grace the MoMA, de Young, Getty, Whitney, and many more museums and galleries across America. • Ruth Asawa's remarkable life story offers inspiration to artists, art lovers, feminists, mothers, teachers, Asian Americans, history buffs, and anyone who loves a good underdog story. • A perfect gift for those interested in Asian American culture and history • Great for those who enjoyed Ninth Street Women: Lee Krasner, Elaine de Kooning, Grace Hartigan, Joan Mitchell, and Helen Frankenthaler: Five Painters and the Movement That Changed Modern Art by Mary Gabriel, Ruth Asawa: Life's Work by Tamara Schenkenberg, and Notes and Methods by Hilma af Klint

Everything She Touched

This series of books is called the chronicals of Caleb and Mary Ruth. It is about their entire life with God and how He took care of them. They always loved Him, believed in Him and had true faith in Him. They were so thankful to Him and did their best to bring people to Him in many ways. They also had good believers working with them. They loved everyone and also helped them. This is what will happen when you truly believe in God, Jesus Christ and The Holy Spirit.

We Love Our Destiny with God

Locketts, like hearts, keep secrets During the golden summer before the First World War, Emily Pendennys knows her duty is to rescue the family fortunes by marrying well. Falling in love is little more than a dream and leaving her small Cornish village an impossibility. But as the storm clouds of war gather a chance encounter changes Emily's future and steals her heart forever. Over a century later researching family history is a solace for Alison Foy while her beloved soldier son is away on active service. When she stumbles across a forgotten link between her great-grandparents and the famous war poet Kit Rivers, Alison discovers their past is woven through her present in a tapestry of loss, love and long kept secrets. One tug of the thread will be all it takes for a decades-old pattern to unravel... THE LOCKET, the new companion novel to Ruth Saberton's bestselling THE LETTER, is an unforgettable tale of friendship, sacrifice and never-ending love.

The Locket

Caleb and Mary Ruth are now living a new way, in a place where they have never been before. Fortunately, they have great adults with them. They started out with no home, no food, no water, or anything else. They do have faith that they will survive. This is a very interesting and loving book. This is a very loving story and hopefully you will understand that everything will happen at it's due time, for a reason, and you must never give up. This is the second book of the series" "The Chronicles of Caleb and Mary Ruth." The first book, "Children of Destiny," is very exciting. They will meet the destiny they were born for!

We Will Never Give Up

Illuminates each Old Testament historical book by examining its content, structure, and theological message.

Handbook on the Historical Books

The popular biblical story of Ruth and her mother-in-law Naomi is retold in this beautifully illustrated picture book. As Ruth chooses to remain with Naomi with the famous words "Your people shall be my people," she becomes the first convert to Judaism and the future grandmother of King David. A powerful story of friendship and commitment for a young audience.

The Story of Ruth

Traditionally, the Book of Ruth is viewed as a beautiful love story between Ruth and Boaz. But if you dig deeper, you'll find startling revelations---that God makes much of broken lives, he calls men and women to serve him together, and he's counting on his daughters to build his kingdom. Now in softcover.

The Gospel of Ruth

'According to Ruth' chronicles the events and emotions of one momentous summer. The break up of a marriage and the effect this has on four children is told largely from the darkly humorous perspective of 15-year-old Ruth, who is desperate to escape the strictures of family life and pursue her own quest for love.

Joshua, Judges, Ruth, 1st and 2nd Samuel, 1 Chronicles XI., 1 Kings I-XI., 2 Chronicles I-IX

THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include:* commentary based on THE NEW INTERNATIONAL VERSION;* the NIV text printed in the body of the commentary;* sound scholarly methodology that reflects capable research in the original languages;* interpretation that emphasizes the theological unity of each book and of Scripture as a whole;* readable and applicable exposition.

The Expositor's Bible

1 and 2 Chronicles, Ezra, Nehemiah, Ruth, Jonah, 1 and 2 Maccabees by Peter R. Ackroyd (1970).

According to Ruth

Winner of the Booker Prize as best novel of the year in 1983, Heat and Dust was also made into a major motion picture starring Julie Christie, now regarded by many as a classic.

Judges, Ruth

The book of Ruth is probably best known as a romantic love story that, through the expression of loving devotion, overcomes tragedy and ends with the founding of the most famous family in all of biblical Israel. But the book wasn't always this way. In fact, it wasn't a book at all but rather a story told with a very different purpose in mind. Before Ruth, there was the Story of Naomi, a subversive story designed to challenge a male-dominated status quo. Through comedy, sarcastic irony, and unparalleled rhetorical skill the Naomi storyteller holds up for inspection social gender roles and the power of sexuality in a manner that resonates yet today. The Story of Naomi--The Book of Ruth goes behind the literary rendition of the story and recaptures the original oral tale, with script and performance directions that brings to life the humor, tragedy, and transparent honesty shared between the Naomi storyteller and her audience.

1 and 2 Chronicles, Ezra, Nehemiah, Ruth, Jonah, 1 and 2 Maccabees

'A magnificent selection of the Booker winner's short stories' Sunday Times With an introduction by Anita Desai. Over the course of her glittering literary career, Ruth Praver Jhabvala wrote some of the most wonderful novels of the twentieth century and screenplays to some of the most beloved films - but she was also a master of the short story form. This stunning new collection brings together the jewels in the crown of her writing: it is a showcase of astonishing storytelling power.

An old story of Bethlehem, by the author of 'Chronicles of the Schönberg-Cotta family'.

After the news broke of Bernie Madoff's arrest on December 11, 2008, the facts were hard to grasp. Madoff claimed to have stolen fifty billion dollars; the sum seemed impossibly large. But of course it wasn't impossible. And that was only the beginning of the story. As chief investigative correspondent for ABC News, Brian Ross has been on the front lines of the Madoff scandal since the beginning. Throughout the course of his investigation, he and his team have achieved unequalled access to the investigators working to unravel Madoff's fraud, and have succeeded in cultivating sources deep within the walls of Bernard L. Madoff Investment Securities that no other journalist has reached. The result is an unparalleled, fly-on-the-wall view of a life of corrupted luxury and outrageous lies.

Heat and Dust

In this introduction to the first five books of the Old Testament, Victor Hamilton moves chapter by chapter--rather than verse by verse--through the Pentateuch, examining the content, structure, and theology. Each chapter deals with a major thematic unit of the Pentateuch, and Hamilton provides useful commentary on overarching themes and connections between Old Testament texts. This second edition has been substantially revised and updated. The first edition sold over sixty thousand copies.

The Story of Naomi--The Book of Ruth

The studies that make up this book explore in what ways Israel's sacred tradition developed into canonical scripture and in what ways this sacred tradition was interpreted in early Judaism and Christianity. This collection will stimulate continuing investigation into the growth and interpretation of scripture in the context of the Jewish and Christian communities of faith, and will serve well as a reader for graduate courses with its focus on early exegesis and intertextuality.

At the End of the Century

'I Found My Tribe is inspiring, humbling and a picture of what love really looks like' Marian Keyes An invocation to all of us to love as hard as we can, and live even harder, I Found My Tribe is an urgent and uplifting letter to a husband, family, friends, the natural world and the brightness of life. Ruth's tribe are her lively children and her filmmaker husband, Simon, who has Motor Neurone Disease and can only communicate with his eyes. Ruth's other 'tribe' are the friends who gather at the cove in Greystones, Co. Wicklow, and regularly throw themselves into the freezing cold water, just for kicks. 'The Tragic Wives' Swimming Club', as they jokingly call themselves, meet to cope with the extreme challenges life puts in their way, not to mention the monster waves rolling over the horizon. 'Fitzmaurice tells her story in sparkling prose that is as sinewy as her new sea-strengthened body, and as admirable and boundless as her spirit', Sunday Times 'Uplifting and life-affirming' Stylist

The Madoff Chronicles

One approach to Chronicles would suggest that it was not considered an altogether vital component in the canon, but later it came to play a specific interpretative role. Others suggest that it came to be regarded as the authorized version of the history of Israel. In the Jewish liturgical tradition the Book of Ruth is read at the festival of Shavuot, or Pentecost, and it may be conjectured that the Targum originated in conjunction with this practice. The Targum of Ruth exists in a large number of manuscripts; the eight used in the present work are of European provenance.

Handbook on the Pentateuch

Dr. Leland McClanahan, a pastor, scholar and theologian divides "An Outline of the Book of Psalms" into five groups, each of which corresponds with the Pentateuch, or first five books of the bible. Other publications of similar titles are pale by comparison to Dr. McClanahan's version. He also wrote "An Outline of the Book of the Prophet Isaiah". Arch Bishop Leland McClanahan service of almost eight decades culminated with the charter of Chapel Christian University November 1990. His publications and credentials are too numerous to list. His ability to "rapid scan" read the bible daily from Genesis to Revelation is noteworthy. He is counted among the most conservative theologian of the twenty first century with more than thirty unpublished textbook ready to publish pending funding or donations. Dr. Leland McClanahan holds many degrees. He has served congregations in Indiana and Florida and is currently President of Chapel Christian University in Merritt Island, Florida.

The Function of Scripture in Early Jewish and Christian Tradition

A boy on a quest against the power of the storm Eleven-year-old Danny's parents are storm chasers - which sounds fun and exciting, and it is, so long as you aren't the son who has to wait behind at home. And one night, after a particularly fierce storm, Danny's parents don't come back. Stranger still, the old sycamore tree in Danny's yard seems to have been struck by lightning, and when he picks up a fragment of wood from the tree's heart, he finds he can hear voices ... including that of next door's rather uppity cat, Mitzy. The stick is a taro, a shard of lightning that bestows upon its bearer unnerving powers, including the ability to talk with plants and animals - and it is very valuable. So valuable, in fact, that it attracts the attention of a Sammael, an ancient figure of darkness and a buyer of souls. And he will do anything to get his hands on it ... And so begins a dangerous and daring quest. Danny, who is bewildered, alone and unaccustomed to acts of bravery, must confront his fears, find his parents and unravel the secrets of The Book of Storms ...

I Found My Tribe

Includes a note from the author, a glossary and discussion questions.

The Targum of Ruth

Betrayed and broken-hearted, suddenly single and in debt, can Andi Evans find the strength to start again? A summer working in the pretty Cornish town of Rock seems the perfect solution. Andi's sister, Angel is determined to find a man who can keep her in style. Actress Gemma hopes a summer in Cornwall solves some of her problems as well. Arriving in idyllic Cornwall, all three girls are hoping for a holiday to remember. But will this be for the right reasons? Or, as emotions run higher than the tide, will the summer escape turn their lives upside down?

Outline of The Book of Ruth, The First and Second Book of Samuel, The First and Second Book of Kings and First Chronicles

"NEW YORK TIMES "BESTSELLER Ruth Reichl is a born storyteller. Through her restaurant reviews, where she celebrated the pleasures of a well-made meal, and her bestselling memoirs that address our universal feelings of love and loss, Reichl has achieved a special place in the hearts of hundreds of thousands of readers. Now, with this magical debut novel, she has created a sumptuous, wholly realized world that will enchant you. Billie Breslin has traveled far from her home in California to take a job at "Delicious", New York's most iconic food magazine. Away from her family, particularly her older sister, Genie, Billie feels like a fish out of water--until she is welcomed by the magazine's colorful staff. She is also seduced by the vibrant downtown food scene, especially by Fontanari's, the famous Italian food shop where she works on weekends. Then "Delicious" is abruptly shut down, but Billie agrees to stay on in the empty office, maintaining the hotline for reader complaints in order to pay her bills. To Billie's surprise, the lonely job becomes the portal to a miraculous discovery. In a hidden room

in the magazine's library, Billie finds a cache of letters written during World War II by Lulu Swan, a plucky twelve-year-old, to the legendary chef James Beard. Lulu's letters provide Billie with a richer understanding of history, and a feeling of deep connection to the young writer whose courage in the face of hardship inspires Billie to come to terms with her fears, her big sister and her ability to open her heart to love. Praise for "Delicious" " " "Its title strikes me as perfectly apt. . . . The novel presents a whole passel of surprises: a puzzle to solve; a secret room; hidden letters; the legacy of James Beard; and a parallel, equally plucky heroine from the past, who also happens to be a culinary prodigy."--"The New York Times Book Review" " " "Drawing amply on her years as editor of "Gourmet," Ruth Reichl's fiction debut, "Delicious," follows a perfect-palated aspiring young journalist to her new job at an iconic New York food magazine, where she uncovers a mysterious trove of James Beard's wartime correspondence--and learns how intimately food and legacy are intertwined."--"Vogue" " " "Reichl's compulsively readable novel is a treat for anyone who loves a warm, character-packed tale--a delectable mix of flavor, fantasy, and emotional comfort food."--"O: The Oprah Magazine" " " "This savory feast of a first novel blends the rich gifts that readers of Reichl's memoirs and food writing have come to expect. To a tantalizing coming-of-age story about a budding chef and journalist she adds a bittersweet tale of separated sisters."--"More" " " "Reichl's vivid descriptions of food will have readers salivating, and an insider's look at life at a food magazine is fascinating. Her satisfying coming-of-age novel of love and loss vividly demonstrates the power of food to connect people across cultures and generations."--"Library Journal" (starred review) "From the Hardcover edition."

The Book of Storms

In the Old Testament we read God's word as it was spoken to his people Israel. Today, thousands of years later, we hear in these thirty-nine books his inspired and authoritative message for us. These twin convictions, shared by all of the contributors to The New International Commentary on the Old Testament, define the goal of this ambitious series of commentaries. For those many modern readers who find the Old Testament to be strange and foreign soil, the NICOT series serves as an authoritative guide bridging the cultural gap between today's world and the world of ancient Israel. Each NICOT volume aims to help us hear God's word as clearly as possible. Scholars, pastors, and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts. The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament. As gifted writers, they present the results of the best recent research in an interesting manner. Each commentary opens with an introduction to the biblical book, looking especially at questions concerning its background, authorship, date, purpose, structure, and theology. A select bibliography also points readers to resources for their own study. The author's own translation from the original Hebrew forms the basis of the commentary proper. Verse-by-verse comments nicely balance in-depth discussions of technical matters textual criticism, critical problems, and so on with exposition of the biblical writer's theology and its implications for the life of faith today.

Ruth and the Night of Broken Glass

The book of Ruth is among the only three books of the Old Testament named after women-Ruth, Esther, and Judith. It is a fascinating short story. Loss and Redemption: Lessons from Naomi and Ruth explores the relevance and resonance of the story of Ruth as lessons for today's reader. The lessons go beyond grieving to perennial human problems. It is not a technical biblical analysis of the book of Ruth but a practical and straightforward application of Ruth's story to specific daily struggles. "The book of Ruth remains among the most fascinating, and yet elusive, chronicles in the Bible. In this notably well-written study, Fr. Thomas systematically traces its meanings and ongoing resonance in notably clear, yet resonant language. A gem of a book." -Jim Cullen, PhD, Author of Restless in the Promised Land: Catholics and the American Dream and other books "This excellent book illuminates the levels of meaning that can be found in the book of Ruth. While engaging us with its perceptive writing, it draws some extremely important lessons from the actions of this much-loved story and relates them to our present situation." -Tom Milton, Author "This book has brought both old and new insights to the Old Testament's story of Ruth and Naomi to help Christians in this time of world suffering. He draws on modern scientific resources and findings, along with traditional theological insights." -Sidney Callahan, PhD, Author, Lecturer, and Licensed Psychologist "Thomas's use of the book of Ruth as the instrument for guiding us through the maze of current physical and spiritual loss provides the reader with a thoughtful direction that so many of us seek." -Mary Lou Dillon, an educator

The book of Ruth in Hebrew

With due regard to primary source materials, this history not only treats the initial phases of Campbell County's settlement and the three major streams of immigration-Quaker, Presbyterian, and Anglican-but also identifies the early patentees, the Quakers who moved from South River, the founders and settlers of Lynchburg and surrounding towns and villages, ministers, lawyers, court clerks, judges, military veterans, and pensioners. Of paramount importance for genealogists is the 200-page section devoted to Campbell County genealogies.

The book of Ruth in Hebrew, with a critically-revised text, various readings, and a grammatical and critical commentary; to which is appended the Chaldee Targum, with various readings, grammatical notes, and a Chaldee glossary, by C.H.H. Wright

From his first year in the majors, George Herman "Babe" Ruth knew he could profit from celebrity. Babe Ruth Cigars in 1915 marked his first attempt to cash in. Traded to the Yankees in 1920, he soon signed with Christy Walsh, baseball's first publicity agent. Walsh realized that stories of great deeds in sports were a commodity, and in 1921 sold Ruth's ghostwritten byline to a newspaper syndicate for \$15,000 (\$187,000 today). Ruth hit home runs while Walsh's writers made him a hero, crafting his public image as a lovable scalawag. Were the stories true? It didn't matter--they sold. Many survive but have never been scrutinized until now. Drawing on primary sources, this book examines the stories, separating exaggerated facts from clear falsehoods. This book traces Ruth's ascendance as the first great media-created superstar and celebrity product endorser.

Escape for the Summer

'An immersive novel, steeped in the history and folklore of Crete: transporting, historically informative story-telling' Sunday Times 'A moving, superbly written exploration of a family with dark secrets. Crete itself becomes one of the main characters in the story' Irish Times, Best Books 2021 ----- This was my home. This harbour and sea. These golden alleys. But the town I grew up in has disappeared. Broken by the death of her husband, Ri, a successful international artist living in London, returns to her ancestral home of Crete. The Greek island is known for its ancient myth and mass tourism, but when Ri returns she finds a secret, darker history. As the home she left deals with a looming Brexit, and the home she rediscovered grapples with a refugee crisis, Ri confronts her changing identity. Unearthing stories from her family's past leaves a permanent mark on her understanding of herself, her relationship to her country, and her art. Lyrical, unsettling and evocative, Daughters of the Labyrinth explores the power of buried memory and the grip of the past on the present, and questions how well we can ever know our own family. ----- 'Daughters of the Labyrinth is a novel about a daughter's passionate quest for the truth about what happened to her parents in Crete during the German occupation. It is also a sumptuous and sensuous evocation of Crete itself, its landscape and culture. Ruth Padel's brings a poet's eye to this world of great physical beauty and gnarled legacy' Colm Tóibín

The Book of Ruth in Hebrew, with a Critically-revised Text, Various Readings, Including a New Collation of Twenty-eight Hebrew Mss

For Lucy

From USA Today & Wall Street Journal bestselling author Jewel E. Ann comes a novel so heartfelt and real it redefines the meaning of love. I'm the wrong guy in the right place the night I steal Tatum Bradshaw from another man. When she mistakes me for her blind date, I decide she deserves a man who shows up on time ... like me. Emmett Riley, Mr. Punctual. Once I confess my true identity and convince her I'm not a creep-just a thief-it's only a matter of time before my sexy smile and quick wit claim her heart, her hand in marriage, and the perfect life. Unfortunately, perfection is an illusion, like the promises of our wedding vows. No one can prepare for the unimaginable-the heartbreaking exception to all the rules in life. When thirty seconds destroys everything, I have to find a new existence and keep

my promise to always love our daughter, Lucy, the most. For Lucy, I will keep a secret, and I will watch my wife drift into the arms of another man. Given the chance ... can I reclaim my wife and the pieces of our life?

bits and pieces of my life

This is a book of recollections and reflections of the authors experiences over a long period from Warsaw, Poland where she was born, through WW11 and the Warsaw Uprising. Arrival in England after the war as a refugee, School and College subsequent marriage enjoying a career as dancer, teacher and choreographer in six countries including New York where she received a MA degree in Theatre Arts from Hunter College. She now lives in London where she still pursues her career as an actor.

Bestselling new women's author and conference speaker Smith gets to the heart of beauty in brokenness; the cracks that show in people's lives don't eliminate the ability to magnify God.

The Life You Stole

Sex. Lies. Revenge. On the heels of a devastating loss, Evelyn fights to put her life back together. Only ... part of her husband belongs to another woman, and the devil owns her soul. "If you tell her the lie, I will tell her the truth." When her best friend goes to great lengths to protect Evelyn from destruction and devastation, mistakes are made, lines are crossed, and all trust is shattered. "We weren't unbreakable. I just needed to believe we weren't unrepairable." Don't miss the explosive conclusion to this unforgettable thriller by Jewel E. Ann, bestselling author of The Transcend Series.

The Life That Mattered

Ronin Alexander's heart stops beating, but paramedics bring him back to life. A life as a ski patroller. An opportunity to pay it forward. A chance to meet Evelyn Taylor at a cafe in Vancouver. He falls hard and fast for the bath shop owner. Evelyn brings him into her world--a world where her two best friends are getting married. A world of wealth and politics. A world of sex and lies where the lines between friendship blur. A world where Ronin realizes he should have stayed dead. Are you ready to step into another dimension with this mind-bending romance, a provocative story that pushes boundaries and tests the true meaning of love?

In Pieces

In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time -- about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From Gidget's sweet-faced "girl next door" to the dazzling complexity of Sybil to the Academy Award-worthy ferocity and depth of Norma Rae and Mary Todd Lincoln, Field

has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind-the-scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships--including her complicated love for her own mother. Powerful and unforgettable, *In Pieces* is an inspiring and important account of life as a woman in the second half of the twentieth century.

Mosaic

One of America's most popular music artists bares her heart and soul in her first autobiographical work. With honesty and depth, Grant offers poignant and often startling insights on motherhood, marriage, forgiveness, and faith--revealing a life blessed with jagged edges as well as vivid colors.

Beethoven

****WINNER of Presto Books' Best Composer Biography** NINE WORKS OF BEETHOVEN, NINE WINDOWS INTO THE LIFE AND LEGACY OF A MUSICAL GENIUS.** 'We are doubly blessed that Beethoven should have led such an extraordinary life. Laura has combined the two - the genius of his music and the richness of his experiences - to shine a revealing light on our greatest composer' John Humphrys _____ Ludwig van Beethoven: to some, simply the greatest ever composer of Western classical music. Yet his life remains shrouded in myths. In *Beethoven*, Oxford professor Laura Tunbridge cuts through the noise. With each chapter focusing on a period of his life, piece of music and revealing theme - from family to friends, from heroism to liberty - she provides a rich insight into the man and the music. Revealing a wealth of never-before-seen material, this tour de force is a compelling, accessible portrayal of one of the world's most creative minds and it will transform how you listen for ever. _____ 'Tunbridge has come up with the seemingly impossible: a new way of approaching Beethoven's life and music . . . profoundly original and hugely readable' John Suchet, author *Beethoven: The Man Revealed* 'This well researched and accessible book is a must read for all who seek to know more about the flesh and blood tangible Beethoven.' John Clubbe, author of *Beethoven: The Relentless Revolutionary* 'This book is really wonderful! ... However many books on Beethoven you own, find the space for one more. This one' Stephen Hough, pianist, composer, writer 'In a year when everyone's looking for a new take on Beethoven, Laura Tunbridge has found nine. Fresh and engaging' Norman Lebrecht, author of *Genius and Anxiety* 'Remarkable . . . she captures the essence of his genius and character. I'll always want to keep it in easy reach' Julia Boyd, author of *Travellers in the third Reich*

As We Grow

No one knows what lies ahead or who they'll grow to be, It's all a part of growing up - the journey to be me... In this stunning picture book, Richard Jones' enchanting illustrations sensitively depict each stage of life and the journey of transformation that we undergo as we grow up.

Mosaic

"When a pot breaks, it's useless; at best there might be a shard that you can use to scoop grain. But what about a broken life? What about me? I feel so fragmented. Can I be repaired somehow? How do I live with the hate I feel towards those I'm supposed to be closest to? My life is in pieces and I don't know what to do..." Will one tragic event leave friendship and family ties irrevocably broken? And how will a historical Middle Eastern mountain community deal with news of a miracle worker? Is he too good to be true?

Pieces of a Life

You see two very different families, the Merediths and the Kelloggs, when Ruth and John meet in 1926. You watch their recent family history unfold, centering on their parents and grandparents. Ruth's early diaries and John's autobiography form the underpinnings of their story. Ruth at twenty and John at

twenty-seven are from different worlds. John Webb Kellogg was born into wealth, son and grandson of engineers in Buffalo, New York. John's money and future disappear, it seems, when his father dies, leaving little but a sixteen-room house to his second wife, a young Irishwoman, and their two children, John and Dorothy. John is driven to succeed, much like the Scottish-English Kelloggs who preceded him—impatient, quick-tempered. He feels cheated out of the lifestyle he enjoyed as a child. He works his way through the University of Michigan, riveted on making money and living well. Just out of Austin High in Chicago, Ruth Viola Meredith is a sweet, kind girl who worked very hard to graduate. She loves making clothes, going to movies, and playing games with her girlfriends. She dreams about a steady beau, but no one appears. Ruth, her brother, Jimmie, and her parents live in blue-collar Austin, a neighborhood on the west side of Chicago. Her father came from a farm in Berrien County, Michigan, as a young man. Her mother's side came from the East Coast in the mid-1800s. Ruth's roots are English, Dutch, and Welsh.

Love You to Bits and Pieces

The wife of Australian pianist David Helfgott discusses the pianist's life story, from child musical prodigy, through his mental breakdown, and to a triumphant recovery

Twenty Pieces

Lisa's world collapsed the year she turned 58. Her 25-year marriage ended; the only home her children had ever known fell into foreclosure; and her last child left the nest. Her financial lifeline, her career in advertising, had gone stagnant. From under the crushing realities a wild idea popped into her head. What if she went away for 30 days, all alone to New York City and took a crash course to learn the new digital ways of her business? After class she could sneak in a 1-mile walk, each day treating herself to a different neighborhood of Manhattan, the place she'd always dreamed of living. Using the lessons she'd learn, she could share stories and photos from her daily walks, all in hopes of reinventing herself professionally. It seemed like the perfect plan, and it was. However-the real truth she found on the streets of Manhattan never made it to her blog. Only in her personal diary did she share the rawness of what she learned about herself ... and all she needed to do to make the changes she wanted. In her memoir, *Twenty Pieces*, Lisa Weldon shares what she learned.

Pieces of Happiness

'If you loved The Best Exotic Marigold Hotel, then *Pieces of Happiness* should be on your reading list. Five friends in their 60s, all battered by life, seek refuge on Fiji and start a chocolate farm.' - *Good Housekeeping* Four friends leave their old lives behind. Will they learn to accept, forgive and find a better way to live? When recently-widowed Kat writes to her four old school friends, inviting them to live with her on a cocoa plantation in the South Pacific, they swap icy pavements and TV dinners for a tropical breeze and an azure-blue ocean. Leaving behind loneliness, dead-end jobs and marriages that have gone sour, they settle into the Women's House, surrounded by palms and cocoa trees; and locals with the puzzling habit of exploding into laughter for no discernible reason. Each of the women has her issues to resolve, and secrets to keep. But together the friends find a new purpose, starting a business making chocolate: bittersweet, succulent pieces of happiness. As they embrace a new culture that views ageing so differently from their own, will they learn to accept and forgive: to discover the value of friendship, and a better way to live?

Pieces of You

Wise, tough, heart-breaking, funny, this compulsive love story is about facing your demons. Fifteen-year-old Rebecca McQuilten moves with her parents to a new city. Lonely but trying to fit in, she goes to a party, but that's when things really fall apart. I couldn't tell anyone what had happened. Especially since I was the new girl in town. Who would want to believe me? Things look up when she meets gregarious sixteen-year-old Cory Marshall. 'You're funny, Becs,' Cory said. 'You have no idea,' I said, and clearly he didn't, but I was smiling anyway. And after that, he was all I could think about. Cory helps Rebecca believe in herself and piece her life back together; but that's before he shatters it all over again . . .

Beautifully Broken Pieces

A woman who's lost everything. Taylor is looking for peace and quiet away from the memories of all she's lost. A small mountain town where no one knows her seems like the perfect escape. A man battling the ghosts of his past. Walker loves his life just the way it is. His town, his family, his brothers in blue. Everything simple and easy—until a chance encounter changes it all. When Taylor's solitude is interrupted by the rugged cop, they find that the very thing they were avoiding might be just what they both need. As their iron wills clash and passion flares...a killer lurks. And you never know who might be caught in the crosshairs. ***** Read what others are saying about Beautifully Broken Pieces: "A small town romance that gripped me from the very first page. After spending the weekend discovering Catherine Cowles' writing for the very first time, I walked away knowing I would read every single thing this talented new author ever writes." - Natasha is a Book Junkie "There aren't enough stars in the world for what this book deserves because Beautifully Broken Pieces deserves every last star in the universe." - Red Hatter Book Blog *** Perfect for readers of Kristen Ashley, Nora Roberts, and Devney Perry.

Switching Time

A psychiatrist describes his work with Karen Overhill, a patient complaining of acute depression who turned out to have been a victim of horrific childhood sexual abuse and had developed seventeen distinct and separate personalities.

Pieces of Her

Now a major Netflix adaptation: The #1 Australian bestseller from the author of *The Silent Wife* 'A novel that sets the standard for psychological thriller writing. Rarely in fiction have the past and the present collided with such force and in such a distinctive and compelling voice' Jeffery Deaver What if the person you thought you knew best turned out to be someone you never knew at all? Andrea Oliver's mother, Laura, is the perfect small-town mum. Laura lives a quiet but happy life in sleepy beachside Belle Isle. She's a pillar of the community: a speech therapist, business owner and everybody's friend. And she's never kept a secret from anyone. Or so Andrea thinks. When Andrea is caught in a random violent attack at a shopping mall, Laura intervenes and acts in a way that is unrecognisable to her daughter. It's like Laura is a completely different person - and that's because she was. Thirty years ago. Before Andrea. Before Belle Isle. Laura is hailed as a hero for her actions at the mall but 24 hours later she is in hospital, shot by an intruder, who's spent decades trying to track her down. What is Andrea's mother trying to hide? As elements of the past return and put them both in danger, Andrea is left to piece together Laura's former identity and discover the truth - for better or worse - about her mother. Is the gentle, loving woman who raised her also a violent killer? 'A nerve-shredding psychological thriller that will keep readers guessing to the very last page' New York Journal of Books 'A frenetic, stay-up-all-night kind of read' Good Reading 'Filled with Slaughter's trademark twists' Entertainment Weekly

All in Pieces

"A girl struggles to take care of her younger brother with special needs while confronting her own anger issues"--

The Secret Life of Walter Mitty and Other Pieces

James Thurber is universally admired for his hilarious sense of humour, off-beat imagination and unique take on the world around him. *The Secret Life of Walter Mitty*, in which a young man's fantasies have a much more powerful hold on him than reality, is probably his best-known prose work, but this selection also contains wonderfully entertaining essays, poetry and cartoons gathered from all of Thurber's collections. Poking fun at his own weaknesses and those of other people (and dogs) - the English teacher who looked only at figures of speech, the Airedale who refused to include him in the family, the botany lecturer who despaired of him totally - James Thurber is essential reading for everyone who loves to laugh.

Pieces of My Sister's Life

Two sisters who shared everything. One unforgivable moment. And a second chance... There's something to talk about in every chapter of Elizabeth Joy Arnold's poignant, insightful debut novel—the perfect summer read for all those who loved Elisabeth Robinson's *The True and Outstanding Adventures of the Hunt Sisters*, Judy Blume's *Summer Sisters*, and Jodi Picoult's *My Sister's Keeper*. Once, Kerry and Eve Barnard did everything together: sailing the Block Island harbor with their father, listening to their neighbor Justin's magical fairy tales, and all the while longing for their absent mother. They were twin girls arm in arm, secrets entwined between two hearts. Until the summer of their seventeenth birthday, when their extraordinary bond was shattered. And thirteen years later, it will take all the courage they can summon to put the pieces back together—at a time when it matters most...

Missing Pieces

Until age seven, Olga Barsony Verrall lived an idyllic life in Szarvas, a small town in Hungary, surrounded by her doting, observant Jewish family. After the Nazi invasion in 1944, Olga found herself, along with most of her family, interned in the Auspitz labour camp. Eventually reunited after the war. A long journey of physical and mental healing, along with the support of her family, helped Olga piece her life back together. For Olga, writing her memoir was a catharsis. For her readers, it will be an inspiration.

Pieces of A Life

Pieces of a Life is a different kind of book in that it is not an autobiography in the strictest sense of the term. It does not move from the beginning (one's birth or ancestry) to the end of life, but rather, it deals with people, stories, anecdotes, events, and thoughts I have had over the years that have largely centered around my interest in religion. The book is about my life, but there is nothing chronological

about it; it is presented to you in pieces, a piece here and a piece there. Hopefully, you will find interest in these vignettes—some entertaining, some educational—and hopefully they might enlighten you to think more about your soul, salvation, and Father in heaven. If a story takes you there, perhaps others will follow. Unless you are born with great talent and ability, you, like me, will never do anything belonging to a great autobiography. Nevertheless, all our lives have worth, and there are things that others would find very interesting. God, our Father, has placed in each one of us matters that make us unique. This is my attempt to do just that, and I hope that it will encourage you to do your own such endeavor. Sometimes we have to share those things with other people. Perhaps, in doing so, we can change the world for the better.

Pieces

THE STORY: Jack and Beatrice are twins. They have no grandparents. They have no uncles or aunts and no cousins. And now, they have no mom and dad. The one person who can look after them is their godmother, Sophie, who arrives at their remote rural

Writing For My Life... Reclaiming the Lost Pieces of Me

Whether or not you are a poetry lover, you will be so glad you found this book. It's liberating." — Louise Hay, the New York Times best-selling author of *You Can Heal Your Life* "I love Nancy's poetry. Her words convey urgent messages from the Soul." — Dr. Wayne W. Dyer, the #1 New York Times best-selling author of *Excuses Begone* "Sit back, let these words flow through you, and feel the magic of healing and aliveness contained in the pages of this book." — Cheryl Richardson, the New York Times best-selling author of *Take Time for Your Life* Inside this book you will find the poems that became the steppingstones along my path of love, loss, grief, searching, awakening, freedom, becoming whole, and owning my voice. I offer these poems to you with the hope that they serve as an inspiration and invitation.

Pieces of the Heart

In lyrical and evocative prose, the New York Times bestselling author of the Tradd Street novels takes the scattered pieces of a life and weaves them into a tale of hope... Caroline Collier is a woman bogged down in the harsh realities of a life barely lived. Stress from her all-consuming job as an accountant has given her panic attacks, forcing her to take a leave of absence from work. And though her chances of relaxing in the presence of her overbearing, perfect mother are slim, she joins her at the family's vacation home in the mountains of North Carolina. Though Caroline loves the serene beauty of Lake Ophelia, peace of mind is not to be found. Memories of her beloved younger brother, who died when she was seventeen, continue to haunt her, while the tension between her mother and her still simmers. Only their neighbors, the husband and daughter of one of Caroline's childhood friends, seem able to penetrate her cool reserve, giving Caroline the courage to face her biggest fears—and dive headfirst into life...

A Life in Pieces

This biography attempts to portray the many sides to Alexander Trocchi's personality through the words and memories of some of those who interacted with Trocchi during his lifetime. Contributors range from Patti Smith to Edwin Morgan, William Burroughs to Irvine Welsh, Leonard Cohen to Terry Southern, Jane Lougee Bryant to Allen Ginsberg, Ned Polsky to Marianne Faithful, Greil Marcus to Kit Lambert.

A Hundred Pieces of Me

'Bittersweet, lovely and ultimately redemptive; the kind of book that makes you want to live your own life better.' Jojo Moyes 'Such a brilliant book. So satisfying and clever and deeply moving. I'll be passing it on to all my friends.' Sophie Kinsella 'This vibrant and uplifting novel has not only entertained me hugely, but made me change the way I look at life.' Katie Fforde **WINNER OF THE ROMANTIC NOVELISTS' ASSOCIATION CONTEMPORARY ROMANTIC NOVEL AWARD, 2015.** As heart wrenching and life-affirming as *One Day* or *Me Before You*, *A HUNDRED PIECES OF ME* is a story about what it means to finally live life to the full. Letters from the only man she's ever truly loved. A keepsake of the father she never really knew. A blue glass vase that catches the light on a grey day. Gina Bellamy is starting again, after a few years she'd rather forget. But the belongings she's treasured for so long don't seem to fit who she is now. So Gina makes a resolution. She'll keep just a hundred

special items - the rest can go. But that means coming to terms with her past and learning to embrace the future, whatever it might bring . . .

The Way She Feels: My Life on the Borderline in Pictures and Pieces

Finalist for the 2022 Lammy Award for Bisexual & the 2022 Heartland Booksellers Award A Book Riot Best Book of the Year “Audaciously human and raw. *The Way She Feels* is a rainbow during the rain.” —Mara Altman A witty and one-of-a-kind debut graphic memoir detailing and drawing the life of a girl with borderline personality disorder finding her way—and herself—one day at a time. What does it feel like to fall in love too hard and too fast, to hate yourself in equal and opposite measure? To live in such fear of rejection that you drive friends and lovers away? Welcome to my world. I’m Courtney, and I have borderline personality disorder (BPD), along with over four million other people in the United States. Though I’ve shown every classic symptom of the disorder since childhood, I wasn’t properly diagnosed until nearly a decade later, because the prevailing theory is that most people simply “grow out of it.” Not me. In my illustrated memoir, *The Way She Feels: My Life on the Borderline in Pictures and Pieces*, I share what it’s been like to live and love with this disorder. Not just the hospitalizations, treatments, and residential therapy, but the moments I found comfort in cereal, the color pink, or mini corndogs; the days I couldn’t style my hair because I thought the blow-dryer was going to hurt me; the peace I found when someone I love held me. This is a book about vulnerability, honesty, acceptance, and how to speak openly—not only with doctors, co-patients, friends, family, or partners, but also with ourselves.

Pieces of Me

Now a Lifetime television movie starring Sarah Drew, *Stolen By Their Father* was adapted from the story of *Pieces of Me: Rescuing My Kidnapped Daughters* about a young mother and her daughters face the unimaginable consequences after leaving abuse. In 1994, Lizbeth Meredith said good-bye to her four- and six year-old daughters for a visit with their non-custodial father only to learn days later that they had been kidnapped and taken to their father's home country of Greece. Twenty-nine and just on the verge of making her dreams of financial independence for her and her daughters come true, Lizbeth now faced a \$100,000 problem on a \$10 an hour budget. For the next two years fueled by memories of her own childhood kidnapping, Lizbeth traded in her small life for a life more public, traveling to the White House and Greece, and becoming a local media sensation in order to garner interest in her efforts. The generous community of Anchorage becomes Lizbeth's makeshift family?one that is replicated by a growing number of Greeks and expats overseas who help Lizbeth navigate the turbulent path leading back to her daughters.

Girl in Pieces

#1 NEW YORK TIMES BESTSELLER "A haunting, beautiful, and necessary book."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she’s already lost more than most people do in a lifetime. But she’s learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don’t have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie’s heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.
