Reformation Questions, Reformation Answers

What does "Protestantism" mean? What are the differences in worship among Protestants? Who were the Huguenots? What does the Reformation mean for us today? This new book by best-selling author Don McKim answers these questions and many more, providing the essential history of the Protestant Reformation. In an easy-to-use question-and-answer style, Reformation Questions, Reformation Answers highlights the key facts, people, and theologies of the Protestant Reformation, as well as major legacies of the historical movement. Published in time for the 500th anniversary of the beginning of the Reformation, this new resource will help readers understand a critical moment in Christian history that still deeply affects who the church is today.

The Reformation

"Book is an excellent introduction to the main personalities and chronology of the Reformation. The coverage of Martin Luther is brief, but the section on John Calvin and the role of Calvinism to the broader Reformation is quite good. Overall, the book does a good job of covering the Reformation in England. Specifically, Mosse nicely reveals the interplay between religion and politics that resulted in the theological ambiguity of Anglicanism." -- Amazon.com.

A short view of the rise, progress and effects of the Protestant Reformation, in England, Ireland, Scotland, and elsewhere

Does the Reformation Still Matter? In 1517, a German monk nailed a poster to the door of a church, disputing key doctrines taught by the Roman Catholic Church in that day. This moment set in motion a movement that changed the entire trajectory of church history. But do the Reformers still have something to teach us? In this accessible primer, Michael Reeves and Tim Chester answer eleven key questions raised by the Reformers—questions that remain critically important for the church today.

Protestant Christianity

Presents an overview of the causes, principal events, and outcome of the Protestant Reformation.

Why the Reformation Still Matters

The Simple Guide to the Protestant Tradition will help you appreciate the wide range of interpretations of the word Protestant and what the principal Protestant churches have as core beliefs and practices.

Simple Guide to the Protestant Tradition

The Reformation changed everything—culture, commerce and learning. Here in these few pages we focus on its core, its defining of a new Protestant church. While Wittenberg in 1517 is often regarded as the start of the Reformation, the earliest-recorded heretik died in Scotland more than a hundred years earlier. Part I offers a fast-paced storyline of the whole period. This book does not celebrate a schism. It sets forth biblical truth, and the part each of us must play in passing that truth on to the next generation. If the church is to be effective, we must believe and confess the gospel, obey it and adorn it, proclaim it and argue it, defend it, and be willing to suffer for it. What of Christ's prayer for Christians to be one? Would it be better to ignore, even forget the Reformation? If we look more closely at that prayer, we may be surprised by what we find. Includes: Timeline Questions for Reflection Martin Luther's 95 Theses Michael Reeves, author and speaker, is Prof of Theology at Union School of Theology. He has served on staff with UCCF and All Souls, Langham Place, London. John Stott, Bible teacher, evangelist, and author of 50 books, was Rector Emeritus of All Souls, Langham Place, and founder of Langham Partnership International. Lindsay Brown trains university evangelists in Europe. He was General Secretary of the International Fellowship of Evangelical Students (IFES) until 2007.

The Necessity of Reforming the Church

You Say You Want a Reformation? It is no secret that our world desperately needs change. Politicians know this and use it to collect votes. Journalists exploit it to sell newspapers and magazines. Advertisers, to sell everything else. Each of these groups (and countless others) spend their lives working to convince others that they hold the key to a better country, a better life, a better future. But what exactly is this change we all long for? And how can it ever come about? A Primer on Worship and Reformation proposes that true change begins, not with a process or an idea, but through faithful worship. To witness true global change -- true reformation -- we must first pray the Lord that we would see worship at the center of life. The truth is that when the Word is faithfully preached, even the gates of hell tremble. When the Psalms are sung, the meek inherit the earth. When the church celebrates at the Lord's Table, those who mourn are comforted. If we learn these lessons and believe them to be true, we will find that through renewed worship God brings change to every facet of our lives.

The Reformation

Most students of history know that Martin Luther nailed his ninety-five theses to the Wittenberg Church door and that John Calvin penned the Institutes of the Christian Religion. However, the Reformation did not unfold in the straightforward, monolithic fashion some may think. It was, in fact, quite a messy affair. Using the most current Reformation scholarship, James R. Payton exposes, challenges and corrects some common misrepresentations of the Reformation.

Protestant Reformation 45 Success Secrets - 45 Most Asked Questions on Protestant Reformation - What You Need to Know

Historical overview of the Protestant Reformation from its initial stirrings in medieval times through the Counter-Reformation, and its cultural effects.

History of the Reformation of the Sixteenth Century

In this Very Short Introduction, Peter Marshall illuminates the causes and consequences of this pivotal movement in western Christianity.-publisher description.

The Reformation

Dave Armstrong here explains 95 key Bible passages that confound all who would use Scripture to criticize the Church.

A Primer on Worship and Reformation

Perhaps no period in Christian history experienced such vast religious tumult and rapid social change as the European Reformation, when it quickly became apparent that social and political issues--finding deep resonance with the common people--were deeply entwined with religious ones raised by the Reformers. Led by eminent Reformation historian Peter Matheson, ten distinguished social historians trace the myriad and profound ways in which Europe's several Reformations played out in the lives of common folk: in their personal spirituality and corporate worship; catechesis and discipline; sexuality and gender roles; mores surrounding marriage, birth, and baptism, aging and death; relations with Jews and Muslims; lay theologies; as well as the utopian and even revolutionary ventures they spawned.

The Reformation in Europe

First published in 1992. Routledge is an imprint of Taylor & Francis, an informa company.

The Protestant Reformation

A study of the fundamental religious ideas of the Reformation and their relationship to liberal Protestantism.

Getting the Reformation Wrong

Self-serving lacky, self-deceiving puppet, Swiss Protestant partisan, or sensible Erasmian humanist: which, if any, was Thomas Cranmer? For centuries historians have offered often bitterly contradictory answers. Although Cranmer was a key participant in the changes to English life brought about by the Reformation, his reticent nature and lack of extensive personal writings have left a vacuum that in the past has too often been filled by scholarly prejudice or presumption. For the first time, however, this book examines in-depth little used manuscript sources to reconstruct Cranmer's theological development on the crucial Protestant doctrine of justification. The author explores Cranmer's cultural heritage, why he would have been attracted to Luther's thought, and then provides convincing evidence for the Reformed Protestant Augustinianism which Cranmer enshrined in the formularies of the Church of England. For Cranmer the glory of God was his love for the unworthy; the heart of theology was proclaiming this truth through word and sacrament. Hence, the focus of both was on the life of on-going repentance, remembering God's gracious love inspired grateful human love.

The Reformation

>

The Reformation: A Very Short Introduction

For some time, it has lingered restive, waiting to waken as if from a dormant state, an irresistible and fundamental basis of inquiry from which certain questions had formed as to whether there were true spiritual blessings bestowed on the whole of the Reformation movement, and which extended to all its leaders and the revolting rabble, and also, whether it was the right or even the best action to take, and also, whether the virtuous means and the unwitting results, were all that pleasing to God? These questions seem to beg for reasonable and truthful answers. And along with these questions there is an unequivocal assumption that the Reformation and the Protestant Revolt occurred primarily for the benefit of the Catholic Church. This book lays out the reasons in what-if perspectives and proves that Protestantism is truly a false religion, while stipulating that some of its members, like most Catholics are all truly Christian children of the God of Israel. The book also details the reasons why all non-Christian religions are doomed from the beginning as was the Reformation and the Protestant Revolt.

The Catholic Verses

The spirit of Protestantism: the God-Man encounter as living experience in history, the primacy of freedom and responsibility, and the reflection in Christian belief of the changing human situation. (front cover).

Reformation Christianity

Students of the Reformation identify and elucidate areas of sixteenth century reforming exegesis, theology and activity in Martin Luther, John Calvin and other leading reformers to demonstrate the thoroughgoing nature of the Reformation agenda.

The Arrested Reformation

What if Protestantism were true? What if the Reformers really were heroes, the Bible the sole rule of faith, and Christ's Church just an invisible collection of loosely united believers? As an Evangelical, Devin Rose used to believe all of it. Then one day the nagging questions began. He noticed things about Protestant belief and practice that didn't add up. He began following the logic of Protestant claims to places he never expected it to go -leading to conclusions no Christians would ever admit to holding. In *The Protestant's Dilemma*, Rose examines over thirty of those conclusions, showing with solid evidence, compelling reason, and gentle humor how the major tenets of Protestantism - if honestly pursued to their furthest extent - wind up in dead ends. The only escape? Catholic truth. Rose patiently unpacks each instance, and shows how Catholicism solves the Protestant's dilemma through the witness of Scripture, Christian history, and the authority with which Christ himself undeniably vested his Church.

Evangelical Protestantism in Ulster Society 1740-1890

This comprehensive activity book and curriculum guide about the Middle Ages contains comprehension questions and answers, maps and geography activities, coloring pages, lists of additional readings in history and literature, and simple, hands-on activities designed for grades one through four.

The Old Protestantism and the New

Does the Reformation Still Matter? In 1517, a German monk nailed a poster to the door of a church, disputing key doctrines taught by the Roman Catholic Church in that day. This moment set in motion a movement that changed the entire trajectory of church history. But do the Reformers still have something to teach us? In this accessible primer, Michael Reeves and Tim Chester answer eleven key questions raised by the Reformers--questions that remain critically important for the church today.
