## This Body

Set in London, Toronto and Guyana, this title conveys secrets that usually remain untold - those of desire, loss, identity, and of love lost and found.

## This Body

Dr. Melissa Caudle combines a suspenseful thriller and the search for truth in regard to past lives and reincarnation in this mind-bending novel in the tradition of "This Body: A Novel of Reincarnation" by Laurel Doud, "Journey of Souls," by Michael Newton, and Past Lives, "Many Masters" by Brian L. Weiss. The result is a masterful original fiction novel as profound as it is awe inspiring. "Never Stop Running" is a page-turning thriller that begs to be read in a single sitting as this mental time travel spanning centuries and numerous past lives through regression hypnotherapy unfolds. This is an astonishing novel from an unforgettable author and is a must read. What happens when the unthinkable occurs? What would you do if your loved one all of sudden woke up and didn't know who you were or for that matter who your family was either? For David and Jackie Hennessey they had the perfect white picket fence life, marriage, family and careers until the unthinkable happened - an accident that left Jackie with no memory. The couple struggled to find the balance between what they once shared and their new life. After David discovered Dr. Grayson, a well-known regression hypnotherapist, he convinced Jackie to seek his services in order to retrieve her subconscious memories. During her sessions, her memories surfaced only to uncover her past lives which crisscross centuries in her mental time travel. Faced with a moral dilemma of believing the dreams were once a reality and twisting her religious convictions on reincarnation, Jackie questioned her sanity and feared for her life after seeing her deaths in her previous lives. She believed she could never stop running as her marriage degrades and falls apart.

Based on real events of regression hypnotic sessions of one brave woman, this is a tale of destiny and soul mates not to be missed. The most intriguing book you'll read all year. You don't have to believe in reincarnation to enjoy this tale, but it will get you to thinking about the possibility.

### Baptization

Reincarnation is the ancient belief that the human soul does not perish at death, but is reborn in a new body and lives on, again and again, in different lifetimes and different ages. Underground cult novelist H. A. Covington's long-awaited tenth book follows the many lifetimes of three human souls down through the centuries, two men and one woman. The three are bound together by a common destiny and a powerful mission, for the time is approaching in the future when the soul of the woman must face a test that will shape the course of the universe itself, and she must be made ready for that crisis which is yet to come. From the intrigue-riddled court of Catherine de Medici to the terror of the Salem witchcraft trials, from rural Ireland to the blazing guns of the Wild West and on into the present day, the battle for her soul is replayed again and again. In every lifetime the girl Margarita must in the end choose between the forces of Light and Darkness, as the time draws near when she must make her final choice, for herself and for all humanity.

### The Stars In Their Path

Miracles can occur in your life, easily and effortlessly. It's simply a matter of remembering who you are—and to do this it's necessary to clear the blockages that stand between you and your soul. Almost all of these obstacles have their roots in your distant past, so it's valuable to travel back in time to release them. However, most of us are so caught up in limiting beliefs about who we are that it's almost impossible to take that journey. In this book, you'll learn how to travel back to your previous incarnations to release buried obstructions so you can create the miracles in your life that you deserve! It's safe, easy, and fun . . . and anyone can do it! You'll learn how to discover your past lives without ever doing a regression, remove limitations regarding your relationships, abundance, and health that came from your past lives, uncover the symptoms of past-life traumas and how to clear them, even if you don't believe in reincarnation, understand the roles that loved ones played in your previous incarnations, find your personal guides, spirit guardians, and angels and receive their help . . .and much, much more!

### Past Lives, Present Miracles

The author comes as close as humanly possible to proving reincarnation. This is a voyage of discovery in search of the origin of a man. Years of investigation and archaeological discovery, connected with historical record, provide the backdrop for the extraordinary story of the third century migration of a band of Celts from Scotland and Ireland to the coast of what is now Maine. This non-fiction narrative reads like a fine novel and a haunting love story. Take advantage of an opportunity to learn what history does not commonly teach us, and the profound impact which those omissions have on our present-day lives.

### 4900 Nights

Torn Clouds features time-traveler Megan McKennar, whose past-life memories thrust themselves into the present day as she traces a love affair that transcends time. Caught up in the dark historical secrets of time.

### Reincarnation, a Study of the Human Soul

Plagued by nightmares of his own death, a California professor puzzles out the riddle of his dreams in this classic spine-tingler about past lives. Dr. Peter Proud's ordinary life as a professor is threatened by recurrent dreams that all end the same way: with his murder in a lake by a mysterious woman named Marcia. These dreams—which he comes to believe may be flashbacks from a previous life—become so disturbing that he seeks answers from a sleep researcher, a clairvoyant, and an expert in psychic phenomena in order to recover his past. But he soon discovers a new dimension to his dilemma while watching a television show called *America, Past and Present*—and realizes the show is set in the town in his dreams. He travels to Springfield, Massachusetts, where he comes face to face with the woman from his nightmares. The woman, Marcia Curtis, is shocked to find that Peter's personality traits and characteristics closely mirror those of her dead husband, Jeff. Tensions escalate when Peter, having inserted himself into the Curtis' lives, falls in love with Marcia's daughter. Will a second tragedy occur just as Peter is about to unravel the mystery behind his dreams? First published in 1973, this classic suspense novel expertly interweaves themes of life after death, romance, tragedy, and altered consciousness into one unforgettable tale.

### Torn Clouds

Reincarnation has always been a widely disputed subject. How is it possible for anyone to prove or disprove beyond a doubt that such an occurrence is valid or false? Science is unable to produce substantial material to concur with the many persons who claim that the recycling of souls is possible. Read along as some hypnotists and mediums claim they possess the capabilities to unravel the mystery, while following several of these therapists and psychics down the path of hypnosis and clairvoyance. Also, examine the religious, cultural, and social beliefs concerning the debated topic, along with a slight view of the astral realm and a glimpse at the role soul mates play during the rebirth process. In addition to the rebirth process, discover how near-death experiences coincide with reincarnation.

### The Reincarnation of Peter Proud

"A fascinating tale of reincarnation and redemption" from the New York Times–bestselling author of the *Midgard* and *Fane* series (Library Journal). Though mountain search-and-rescue worker Jesse Copeland is used to risking herself to save others, she must tap into all her reserves of bravery to solve the most haunting mystery of her life: her mother's puzzling death. Little does Jesse know her investigation will make her the target of two men: a present-day threat and a centuries-old hero . . . Two hundred years ago, David Ventris, or Lord Ashthorpe, knew Jesse as a woman he had passionately desired—and then betrayed. Now he has a chance to right the wrongs of his past by protecting Jesse from the evil that stalks her. If only he can convince her of his corporeal existence and that he is a man she can love and trust, body and soul. Praise for Susan Krinard "Susan Krinard was born to write romance." —Amanda Quick, New York Times–bestselling author "The reading world would be a happier place if more paranormal romance writers wrote as well as Krinard." —Contra Costa Sunday Times "A vivid, talented author with a sparkling imagination." —Anne Stuart, New York Times–bestselling author

Cases of responsive xenoglossy thus add to the evidence concerning the survival of human personality after death.

### Body & Soul

The ultimate historical romance: one love story unfolds over many centuries and lives in this captivating novel from the author of the *Bar Code Trilogy*. From prehistory to the present, theirs was a love for the ages. It starts with a fight in a cave over an elusive green jewel . . . and then travels over time and lives to include Egyptian slaves, Greek temples, Massachusetts witch trials, Civil War battlefields, Paris on the eve of World War II, America in the 1960s . . . and a pair of modern-day teenagers. For readers who believe that love is stronger than time or death, this is an unforgettable novel from a wonderful storyteller. "Offer this imaginative, passionate tale to romance buffs who need convincing that a fantasy can be a great love story, too." —Booklist (starred review) "Readers with a romantic bent will be drawn to this story, which pushes the notion of eternal love to its limits: two spirits find each other again and again, at different moments in history." —Publishers Weekly

### Twenty Cases Suggestive of Reincarnation

All those who ever lived on Earth have found themselves resurrected - healthy, young, and naked as newborns - on the grassy banks of a mighty river, in a world unknown. Miraculously provided with food, but with no clues to the meaning of their strange new afterlife, billions of people from every period of Earth's history - and prehistory - must start again. Sir Richard Francis Burton would be the first to glimpse the incredible way-station, a link between worlds. This forbidden sight would spur the renowned 19th-century explorer to uncover the truth. Along with a remarkable group of compatriots, including Alice Liddell Hargreaves (the Victorian girl who was the inspiration for Alice in Wonderland), an English-speaking Neanderthal, a WWII Holocaust survivor, and a wise extraterrestrial, Burton sets sail on the magnificent river. His mission: to confront humankind's mysterious benefactors, and learn the true purpose - innocent or evil - of the Riverworld . . . Winner of the Hugo Award for best novel, 1972

### The Little Light

Hamel, a warrior who traveled with his colleagues to exterminate the devil. Yet, he died just before the battle with the devil started. "Yes." What the hell? He was reborn as the descendant of his fellow warrior, Vermouth. The descendant from the bloodline of the great Vermouth, Hamel. No, he was now Eugene Lionhart. "It was already enough me having the delusion that I was a genius in my past life. But... this... It's... It's incomparable.' From a dying body to a new body, he has the achievement that he did not have in his previous life. And, a reincarnation of an unknown origin, the reality of living together with the demons. Facing a new world where everything is questionable. The journey of the unfinished previous life begins with Eugene's body. Hamel, a warrior who traveled with his colleagues to exterminate the devil. ### Reincarnation

Transmigration of souls, sometimes called metempsychosis, is based on the idea that a soul may pass out of one body and reside in another (human or animal) or in an inanimate object. The idea appears in various forms in tribal cultures in many parts of the world (for example, Africa, Madagascar, Oceania, and South America). The notion was familiar in ancient Greece, notably in Orphism, and was adopted in a philosophical form by Plato and the Pythagoreans. The belief gained some currency in gnostic and occult forms of Christianity and Judaism and was introduced into Renaissance thought by the recovery of the Hermetic books. Here, Bertholet provides a basic historical overview of the notion of transmigration. This is a standard primer from the history of religions school of thought.

### Reincarnation in Venice

The Star Rover by Jack London is about Darrell Standing, a university professor serving life imprisonment in San Quentin State Prison for murder. Prison officials try to break his spirit using a torture device called "the jacket," a canvas jacket that can be tightly laced to compress the whole body, inducing

angina. Standing discovers how to withstand the torture by entering a kind of trance state, in which he walks among the stars and experiences portions of past lives.

#### Mushoku Tensei: Jobless Reincarnation (Light Novel) Vol. 15

Q: How does a shanghaied computer geek conquer all the forces of Darkness and win the love of the most beautiful witch in the world? A: By transforming himself from a demon programmer into a programmer of demons! It all began when the wizards of the White League were under attack by their opponents of the Black League and one of their most powerful members cast a spell to bring forth a mighty wizard to aid their cause. What the spell delivered was master hacker Walter "Wiz" Zumwalt. The wizard who cast the spell was dead and nobody<sup>3</sup>/<sub>4</sub> not the elves, not the dwarves, not even the dragons<sup>3</sup>/<sub>4</sub> could figure out what the shanghaied computer nerd was good for. But spells are a lot like computer programs, and, in spite of the Wiz's unprepossessing appearance, he was going to defeat the all-powerful Black League, win the love of a beautiful red-haired witch, and prove that when it comes to spells and sorcery, nobody but nobody can beat a Silicon Valley computer geek! At the publisher's request, this title is sold without DRM (Digital Rights Management).

#### Speaking from the Heart

WINNER OF THE RWA PRISM AWARD FOR BEST TIME TRAVEL/STEAMPUNK AND A FINALIST FOR BEST FIRST BOOK A thriller, a romance, a 10,000-year adventure...The Memory Painter is "the guy-meets-girl story as you've never heard it before" (Refinery29). Bryan Pierce is an internationally famous artist, whose paintings have dazzled the world. But there's a secret to Bryan's success: Every canvas is inspired by an unusually vivid dream. Bryan believes these dreams are really recollections—possibly even flashback from another life—and he has always hoped that his art will lead him to an answer. And when he meets Linz Jacobs, a neurogeneticist who recognizes a recurring childhood nightmare in one of Bryan's paintings, he is convinced she holds the key. Their meeting triggers Bryan's most powerful dream yet—visions of a team of scientists who, on the verge of discovering a cure for Alzheimer's, died in a lab explosion decades ago. As his visions intensify, Bryan and Linz start to discern a pattern. But a deadly enemy watches their every move, and he will stop at nothing to ensure that the past stays buried.

#### The Star Rover

Tom was a daydreaming office schlub. What will he be like as a chicken, cow, tiger, tree and Austrian art teacher from 1896? A time-traveling odyssey of reincarnation and the friends and enemies (mostly enemies) that Tom makes along the way.

#### Soulbound

#### The Karma Affair

When a successful writer is told by a psychic about a past life in Edwardian England and she is hypnotized to remember her past, a mistake is made and she returns there.

#### Wizard's Bane

The greatest human problem is that we are all born in the condemned cell. Money and medical science can extend the human lifespan significantly — perhaps up to one thousand years via cloning and cryogenics — but in the end, when the last medical miracle has been exhausted, Death still waits patiently for us. In *Death: The Final Mystery*, Lionel and Patricia Fanthorpe take their investigative skills to those last moments of life and beyond, exploring such puzzling topics as near-death and out-of-body experiences, reincarnation theories, hypno-regression, and automatic writing and other phenomena of the séance room. Evidence is drawn from trance mediums, the writings of mystics, and clear, hard facts reported by reliable eyewitnesses.

## The Memory Painter

A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love: Death herself. "Tales of gods and men akin to Neil Gaiman's Sandman as penned by a kindred spirit of Douglas Adams."—Kirkus Reviews (starred review) First we live. Then we die. And then . . . we get another try? Ten thousand tries, to be exact. Ten thousand lives to "get it right." Answer all the Big Questions. Achieve Wisdom. And Become One with Everything. Milo has had 9,995 chances so far and has just five more lives to earn a place in the cosmic soul. If he doesn't make the cut, oblivion awaits. But all Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo's lover throughout his countless layovers in the Afterlife, Suzie is literally his reason for living—as he dives into one new existence after another, praying for the day he'll never have to leave her side again. But Reincarnation Blues is more than a great love story: Every journey from cradle to grave offers Milo more pieces of the great cosmic puzzle—if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as Kurt Vonnegut's, Michael Poore's Reincarnation Blues is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it's more than Milo and Suzie's story. It's your story, too. Praise for Reincarnation Blues "The most fun you'll have reading about a man who has been killed by both catapult and car accident."—NPR "This book made me laugh out loud. And then a page later, it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the dark absurdities of life."—Chicago Review of Books "Charming . . . surprisingly light and uplifting . . . It reads like a writer having fun."—New York Journal of Books

## The Reincarnation of Tom

A sweeping and suspenseful tale of secrets, intrigue, and lovers separated by time, all connected through the mystical qualities of a perfume created in the days of Cleopatra--and lost for 2,000 years.

## My Dragon System

IS DEATH THE FINAL CHAPTER? In The Big Book of Reincarnation, Roy Stemman attempts to answer one of the big questions of existence: Is death the end? Or, is it merely the end of a chapter in the book of existence? A self-described "skeptical believer," Stemman uses his skills as a professional journalist to perform an in-depth exploration of reincarnation. Using case studies, anecdotes, and physical evidence from the best-documented cases from around the world, Stemman shines a bright light on this subject, inviting readers to decide for themselves on the basis of facts, rather than on the basis of hearsay, speculation, and superstition. Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy, the past-life recall of a renowned neurosurgeon, the research of a highly respected university professor, and the unique system of governance in the mountains of Tibet, to name just a few. He examines the lives of those affected by reincarnation, such as children who can actually remember their previous lives. Instead of shying away from the skeptics, Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research. The Big Book of Reincarnation is thorough, well researched, engaging, and the most comprehensive book ever published on this fascinating subject.

## Remembrance

This book offers a unique contemporary perspective on the interdisciplinary study of time. It will open paths for new approaches regarding narrative structure and urgency. These are themes that are becoming increasingly relevant during our times.

## Death

Outlines the principles and mechanics of the soul body, the spiritual vehicle that enables individual consciousness to survive the body's death • Shows that the ancient Vedic, Egyptian, Hebraic, and Pythagorean traditions shared and understood this spiritual practice • Reveals modern science as only now awakening to this ancient sacred science Ancient peoples the world over understood that individual consciousness is rooted in a universal field of consciousness and is therefore eternal, surviving the passing of the physical body. They engaged in spiritual practices to make that transition maximally auspicious. These practices can be described as a kind of alchemy, in which base elements are discarded and higher levels of consciousness are realized. The result is the creation of a vehicle, a soul

body, that carries consciousness beyond physical death. These spiritual preparations are symbolized in the Vedic, Egyptian, and Hebraic traditions as a divine stairway or ladder, a step-by-step path of ascent in which the practitioner raises consciousness by degrees until it comes to rest in the bosom of the infinite, thereby becoming "immortal." This spiritual process explains the reincarnation of the Dalai Lama, for example, whose reincarnation is confirmed in infancy through physical and spiritual signs, indicating that the consciousness has been carried from one lifetime to the next. In *Creating the Soul Body*, Robert Cox maps the spiritual journey of consciousness behind this sacred science of immortality and reveals the practice of creating a soul body in detail. He also shows that this ancient spiritual science resembles advanced theories of modern science, such as wave and particle theory and the unified field theory, and reveals that modern science is only now awakening to this ancient science of "immortality."
