A Poem for Every Winter Day

He's a hot football star and a sexy-as-sin single dad. Zac Ledger is everything I never knew I wanted. A prince on a white horse swooping in to save the day... Isn't that every girl's dream? Maybe for some, but I've never expected to find my own happily ever after. I've made one bad dating choice after another, and it doesn't help that my only example of marriage is my dad leaving my mother before I was even born. I'll never be a believer in fairy tales. So, imagine my surprise when I meet Zac Ledger at my sister's wedding. He is the total opposite of my usual type: gorgeous, confident, and genuine. He's also athletic, and I am so not. They call him the GOAT in the NFL...and I didn't even know what either acronym meant until my sister told me. But there's something about him. One drink. One dance. And I'm ready to believe that there are actually good guys out there. That is, until I overhear him on the phone and I realize he's just like every other jerk I've dated. When he hires me as his interior designer to come work on his new house, I resist, but he's persistent. My goal is to finish the job and keep him at a distance. But I'm not prepared for the real Zac Ledger or the way he dotes on his adorable little girl. And when the renovation dust begins to settle, I realize there is more to Zac than his NFL accolades, and maybe, just maybe, he will prove to be the one man in my life that chooses to stick around.

Spring Mornings, Summer Days, Autumn Evenings and Winter Nights

The time between the waning of the Hunter's Moon and All Hallows' Eve is what the old-timers call Deep Autumn, when the clocks will be turned back and the curtains drawn against unwanted eyes. It is a period of reminiscences and backward glances. It is the season of sleepless nights when accumulated sins flicker in the mind's eye like leaves dancing in the bitter wind. Presented here are fifteen stories of the fall-and the lies and regrets that accompany the plummet. In Deep Autumn, a young girl suffers brain damage after falling from a tree and is venerated as a saint with healing abilities by her neighbors; a Ouija board session draws blood, while a survivor of childhood trauma tries not to float; the block where sixty-four souls were consumed in eight houses becomes consecrated ground; a couple are trapped in a motel room by the ghosts of what might have been and what will never be; a writer recovering from addiction is seduced by the legend of the Lord's Finger; and a young girl finds the seeds of escape in the drawings dropped from a second story window by a boy forever locked away. These tales and more explore the melancholia and occasional madness that comes when the mornings are as dark as the nights and the crunch of dead leaves underfoot serve as a reminder of the reckoning of the season. This is the time of the dares. This is a time to let go. This is Deep Autumn.

Long, Long Autumn Nights

SHORTLISTED FOR THE 2017 MAN BOOKER PRIZE A NEW YORK TIMES AND GUARDIAN BEST BOOK OF 2017 Autumn. Season of mists and mellow fruitfulness. That's what it felt like for Keats in 1819. How about Autumn 2016? Daniel is a century old. Elisabeth, born in 1984, has her eye on the future. The United Kingdom is in pieces, divided by a historic, once-in-a-generation summer. Love is won, love is lost. Hope is hand-in-hand with hopelessness. The seasons roll round, as ever. Ali Smith's new novel is a meditation on a world growing ever more bordered and exclusive, on what richness and worth are, on what harvest means. It is the first installment of her Seasonal quartet—four stand-alone books, separate yet interconnected and cyclical (as the seasons are)—and it casts an eye over our own time. Who are we? What are we made of? Shakespearean *jeu d'esprit*, Keatsian melancholy, the sheer bright energy of 1960s pop art: the centuries cast their eyes over our own history making. Here's where we're living. Here's time at its more contemporaneous and its most cyclic. From the imagination of the peerless Ali Smith comes a shape-shifting series, wide-ranging in time-scale and light-footed through histories, a story about aging and time and love and stories themselves.

An Autumn Night

August Derleth's greatest literary accomplishment was the creation of an entire community, Sac Prairie, in the heart of his native state of Wisconsin. In tales and novels alike, Derleth continually etched the diverse lives and personalities of the people of Sac Prairie, beginning as early as the 1930s. Although he gathered many of his Sac Prairie stories in several collections, a good many tales remain uncollected.

Among them are two lengthy novellas set in the neighboring town of Badger Prairie; one of these, the short novel *The Wife with the Mona Lisa Smile*, is a complex narrative of love and betrayal that has never been reprinted until now. In numerous other tales Derleth addresses religious, domestic, and other conflicts among the denizens of Sac Prairie, focusing on the intricacies of daily life in a way that remains perennially relevant

Autumn Night Sanctuary

The words on the pages of this book will transport the reader from the sun-drenched heat wave in Florida to the awesome glory of Heaven. Autumn arrives in God's Kingdom during its most peaceful era. She participates in making our Lord's realm a productive one. Many of her angelic brothers receive Father's medallion as a reward for their achievements. Everyone seems happy—but one brother demands titles, a crown, and a throne nearest to God's heart though he did nothing to earn his promotion. His unhappiness grows until he betrays God, gathers supporters, and moves from the Sacred Region to the North. There, he sets up an empire and his reign of terror begins. Autumn and Kaela work undercover in the North as God's all-seeing eyes and all-hearing ears. They return to the Holy Kingdom where they become saints in Prince Michael's army. Now, the race is on to stop Lucifer from pursuing his plan to seize Father's throne. A dungeon is built to house the lawless, but angels are light-loving entities who will perish in the darkness. A sphere is built to house the leaders of the North. Autumn is at God's side when a bloody altercation ensues between Prince Michael's saints and northern aggressors that results in Lucifer's capture and incarceration. And, she is present when Immanuel is introduced to Heaven's angels. Autumn and the Angel is a faith-based fantasy book that discloses the author's belief that more than Lucifer's desire to rule from God's throne led to his fall from grace. This book is the first installment of Autumn's adventures in Heaven. The second installment, *The Trial of the Great Lucifer*, reveals the result of Heaven's first criminal trial and the events that led to Lucifer's fall to Hell.

Four years later, and with a three-year-old in tow, the man I still dream about is staring at me from across the street in the town I grew up in. Before the Season Ends

In her debut novel of what she calls "spirited romance for the Jane Austen soul," author Linore Rose Burkard tells the intriguing story of Miss Ariana Forsythe, a young woman caught between her love for a man who doesn't share her faith and her resolution to marry only a fellow believer in Christ. Trouble at home sends the young woman to her aunt's townhome in the fashionable Mayfair district of London. There she finds worse troubles than those that prompted her flight from home. Ariana is soon neck-deep in high society and at odds with Mr. Phillip Mornay, London's current darling rogue. Then a scandal changes Ariana forever. Her heart, her faith, and her future are all at stake in an unexpected adventure that gains even the Prince Regent's attention. Will Ariana's faith survive this test? And what about her heart? For it's Ariana's heart that most threatens to betray the truths she has always believed in. When she finds herself backed against a wall, betrothed to the wrong young man, how can it ever turn out right? Jane Austen readers and fans of Regency romances everywhere will love Before the Season Ends.

Before the Season Ends

Devout Ariana Forsythe must navigate the treacherous waters of a Regency London season while her social-climbing wealthy aunt tries to marry her off for money. When a scandal forces Ariana to team up with the taciturn but darkly handsome Phillip Mornay, known as the Paragon, can her faith survive the temptations of her heart?

The House in Grosvenor Square

Readers who loved the author's first book, Before the Season Ends, will delight in this charming sequel set in Regency London. As Ariana Forsythe plans her wedding to Philip Mornay, she must adjust to the

realization that she is soon to become the wife of an extremely wealthy man. She wonders if it's wrong to rejoice that her future husband is rich. But she promises herself to use her new position to do what she can to aid the numerous street waifs she sees all too often in London. During a tour of her future home—the house in Grosvenor Square—Ariana makes plans to redecorate according to her tastes. But when Philip arrives home later, he is informed that an expensive silver candlestick and a miniature portrait of George III have gone missing. Moreover, each time Ariana visits the house, accompanied by a friend or relation, another item disappears. Shortly thereafter Ariana is abducted as she leaves a performance at Covent Garden Theatre, leaving Philip to unravel the pieces of the mystery. Where has his future bride been taken, and by whom? For what reason? How does Ariana's faith play a role? Finally, after the safe return of his intended, how does Philip—a man of intense discrimination in his tastes—find the many alterations in his house? And what on earth is behind the sudden influx of bills from every charity in London, all thanking him profusely for his uncommon generosity? Will he have second thoughts about his future bride? Readers will find romance, intrigue, humor, and inspiration in this new book of spirited romance for the Jane Austen soul.

The Country House Courtship

New and improved edition! New edits, new dialogue, better pacing, period recipe, and reader's regency glossary!"So Jane Austen-esque! Burkard really knows her period...Delightful read." Ruth Axtell Morren, Author of, *The Making of a Gentleman*. Five years after Ariana Forsythe married the Paragon, the handsome, taciturn Phillip Mornay, Miss Beatrice Forsythe is ready for a romance of her own. Who better to help her get it than her fashionable elder sister? When two gentlemen appear on the scene at the Mornay estate in Middlesex, can a country house courtship be far behind? "As always, Linore Burkard delivers 'spirited romance for the Jane Austen soul.'

Miss Tavistock's Mistake

Linore Burkard's fans devoured her first two Regency novels *Before the Season Ends* and *The House in Grosvenor Square*. Now, as her third novel opens, the year is 1818 and Miss Beatrice Forsythe is determined to marry well. After all, her sister, Ariana, married The Paragon, Mr. Phillip Mornay, five years earlier--which all but guarantees that she, Beatrice, can also make a famous match to a wealthy man. But her sister and husband have disappeared from high society as they raise a family at their country estate. Can Beatrice persuade them to chaperone her in London? And what about Beatrice's business with the curate, Mr. O'Brien, whom she rashly promised to marry years earlier. At seventeen now, she has no wish to marry a mere clergyman—despite his agreeable countenance and gentle, understanding ways. When Mr. Tristan Barton becomes the tenant of the Manor House, Beatrice's hopes seem to have found their object. But when Ariana falls gravely ill, secrets come to light, motives are revealed, and the pretenses that are easy to keep up in the darkness begin to crumble. Hearts are bared, truths uncovered, and when all is said and done, a country house courtship like no other has occurred! As always, Linore Burkard delivers “spirited romance for the Jane Austen soul.”

The Country House Courtship

Prepare to fall in love with Ariana and her cohorts in this Christian Regency. From her home in the village of Chesterton to the very ballroom of Carlton House, readers will follow her journey of faith--and adventure--to its heartwarming conclusion.

Before the Season Ends

Young and single Emma Benson, ostracized by her stepfamily, is forced to con a billionaire into paying a debt her father left to the mob. But can deception lead to love in this fairytale retelling?

One Cinderella Night

Before Valli Chattaine can leave the Paris Ballet Company and return to her home in French Algeria, "she must obtain crucial information from a German spy."--Cover.

Tuesday's Child

Ruined by the stock market crash of 1929, Charlotte Ashford finally turns for help to Kace Landry, a man from Texas she had once rejected as being beneath her.

Wednesday's Child

The first book in bestselling author Linda Chaikin's new series of contemporary mystery/romances, Monday's Child was conceived in the poem "Monday's child is fair of face; Tuesday's child is full of grace...." Each book of this uncommon series uses a line from the poem to tell the story of a woman facing incredible odds as she searches to understand God's plan for her. For Krista von Burren, a beautiful model whose fair face and form have opened doors all over Europe, life seems perfect. Then Jordan Lucas appears. Jordan is working with an investigative journalist to uncover an international banking scandal dating back to Hitler's Germany. When he tells Krista that the heirloom ring she wears did not come from her German grandmother, as she thought, but from his aunt who died in a concentration camp, Krista is stunned. Could her grandfather and father, both Swiss bankers, possibly have been involved in such a thing? Dark ripples of fear and haunting guilt begin to move through her family, and Krista suddenly finds herself involved in a stunning, unforeseen series of events. In the midst of her search for truth, a tragic accident changes Krista's life in ways she could never have imagined. She comes to learn that her true source of happiness lies not in her fair face, but in her faith in God. And she finds the kind of love she has always prayed for—a love that goes beyond outward beauty and reaches to her very heart and soul. Monday's Child is sure to appeal to Linda's current fans and introduce many new readers to great Christian fiction.

Monday's Child

Paulette must seek out her missing husband in 1941 Europe.

Thursday's Child

He's betrothed...but not to the woman who holds his heart She's hiding from the past... Hoping to put the shame of her father's disgrace behind her, Jessica Brentwood is determined to be the epitome of decorum and propriety her first London Season. All is well until she's discovered naked in the arms of a notorious rake, Crispin, the wicked Duke of Bainbridge. Though thoroughly compromised—through no fault of her own—Jessica refuses the enigmatic nobleman's obligatory marriage proposal. She'd rather face certain scorn and ridicule than be forced into a marriage of convenience. Or rather, inconvenience. He's avoiding his future... Betrothed since childhood, Crispin has no interest in wedding the woman he's expected to marry before Season's end. The lovely country miss, Jessica Brentwood, holds the key to his heart, though he's never hinted at his feelings for her. When they are the victims of a cruel hoax, Crispin isn't at all unhappy he'll have to break his unwanted betrothal to marry Jessica. Except, his betrothed isn't willing to release him from their agreement, and the vengeful villains who conspired to ruin Jessica and Crispin aren't finished plotting mayhem. How can he convince Jessica his rakehell's reputation is mostly conjecture and that he's adored her from afar? Rancher For The Holidays (Mills & Boon Love Inspired)

People affected by a loved one's addiction suffer silently in church pews. I was one of them. I'm Juliet. Sometimes I wish I could be someone else, with another name altogether, someone whose life is more comedy than tragedy. During the twelve years I was married to a cocaine-addicted Christian, I was overwhelmed with isolation and shame as I sat next to my ex-husband in church week after week. No one fathomed our family skeletons. How could I tell anyone? God stirred my spirit to seek personal healing and give voice to my reality. Through Him, I found freedom from silence and redemption for the life dreams I thought were forever lost. Same Dress, Different Day: A Spiritual Memoir of Addiction and Redemption chronicles my journey from victim to victor as I struggled to break free from codependency's suffocating cycle. I learned to see my Savior as the soul mate and provider my chemically dependent spouse could never be. God's healing grace is not only for the addicted, but also for the broken ones who love them.
