The Talmud for Today

A fascinating—and stimulating—look at "the other Talmud" and the possibilities for Jewish life reflected there. "The difference between the Bavli and the Yerushalmi is something like the difference between making a movie for a regular theater versus making one for a 3-D theater and/or an IMAX theater. It's still the story of Judaism and the Jewish people. But the colors are richer, the action is bigger, the effects are more powerful in the 3-D/IMAX world of the Yerushalmi. Your actors ... live on the soundstage, that is, in Israel, and that informs their performance.... You could imagine the Yerushalmi is a pop-up book: you open it and Jewish living materializes." —from the Introduction This engaging look at the Judaism that might have been breaks open the Yerushalmi—"The Talmud of the Land of Israel"—and what it means for Jewish life today. It examines what the Yerushalmi is, how it differs from the Bavli—the Babylonian Talmud—and how and why the Bavli is used today. It reveals how the Yerushalmi's vision of Jewish practice resembles today's liberal Judaism, and why the is growing in popularity. This broad but accessible overview of all the essential aspects of "The Talmud of the Land of Israel" will help you deepen your understanding of Judaism and the history of the Jewish people.

Talmudic Wisdom for Today

The Other Talmud—The Yerushalmi

This engaging look at the Judaism that might have been breaks open the Yerushalmi—"The Talmud of the Land of Israel"—and what it means for Jewish life today. It examines what the Yerushalmi is, how it differs from the Bavli—the Babylonian Talmud—and how and why the Bavli is used today. It reveals how the Yerushalmi's vision of Jewish practice resembles today's liberal Judaism, and why the Yerushalmi is growing in popularity.

The Other Talmud - the Yerushalmi

This is a great book about the Talmud, which represents approximately a thousand years of Jewish thought. Although the non-Jewish world has given the Talmud a mixed reaction, the Talmud plays today a dominant role in Jewish life.

From the Temple to the Talmud

Discover the Talmud and its universal values for all people. While the Hebrew Bible is the cornerstone of Judaism, it is the Talmud that provides many central values for living. The Talmud sets out specific guidelines and lyrical admonitions regarding many of life's ordinary events, and offers profound words of advice for life's most intractable dilemmas. This accessible introduction to the Talmud explores the essence of Judaism through reflections on the words of the rabbinic sages, from one of American Judaism's foremost teachers and writers, Rabbi Dov Peretz Elkins. Dr. Elkins provides fresh insight into ancient aphorisms and shows you how they can be applied to your life today. Topics include: Kindness through Giving, Welcoming and Sharing; Human Relationships; Personal Values; Family Values; Teaching and Learning; and Life's Puzzles. Enlightening and inspiring, the values of the Talmud can be appreciated not just by Jews, but by anyone seeking a greater understanding of life and its mysteries."

The Other Talmud--the Yerushalmi

This insightful book offers business advice that has endured for thousands of years. While business fads come and go, the ancient lessons of the Talmud are timeless, profound, ethical, and practical—and they're for everyone. Values, Prosperity, and the Talmud is a concise guide to this proven philosophy of business. Beyond basic money-related matters, it includes the Talmud's advice on complex issues of employer/employee relationships, partnerships, competition, and much more. Here, you will learn how to run a successful business, negotiate with style, earn the loyalty of your employees, sell products successfully, advertise effectively, and make higher profits, all within an ethical and moral framework. Buy it today!

The Wisdom of the Talmud: A Thousand Years of Jewish Thought

The Babylonian Talmud, a postbiblical Jewish text that is part scripture and part commentary, is an unlikely bestseller. Written in a hybrid of Hebrew and Aramaic, it is often ambiguous to the point of incomprehension, and its subject matter reflects a narrow scholasticism that should hardly have broad appeal. Yet the Talmud has remained in print for centuries and is more popular today than ever. Barry Scott Wimpfheimer tells the remarkable story of this ancient Jewish book and explains why it has endured for almost two millennia. Providing a concise biography of this quintessential work of rabbinic Judaism, Wimpfheimer takes readers from the Talmud's prehistory in biblical and second-temple Judaism to its present-day use as a source of religious ideology, a model of different modes of rationality, and a totem of cultural identity. He describes the book's origins and structure, its centrality to Jewish law, its mixed reception history, and its golden renaissance in modernity. He explains why reading the Talmud can feel like being swept up in a river or lost in a maze, and why the Talmud has come to be venerated—but also excoriated and maligned—in the centuries since it first appeared. An incomparable introduction to a work of literature that has lived a full and varied life, this accessible book shows why the Talmud is at once a received source of traditional teachings, a touchstone of cultural authority, and a powerful symbol of Jewishness for both supporters and critics.

The Wisdom of Judaism

Wherever Jews have settled and whatever languages they spoke, they created a community with a single set of common values. One law, one theology defined the community throughout their many migrations. A single book explains how this came about--the Talmud. By re-framing the Torah through sustained argument and analysis, the Talmud encourages the reader to actively apply reason and practice logic. Renowned scholar Jacob Neusner introduces readers to the Talmud, defining it, explaining its historical context, and illustrating why it remains relevant today. Neusner's *The Talmud: What It Is and What It Says* invites readers to engage with the text, and emphasizes that the Talmud will continue to be an important cultural guidebook for Jewish life through the next millennium.

The Babylonian Talmud: Tractate Berakhot

Discover the Talmud and its universal values for all people. While the Hebrew Bible is the cornerstone of Judaism, it is the Talmud that provides many central values for living. The Talmud sets out specific guidelines and lyrical admonitions regarding many of life's ordinary events, and offers profound words of advice for life's most intractable dilemmas. This accessible introduction to the Talmud explores the essence of Judaism through reflections on the words of the rabbinic sages, from one of American Judaism's foremost teachers and writers, Rabbi Dov Peretz Elkins. Dr. Elkins provides fresh insight into ancient aphorisms and shows you how they can be applied to your life today. Enlightening and inspiring, the values of the Talmud can be appreciated not just by Jews, but by anyone seeking a greater understanding of life and its mysteries.

Values, Prosperity, and the Talmud

Medicine on the margins -- Trends and methods in the study of Talmudic medicine -- Precursors of Talmudic medicine -- Empiricism and efficacy -- Talmudic medicine in its Sasanian context.

The Talmud

This critical study traces the development of the literary forms and conventions of the Babylonian Talmud, or Bavli, analyzing those forms as expressions of emergent rabbinic ideology. The Bavli, which evolved between the third and sixth centuries in Sasanian Iran (Babylonia), is the most comprehensive of all documents produced by rabbinic Jews in late antiquity. It became the authoritative legal source for medieval Judaism, and for some its opinions remain definitive today. Kraemer here examines the characteristic preference for argumentation and process over settled conclusions of the Bavli. By tracing the evolution of the argumentational style, he describes the distinct eras in the development of rabbinic Judaism in Babylonia. He then analyzes the meaning of the disputational form and concludes that the talmudic form implies the inaccessibility of perfect truth and that on account of this opinion, the pursuit of truth, in the characteristic talmudic concern for rabbinic process, becomes the ultimate act of rabbinic piety.

The Talmud

Since it was first published in 1989, the "Talmud Reference Guide" has introduced thousands of people to the study of the books of Jewish law. The guide is an historical treatise on the Talmud and its role in Jewish life, as well as an essential road map to the twenty projected volumes of the Steinsaltz translation. Brilliantly written and lavishly designed and illustrated, this full-length guide will raise interest in the Talmud.

The Talmud

"The Talmud Unmasked" is an 1892 work by Justinas Pranaitis. Generally regarded as anti-Semitic, it is a collection of quotes from the Talmud and Zohar that the author claims illustrate that Judaism promotes hatred towards non-Jews to the point of promoting murder. Contents include: "Justinas Pranaitis", "Jesus Christ in the Talmud", "The Christians", "Christians Must Be Avoided", and "Christians Must Be Exterminated". Justinas Bonaventura Pranaitis (1861 – 1917) was a Lithuanian Catholic priest who worked as Master of Theology and Professor of Hebrew at the Imperial Ecclesiastical Academy of the Roman Catholic Church in Saint Petersburg, Russia. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

The Wisdom of Judaism

The Talmud is a gigantic collection of law and lore compiled well over a thousand years ago by Jewish scholars in Jerusalem and Babylon. The Talmud has been studied in every generation since, and today it is beloved by hundreds of thousands of people of all backgrounds, around the world. The stories of the Talmud depict earthy and frank experiences of love, suffering, hope and persistence that all humans grapple with as we move through life. These retellings do not deviate from the ancient Aramaic sources, although at times we have emphasized a silenced perspective in the story. In true Talmudic tradition, the stories in this collection don't always provide easy answers, but they move us to ask important questions.

Medicine in the Talmud

Have you ever wondered if the Talmudic sages were also scientists? And if so, why? Does today's scientific knowledge clash with the science of the Talmud? Do modern scientific discoveries influence halachah? For the first time, an eminent talmid chacham and renowned scientist delves into these vital issues. Topics include, among others, the shape of the earth, astrology and horoscopes, development of the fetus, and medicine. A detailed index and table of contents included.

The Mind of the Talmud

This volume contains a selection of passages from the Talmud and Midrash by Rabbi Joseph B. Meszler. The choice of passages has the adult learner in mind, focusing on some of the Talmud's "greatest hits." Unlike other Talmud anthologies, here all passages are presented in English and Hebrew or Aramaic. All translations are in the public domain using Sefaria.org. Rabbi Meszler is a congregational rabbi, teacher of all ages, activist, and writer. He is the author of several books, including: Gifts for the Poor: Moses Maimonides' Treatise on Tzedakah (College of William & Mary), Witnesses to the One: the Spiritual History of the Sh'ma, (Jewish Lights Publishing), and Jewish Tradition & Justice Today (CreateSpace).

The Talmud

An insightful look at one of the most unusual written works ever created. Compiled centuries ago by a group of wise men as a way to preserve the oral traditions of the Jewish faith, the Talmud has challenged and thrilled some of the world's greatest minds with its complex approach to exploring ideas and subjects from virtually every possible angle. This essential guide makes the ancient text of the "oral Torah" accessible for all readers, whether they're Jewish or not. In this Complete Idiot's Guide®, you get:

- An examination of Talmudic logic and debate.
- Discussion of how science and medicine relate to Talmudic philosophies.
- Description of proper behavior and conduct as expected within Talmudic lifestyle.
- The significance of seeds and blessings found in the Talmud.

The Talmud, the Steinsaltz Edition

Today many thousands of spiritually motivated Jews want to join the resurgence of interest in Talmudic study, but are disadvantaged by not having the benefit of years of childhood training in Hebrew, Aramaic, and the unique nature of Talmudic dialect. These adult learners are forced to choose between two undesirable alternatives: struggle with the text by looking up every other word in an Aramaic-English dictionary, or rely exclusively on a translated version of the Talmud. Reading the Talmud seeks to bridge this gap by providing the adult student with a way to ease the difficult transition toward learning the Talmud in the original. An entire chapter of Bava Metsia is broken up into forty-three manageable classes, providing the student with the basic tools: vocabulary, syntax and a series of questions to guide the reader along the pathways of the Talmudic argument. Proceeding through the classes, the reader gradually develops greater independence in Gemara learning through increasing familiarity with Talmudic rhythms and formulas. From the Letters of Approbation: "Will certainly be of invaluable assistance to newcomers to Talmudic study by enabling them to make a breakthrough...which will lead them to self-sufficient competence." Rabbi Mendel Weinbach, Rosh Yeshiva, Ohr Somayach "One of the most valuable books published in recent times. Rabbi Mordechai Becher, Senior Lecturer, Gateways Organization"...one who studies Torah in translation lives his entire life in translation...Reading the Talmud, an introductory Talmud textbook, answers this need..." Rabbi Baruch Taub NOTE: This eBook makes heavy use of Hebrew font, and at present is not available in the .mobi format. Readers using ePub (iPad, iPhone, Nook, etc.) are acceptable, and PDF formats are readable by most computers and eReaders. This book will not be made available on Amazon to Kindle readers until the technical issue of the right-to-left font is resolved. Henry (Hillel) Abramson is Dean of Academic Affairs and Student

Services at Touro College South in Miami Beach. A native of northern Ontario, he received his PhD from the University of Toronto and has held visiting appointments and post-doctoral fellowships at Harvard, Cornell, Oxford and the Hebrew University of Jerusalem. He received his Talmudic training at Yeshivat Ohr Somayach in Jerusalem, Monsey, and Toronto. He is the author of several books and scholarly articles on Jewish thought and history, including *The Sea of Talmud: A Brief and Personal History* (2012).

The Talmud Unmasked - The Secret Rabbinical Teachings Concerning Christians

Logic in the Talmud is a 'thematic compilation' by Avi Sion. It collects in one volume essays that he has written on this subject in *Judaic Logic* (1995) and *A Fortiori Logic* (2013), in which traces of logic in the Talmud (the Mishna and Gemara) are identified and analyzed. While this book does not constitute an exhaustive study of logic in the Talmud, it is a ground-breaking and extensive study.

Legends of the Talmud

This volume of the Talmud with Training Wheels series is a wide-ranging introduction to the Talmud. In a lively and engaging style, it tells the story of Talmud by explaining the origins of this literature, which is based on the oral tradition in Judaism. It goes on to explore the Anatomy of the Talmud. Page, clarifying each element found on a page of Talmud. And it provides basic tools for Talmud study, giving learners crucial insights into how this unique literature works. At the back of the volume, readers will find a helpful lexicon of key Talmudic terms.

The Talmud; the Steinsaltz Edition

The Koren Talmud Bavli Daf Yomi Edition set is a compact, blackandwhite edition that presents an enhanced Vilna page, a sidebyside translation English translation, photographs and illustrations, a brilliant commentary, and a multitude of learning aids to help the beginning and advanced student alike actively participate in the dynamic process of Talmud study.

The World of the Rabbis

The story of the Talmud is the story of the Jewish people—a thrilling insight into Jewish culture and a devastating account of the history of anti-Semitism.

The Talmud

We Jews Thirteen million Jews throughout the United States and the world are famously divided and contentious about their identity, political position, social role, and spiritual goals. However, if there is one authentic voice of leadership in the Jewish community, it is scholar, teacher, mystic, scientist, and social critic Rabbi Adin Steinsaltz. He is internationally regarded as one of the greatest rabbis of this century and of the last. In *We Jews*, Rabbi Steinsaltz explores the most important issues that concern Jews today as Jews. He provides wise and uplifting answers to Jews everywhere, whether they are secular and assimilated or orthodox—Are we a nation or a religion? Are the stereotypes of Jews really true? Why are Jews so controversial? How can we navigate the opposing forces of diversity, culture, and politics? Can we survive intermarriage and the loss of tradition? Do we still worship the Golden Calf? In this book, Rabbi Steinsaltz sees causes and consequences, achievements and failures, looks at the contemporary world, and observes the dreams and longings of modern Jewish people. Written as an intimate and inspiring internal memo to the whole Jewish family, *We Jews* answers these questions and many more in a way that is at once insightful and inspiring.

The Complete Idiot's Guide to the Talmud

An in-depth introduction to the ancient work of Jewish law and theology. One of the world's supreme works of religious literature, the Talmud has been unjustly neglected by a civilization that is rightly proud of its Judeo-Christian heritage. In *The Talmud of Jerusalem*, Dagobert D. Runes offers a fascinating and scholarly overview of its evolution and the rabbis who taught and contributed to it. The Talmud came into being in the centuries after Jerusalem fell to the Roman Empire, when the people of Palestine were scattered to the four corners of the earth. To preserve their faith amid the strange customs of Pagan lands, the wandering Israelites turned to their teachers for a fresh interpretation of the Torah, the ancient book of Moses. The Oral Laws formulated by the sages were eventually codified in the Talmud.

Reading the Talmud

A Sketch of the Talmud - The world renowned collection of Jewish traditions is an unchanged, high-quality reprint of the original edition of 1877. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Logic in the Talmud

A Talmudic Miscellany - A thousand and one extracts from the Talmud, the Midrashim and the Kabbalah is an unchanged, high-quality reprint of the original edition of 1880. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Talmud with Training Wheels: An absolute beginner's guide to Talmud

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Talmud of Jerusalem

This book examines the talmudic writings, politics, and ideology of Y.I. Halevy (1847-1914), one of the most influential representatives of the pre-war eastern European Orthodox Jewish community. It analyzes Halevy's historical model of the formation of the Babylonian Talmud, which, he argued, was edited by an academy of rabbis beginning in the fourth century and ending by the sixth century. Halevy's model also served as a blueprint for the rabbinic council of Agudath Israel, the Orthodox political body in whose founding he played a leading role. Foreword by Jay M. Harris, Harry Austryn Wolfson Professor of Jewish Studies at Harvard University and the author of *How Do We Know This? Midrash and the Fragmentation of Modern Judaism*, among other works.

ÜÜÑÑ ÓÖÞÜê

The Talmud is the repository of thousands of years of Jewish wisdom. It is a conglomerate of law, legend, and philosophy, a blend of unique logic and shrewd pragmatism, of history and science, of anecdotes and humor. Unfortunately, its sometimes complex subject matter often seems irrelevant in today's world. In this edited volume, sixteen eminent North American and Israeli scholars from several schools of Jewish thought grapple with the text and tradition of Talmud, talking personally about their own reasons for studying it. Each of these scholars and teachers believes that Talmud is indispensable to any serious study of modern Judaism and so each essay challenges the reader to engage in his or her own individual journey of discovery. The diverse feminist, rabbinic, educational, and philosophical approaches in this collection are as varied as the contributors' experiences. Their

essays are accessible, personal accounts of their individual discovery of the Talmud, reflecting the vitality and profundity of modern religious thought and experience.

The Talmud – A Biography

We Jews
