But even so, there have always been codes of conduct. Until now. In an attempt to purge the Global League of Villainous Enterprises of its more destructive elements, Dr. Nero has underestimated the cunning and resources of those who oppose him. Meanwhile, Otto and the rest of the Alpha stream have been sent to begin their most feared exercise, the Hunt, in the icy wastes of Siberia. But there is a traitor in their midst. The first strike against Nero will be a strike against the Alpha stream. Villain-kind is on the brink of civil war.
