Are you feeling the energy of this planet is changing?

The world has been at war with the spirit for too long

Three choices you can make to accelerate the process and get into a higher frequency

How to remember what you love

When you're having an attack of negativity, write it down

What you're rejecting is a consequence of your spirit trying to protect itself from the judgment of others

How to free up your energy to manifest what you love

Don't blame yourself, blame others, and be creative

The front door to your higher frequency
