Horrid Henry's Rainy Day

Early Readers are stepping stones from picture books to reading books. A blue Early Reader is perfect for sharing and reading together. A red Early Reader is the next step on your reading journey. Horrid Henry is bored and fed up on a rainy day, until he starts to write his will. The only trouble is it is a lot more fun getting stuff from Mum and Dad than giving away his own treasures . . .

Where's Horrid Henry?

A fun-packed full colour Horrid Henry picture book with illustrated scenes, stuffed with tricky things to search for and find. Featuring 32 pages of fiendish things to spot, join Henry and his friends (and evillest enemies!) on their awesome adventures - from birthday parties and camping trips to hiding out at a spooky haunted house. With a challenging checklist of things to spot, this is Henry's most horrid challenge yet! The question is, where's Horrid Henry? Perfect for existing Horrid Henry fans, as well as fans of activity books such as WHERE'S WALLY?, WHERE'S THE MEERKAT? and WHERE'S SANTA?

Each book contains four easy-to-read stories and hilarious illustrations by the one and only Tony Ross, so even the most reluctant of readers won't be able to resist Henry's amazing talent for trouble! PRAISE FOR HORRID HENRY "Henry's over-the-top behavior, the characters' snappy dialogue, and Ross's hyperbolic line art will engage even the most reluctant readers." Publishers Weekly "Like Dennis the Menace and Curious George, Horrid Henry is either finding trouble or creating it, and the kids are crazy about his antics." Meredith Smith, grade school teacher, DolceBellezza.blogspot.com "Kids will love reading the laugh-out-loud funny stories about someone whose behavior is even worse than their own." School Library Journal "Will make you laugh out loud." Sunday Times Why Horrid Henry? Kids love it! "I love the Horrid Henry books by Francesca Simon. They have lots of funny bits in. And Henry always gets into trouble!" Mia, age 6, BBC Learning is Fun "It's easy to see why Horrid Henry is the bestselling character for 5-8 year olds." Liverpool Echo Because it's funny "My two boys love this book and I have actually had tears running down my face and had to stop reading because of laughing so hard. My oldest son is rereading all the books in this series on his own now and he still loves them. Happy reading!" T. Franklin, Parent "A modern comic classic." SF Said, Guardian Children's Books Supplement Kids get to be harmlessly rebellious "Henry is a beguiling hero who has entranced millions of reluctant readers... little rebels will love this collection and even little angels will be secretly thrilled by Henry's anti-heroic behaviour." Herald Henry's naughtiness is a yardstick against which children can get a sense of their own moral goodness and social justice "What is brilliant about the books is that Henry never does anything that is subversive. She creates an aura of supreme naughtiness (of which children are in awe) but points out that he operates within a safe and secure world." Emily Turner, Angels And Urchins Magazine Reaches the most important age group - children who are learning to read "I have tried out the Horrid Henry books with groups of children as a parent, as a babysitter, and as a teacher. Children love to either hear them read aloud or to read them themselves. The books are spot on for the 5-8 age range and are fun for the adults who share them too." Danielle Hall, Teacher The structure provides new readers with a real sense of accomplishment "My son is 7 years old and a big Horrid Henry fan. This book lived up to his expectations! Horrid Henry is like most boys: he always has a plan and is always getting into mischief! It was amusing, and he could not put it down. Can't wait for the next. He read it cover to cover by himself in 2 days! That for me sells a book! He can't wait for the next one to be published. He has recommended it to all his friends." Mrs. Tami Gold, Parent Reaches both boys

and girls equally "Wonderfully appealing to girls and boys alike, a precious rarity at this age." Judith Woods, Times Books A global publishing phenomenon with 12 million copies sold! WHAT PEOPLE ARE SAYING ABOUT HORRID HENRY: "Parents reading them aloud may be consoled to discover that Henry can always be relied upon to behave worse than any of their own offspring." Independent "An absolutely fantastic series and surely a winner with all children. My son took this book as his favourite during book week at his school and converted a few children to the cause. Long live Francesca Simon and her brilliant books! More, more please!" "My 5-year-old adores them so much he couldn't wait to start reading because of them." "I really like Horrid Henry and like reading it to my dad. It's funny!" Matthew, 9, St. Albans "Horrid Henry is a fabulous anti-hero: monstrously selfish and greedy, he does things most children only dream about... a modern comic classic." The Guardian "My 6-year-old son has now read the whole series unaided and is quite content to re-read the stories again and again. My 5-year-old is dying to be able to read well enough so she can read them independently too!" "Henry is really naughty and makes me laugh. He's very funny and he has lots of adventures." Martha, age 5, Bella "A flicker of recognition must pass through most teachers and parents when they read Horrid Henry. There's a tiny bit of him in all of us." Child Education "It didn't even make it to the library shelves and there's a long waiting list for it! Enough said." Nancy Astee, Child Education "A definite must for every teacher - reading about Henry makes your naughtiest child seem like a saint!" "As a teacher of 8-year-olds, it's great to get a series of books my class love... They torment me to lend them the books so they can read them on their own. Need I say more?"

Horrid Henry's Underpants

Herman Wouk's sweeping epic of World War II, which begins with THE WINDS OF WAR and continues in WAR AND REMEMBRANCE, stands as the crowning achievement of one of America's most celebrated storytellers. Like no other books about the war, Wouk's spellbinding narrative captures the tide of global events - the drama, the romance, the heroism and the tragedy of World War II - as it immerses us in the lives of a single American family drawn into the very centre of the maelstrom.

Horrid Henry's Sizzling Summer

A stinkbomb becomes a deadly weapon in Horrid Henry's long-running war with Moody Margaret; he uses all his guile to win the school reading competition, only to find the longed-for prize is not what he expected; he goes for a sleepover and retreats in horror when he finds that other people's houses aren't always as nice as his own; and he has the joy of seeing Miss Battle-Axe ticked off by the Head when he knows it was all his fault. In short, another vintage HORRID HENRY title!

Horrid Henry's Stinkbomb

A Kirkus Prize nominee and Stonewall Honor winner with 5 starred reviews! A New York Times bestseller! Named one of the best books of 2017 by NPR and the New York Public Library! "The queer teen historical you didn't know was missing from your life."—Teen Vogue "A stunning powerhouse of a story."—School Library Journal "A gleeful romp through history."—ALA Booklist A young bisexual British lord embarks on an unforgettable Grand Tour of Europe with his best friend/secret crush. An 18th-century romantic adventure for the modern age written by This Monstrous Thing author Mackenzi

Lee—Simon vs. the Homo Sapiens Agenda meets the 1700s. Henry “Monty” Montague doesn’t care that his roguish passions are far from suitable for the gentleman he was born to be. But as Monty embarks on his grand tour of Europe, his quests for pleasure and vice are in danger of coming to an end. Not only does his father expect him to take over the family’s estate upon his return, but Monty is also nursing an impossible crush on his best friend and traveling companion, Percy. So Monty vows to make this yearlong escapade one last hedonistic hurrah and flirt with Percy from Paris to Rome. But when one of Monty’s reckless decisions turns their trip abroad into a harrowing manhunt, it calls into question everything he knows, including his relationship with the boy he adores. Witty, dazzling, and intriguing at every turn, *The Gentleman’s Guide to Vice and Virtue* is an irresistible romp that explores the undeniably fine lines between friendship and love. Don’t miss Felicity’s adventures in *The Lady’s Guide to Petticoats and Piracy*, the highly anticipated sequel!

Horrid Henry's Mother's Day

How should we treat non-human animals? In this immensely powerful and influential book (now with a new introduction by Sapiens author Yuval Noah Harari), the renowned moral philosopher Peter Singer addresses this simple question with trenchant, dispassionate reasoning. Accompanied by the disturbing evidence of factory farms and laboratories, his answers triggered the birth of the animal rights movement. 'An extraordinary book which has had extraordinary effects... Widely known as the bible of the animal liberation movement' Independent on Sunday In the decades since this landmark classic first appeared, some public attitudes to animals may have changed but our continued abuse of animals in factory farms and as tools for research shows that the underlying ideas Singer exposes as ethically indefensible are still dominating the way we treat animals. As Yuval Harari’s brilliantly argued introduction makes clear, this book is as relevant now as the day it was written.

The Gentleman's Guide to Vice and Virtue

“An extraordinary real picture of human beings numbed by catastrophe but still driven by the unconquerable determination of living creatures to keep on being alive.” —The New Yorker “Alas, Babylon.” Those fateful words heralded the end. When the unthinkable nightmare of nuclear holocaust ravaged the United States, it was instant death for tens of millions of people; for survivors, it was a nightmare of hunger, sickness, and brutality. Overnight, a thousand years of civilization were stripped away. But for one small Florida town, miraculously spared against all the odds, the struggle was only just beginning, as the isolated survivors—men and women of all ages and races—found the courage to come together and confront the harrowing darkness. This classic apocalyptic novel by Pat Frank, first published in 1959 at the height of the Cold War, includes an introduction by award-winning science fiction writer and scientist David Brin.

Z-Burbia: A Post Apocalyptic Zombie Adventure Novel

When the zombie apocalypse hits the quiet Asheville, NC subdivision of Whispering Pines, the residents don't turn to the police or the military. Nope. They rely on their iron-fisted Home Owners

Association! Which Jace Stanford and his family aren't too keen on. Undead hordes are hard enough to deal with in a post-apocalyptic hellscape, who needs HOA fines too? Filled with blood, gore, plenty of bad jokes, cannibals, dreaded HOA covenants, and a whole lot of snark, Z-Burbia is guaranteed to thrill and entertain! Welcome to life in Z-Burbia! Reviews- "The first novel in Jake Bible's series Z-Burbia hooked me. What appeared to be a jokey take on zombie fiction quickly develops some great characters and story." -BoingBoing.net "For those still not convinced about the zombie genre, Z-Burbia is worth a read if only for its female characters: Jake Bible doesn't have time for vapid whimpering damsels in distress. Oh no. Bible's characters are thinking, acting, feisty sorts." -Lee Murray, Bram Stoker Award-winning novelist "5.0 out of 5 stars 100% Zombie - and more. Quick, strong, gory, exciting, explosive, non-stop action. The opening part of the book does warn there will be gore, which if you are reading a zombie apocalypse book should not be a shock. Mr. Bible delivers all these. BUT he also delivers believable characters with different reasons for doing what they do. A developing political structure rising out of the ashes of civilization - from the Home-Owners Association tyrant to the constant battle between urban-and-rural. Big battles and little battles - zombies being weaponized, and parents raising kids in the Z-hellscape to be responsible adults. The layers take this book to the next level." -Erin Penn, Vine Voice, amazon.com "I love my zombies and this series is by far my favorite. The main character is just amazingly done, cause I agree that we all need a laugh in the zombie apocalypse." -UglyCasanova, 5-star Goodreads review Other books by Jake Bible: By Series: The Apex Trilogy (Dead Mech, The Americans, Metal & Ash) The Kaiju Winter Series Roak: Galactic Bounty Hunter Series The Mega/Team Grendel Thrillers The Flipside Sagas Max Rage: Intergalactic Badass! Z-minus

The post-apocalyptic series readers are describing as "one of the best post-apocalypse stories I've ever read." Once administered, the cure heals organs, rebuilds neurons, and even reunites us with our consciousness. The cure heals us. But the cure will only exist for the next eight hours. If your daughter had the power to save the world, what would you do? Chris Smith has eight hours to get his cured daughter Maisie to the research ship anchored off the coast of Brighton or lose the only chance of salvation the human race has. He must battle raging undead hordes and evade a powerful warrior goddess hell-bent on retaining power in the new world order.

Z-Burbia 3: Estate of the Dead

Jace Stanford has lost family, friends, and his arm to the zombie apocalypse that hit his subdivision of Whispering Pines. But he's also gained something he never in a million years would have thought would be a plus: the cannibal savant known as Elsbeth. Now Jace needs Elsbeth's help more than ever. But is she up to the task when her past is revealed? A past that is possibly more shocking than the zombie apocalypse itself? Jace is gonna find out the hard way. And, as everyone knows, in Z-Burbia the hard way usually means a whole lot of people are going to die! Welcome back to Z-Burbia, y'all!

Reviews- "I have really enjoyed this series, and Z-Burbia 3: Estate of the Dead did not disappoint. It was cool to finally get a few answers on Elsbeth's past - where she came from and how she became the badass she is today. With lots of laughs, killing, and of course...zombies, this is a great series for anyone into apocalyptic thrillers. I can't wait to start book four!" -Jennifer Murphy, 5-star Goodreads review "This series gets better with every book. The action grabs you from the start and doesn't let up. Unlike a lot of zombie books these characters feel well rounded and believable. I can't wait to start on the next book." Christine Delong, 5-star Goodreads review

Z-Burbia 2: Parkway To Hell: Description- With Whispering Pines refusing to give up and die, Jace "Long Pork" Stanford has nothing better to do than find out who the heavily-armed newcomers in town are. Well, while he's not busy dealing with the ever present Z hordes. Or running for his life from paramilitary mercenaries. Or possibly blowing up more of the zombie-infested city because he can't help pressing

buttons. Buttons are meant to be pressed, even in the apocalypse, right? Looks like it's just another day in Z-Burbia! Z-Burbia 3: Estate of the Dead: Description- Jace Stanford has lost family, friends, and his arm to the zombie apocalypse that hit his subdivision of Whispering Pines. But he's also gained something he never in a million years would have thought would be a plus: the cannibal savant known as Elsbeth. Now Jace needs Elsbeth's help more than ever. And, as everyone knows, in Z-Burbia the hard way usually means a whole lot of people are going to die! Welcome back to Z-Burbia, y'all! Z-Burbia 4: Cannibal Road: Description- Forced out of Asheville, Jace Stanford's family, along with a convoy of suburbanites, misfits, criminals, and soldiers, must battle their way through the I-40 corridor of Eastern Tennessee. When they are separated from their friends and allies in Knoxville, the Stanfords have to rely on their skills as post-apocalyptic survivors to fight off the Zs, insane Vols fans, homicidal sorority girls, and the most deadly of the post-apocalyptic threats- cannibal gangs! No longer are the Stanfords trying to survive day by day, but hour by hour and minute by minute, as they flee Z-Burbia and race through the hellscape of Cannibal Road! Reviews- "Once again Mr. Bible has cracked me up in the zombie apocalypse! Jace is still funny as hell, I love him. Elsbeth is still bad ass and she is my favorite. Stella and the kids brought out some cans of whoop ass as well!" -Melissa Martin, 5-star Goodreads review "I'm running out of things to say about how much I love this series. Each book is just as good as the last." -Jennifer Wheeler, 5-star Goodreads review Z-Burbia 5: The Bleeding Heartland: Description- The American Midwest was a bucolic landscape that didn't quite adjust to the zombie apocalypse. Instead of open arms and welcoming faces, there are now open mouths and ravenous Zs. The blue collar drive to work hard has become a red-mouthed hunger for flesh. Jace Stanford, his family, and the rag tag bunch of Whispering Pines survivors, private military contractors, laborers, and former (hopefully?) cannibals now must face the vast, exposed space of America's Heartland in order to get to a possible sanctuary in the post-apocalyptic ruins of Boulder, Colorado. Just a simple convoy from point A to point B, right? Yeah, right. Nothing is ever simple in Z-Burbia! Z-Burbia 6: Rocky Mountain Die: Description- With the plains to their backs, Jace Stanford and crew are just steps from their destination: the Stronghold of Boulder, CO. All they have to do is battle the mega-powerful, corporate/political/military entity that is the Consortium, survive the brainwashed killing machines that call themselves the Sisters, and deal with a mad scientist hell bent on making life really, really hard for everyone because he's just a f*ing jerk. Not a problem! If anyone can get his friends and family through a nightmare like this, it's Jace Stanford! What's that? There's a horde of zombies that's close to half a million strong coming for them all? Okay, everyone's screwed... It is Z-Burbia after all! Reviews- "It's the last push to reach safety for Long Pork and his very extended family. Lots of fighting, swearing, laughs and tears as Jace carries on with his bumbling, brilliant plans, stumpageddon and his "thoughts out loud". There is continuous action, with barely a moment to catch your breath throughout the whole book." -PJ Lea, 5-star Goodreads review "It's hard to keep coming up with unique situations and solutions to those situations but Jake bible does it with a F*ck ton of humor and violence. "Gallardo resets the zombie bar, and it's sky-high." --Nancy Holder What's that low-pitched groaning sound? My name is Courtney, and I don't sell Vitamin Z at the Bully Burger anymore. These days my friends and I spend our after-school hours kicking zombie butt. Half the school is mad at me, even though I'm the one keeping their gray matter off the menu. And my dad won't let me talk about going to Columbia next year, even though the Army's clearing shufflers out of NYC. These fast new super-zombies are pretty scary, and if it wasn't for the new guy's awesome moves we'd be toast. Between him, my maybe-boyfriend Phil, and my Z-head ex Brandon, stupid boys are going to lead the undead right to my doorstep. They can chase me all they want--whatever else happens, I am going to get the Z out of Zomburbia. Praise for Zomburbia "Scary, freaky, and original. Allegiance

Edited by Monique Happy Editorial Services 122,990 words. Approximately 490 pages Allegiance, Book 5 in the Surviving the Zombie Apocalypse series, picks up two days after "A Pound of Flesh: Surviving the Zombie Apocalypse" left off. Outbreak - Day 1. Like a fragile house of cards in a hurricane, Presidents, Premiers, entire governments and their ruling bodies disappeared instantly. Some had ensconced themselves in deep underground bunkers or remained holed up in fortified strongholds, but history would tell that most had been swallowed up by the dead - never to be heard from again. Infection rates skyrocketed in the United States' largest cities the first days of the outbreak, as the rapacious dead delivered the Omega virus with emotionless efficiency. During the ensuing days, the rest of the country and the world shared the same fate as Omega spread exponentially from within the mega population centers, pulsing into the countryside, a rotten, shambling diaspora. It had taken 3.7 billion years for man to evolve from a universal common ancestor - to stop dragging his collective knuckles - finally to emerge the dominant species, complete with shiny new iPads, Smartphones, worldwide non-stop air travel, and all manner of high tech war machines. Yet it had taken one microscopic man-made virus only three days to deliver mankind, on its collective knees, to the doorstep of extinction. WARNING - SPOILERS AHEAD Outbreak - Day 15. With an estimated ninety-nine percent of the United States' population having already succumbed to the rapidly spreading Omega virus, and countries and cities worldwide teeming with the dead, the struggle to survive the zombie apocalypse continues unabated in the high desert of Colorado. Having just returned from a hastily thrown together secret mission that saw Robert Christian-the self-proclaimed President of his "New America"-snatched from his mountain redoubt and delivered kicking and screaming to the justice awaiting him at Schriever Air Force Base, Cade Grayson, father, husband, and Delta Force operator is horrified to learn that during his absence the base had been compromised, putting his family in harm's way. Its inhabitants still reeling from Pug's act of terror, and recently rocked by an undead outbreak inside the wire, Schriever no longer seems an island of safety surrounded by a sea of dead, but more like a shadowy prison, danger lurking within its walls. So, with the Z-infested cities of Denver and Aurora to the north and a hundred thousand flesh eaters inhabiting Pueblo to the south, and all hope of a cure for Omega dwindling faster than the world's population, Cade uses a mandated two-day stand down to fully weigh out his options. With

each passing day, he finds himself warming to Brook's stance that they pull up stakes and put the acres of squat buildings and fenced-in concrete in their rearview mirror for good. With his allegiance walking a tightrope between family and flag, will Cade appease Brook and move the family to Logan Winter's compound outside of Eden, Utah? Or will he lobby her to allow the family to stay at on Schriever, so that his Delta Team-still recovering from the recent loss of soft-spoken Sergeant Darwin Maddox and the Unit's longtime commander General Mike Desantos-will not find themselves undermanned and outgunned should another important mission crop up? Or will the talented Mister Murphy-of Murphy's Law fame-throw a monkey wrench into the equation and alter the best laid plans of mice and men?

#1 NEW YORK TIMES BESTSELLER • "Prepare to be entranced by this addictively readable oral history of the great war between humans and zombies."—Entertainment Weekly We survived the zombie apocalypse, but how many of us are still haunted by that terrible time? We have (temporarily?) defeated the living dead, but at what cost? Told in the haunting and riveting voices of the men and women who witnessed the horror firsthand, World War Z is the only record of the pandemic. The Zombie War came unthinkable close to eradicating humanity. Max Brooks, driven by the urgency of preserving the acid-etched first-hand experiences of the survivors, traveled across the United States of America and throughout the world, from decimated cities that once teemed with upwards of thirty million souls to the most remote and inhospitable areas of the planet. He recorded the testimony of men, women, and sometimes children who came face-to-face with the living, or at least the undead, hell of that dreadful time. World War Z is the result. Never before have we had access to a document that so powerfully conveys the depth of fear and horror, and also the ineradicable spirit of resistance, that gripped human society through the plague years. THE INSPIRATION FOR THE MAJOR MOTION PICTURE "Will spook you for real."—The New York Times Book Review "Possesses more creativity and zip than entire crates of other new fiction titles. A."—Entertainment Weekly, EW Pick "Probably the most topical and literate scare since Orson Welles's War of the Worlds radio broadcast . . . This is action-packed social-political satire with a global view."—Dallas Morning News
