This is Lonely Planet's guide to the world's best eco-friendly resorts and experiences. From eco-lodges with cutting-edge sustainability initiatives to tours designed to protect wildlife and empower communities, you'll discover remarkable places where you can feel good about spending your time and money. There are nearly 180 escapes to choose from, organised across five themes: Nature, Relaxation, Culture, Urban and Learning, to make it easy for you to find your perfect getaway - from tracking rare black rhinos in Namibia to a high-end private island hideaway in Indonesia, or a remastered heritage hotel in Monaco to an innovative community tourism project in Cuba. Each escape is labelled with the key sustainability features you can enjoy while staying at the hotel or participating on the tour - whether it's wildlife spotting, sustainable dining, conservation opportunities, homestays, expert talks and more. We also tell you what makes each retreat so special, what you can do there, what's on its doorstep, and provide contact details to help you find out more or book a visit. Featured experiences include: Living with nomads and tending to their livestock in the wilds of rugged Mongolia Fishing for and eating invasive lionfish species from Dominica, 'the nature island' Protecting rare and elusive snow leopards from the breathtakingly beautiful peaks of Kyrgyzstan Staying in a hotel cooled by waterfalls and lush vertical gardens in cutting-edge Singapore Staying in an Egyptian eco-lodge that uses beeswax candles for power in lieu of electricity Relaxing with yoga classes and rustling up locally-sourced produce in a sustainable eco-lodge on the shores of Lake Nicaragua And much, much more. The Bradt guide is the most comprehensive book on the market to the Mascarene islands of Mauritius, its dependency Rodrigues and the French island of Reunion. It is the only guide to cover the full range of dining and accommodation options, from shoestring to luxury. It offers greater coverage of flora, fauna and conservation projects than other guides, as well as in-depth information on outdoor pursuits, beaches, food, culture and language. Whether visitors want to chill out amid Rodrigues's simple charms, hike through the volcanic landscapes of Reunion, or get married in Mauritius, the information is here.

Zambia, Mozambique & Malawi

Located 2,400 kilometres from the southeastern coast of Africa, Mauritius is an island nation and tourist paradise in the Indian Ocean. The island is part of the Mascarenhas Archipelago along with Rodrigues Island and French Réunion, sharing with them a common geologic origin. The official language in Mauritius is English with French also in common everyday usage. Lonely Planet's Beautiful World

This annual bestseller ranks the hottest countries, regions and cities for 2020, and reveals how well-planned, sustainable travel can be a force for good. Drawing on the knowledge and passion of Lonely Planet's staff, authors and online community, we present a year's worth of inspiration to take you out of the ordinary and into the unforgettable.

Lonely Planet Cape Town & the Garden Route

For fans of *The Wager* and *Mutiny on the Bounty* comes a thrilling true tale of power, obsession, and betrayal at the edge of the world. In 1808, an American merchant ship happened upon an uncharted island in the South Pacific and unwittingly solved the biggest nautical mystery of the era: the whereabouts of a band of fugitives who, after seizing their vessel, had disappeared into the night with their Tahitian companions. Pitcairn Island was the perfect hideaway from British authorities, but after nearly two decades of isolation its secret society had devolved into a tribalistic hellscape; a real-life Lord of the Flies, rife with depravity and deception. Seven generations later, the island's diabolical past still looms over its 48 residents; descendants of the original mutineers, marooned like modern castaways. Only a rusty cargo ship connects Pitcairn with the rest of the world, just four times a year. In 2018, Brandon Presser rode the freighter to live among its present-day families; two clans bound by circumstance and secrets. While on the island, he pieced together Pitcairn's full story: an operatic saga that holds all who have visited in its mortal clutch—even the author. Told through vivid historical and personal narrative, *The Far Land* goes beyond the infamous *Mutiny on the Bounty*, offering an unprecedented glimpse at life on the fringes of civilization, and how, perhaps, it's not so different from our own.

You can go snorkelling and hiking

Fiji is the most accessible outpost of the South Pacific.

And with white sand and blue sea, it's one of the most popular countries.

On Viti Levu, you can hike at the Sigatoka Sand Dunes National Park.

Divers should head to the waters off Kadavi or Taveuni.

London

Lonely Planet: The world's leading travel guide publisher* This is not a guidebook. And it is definitely 'not-for-parents'. It is the real, inside story about one of the world's most famous cities - London. In this book you'll hear fascinating tales about famous and infamous people, creepy underground places, dark history and strange characters galore. Check out cool stories about graffiti artists, murdered princes and people from all over. You'll find royalty, punks and sleuths, and some amazingly weird food. Heard about the abseilers who wash a clockface for a living? Would you want to eat jellied eels? How could anyone be lucky to be beheaded? Whatever does 'this is my trouble and strife' mean? This book shows you a London your parents probably don't even know about. Authors: Written and researched by Lonely Planet, Klay Lamprell About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, children's books, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places where they travel. A Not So Lonely Planet

Marina Taylor has a one-way ticket to Rome and big dreams to write a book...but an undeniable connection with an irresistible stranger—and her penchant for disaster—just may derail her plans. From Florence to Capri to the Amalfi Coast, follow Marina's hilarious sex-capades as she stumbles her way through Italian virgins, French photographers, Sicilian twins, and even some first-rate train sex in the second-class cabin. Will she master the art of seduction in Italy—or will she once again prove more calamity than coquette? And what about Will, the ruggedly down-to-earth ex she left pining for her back home? Equal parts laugh-out-loud travel comedy and erotic adventure, Marina will inspire you to throw your itinerary out the window and throw caution to the wind. The question isn't whether or not to choose adventure, but which adventure will choose you. Art, love, sex, wine—the Italian playboy and the boy next door—who says you can't have it all?
