Mutual Fund Investing For Canadians For Dummies

Mutual funds offer investors a diverse portfolio in a single investment, which is critical in an uncertain economy. Although ideal for buyers who don't want to tackle the stock market alone, mutual funds can still be intimidating, with a bewildering array of options. And now that foreign content regulations for RRSPs have been lifted, Canadians have even more choices. Mutual Fund Investing For Canadians For Dummies explains it all, from the basics -- what is a mutual fund? -- to the not-so-basic -- are index funds better than managed funds? Is my MER cutting into my ROI? With information on how mutual funds can be a vital and profitable component of everyone's retirement plans and how they can help readers build their wealth inside their tax-free savings account, this friendly guide offers the principles Canadians need to know in order to be informed and successful mutual fund investors. "This book is easy and even fun to read. ... Mutual Fund Investing For Canadians For Dummies is worth the investment if you are looking to build a fund portfolio that suits your needs and will give you healthy, long-term returns." —Jeff Dupuis, money.canoe.ca

The Professional Financial Advisor

The financial services industry is in the midst of a transformation from a commission-based industry to a bona fide profession. A number of changes are accelerating this transformation: an ongoing transition to fee-based advice, a crying need for consumer protection and a growing consensus that credentials and training are required. More change is to come. John J De Goey argues that consumers have grown justifiably sceptical about the motives of their advisors and the firms they work for. Unless additional sweeping changes occur, that lost confidence may never be restored. This book makes complex issues understandable for consumers and simultaneously acts as a wake-up call for less professional advisors to pull up their bootstraps or risk being left behind. De Goey's logic clearly demonstrates that the industry has a lot of explaining to do. Consumers, advisors, the media, regulators and politicians will have a role to play in carving out a better way of delivering competent, credible and independent financial advice in the future.

Financial First Aid for Canadian Investors

Praise for the previous edition, Portfolio First Aid "I'd categorize Portfolio First Aid as a serious investment primer that has the laudable, if ambitious, goal of raising the sophistication level of the general public." —Jonathan Chevreau, Financial Post "Portfolio First Aid has the right pedigree as an advice tome on healthy investing. Covers the bases of portfolio balance, building wealth, investing for

income and managing risk." —The Edmonton Journal The financial meltdown has taken a severe toll on the finances of Canadians, and on their confidence in financial and investment advisors. Canadians need help to learn how to diagnose what is the greatest threat to their long-term financial well-being and to follow a course of treatment to recovery. Financial First Aid for Canadian Investors is for all the battered and bloodied investors whose portfolios are in tatters and who lack direction about what to do next. By examining the lessons to be learned from mistakes made in both good and bad markets, the authors address the common and recurring investment blunders they have witnessed over many years, and offer a clear prescription for how to repair wounded portfolios.

Portfolio First Aid

Market fluctuations are a fact of life for all investors. The challenge is to ensure our portfolios have the physical vitality to withstand the constant strain placed upon them by ever-changing markets. Portfolio First Aid writes the prescriptions needed to heal all manner of investment injuries. Suitable for all investors from the novice to the veteran, Portfolio First Aid provides a dose of clear, easy-to-follow preventive medicine to keep portfolios healthy and vibrant. Portfolio First Aid: Diagnoses the source of the most common portfolio ailments. Provides practical advice for any investor, whether you invest on your own or with the help of a professional. Covers all the steps to healthier investing: balancing your portfolio, investing for income, building wealth, working with an advisor, managing risk, minimizing your costs, benchmarking the performance of your investments, and more. Offers clear prescriptions for building a healthier portfolio. "We all make investment mistakes. Portfolio First Aid is packed with advice on how to avoid them—and with profit. Eminently readable and practical, it is a prime and welcome addition to the thoughtful investor's library." —John Crow, Former Governor, Bank of Canada "The authors of Portfolio First Aid have taken the principles of investing, which are often presented in overly complex terms, and made them simple and actionable. Moreover, they have done so in a highly engaging and entertaining style! This book will be invaluable to investors and their portfolios, not just as first aid, but also as preventive medicine." —David F. Denison, President and Chief Executive Officer, Canada Pension Plan Investment Board

Stock Investing For Canadians For Dummies

Master the basics of stock investing? Easy. If you want to learn how to profitably invest in stocks, this is the book for you. This updated new edition of Stock Investing For Canadians For Dummies offers straight answers and simple advice for any Canadian who wants to take control of his or her portfolio. With practical guidance on making wise investments in any market—even today's uncertain one—this plain-English guide covers unique investment segments, how to invest in different market situations, and real and recent examples on what to invest in and when. With fully updated references and resources, this is the perfect stock investing guide for beginners. Updated to include the latest information on the current stock market, as well as fresh case studies Written by expert authors—one an accountant and the other a certified financial planner and investing consultant Ideal for novice investors and those planning for retirement

Smart Women Love Money

Two-thirds of all women, at some point in their lives, will have to independently manage their finances and those of their family. Yet studies show that most women have little confidence in their ability to invest and little interest in investing. Alice Finn is changing that. She believes that women can have it all and pay for it - they just have to know how. Finn bridges the gender gap in investing to get women excited about financial planning. With Smart Women Love Money, readers learn how to talk about and manage their own finances so that they're in control of their money and their futures.

Beat The Bank: Canadian Guide To Simply Successful Investing

Mizgala and Walkington share their revolutionary step-by-step money management system that combines practical financial tools, tips, and resources with insights into the emotional and psychological challenges of today's money culture.

Unstuck

"With How to Make Your Money Last, you will learn how to turn your retirement savings into a steady paycheck that will last for life. Today, people worry that they're going to run out of money in their older

age. That won't happen if you use a few tricks for squeezing higher payments from your assets--from your Social Security account (find the hidden values there), pension (monthly income or lump sum?), home equity (sell and invest the proceeds or take a reverse mortgage?), savings (should you buy a lifetime annuity?), and retirement accounts (how to invest and--critically--how much to withdraw from your savings each year?). The right moves will not only raise the amount you have to spend, they'll stretch out your money over many more years. You will also learn to look at your savings and investments in a new way. If you stick with super-safe choices the money might not last. You need safe money to help pay the bills in your early retirement years. But to ensure that you'll still have spending money 10 and 20 years from now, you have to invest for growth, today. Quinn shows you how. At a time when people are living longer, yet retiring with a smaller pot of savings than they'd hoped for, this book will become the essential guide"--

How to Make Your Money Last

Learn to: Establish your financial goals Make smart, profitable investment decisions in any economic climate Diversify your portfolio Conquer investing obstacles Become a savvy investor with this completely revised and updated guide Want to take charge of your financial future? This friendly guide has been thoroughly updated to provide you with the latest insights into smart investing, from weighing your investment options (such as stocks, real estate, and small business) to understanding risks and returns, managing your portfolio, and much more. Get time-tested investment advice — expert authors Eric Tyson and Tony Martin share their extensive knowledge and reveal how to invest in challenging markets Discover all the fundamentals of investing — explore your investment choices, weigh risks and returns, choose the right investment mix, and protect your assets Build wealth with stocks, bonds, and mutual funds — use indexes, understand prices, minimize costs, and diversify your investments Get rich with real estate — find the right property, evaluate the market, finance your investments, work with agents, and close the deal Start, buy, or invest in a business — write a business plan, consider a franchise, and improve profitability Manage education and retirement savings plans — establish your goals, evaluate your investment options, and tame your taxes Investigate the best investing resources — determine which sources on the air, in print, and online offer you valuable information — and which you should avoid Open the book and find: How to develop an investment strategy that fits your goals and personality Recommendations on the best stock, bond, and money market funds The best times to buy and sell stocks and bonds The scoop on exchange-traded and index funds How to make the most of your Tax-Free Savings Account Tips for reading and analyzing financial reports How to make safe and profitable real estate investments

Investing For Canadians For Dummies

Build your strongest-ever portfolio from anywhere in the world Millionaire Expat is a handbook for smart investing, saving for retirement, and building wealth while overseas. As a follow-up to The Global Expatriate's Guide to Investing, this book provides savvy investment advice for everyone—no matter where you're from—to help you achieve your financial goals. Whether you're looking for safety, strong growth, or a mix of both, index funds are the answer. Low-risk and reliable, these are the investments you won't hear about from most advisors. Most advisors would rather earn whopping commissions than follow sound financial principles, but Warren Buffett and Nobel Prize winners agree that index funds are the best way to achieve market success—so who are you ready to trust with your financial future? If you want a better advisor, this book will show you how to find one; if you'd rather go it alone, this book gives you index fund strategies to help you invest in the best products for you. Learn how to invest for both safety and strong returns Discover just how much retirement will actually cost, and how much you should be saving every month Find out where to find a trustworthy advisor—or go it alone Take advantage of your offshore status to invest successfully and profitably Author Andrew Hallam was a high school teacher who built a million-dollar portfolio—on a teacher's salary. He knows how everyday people can achieve success in the market. In Millionaire Expat, he tailors his best advice to the unique needs of those living overseas to give you the targeted, real-world guidance you need.

Millionaire Expat

Bestselling author and financial blogger, Dan Solin, provides real do-it-yourself investors the means to create a dynamic-and safe- portfolio that mimics those constructed for some of the major institutional and trust investors in the country. Readers can maintain complete control over their money-and not sacrifice precious points to an advisor or broker. Using a strategy that minimizes volatility and

maximizes returns, Solin makes investing according to the principles of the most sophisticated financial models accessible to individuals in a way that has never been possible before. As readers have come to expect from Solin, implementing this plan is as simple as one, two, three: open an account with a discount broker; determine the appropriate asset allocation using the simple questionnaire in the book or online; input pre-determined ETFs (Exchange Traded Funds) and the allocations for the level of the investor's individual risk profile. This is the only book that provides the information and practical guidance that readers need to achieve the very best results with the minimum risk, on their own.

The Smartest Portfolio You'll Ever Own

Make your money work for you with up-to-date advice from seasoned financial advisors written for everyday investors. Includes: *How to Profit from the Next Bull Market* Seasoned financial advisor Alan Dustin offers an insightful and valuable step-by-step guide for Canadians looking to champion the stock market, avoid common investment mistakes, learn the ins and outs of buying and selling, and secure their financial futures. *When the Bubble Bursts: Surviving the Canadian Real Estate Crash* Hilliard MacBeth argues that investors should stop thinking about real estate as a safe investment, warning that it is only a matter of time before Canada faces a housing crisis on the scale of that of the U.S. He guides investors towards safer and more lucrative investments in order to protect their assets and ensure a comfortable retirement. *In Your Best Interest: The Ultimate Guide to the Canadian Bond Market* From a widely acknowledged authority on Canadian fixed-income investing, Hank Cunningham's *In Your Best Interest* will give you the tools to demystify the fixed income market and meet your income and retirement needs.

Investing Strategies 3-Book Bundle

The financial advice industry -- including banks, mutual fund and insurance companies -- has a vested interest in our hard-earned savings. Industry advisors are constantly warning us that we may not be financially prepared for retirement. And, feeling anxious about our future, we become convinced that it's a good idea to let them handle our money. After all, they seem to have all the answers. But retirement planning today isn't the same as it was in the past. We're living longer, leading more active lives, with more options about how we want to live once employment is no longer the main focus. For the 1.6 million Canadians who will be retiring in the next five years, the questions at play are more complex than "How much do I need to retire?" Industry veterans Warren MacKenzie and Ken Hawkins have seen firsthand the mistakes that Canadians make in their financial preparations for the future. In *The New Rules for Retirement*, they offer simple, unbiased advice while at the same time debunking the many myths surrounding retirement.

New Rules Of Retirement

More than ever, Canadians must rely on their investment decisions to determine their families' security and ensure their retirement. But how many investors are actually receiving unbiased, easily understandable and practical advice on their investments? Are they selecting the right level of risk? Do they know what a reasonable rate of return is in today's market? And are they making mistakes now that may compromise their future retirement plans? Warren MacKenzie has over 20 years of experience in the investment industry. Through his company, Second Opinion Investor Services Inc., he offers unbiased, straightforward check-ups for every level of investor. He's seen the common and costly investment mistakes Canadians make and the obstacles that every investor faces. Covering all aspects of financial planning, including choosing a financial advisor; market basics; measuring and controlling risk; paying less tax; and avoiding common financial pitfalls, MacKenzie offers 101 concise, action-oriented prescriptions for healthy investing. Readers will learn how to: understand an advisor's investment strategy avoid being fooled by a fund's average return make portfolio changes in keeping with the game plan understand how emotion and logic move the market realize that the buy and hold strategy isn't always right Honest, unbiased and practical, *The Unbiased Advisor* gives you invaluable advice on getting the most from your advisor, your investments and your money.

The Unbiased Advisor

Is there an ideal portfolio of investment assets, one that perfectly balances risk and reward? In *Pursuit of the Perfect Portfolio* examines this question by profiling and interviewing ten of the most prominent figures in the finance world, Jack Bogle, Charley Ellis, Gene Fama, Marty Liebowitz, Harry Markowitz, Bob Merton, Myron Scholes, Bill Sharpe, Bob Shiller, and Jeremy Siegel. We learn about the personal

and intellectual journeys of these luminaries, which include six Nobel Laureates and a trailblazer in mutual funds, and their most innovative contributions. In the process, we come to understand how the science of modern investing came to be. Each of these finance greats discusses their idea of a perfect portfolio, offering invaluable insights to today's investor

In Pursuit of the Perfect Portfolio

If you're a Canadian investor who's feeling ripped off lately, you're not alone. Canadians pay the highest fees in the world when it comes to investments in RRSPs and other registered accounts. Is this just because Canadians are foolish, or is there something more sinister at work? Now, and for the first time, *The RRSP Secret* reveals many of the financial industry's most closely guarded secrets - providing the individual investor an unprecedented view into how the financial system negatively impacts the financial freedom of most Canadians. More importantly, the book outlines specifically how to defend your wealth and use a little-known strategy to create double-digit returns - the same way the banks do. You'll never hear a bank manager or financial advisor tell you about this secret strategy, and you won't read about it in the newspaper. Why? Because they'd rather continue selling you underperforming investments that increase their profits instead of making you wealthy. The financial industry is a massive marketing machine that isn't designed to make you money, and the only way you'll become financially free is if you take control of your financial future - and this is your opportunity. In *The RRSP Secret*, Greg Habstritt teaches you how to use the money in your RRSP, TFSA and other registered savings accounts to invest in one of the most reliable and secure investments available to you - and it's exactly the same strategy that the banks use to create profits themselves. You'll finally be empowered to turn the tables on the financial industry, and beat them at their own game. You'll learn how to invest for double-digit returns without having to take massive risks, or pay hidden fees and commissions. Stop being taken advantage of, and start making better decisions with your money. Your financial future starts now! Testimonials: "Greg Habstritt is a multi-millionaire who can show you exactly how to build massive wealth by using cutting-edge strategies and a formula for predicting markets. I teach people to learn from the best, and there's no one better than Greg!" ~ T. Harv Eker, Author of the #1 New York Times bestseller *Secrets of the Millionaire Mind* "I have known Greg Habstritt for several years and have always appreciated his integrity, honest approach, and willingness to 'tell it like it is.' The concepts you'll read about have been used by wealthy Canadians for decades and now, for the first time, they're being shared in a very straightforward, step-by-step guide." ~ Don R. Campbell, President of the Real Estate Investing Network and bestselling author of *Real Estate Investing In Canada 2.0* "If you need street-smart skills on how to make millions in real estate like the pros do, then stop looking! Greg Habstritt teaches his secrets on how to build massive wealth through real estate investing. Greg teaches what he does and what works, and you can take that to the bank." ~ Keith J. Cunningham, Master Teacher of Business, Keys to the Vault Business School for Entrepreneurs

The RRSP Secret

The comprehensive, six-books-in-one package Canadian investors can trust with their money Designed for those investors who are already familiar with the fundamentals of the investment process and are looking to take their finances to the next level, *Building Wealth All-in-One For Canadians For Dummies*, is a higher-end title that will make diversifying your portfolio—the key to successful investing—a cinch. Offering readers a wealth of information on investment techniques, along with options ranging from stocks and mutual funds to trading on the Foreign Exchange and buying investment properties, the book is: Fully up-to-date and packed with current content Written by Canadian authors who understand Canadian finances Filled with everything you need to know about investing The ultimate resource for Canadian investors looking to make more profitable investment decisions, *Building Wealth For Canadians For Dummies All-in-One* is the book you need to take the next step towards increasing your wealth.

Building Wealth All-in-One For Canadians For Dummies

Simple information on diversifying your investments with mutual funds With mutual funds, beginning and experienced investors can afford to invest in a wide range of securities by pooling their money with others' and splitting the profits. *Mutual Fund Investing For Canadians For Dummies* helps you makes sense of these funds, start investing, and create a plan to meet your financial goals. With this easy-to-understand guide, you can weigh the pros and cons of mutual funds to decide if they're right for you. Then follow step-by-step instructions for investing your money in reputable funds—with

information specific to the Canadian market. Learn what mutual funds are and how they're different from hand-picking your own stocks and bonds Understand the risks and benefits of mutual funds so you can determine whether they fit with your financial goals Make a solid investment plan and craft your fund portfolio Consider hedge funds and other managed options for rounding out your investment portfolio Mutual Fund Investing For Canadians For Dummies is great for beginner investors looking to learn more about the benefits of mutual funds and get up to speed on the latest information.

Exchange-Traded Funds for Canadians for Dummies

The Value of Simple: A Practical Guide to Taking the Complexity Out of Investing is a plain-language guide to investing for Canadians. Canada has the highest investment fees in the world, as well as a confusing tax system that features four-letter words like RRSP and TFSA. Fortunately there are low-cost index funds that make it easy and rewarding for you to become a do-it-yourself "couch potato" investor. With a focus on developing good processes to minimize the room for human error and step-by-step instructions, the book will walk you through the elements of managing your finances for the long term: how to devise a savings plan, stick to it through automation, determine how to allocate funds balancing risk and reward, invest using low-cost index funds, track your investments, and deal with the inevitable issue of taxation. Putting your money to work can look suspiciously like math at times, but this book lays out a simple approach that anyone can follow. Inside you will find tools and templates, along with easy suggestions and rules-of-thumb to help prevent analysis paralysis and get you started fast. Control what can be controlled; minimize fees and effort. Investing doesn't have to be complex to be successful. Keep it simple and you will succeed.

Mutual Fund Investing For Canadians For Dummies

Exploit your offshore status to build a robust investment portfolio Most of the world's 200 million expats float in stormy seas. Few can contribute to their home country social programs. They're often forced to fend for themselves when they retire. The Global Expatriate's Guide to Investing is the world's only book showing expats how to build wealth overseas with index funds. Written by bestselling author, Andrew Hallam, it's a guide for everyone, no matter where they are from. Warren Buffett says you should buy index funds. Nobel prize winners agree. But dangers lurk. Financial advisors overseas can be hungry wolves. They don't play by the same set of rules. They would rather earn whopping commissions than follow solid financial principles. The Global Expatriate's Guide To Investing shows how to avoid these jokers. It explains how to find an honest financial advisor: one that invests with index funds instead of commission paying windfalls. You don't want an advisor? Fair enough. Hallam shows three cutting edge index fund strategies. He compares costs and services of different brokerages, whether in the U.S. or offshore. And he shows every nationality how to invest in the best products for them. Some people want stability. Some want strong growth. Others want a dash of both. This book also answers the following questions: How much money do I need to retire? How much should I be saving each month? What investments will give me both strong returns, and safety? The Global Expatriate's Guide To Investing also profiles real expats and their stories. It shows the mistakes and successes that they want others to learn from. It's a humorous book. And it demonstrates how you can make the best of your hard-earned money.

The Value of Simple

The numerical and emotional aspects of planning for retirement This hands-on resource demystifies financial planning by giving the Enough number: an exact figure specific to personal goals, which can be a target number to aim for in retirement. It shows what changes will help to achieve the number, and offers an understanding of hidden motivations when it comes to spending money. It also provides an overview of the multitudes of investments available and provides conservative guidelines that will help make money, save taxes, and sleep at night. Offers a clear understanding of the different attitudes toward money and includes strategies to achieve goals Includes the tools needed to save for later and enjoy rewards today Contains a method for tracking money to help get your finances where you want them to be Covers the details of what it takes to work effectively with a financial advisor Written by Diane McCurdy, a noted financial planner, speaker, author, and founder of McCurdy Financial Planning This hands-on guide walks you through a proven program that is designed to keep you on the right track to financial success.

The Global Expatriate's Guide to Investing

Make your money work for you with up-to-date advice from seasoned financial advisors written for everyday investors. Includes: *How to Profit from the Next Bull Market* Seasoned financial advisor Alan Dustin offers an insightful and valuable step-by-step guide for Canadians looking to champion the stock market, avoid common investment mistakes, learn the ins and outs of buying and selling, and secure their financial futures. When the Bubble Bursts: Surviving the Canadian Real Estate Crash Hilliard MacBeth argues that investors should stop thinking about real estate as a safe investment, warning that it is only a matter of time before Canada faces a housing crisis on the scale of that of the U.S. He guides investors towards safer and more lucrative investments in order to protect their assets and ensure a comfortable retirement. *In Your Best Interest: The Ultimate Guide to the Canadian Bond Market* From a widely acknowledged authority on Canadian fixed-income investing, Hank Cunningham's *In Your Best Interest* will give you the tools to demystify the fixed income market and meet your income and retirement needs.

How Much Is Enough?

The ultimate resource for Canadian residential landlords. Anyone can become a landlord, but not everyone will be a profitable landlord. Distilling over 35 years of his first-hand experience, Doug Gray, one of Canada's most respected real estate authors and experts, guides readers on how to become a successful landlord. Following the effective and proven formula of his previous bestsellers, *The Canadian Landlord Guide* fills the void of information on Canadian landlording. Some of the covered topics include: Principles and formulas for profitable landlording Understanding how the real estate market works The pitfalls of real estate investing and how to avoid them Types of rental formats Where to get information on prospective properties How to finance real estate investments The legal aspects of buying and renting property Tenant selection Property maintenance Filled with easy-to-understand and credible advice, *The Canadian Landlord Guide* is a must-have resource for all Canadian landlords. Seasoned professionals and aspiring beginners alike will find Doug Gray's landlording guide to be one of their key tools in their quest for real estate success. Doug Gray, B.A., LL.B. (Vancouver, BC) has been buying, renovating, and renting real estate for 35 years. In addition to being a successful real estate entrepreneur, Doug has written over 28 bestselling real estate, business, and personal finance titles, including *Making Money in Real Estate* (978-0-470-83620-0) and *The Canadian Snowbird Guide* (978-0-470-15375-8).

Investing Strategies 3-Book Bundle How to Profit from the Next Bull Market

If you met your investment advisor at a party or hired him because he coaches your son's hockey team, you may not have researched his credentials, ethics, and financial performance. Don't be afraid to correct the situation. If you are seeking to hire an investment advisor, either for the first time or to replace your current one, equip yourself with the knowledge you need to make the right choice. Author Carol A. Santamaura, an investment advisor, specializes in growing wealth for investors. The principles she shares in this guidebook focus on Canada but can be applied anywhere. They include how to understand what kind of investor you are, avoid psychological pitfalls of investing, interview investment advisor candidates, and cultivate a successful relationship with your advisor. Take off your blinders so you can see past the charismatic salesperson with the convincing pitch. By balancing short- and long-term objectives and investing in an efficient manner, you can achieve your financial goals. It all starts with *Choosing the Right Investment Advisor*.

The Canadian Landlord's Guide

Rosentreter, a senior financial advisor and insurance agent at a major financial services firm in Toronto, presents a personal finance guide tailored to Canadians.

Choosing the Right Investment Advisor

Let's face it, planning and saving for retirement is not easy. We are told that the earlier we start the better and that the "magic of compounding" will make our dreams come true if we simply trust the stock market and our investment advisor. But for most people it's simply not possible. People in their twenties are often saddled with student debt and may be struggling to find suitable full-time employment. Saving for retirement is the last thing on their minds, as it should be. Then in our thirties and forties we tend to do things like get married, have kids, and buy houses. All these things cost a lot of money! So for many people there simply isn't any money left to put away for retirement. Therefore many of us become procrastinators when it comes to saving for retirement. But there is hope. This book will take

you step-by-step though planning and saving for retirement starting in your fifties and the best way to fund your retirement years. It is designed for people approaching retirement who want to ensure it is comfortable and stress-free.

Wealthbuilding

Real estate, like any other investment, is a means to an end: that end might be a secondary source of income, a strategic plan for your retirement, or a way to attain complete financial independence. Whatever your goal is, you've decided that real estate is a tool you want to use. So how do you use it? How do you make it work for you and avoid getting burned in the market? And how much of it do you need to fulfill your ambitions? Peter Kinch is one of Canada's top mortgage brokers and has helped thousands of investors clarify their dreams and turn them into reality. In *The Canadian Real Estate Action Plan*, Peter walks you through one of his investor workshops, helping you develop not just a plan, but your plan, including: Defining your end goal, and how much real estate you need to achieve it Determining the kinds of investments that are right for you Identifying obstacles to your success, and overcoming them Discovering financing options and solutions, including recent changes that affect investors New investors will get the thorough background information they need to get started, while more experienced investors will benefit from exploring alternative options and lesser-known strategies. Both will see how long-term thinking is the key to their portfolio's continued profitability. The best way to achieve your goals is to plan for your success, and there's no better tool to help you do just that than *The Canadian Real Estate Action Plan*.

The Procrastinator's Guide to Retirement

You can retire but your money can't! For much of your adult life, the question is "How much do I have to save to fund my retirement?" But as you approach retirement, or if you're already retired, the question becomes "How can I make the most of what I have saved?" Many Canadians live for over twenty years in retirement — that's a long time to make your nest-egg last. If you're not working, then your money had better be! *Make the Most of What You've Got* is the comprehensive, common-sense guide for everyone who wants to make the most of their retirement, whether you're already retired, or just approaching the threshold: Helps you maximize your retirement income and minimize your tax bill. Explains how to plan for a dependable retirement income, turn your investments into income, and manage your investment portfolio in retirement. Alerts you to the top ten retirement planning mistakes. Covers the complex decisions you need to make about your nest-egg: dealing with maturing RRSPs, deciding whether a RRIF or an annuity is right for you, determining if you can afford to retire early, and much more. Prepares you for working with your financial advisor or planner. Features practical examples, checklists, forms, tips, and Q&As.

Protect Your Nest Egg : Canadian Guide to Wealth Protection

Visit www.clevercanuck.com....*The Clever Canuck: Investing Made Easy*, is a step-by-step guide that discusses everything from selecting the right mutual fund to choosing a capable financial advisor to developing a stock trading strategy. Uniquely Canadian topics such as how to invest in and manage RRSPs and RESPs are discussed as well so that you can use the tax system to your advantage. See www.clevercanuck.com

The Canadian Real Estate Action Plan

This concise, practical guide gives you the strategies you need to confidently protect and strengthen your financial holdings during troubled economic times. Through 76 smart tips, you'll discover how to reduce your investment risk, safely accumulate wealth, and determine how much you'll need for retirement, and how to get there. With tips for everything from improving your credit score to investing through a Tax-Free Savings Account to preparing for financial emergencies, you'll be on the right track toward a safe and sound financial future, no matter what the economic climate. [76 Tips For Investing in an Uncertain Economy For Canadians For Dummies] will be an arms-length away at my desk at the National Post, for handy reference. John Chevreau, *The National Post*

Make the Most of What You've Got

Retirement planning is difficult enough without having to contend with misinformation. Unfortunately, much of the advice that is dispensed is either unsubstantiated or betrays a strong vested interest. In *The*

Essential Retirement Guide, Frederick Vettese analyses the most fundamental questions of retirement planning and offers some startling insights. The book finds, for example that: Saving 10 percent a year is not a bad rule of thumb if you could follow it, but there will be times when you cannot do so and it might not even be advisable to try. Most people never spend more than 50 percent of their gross income on themselves before retirement; hence their retirement income target is usually much less than 70 percent. Interest rates will almost certainly stay low for the next 20 years, which will affect how much you need to save. Even in this low-interest environment, you can withdraw 5 percent or more of your retirement savings each year in retirement without running out of money. Your spending in retirement will almost certainly decline at a certain age so you may not need to save quite as much as you think. As people reach the later stages of retirement, they become less capable of managing their finances, even though they grow more confident of their ability to do so! Plan for this before it is too late. Annuities have become very expensive, but they still make sense for a host of reasons. In addition, The Essential Retirement Guide shows how you can estimate your own lifespan and helps you to understand the financial implications of long-term care. Most importantly, it reveals how you can calculate your personal wealth target - the amount of money you will need by the time you retire to live comfortably. The author uses his actuarial expertise to substantiate his findings but does so in a jargon-free way.

The Clever Canuck

Over the past 20 years we have witnessed both the greatest bull market of all time and one of the most devastating crashes in history. During this period, pension funds posted returns of more than double those realized by individual investors, while being exposed to less than half of the risk and volatility individual investors were forced to endure.

76 Tips for Investing in an Uncertain Economy for Canadians for Dummies

A timeless investment guide that reveals how to consistently earn market-beating returns while reducing risk. What every investor needs is a battle-tested strategy that embraces the uncertainty of financial markets-and life in general. One that will yield market-beating portfolio returns in both good times and bad. The Gone Fishin' Portfolio shows you what that strategy is, how it works, and why you should begin using it immediately. The innovative approach outlined throughout these pages will help investors enjoy a notably high probability of success by using an investment strategy based on the notion that nobody knows what the market is likely to do next, which, in effect, allows investors to capitalize on uncertainty. Details one of the safest and simplest ways to reach your long-term financial goals, and explores the financial and psychological challenges you're likely to face in the years ahead. The "Gone Fishin' Portfolio" is based on a Nobel Prize-winning investment strategy that takes just twenty minutes to implement. Discusses the relationship between risk and reward in financial markets, and reveals how the investment industry really works. The Gone Fishin' Portfolio will allow you to reach your most important investment goals, beat Wall Street at its own game, and achieve the financial independence you deserve.

The Essential Retirement Guide

Twenty benefits from the three-fund total market index portfolio. The Bogleheads' Guide to The Three-Fund Portfolio describes the most popular portfolio on the Bogleheads forum. This all-indexed portfolio contains over 15,000 worldwide securities, in just three easily-managed funds, that has outperformed the vast majority of both professional and amateur investors. If you are a new investor, or an experienced investor who wants to simplify and improve your portfolio, The Bogleheads' Guide to The Three-Fund Portfolio is a short, easy-to-read guide to show you how.

The Pension Strategy for Canadians

Offering straightforward, "kitchen-table" advice by one of Canada's leading specialists on personal finance, this book will discuss how to protect your nest egg and maximize your capital gains opportunities while you build for your future.

The Gone Fishin' Portfolio

A Canadian guide written especially for first-time investors, business students, and newcomers to the financial industry--from the authors of The FundLine Advisor. They explore the basics of financial

planning, the banking system and how money is created, what assets are and what they mean for creating wealth, and building a portfolio of investments.

Intro

What is something you need to work on, in order to improve your life?

What did your parents do well that you wish to replicate in your own marriage?

What is a non negotiable for you in dating?

What are some expectations that you have that often go unspoken?

How do you act when you become upset or angry?

What do you think about a person being friends with someone that they had a romantic, or sexual relationship with?

What do you do when trust is broken?

Are you dating with a purpose? (What are your intentions)

What values would you want to instill in your children?

What do you think a healthy relationship should provide for the people in it?

What does happiness mean to you?

What do you think about therapy?

How do you handle change?

What goal are you working on, and how can people support you?

Would you raise your children the same way your parents raised you?

If you could start your life over, what would you change?

How much money do you think is okay to spend without consulting your spouse?

What does quality time mean to you?

What does marriage mean to you?

What is the best relationship advice that someone has given to you?

What do you want to do if we cannot have children?
