The Fifth Essence - Planet DiFool

The duo of Alexandro Jodorowsky and Moebius lead us on a sensual and poetic journey, creating before us an erotic masterpiece. In "Angel Claws," frequent collaborators Alexandro Jodorowsky and Moebius ("The Incal," "The Eyes of the Cat") indulge their naughtier sides as they describe a young woman's quest for sexual awakening. Suggestive eroticism quickly evolves to metaphysical delirium.

Angel Claws

The unauthorized biography of Canada's most famous artist couple and the rivalry that drove them. She painted as if with pure light, radiant colours making quotidian kitchen scenes come alive with sublimated drama. He painted like clockwork, each stroke precise and measured with exquisite care, leaving no angle unchecked and no subtlety of tone unattended. Some would say Mary Pratt was fire and Christopher, ice. And yet Newfoundland's Frida Kahlo and Diego Rivera (or Jackson Pollack and Lee Krasner...) presented their marriage as a portrait of harmony and balance. But balance off the canvas rarely makes great art, and the Pratts' art was spectacular. As a youth at Mount Allison University in New Brunswick, Mary pursued her future husband, a prodigious art talent, and supported his determination to study painting instead of medicine. They married and removed themselves to a Newfoundland outport where his painting alone provided the means to raise a family. But as Mary's own talents became evident and she sought her own hours at the easel, when not raising their four children, and as rumours of Christopher's affair with a young model spread, the Pratts' harmonious exterior slowly cracked, to scandal in Newfoundland and fascination across the country. A marriage ended, and gave way to a furious competition for dominance in Canadian art.

Art and Rivalry

In this Middle Grade foray into the 80's-nostalgia hit series from Netflix, when Erica's frenemy loses track of her mother's prized Parakeet, the two will have to work together to return the bird safe and sound, or deal with the consequences. With the Starcourt Mall's recent destruction, Erica has lost her favorite hangout spot and her "free Ice cream for life" deal at Scoops-Ahoy. To make matters worse, her brother is too busy for her and her mom won't let her play Dungeons and Dragons anymore. This is the story of an ambitious, bossy, brilliant ten-year-old dealing with boredom and the complexities of maintaining friendships through tough times. Written by Greg Pak (Stranger Things: Zombie Boys, Stranger Things: The Bully, Ronin Island) and Danny Lore (Queen of Bad Dreams, James Bond) with art by Valeria Favoccia (Stranger Things: Zombie Boys, Assassin's Creed), colors by Dan Jackson, and letters by Nate Piekos.

BLAME! 2

Journey through the countryside in this magical realist debut from an underground Chinese cartoonist. In *Night Bus*, a young woman wearing round glasses finds herself on an adventurous late night bus ride that constantly makes detours through increasingly fantastical landscapes. Meanwhile a young cartoonist returns home after art school and tries his hand at becoming a working artist while watching over his aging grandmother whose memory is deteriorating. Nostalgic leaps take us to an elementary school gymnasium that slowly morphs into a swamp and is raided by a giant catfish. Beetles,

salamanders, and bug-eyed fish intrude upon the bus ride of the round-glasses woman as the night stretches on. *Night Bus* blends autobiography, horror, and fantasy into a vibrantly detailed surreal world that shows a distinct talent surveying his past. Nature infringes upon the man-made world via gigantism and explosive abundance—the images in *Night Bus* are often unsettling, not aimed to horrify, but to upset the balance of modern life. Zuo Ma is part of a burgeoning Chinese art comics scene that pushes emotion to the forefront of the story while playing with action and dreams.

Moebius Library: Inside Moebius Part 1

The Complete adventures of John Difoole continue as the investigation into the mysterious birth rate in the Red Ring continues. A must-read chapter in one of the most acclaimed sci-fi stories in the world.

Chris Samnee's Daredevil

The work of a visionary and iconoclastic feminist cartoonist—available in English for the first time *The Sky is Blue with a Single Cloud* collects the best short stories from Kuniko Tsurita's remarkable career. While the works of her male peers in literary manga are widely reprinted, this formally ambitious and poetic female voice is like none other currently available to an English readership. A master of the comics form, expert pacing and compositions combined with bold characters are signature qualities of Tsurita's work. Tsurita's early stories "Nonsense" and "Anti" provide a unique, intimate perspective on the bohemian culture and political heat of late 1960s and early '70s Tokyo. Her work gradually became darker and more surreal under the influence of modern French literature and her own prematurely failing health. As in works like "The Sky is Blue with a Single Cloud" and "Max," the gender of many of Tsurita's strong and sensual protagonists is ambiguous, marking an early exploration of gender fluidity. Late stories like "Arctic Cold" and "Flight" show the artist experimenting with more conventional narrative modes, though with dystopian themes that extend the philosophical interests of her early work. An exciting and essential gekiga collection, *The Sky is Blue with a Single Cloud* is translated

by the comics scholar Ryan Holmberg and includes an afterword cowritten by Holmberg and manga editor Mitsuhiro Asakawa delineating Tsurita's importance and historical relevance.
