Hear Me, Pilate!

The capricious flame spattered darts of thin yellow light on walls and floor as the doors swung gently closed. Claudia turned from her tall, deeply tanned, uniformed escort to address the servant who had let them in. "I won't be needing you tonight, Tullia. You may go now. But wait ... before you leave, we shan't be wanting all these lamps. Put out all but that one"-she pointed-"and then you may go to bed. Poor thing, I know you're tired." She peered beyond the wide archway opening onto the peristylum. "I see you left a lamp burning in my bedroom. Good. Well, then, just put these others out. "I don't know what I'd do without her," Claudia said as the servant snuffed out the flame and, bowing to them, disappeared into the now darkened corridor. "She's a treasure, Longinus, intelligent, faithful, and, most important, she's utterly loyal. She would die before betraying me. She's Phoebe's daughter, and Phoebe, you know, hanged herself rather than be a witness against my mother. Tullia, I'm sure, would do the same thing for me." She pointed toward the peristylum. "Let's sit out there in the moonlight. It seems a little warm in here, doesn't it?"

Pontius Pilate's report to Caesar on the killing of Jesus at the hands of the Sanhedrin; as found in Vatican and Eastern Roman Empire libraries. The story of the crucifixion from the first hand view of the Roman Procurator of Judea. His interactions with Christ, the background of Judean hatred of Jesus, and their maneuvering of Pilate into being an accessory in the killing of Jesus. The Passion and Death of Jesus were prophesied centuries before the event as part of the salvation narrative to redeem man. The texts and annotations from the REAL Douay Rheims Bible, dating from St. Jerome's translation of the Bible into Latin in the late 4th Century A.D. gives us God's insight into the horrific killing of Jesus Christ, the Son of God. Containing important historical and biographical information on the principal players in the killing, including Caiaphas' report justifying his own actions, and ultimately recognizing that he may have put the Messiah to death.

The Bible advocate, and precursor of unity [ed. by D. King].

While the early Church exercised proper discernment, and the Canon of the New Testament was soon definitely recognised and universally accepted, the apocryphal writings were not without influence. The sacred legends, the ecclesiastical traditions, all too potent in their effect, are in many cases to be traced to these writings. Much that Rome inculcates is derived from these books, which the Western Church constantly rejected. Included are: The Protevangelium of James The Gospel of Pseudo-Matthew The Gospel of the Nativity of Mary The History of Joseph the Carpenter The Gospel of Thomas The Gospel of Nicodemus The Letter of Pontius Pilate .. and many more ...

Pontius Pilate: A Novel

This new anthology of gospel literature contains texts that are not part of the New Testament but are of great importance for the study of Christian origins. Some of these apocryphal gospels are from the Nag Hammadi library, made available only recently. The sixteen texts constitute what remains of the non-canonical gospels from the first and second centuries. They transmit saying of Jesus and relate stories about Jesus.

Caged Lion: Joseph Pilates and His Legacy

The Gospel of Nicodemus, including the Acts of Pilate (Latin: Acta Pilati; Greek: *Áis³ap¹Ápocrypha*) gospel claimed to have been derived from an original Hebrew work written by Nicodemus, who appears in The Gospel of John as an associate of Jesus. The title The Gospel of Nicodemus is mediaeval in origin. The dates of its accreted sections are uncertain, but scholars agree in assigning the resulting work to the middle of the fourth century AD.

The Complete Ante-Nicene Church Fathers Collection [9 Volumes]

A collection of texts written in the first couple centuries after the death of Christ. These texts, while not raising new theological issues are interesting documents to go over in an attempt to study and understand the early years of Christianity and those struggles that the church had to overcome to thrive during the martyrdom started by the Roman emperor Nero and continued by many of his predecessors throughout the years until Constantine. Included in this volume are the Testaments of the Twelve Patriarchs, the various versions of the Gospel of Thomas, the collection of additional Gospels of Peter and the Revelations of many first church founders such as Peter, John, Paul, Moses and Esdras. Within the book are many other books.

The Other Gospels

Jesus's words of wisdom can become a companion on your own spiritual journey. The gospels of Matthew, Mark, Luke and John are not the only record we have of the words spoken by Jesus. Designed to challenge, enlighten and inspire, they are also quoted in a wide variety of other ancient sources—including the Qur'an, writings by early Christian church fathers, and fragments of lost gospels only recently discovered. Some of these sayings are familiar; many are surprising; all expand our conventional understanding of the scope and essence of Jesus's original teachings. More than a "Christian" compilation, this collection of more than three hundred sayings reveals a Jesus whose

words encapsulate spiritual truths that resonate across religious boundaries. From the encouraging “I am hope for the hopeless,” to the wise and practical “Love those who hate you and you will not have an enemy,” to the candid “Give no opportunity to the evil one,” these pointed sayings not only reveal how Jesus was understood and portrayed across a wide variety of cultures long ago—they will also penetrate to your heart, challenge your assumptions, and energize your own spiritual quest. Now you can experience the wisdom and power of Jesus’s sayings even if you have no previous knowledge of these little-known texts.

The Forgotten Bible

Back-Cover It was the Third Hour and they Crucified Him..The Sixth Hour was come there was darkness over the whole land At the Ninth Hour Jesus uttered a loud cry, and breathed His last.Mark 15:25, 33, 36Two thousand years ago, Jesus ended His earthly life on the Cross as the ram's horn blew throughout Jerusalem to call the devout to prayer for the Three O'Clock Evening Sacrifice in the Temple. He rose three days later as the Fulfillment of the Passover, death into life a triumphing down death by Death.aThe discipline of daily fixed times of prayer known as The Hours can be traced down through the centuries from Abraham to Daniel, Jesus to the Apostles, the Early Church Fathers through the Middle Ages to the Reformation. Today, a revival of prayer and meditation based upon the Daily Office of the Hours is emerging. Three times a day, seven days a week, one may pray an ancient hymn, a Psalm, the Lord's Prayer, selections of Scripture illuminating Jesus upon the Cross, and one or all of the seven historic parts of prayer.We stop three times a day to nourish our body; is it not wise to pause three times a day to nourish our soul and spirit with the prayers of the Little Hours and the Word of God?Thy Words were found and I ate (consumed and digested) them. Jeremiah 15:16aThis is a work that I am so pleased God moved you to make available. The Apocryphal Gospels and Other Documents Relating to the History of Christ

T.F. Torrance's Conflict and Agreement in the Church gathers together his most influential essays and articles on topics relating to ecumenism. Himself involved heavily in the ecumenical movement, he wrote that 'ours must be the task of learning together again how to confess, like the early Church, faith in Jesus Christ as Saviour and God in all its breadth and length and height and depth, and therefore in the overflowing love of God.' Out of this conviction grew a comprehensive doctrine of the Church 'in which our differences are lost sight of because they are destroyed from behind by a masterful faith in the Saviour of men.' In the first volume, Torrance presents a set of essays engaging theologically with different denominations, along with responses to particular problems facing the ecumenical project. In particular, writing after the third world conference on faith and order, he addresses the hopes and barriers it raised to closer ecumenical relations. Throughout, Torrance's acute awareness of contrasting theological principles establishes a firm basis for further progress, without obscuring the doctrinal and ecclesiological differences that remain. In the second volume, Torrance's thought on inter-denominational cooperation in light of the Church's mission is presented. He begins by suggesting that 'the lines of conflict and agreement in the Church coincide less and less with the frontiers of the historic communions'. This opens the door for greater union between those communion, but also exposes significant challenges to unity within them. Addressing the major debates on the sacraments of baptism and the Eucharist, along with the priesthood and biblical exegesis, Torrance proposes a constructive way forward sealed by 'reconciliation in the Body and Blood of Christ'.

The Apocryphal Gospels and Other Documents Relating to the History of Christ

This audacious and intriguing new version of the story of Christ's trial, crucifixion, and resurrection is based on the writings of Philo of Crete, a secretary to Pontius Pilate. Throughout his time as Pilate's scribe, he attended Christ's trial, mingled with city prostitutes and desert bandits, and became acquainted with Judas Iscariot. It was through Judas that he learned the real story of the betrayal and what actually happened to Christ's body. His convincing account is a radical and dramatic version of the commonly accepted story.

The Lost Sayings of Jesus

Jesus Christ is the most written about and proclaimed figure of all of history. Why, then, are people so confused as to who He is? Why are Christian churches redefining Him to suit the culture and their own preferences? This book challenges the idea of a Jesus remake. It is the author's understanding of Him from well over sixty-five years of a personal relationship and study. It aims toward those who have given up on Jesus, because the portrayal of Him has been disfigured. Want a fresh review of the Bible's portrait of the Savior, with angles seldom considered and truth carefully examined? If you discover the right Jesus, your life might never be the same.

The Two Books of Common Prayer

The Paideia series offers critically acclaimed commentaries from today's top scholars. This volume exposes theological meaning in John by tracing its use of rhetorical strategies.
