Think about whether the effort is justified.

Second, think about where you want to submit the manuscript.

Know the mission of the publication.

Third, follow the instruction or guidelines for authors for that journal very closely, particularly in regard to length and format.

The fourth tip is to follow closely the appropriate style manual.

Fifth, short and concise is always better.

Sixth, follow accepted practices in regard to grammar and style.

Seventh, when the paper is written, review the abstract very, very closely.

Eighth, consider the article title very carefully.

Ninth, make sure any tables, charts, images, or graphics are essential and created in a quality fashion.

My tenth tip is to read the final manuscript aloud several times.

Twelfth, avoid any hint of plagiarism.

Always cite your sources.

Doctor Who-Guide 1/3

Walking in the country, by the sea, or in the town, so many wonderful things to see if you stop and look around! Go on your very own walk guided by Ranger Hamza with this book that can be used again and again. Take this book with you on any walk, wherever you live, with suggestions from Ranger Hamza for things to look out for. Can you see a red thing? A tall thing? Can you find something smooth, and something rough? What can you smell, and what can you hear? As well as things to spot on the walk, each spread contains fascinating Hamza facts. Turn every walk, long or short, into an interactive, playful, learning adventure. Can be used on any kind of walk, in any location, and any duration, over and over again. Will help young hikers look at the world around them in a new way. Can also be read at home, with readers spotting the details in the beautiful illustrations. Perfect for families looking to make their regular outings more fun, whether in the city or the country: Let's Go For a Walk!

Let's Go For a Walk

In this easy-to-use reference, over 1600 websites have been carefully researched and selected with educational and recreational needs in mind. Sorted into thirty categories including all National Curriculum subjects, the book provides brief descriptions of each website and the resources you can expect to find there. Some of the wide-ranging categories include art, attractions, careers and students, environment, film, TV and radio, reference and revision. The format is unique and simple, making this a perfect resource for young people, parents and teachers and an excellent support tool for schools and libraries.

The Young Person's Guide to the Internet

Jake McGowan-Lowe is a boy with a very unusual hobby. Since the age of 7, he has been photographing and blogging about his incredible finds and now has a worldwide following, including 100,000 visitors from the US and Canada. Follow Jake as he explores the animal world through this new 64-page book. He takes you on a world wide journey of his own collection, and introduces you to other amazing animals from the four corners of the globe. Find out what a cow's tooth, a rabbit's rib and a duck's quack look like and much, much more besides.

Jake's Bones

Cooking up a good story is easy if you have the right ingredients! Break some thoughts into a cup, add some characters, sprinkle with full stops and capital letters, and glaze with happy endings. If the proof of the pudding is in the tasting, then this book should make for delicious reading! A charming introduction to the joy of writing and reading stories.

Cowboy Baby

'A delightfully funny book with a big, big heart' - David O'Doherty The debut novel from comedian and presenter of The Last Leg, Adam Hills, featuring a young detective dream team. When a priceless painting goes missing, Charley - a 12-year-old viral singing sensation - and her best friend George - camera whizz and budding comedian - are shocked to discover they're the prime suspects. Now Charley and George have to prove they're not international criminals - all while nailing a stellar European tour and keeping up with their homework! But as news of high-profile heists hits the headlines wherever they go, Charley and George keep finding themselves in the spotlight for all the wrong reasons. Can they solve these baffling crimes and save themselves, or will their shot for stardom be over almost as soon as it's begun? The perfect read for fans of Sharna Jackson, Robin Stevens, David Baddiel and David O'Doherty. Featuring brilliant illustrations from Luna Valentine.

Doctor Who-Guide 2/3

From the challenges of travelling when blind to becoming a parent for the first time, Kika & Me is the moving, heart-warming and inspirational story of Dr Amit Patel's sight-loss journey and how one guide dog changed his world. 'Inspiring and compelling . . . rekindles one's faith in human nature' - Andrew Marr Amit Patel is working as a trauma doctor when a rare condition causes him to lose his sight within thirty-six hours. Totally dependent on others and terrified of stepping outside with a white cane after he's assaulted, he hits rock bottom. He refuses to leave home on his own for three months. With the support of his wife Seema he slowly adapts to his new situation, but how could life ever be the way it was? Then his guide dog Kika comes along . . . But Kika's stubbornness almost puts her guide dog training in jeopardy – could her quirky personality be a perfect match for someone? Meanwhile Amit has reservations – can he trust a dog with his safety? Paired together in 2015, they start on a journey, learning to trust each other before taking to the streets of London and beyond. The partnership not only gives Amit a renewed lease of life but a new best friend. Then, after a video of an irate commuter rudely asking Amit to step aside on an escalator goes viral, he sets out with Kika by his side to spread a message of positivity and inclusivity, showing that nothing will hold them back. 'An incredible story of courage, perseverance and, ultimately love' - Sun 'The most moving book of the year' - The Lady

Rockstar Detectives

A picture book story about the triumph of hope, love, and determination, Coming to England is the inspiring true story of Baroness Floella Benjamin: from Trinidad, to London as part of the Windrush generation, to the House of Lords. When she was ten years old, Floella Benjamin, along with her older sister and two younger brothers, set sail from Trinidad to London, to be reunited with the rest of their family. Alone on a huge ship for two weeks, then tumbled into a cold and unfriendly London, coming to England wasn't at all what Floella had expected. Coming to England is both deeply personal and universally relevant – Floella's experiences of moving home and making friends will resonate with young children, who will be inspired by her trademark optimism and joy. This is a true story with a powerful message: that courage and determination can always overcome adversity.

Evie and the Animals

In this action-packed CHERUB novel, two siblings on separate special agent missions both end up in deadly danger. CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. James is the latest CHERUB recruit. He and his sister were recently orphaned, and James has been in a lot of trouble. But he is brilliant in math. And CHERUB needs him. After one hundred days, the grueling training period is over. But the adventure has just begun.

The must-have look at the world from the team behind Radio 4's THE NOW SHOW. THE NOW SHOW BOOK boldly tackles all the superlatives that other books avoid. It does this by means of making stuff up and scrupulously avoiding too much research, insight, or fact. Unless the fact is funnier. And legal to mention. Split into illuminating subject sections, categories include: Biggest Scare Story Worst Political Gaffe Most Hated Corporate Jargon Most Annoying Recorded Announcement Most Stressful Special Occasion Most Baffling Commercial Most Inaccurate Weather Forecast - and many more! With Marcus Brigstocke and Mitch Benn adding their own fine touches, this book is a fascinating, engrossing - and brilliantly entertaining - look at the modern world ...

I Can Cook

In recent years non-fiction history programmes have flourished on television. This interdisciplinary study of history programming identifies and examines different genres employed by producers and tracks their commissioning, production, marketing and distribution histories. With comparative references to other European nations and North America, the authors focus on British history programming over the last two decades and analyse the relationship between the academy and media professionals. They outline and discuss often-competing discourses about how to 'do' history and the underlying assumptions about who watches history programmes. History on Television considers recent changes in the media landscape, which have affected to a great degree how history in general, and whose history in particular, appears onscreen. Through a number of case studies, using material from interviews by the authors with academic and media professionals, the role of the 'professional' historian and that of media professionals – commissioning editors and producer/directors - as mediators of historical material and interpretations is analysed, and the ways in which the 'logics of television' shape historical output are outlined and discussed. Building on their analysis, Ann Gray and Erin Bell ask if history on television fulfils its potential to be a form of public history through offering, as it does, a range of interpretations of the past to and originating from or including those not based in the academy. Through consideration of the representation, or absence, of the diversity of British identity – gender, ethnicity and race, social status and regional identities – the authors substantially extend the scope of existing scholarship into history on television History on Television will be essential reading for all those interested in the complex processes involved in the representation of history on television.

Real French home cooking with all the recipes from Rick's new BBC Two series. Over fifty years ago Rick Stein first set foot in France. Now, he returns to the food and cooking he loves the most ... and makes us fall in love with French food all over again. Rick's meandering quest through the byways and back roads of rural France sees him pick up inspiration from Normandy to Provence. With characteristic passion and joie de vivre, Rick serves up incredible recipes: chicken stuffed with mushrooms and Comté, grilled bream with aioli from the Languedoc coast, a duck liver parfait bursting with flavour, and a recipe for the most perfect raspberry tart plus much, much more. Simple fare, wonderful ingredients, all perfectly assembled; Rick finds the true essence of a food so universally loved, and far easier to recreate than you think.

Raising Children: The Primary Years

This official souvenir publication celebrates the Platinum Jubilee of Queen Elizabeth II, Britain's longest-serving monarch. In February 2022, Her Majesty Queen Elizabeth II will mark seventy years as monarch with a celebration known as the Platinum Jubilee. This official publication honors the Queen's reign with a special selection of photographs captured by professional and amateur photographers alike. These photographs document Her Majesty's early life before she acceded to the throne in 1952, her official role as monarch, her travel at home and abroad in support of the Commonwealth, and her fondness for animals and family life. These pictures also demonstrate the Queen's continued efforts to give thanks to those who have served the monarchy and their communities, from official garden parties to the Order of the Garter. These photographs are accompanied by resonant quotations from speeches given by the Queen over the years, including her wartime Children's Hour radio broadcast given at the age of 14, her first televised Christmas Speech in 1957, and her speech welcoming President Obama and the First Lady during their State Visit in 2011. With a varied selection of photographs from Her Majesty's reign, The Queen takes readers on a photographic journey of a remarkable life of duty and service.

LONGLISTED FOR THE WALTER SCOTT PRIZE FOR HISTORICAL FICTION 'To tell the story of a country or a continent is surely a great and complex undertaking; but the story of a quiet, unnoticed place where there are few people, fewer memories and almost no reliable records - a place such as Glen Conach - may actually be harder to piece together. The hazier everything becomes, the more whatever facts there are become entangled with myth and legend. . . ' Deep in the mountains of north-east Scotland lies Glen Conach, a place of secrets and memories, fable and history. In particular, it holds the stories of three different eras, separated by centuries yet linked by location, by an ancient manuscript and by echoes that travel across time. In ancient Pictland, the Christian hermit Conach contemplates God and nature, performs miracles and prepares himself for sacrifice. Long after his death, legends about him are set down by an unknown hand in the Book of Conach. Generations later, in the early nineteenth century, self-promoting antiquarian Charles Kirkliston Gibb is drawn to the Glen, and into the big house at the heart of its fragile community. In the present day, young Lachie whispers to Maja of a ghost he thinks he has seen. Reflecting on her long life, Maja believes him, for she is haunted by ghosts of her own. *News of the Dead* is a captivating exploration of refuge, retreat and the reception of strangers. It measures the space between the stories people tell of themselves - what they forget and what they invent - and the stories through which they may, or may not, be remembered.

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • "A stunning novel about the transformative power of relationships" (People) from the author of *Conversations with Friends*, "a master of the literary page-turner" (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both

studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for *Normal People* "[A] novel that demands to be read compulsively, in one sitting."—The Washington Post "Arguably the buzziest novel of the season, Sally Rooney's elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance."—The Wall Street Journal "[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read."—The New Yorker

The Princess Who Couldn't Sneeze

When a spoiled Princess can't sneeze, the castle is turned upside down trying to find a way to help her.

Susie and Alfred in The Knight, the Princess, and the Dragon

Susie worries that her friend Alfred does not love her enough, but she finds out just how much he does one day when she sees what seems to be a real dragon.

You Were Princess Last Time

"Susie has spunk. A fighting tomboy, her story opens with an accidental haircut and it grows up and out into a novel that spans a long, hot summer of incidents which always seem to Susie to start around her sadly shorn head. Take Mildred, for instance. She's supposed to be Susie's best friend, but she takes a malicious pleasure in Susie's hairlessness and insists on games of Rapunzel and even starts a club for long haired girls only. Then, there are Susie's superior older sisters and Aunt Mag, who is always there to gloom-see and doom-say every time Susie is at her worst. It's as hard to stop being a tomboy as it is to grow hair enough to look like a girl. When Susie attended a prissy all-girl party intent on behaving like a perfect lady, she could hardly lick the cake frosting off the gloves she wore all the way through."--Kirkus.

Princesses Are People, Too

Although they are princesses, two stories show Princess Yona and Princess Emma have troubles of their own.

Princesses are People Too

In the first story, Princess Yona and her parents slowly adapt to a world in which people seem to think that royalty belongs only in books. In the second, Princess Emma is uninterested in whether a prince is rich or handsome but only if he can successfully scratch away the terribly itchy spot in the middle of her back.

The Knight, the Princess and the Dragon

A princess, bored with living a lonely life in a castle, gets her chance to be with other kids at school.

The struggles and triumphs of modern adoptions are explored through this classic fairy tale version of a real family's journey. This charming story is sure to delight any reader, especially anyone who has experienced the joy of helping create a family. Based on one young child's experience, this author captures the attention of all children, as well as parents. Every reader will be touched by this book's celebration of family.

TODAY BRIDGETTE WILL BE A PRIN

Princess Frisky is an entertaining story full of excitement. Susie, daughter of the Sens' family, the main character in this children's drama is a child with a passion for animals. Though Susie believes that she is old enough to take care of a pet does not have a house pet and lives in hope to have one soon. The focal point in this story is based on trust. Susie must convince her parents that she has confidence, while earning their trust. Earning this trust is no simple task, but when she does meet their expectations must prove her self to be responsible. Dependability is a lesson to be learned. Susie is taken on a voyage of surprises which fulfills her heart's desires. Though Susie believes she's matured, capable and conscientious, what she hopes to endeavor is a huge investment in life and an enormous assignment for a nine year old. Through an understanding between Susie and her parents, she accepts responsibility but expresses her idea that through loving someone or something (animal) she can learn the meaning of responsible. What is apparent in the story is that her goal is to take a step forward in learning what it takes to be dependable and deep inside finds the strength in her big heart to love and accomplish her mission.

Princess Frisky

An enchanting, suspenseful story of a curious girl, a family curse and impossible alchemy from the acclaimed author of *School for Nobodies* Mim grew up surrounded by secrets. On the day she was born, her mother died and a strange curse was cast upon her family. Ever since, she's been isolated in a dismal castle behind high walls, forbidden from venturing to the Outside. But Mim has never been able to stop asking questions. And when her father hires a bogus governess, Madam Marionette - who brings along an entourage of thugs and a secret caged "pet" - Mim sets her enquiring mind to work on unravelling the mysteries all around her. Longing for a taste of freedom, she is willing to break all the rules to set out on an epic quest for the truth. But will it be enough to bring happiness back to the lonely castle?

TODAY SOPHIA WILL BE A PRINCES

What may seem to be a romance is not at all what this novel is actually about. This fictional book contains a little of everything, not so much for just the females any longer, Romance, mystery, comedy, deceit, adventure as this small framed woman becomes the night mare for this all American famous Bounty/PI who was first assigned to her case with twists and turns enough to make you sit on the edge of the seat wanting, needing to know whats next in this triangle of love/hate. Oh yes there are plenty of women who are known as Man eaters but this small town girl comes packing ready for each and every battle this handsome egotistical man brings, is she the victim or does she have something else in mind through out the series of this roller coaster ride of adventure that never seems to end. Susies journey down the road of heaven and hell continues finding Roberts brother Paul has a twin brother adding further turmoil and harm to this already hell filled life others thought to be a life of leisure. A few times Susie almost calls it quits but something was guiding her to find the truth that is not yet revealed, actually causing her to feel it was more of a duty to find the truth rather than just wanting this relationship to work. A true friend comes into the picture in this second novel of the Murray series helping provide strength but also provides the means to turn the mind games around during this journey of unjust circumstances. Can this friend be called an angel or is he just in it for the hell of it?
