Visiting Distilleries

Over 40 malt whisky distilleries (and other related facilities) in Scotland and Northern Ireland are detailed in this visitors' guide. Arranged on a regional basis, centred around an appropriate touring base, the book looks at each facility in detail for the whisky enthusiast. Preliminary chapters deal with the manufacture of Scotch (and Irish) malt whisk(e)y, with an explanation of how the guide works and how it should be used, and a brief history of distilling in Scotland. The second part is an A-Z of all the relevant distilleries, cooperages and heritage centres. These are detailed comprehensively and are given a seven-still rating for overall performance. The guide covers aspects such as ambience, appearance, ease of access for caravans/campers, AV quality, range of goods for sale, tour content and quality, and standard of catering, toilets and disabled access. Arran, Ben Nevis, Benromach, Blair Athol, Bowmore, Bunnahabhain, Bruichladdich, Old Bushmills, Caol Ila, Cardhu, Clynelish, Cragganmore, Dalmore, Dalwhinnie, Edradour, Fettercairn, Glenfarclas, Glenfiddich, Glengoyne, Glen Grant, Glenknichie, The Glenlivet, Glenmorangie, Glen Moray, Glen Ord, Glenturret, Highland Park, Isle of Jura, Lagavulin, Laphroaig, the Macallan, Oban, Pulteney, Royal Lochnagar, Strathisla, Talisker, Tobermory, Tomatin and Springbank. The Scotch Whisky Heritage Centre and Speyside Cooperage are also covered.

Scotch Missed

This guide for the whisky enthusiast covers the distilleries of the Hebrides and the west coast of Scotland. It includes photographs along with travel and local information on established distilleries, such as Bunnahabhain and Bowmore, and newer ones, such as Kilchoman on Islay. Neil Wilson first visited these distilleries aboard the ketch Alystra and wrote Scotch and Water as a result of his trip, delving into the history, development and the people who made the great whiskies of history. This book incorporates material from that book, but also includes much new writing on topics including the Islay malt sector - growing faster than any other in the trade.

The Island Whisky Trail

Spirits are all the rage today. Two-thirds of Americans drink, whether they enjoy higher priced call brands or more moderately priced favorites. From fine dining and piano bars to baseball games and backyard barbeques, drinks are part of every social occasion. In *The Prohibition Hangover*, Garrett Peck explores the often-contradictory social history of alcohol in America, from the end of Prohibition in 1933 to the twenty-first century. For Peck, Repeal left American society wondering whether alcohol was a consumer product or a controlled substance, an accepted staple of social culture or a danger to society. Today the legal drinking age, binge drinking, the neoprohibitionist movement led by Mothers Against Drunk Driving, the 2005 Supreme Court decision in *Granholm v. Heald* that rejected discriminatory curbs on wine sales, the health benefits of red wine, advertising, and other issues remain highly contested. Based on primary research, including hundreds of interviews with those on all sides—clergy, bar and restaurant owners, public health advocates, citizen crusaders, industry representatives, and more—as well as secondary sources, *The Prohibition Hangover* provides a panoramic assessment of alcohol in American culture. Traveling through the California wine country, the beer barrel backroads of New England and Pennsylvania, and the blue hills of Kentucky's bourbon trail, Peck places the concerns surrounding alcohol use within the broader context of American history, religious traditions, and governance. Society is constantly evolving, and so are our drinking habits. Cutting through the froth and discarding the maraschino cherries, *The Prohibition Hangover* examines the modern American temperament toward drink amid the \$189-billion-dollar-a-year industry that defines itself by the production, distribution, marketing, and consumption of alcoholic beverages.

The Prohibition Hangover

Shortlisted for the 2021 Gourmand Award for Best in the World - Drink Culture! From award-winning author of *Canadian Whisky*, Davin de Kergommeaux, comes a definitive guide to over 200 distilleries across Canada and the array of spirits they make. *The Definitive Guide to Canadian Distilleries* is an indispensable guide to the past, present and future of Canada's distilleries. Written by bona fide Canadian spirits expert Davin de Kergommeaux, this book covers more than 200 of the most exciting and cutting-edge distilleries, large and small, who are shaping the industry today. Just a decade ago, fewer than a dozen distilleries, concentrated in two provinces, produced almost all the spirits (mainly whisky) made in Canada. Today, there is a movement afoot in Canada's spirits world. There has never been a better selection of rich specialty spirits—from gin to moonshine, from flavoured vodka to liqueurs—to tempt the palate and supplement your long-time favourites. Despite flourishing public enthusiasm for Canada's distillers, other than incomplete and inaccurate web-based information, no one has offered consumers an all-inclusive guide... until now. Using a trademark (and witty) blend of narrative, tasting notes, inventive cocktail recipes and vibrant photos, de Kergommeaux shares the unique genesis of each of these distillers who are pushing the boundaries and flavours of spirits of all kinds. Divided geographically with suggested distillery routes, and filled with key tour information as well as breakout features of the most exciting people and spirits today, *The Definitive Guide to Canadian Distilleries* is a treasured souvenir and fun companion to the distilleries in every corner of the country, and a must-have guide for curious drinkers and expert connoisseurs alike.

The Definitive Guide to Canadian Distilleries

Ian Buxton tells the story of the foundation, growth, decline and renaissance of Glenglassaugh Distillery. With original photography, personal testimonies and a list of bottlings, the book will appeal to whisky fans, local historians, collectors and general readers interested in the wider story of Scotch and Scotland.

Glenglassaugh

These memoirs of a whisky distiller cover his time in the industry from 1963 until the present. The memoirs feature the places he worked in and the characters he met, providing a portrait of the distillery shopfloor.

The British National Bibliography

'Unquestionably the best guide to Scotland's finest whiskies.' Tim Atkin, Esquire

Arran Water

"This is the world's most influential book on whiskey. The 4,700 whiskies included in this 2020 edition range from Scottish single malts to Australian; from Canadian to Austrian. The whiskies from over 30 different countries are included. And evaluated in his forthright, honest, amusing, fiercely independent and non-pretentious style." -- Cover page [4].

Cincinnati Magazine

This companion guide to malt whisky describes 330 single malts from 100 distilleries, everything from famous brands to rare special bottlings. Illustrated with maps, labels, photographs, and lively commentary, there is also a section with suggestions on visiting Scottish distilleries.

The Malt Whisky File

Townsend details the ruins of almost every Victorian working distillery in Scotland, from the remnants of once-great concerns such as Saucel Distillery in Paisley to a tumble of bricks and mortar in a remote location, like Glen Tarras at Langholm.

The Time Out Paris Guide

"Unlike most readings of globalisation, these essays depict not an irresistible juggernaut but a process that, in generating its own resistances, opens up the possibility of an alternative world order founded not on the inequalities of power and capital, but on shared commitment to a fragile planet and a common and universal culture."--BOOK JACKET.

Jim Murray's Whisky Bible 2020

Connoisseurs of whisky regard the process of distilling and its eventual product as an art. This book offers a glimpse into another art form celebrating whisky - posters and showcards from the late Victorian and Edwardian periods, produced to advertise the range of whiskies available during that period.

Michael Jackson's Malt Whisky Companion

An updated edition of Big Whiskey, the definitive guide to the American Whiskey Trail. This updated edition of the definitive guide to the American Whiskey Trail is comprehensive collection of the whiskey, bourbon, and rye made by the best distillers in Kentucky and Tennessee. Full color images throughout showcase each and every bottle and label, behind-the-scenes images, and the beauty of the Whiskey Trail. Interviews with renowned distillers provide incredible insight into how whiskey is made. Locals and tourists alike will discover new distillers and expressions that are sure to satisfy any and all tastes. Big Whiskey is the perfect gift for the whiskey lover in your life.

Scotch Missed

"There isn't another guide on the market like it."--Jim Meehan, author of The PDT Cocktail Book. The first, most definitive guide to the exciting revolution happening in the world of Japanese whisky! "Japanese single malts have achieved cult status around the world," wrote Eric Asimov in the New York Times. Indeed, Japanese whiskies have become some of the most sought after and highly valued whiskies in the world. They have blended and melded traditional Scotch and American methods with new ideas, and imbued the whisky with exotic flavors from local Japanese woods to make a unique and signature product that not only rings true of whisky, but also speaks to Japanese terroir. In international competitions they have bested the traditional producer, and they have become absolutely the object of affection in the distilled spirits world! Now here in Whisky Rising, whisky authority and Japanese whisky expert Stefan Van Eycken takes you on a guided tour to some of the most coveted whiskies

in the world. This elegant book includes: *Fascinating interviews and profiles with the most celebrated distillers and blenders *Behind-the-scenes look into past and present distilleries *An insider's guide to the best whisky bars *How to drink whisky properly and cocktail recipes *Tasting notes and reviews of THE best Japanese whiskies

France - Exploring Guides

Thanks to industry guru Jim Murray and his internationally acclaimed annual Whiskey Bible, the Japanese are now running out of their own single malt and people have fought in Toronto liquor stores to grab the last bottle of his World Whisky of the Year. Rye, Irish Pot Still, and Bourbon have all seen a massive resurgence in recent years not least thanks to the visionary campaigning of the world's first-ever full time professional whisky writer. Murray has tasted nearly 20,000 different whiskies for the Whiskey Bible since it first hit the shelves in 2003. For this 2021 edition, he reflects on over another 1,200. The 4,700 whiskies included in this 2021 edition range from Scottish Single malts to Australian; from Canadian to Austrian. The whiskies from over 30 different countries are included and evaluated in his forthright, honest, amusing, fiercely independent, and non-pretentious style.

Murray has tasted nearly 20,000 different whiskies for the Whiskey Bible since it first hit the shelves in 2003. For this 2022 edition, he reflects on over another 1,200. The 4,700 whiskies included in this 2022 edition range from Scottish Single malts to Australian; from Canadian to Austrian. The whiskies from over 30 different countries are included and evaluated in his forthright, honest, amusing, fiercely independent, and non-pretentious style.

Big Whiskey (The Revised Second Edition)

In 1885, Alfred Barnard was charged with the task of visiting and reporting on every active Whisky distillery throughout Scotland, Ireland and England. It took him two exhaustive years. In this book you will see the distilleries through his eyes. His detailed descriptions of every step in the distilling process is work that remains unparalleled to this day. But that's only part of the story. As he and his companions traveled the countryside, he fell in love with Scotland and all its grandeur as well as the lush landscapes of Ireland. As you read through this book - presented as an ebook for the very first time - you'll fall in love, as well. Part technical document and part travelogue, you're almost getting two books in one intertwined volume. Granted, this text lacks the visual beauty and splendor of the fine print editions, but the words stand up on their own and will transport you to a Victorian adventure that was, is and always will be one of a kind. This edition does not contain the additional writings of Alfred Barnard that are found in recent print editions, just the text of his original book. There are two additional chapters from his writings giving added detail for Glenglassaugh and Glenfarclas.

Jim Murray's Complete Book of Whisky

A monograph exploring the ways in which Deleuze's philosophy of time can enhance our understanding of contemporary mainstream cinema.

Whisky Rising

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Jim Murray's Whiskey Bible 2021

A prehistoric mystery. A fossil so mesmerizing that it boggled the minds of scientists for more than a century—until a motley crew of modern day shark fanatics decided to try to bring the monster-predator back to life. In 1993, Alaskan artist and paleo-fish freak Ray Troll stumbled upon the weirdest fossil he had ever seen—a platter-sized spiral of tightly wound shark teeth. This chance encounter in the basement of the Natural History Museum of Los Angeles County sparked Troll's obsession with *Helicoprion*, a mysterious monster shark from deep time. In 2010, tattooed amateur strongman and

returning Iraq War veteran Jesse Pruitt was also severely smitten by a *Helicoprion* fossil in a museum basement in Idaho. These two bizarre-shark disciples found each other, and an unconventional band of collaborators grew serendipitously around them, determined to solve the puzzle of the tooth whorl once and for all. *Helicoprion* was a Paleozoic chondrichthyan about the size of a modern great white shark, with a circular saw of teeth centered in its lower jaw—a feature unseen in the shark world before or since. For some ten million years, long before the Age of Dinosaurs, *Helicoprion* patrolled the shallow seas around the supercontinent Pangaea as the apex predator of its time. Just a few tumultuous years after Pruitt and Troll met, imagination, passion, scientific process, and state-of-the-art technology merged into an unstoppable force that reanimated the remarkable creature—and made important new discoveries. In this groundbreaking book, Susan Ewing reveals these revolutionary insights into what *Helicoprion* looked like and how the tooth whorl functioned—pushing this dazzling and awe-inspiring beast into the spotlight of modern science

Jim Murray's Whiskey Bible 2022

"In *Empowering Students: Seven Strategies for a Smart Start in School and Life*, educators Robert Brower and Amy Keller provide teachers with seven powerful steps that build character and promote success in students' lives. These steps include making critical distinctions; building strong and resilient relationships; avoiding negative attention; positive body language; small, positive behaviors and actions; practicing "mirror relationship building"; and understanding and accepting consequences of your actions. The character-building approach outlined in this book demonstrates that positive traits can be developed subtly, as evidenced by a multitude of stories testifying to the credibility of the concepts, and the impact of these strategies can be witnessed almost immediately. With the potential to revolutionize methods of building character and gaining success among learners, *Empowering Students* will be of interest to all educators."--BOOK JACKET.

Indigo Guides Bahamas

Like wine lovers who dream of traveling to Bordeaux or beer enthusiasts with visions of the breweries of Belgium, bourbon lovers plan their pilgrimages to Kentucky. Some of the most famous distilleries are tucked away in the scenic Bluegrass region, which is home to nearly seventy distilleries and responsible for 95 percent of all of America's bourbon production. Locals and tourists alike continue to seek out the world's finest whiskeys in Kentucky as interest in America's only native spirit continues to grow. In *Kentucky Bourbon Country*, now in its third edition, Susan Reigler offers updated, essential information and practical advice to anyone considering a trip to the state's distilleries (including the state's booming craft distillery sector) or the restaurants and bars on the Urban Bourbon Trail. Featuring more than two hundred full-color photographs and a bourbon glossary, the book is organized by region and provides valuable details about the Bluegrass—including attractions near each distillery and notes on restaurants, lodging, shopping, and seasonal events in Kentucky's beautiful historic towns. In addition to providing knowledge about each point of interest, *Kentucky Bourbon Country* weaves in little-known facts about the region's best-kept secrets, such as the historic distillery used as a set in the movie *Stripes* and the fates of used bourbon barrels. Whether you're interested in visiting the place where your favorite bourbon is made or hoping to discover exciting new varieties, this handy and practical guide is the key to enjoying the best of bourbon.

The Whisky Distilleries of the United Kingdom

More than 500 of the world's finest whiskies distilled into one user-friendly pocket guide. Great Whiskies is the ideal drinking companion for any whisky lover: it is generous, knowledgeable, and willing to go anywhere! Reflecting the diversity of the whisky world, this brings you over 500 varieties from over 22 nations y from classic whisky-making regions such as Scotland, to lesser-known distilleries in China and Japan. Expert tasting notes and full-colour photographs reveal the secrets that give each whisky its character and cherry-picks the best to try. Swot up on key facts and histories of need-to-know distilleries, plus get tips and advice on your own whisky trails of key whisky regions. This is a guide that covers every style: single malt, blended, grain, bourbon, rye, and more. And in a handy, pocket-sized format, this makes a perfect whisky-lover's gift.

Deleuze, Cinema and National Identity

Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.

Cincinnati Magazine

The Art of Distilling, Revised and Expanded presents the techniques and inspirations of the most innovative micro-distillers working today and ties it together with incredible insider photography. In this comprehensive guide to artisan distilling, American Distilling Institute founder Bill Owens will teach you how contemporary master distillers transform water and grain into the full range of exquisite, timeless spirits. The Art of Distilling, Revised and Expanded is your exclusive backstage pass into the world of small-scale distilling of whiskies, gins, vodkas, brandies, and many other spirits. Like no other book on the subject, The Art of Distilling goes to lengths to explore the actual craft of distilling, in detail. Beginning with a brief history of distilling and introduction to the process itself, this book offers a comprehensive overview of the art of distilling today. The revised and expanded edition includes even more practical tips, tricks, and instruction and has been updated to include growth and development in the artisan distilling space over the past decade. The Art of Distilling, Revised and Expanded is the consummate insider's guide to distilling and its techniques.

American Book Publishing Record

A simple look at the Rocky Mountains, a chain of mountains that starts in Canada and ends in Texas.

Resurrecting the Shark

New in Paper Whisky is widely considered the finest spirit in the world--and this is the definitive history of the "water of life." Written by the editor of Whisky magazine, and Scotland's leading writer on the subject, it's the perfect blend of anecdotes and pioneering research. Superb illustrations help tell an intriguing story that goes back as far as 2000 B.C., and that includes a cast of fascinating characters who smuggled, bribed, conspired, and advertised with a vengeance to turn whisky from a common man's drink into a proud part of the Scottish national heritage. Unfolding decade by decade, it presents names such as John Walker and Sons, Glenlivet, and Macallan, providing a treasure trove for the whisky connoisseur or anyone interested in a really good read.

Wine Country

A man describes how he has been visited by angels and other guardian spirits since his childhood and how they helped him heal and bring light back into his life after suffering abuse by two of his Catholic school teachers. Original.
