Crone Unleashed

She thought she'd won—but the war has only just started. When Claire Emerson imprisoned Morok in the Camlann fragment of the world, it should have been the end of the dark god—and of the war between him and the Crones. But when Lucan, her protector, is accidentally trapped along with the god, Claire is determined to rescue him. She'll have to travel through the treacherous god realm—alone—to get to him. And that's just the first hurdle. The bigger problem? The magick of an ancient Crone is hidden in the fragment, and if Morok discovers it, he'll have enough power to break free and carry out his plan to destroy Claire's entire world and all that she loves. Can Claire save Lucan and find the Crone magic before Morok does? Or will she have to choose between the shifter she's come to love and the power she never asked for in the first place?

Becoming Crone

She wanted purpose. She got dark magick and war. Claire Emerson is adrift. After a lifetime as a wife, mother, and grandma, she never saw divorce or loneliness coming and is desperate for some sense of purpose. But when her sixtieth birthday brings a snarky gargoyle, an annoyingly sexy wolf shifter, and an unknown magical calling, she thinks she's losing the only thing she has left: her sanity. Refusing to believe she's the powerful defender of humankind her so-called protectors claim, Claire attempts a return to her safe life... only to have her powers ignite when she's attacked by dark supernatural creatures. And without the training she was supposed to have received, she has no idea how she'll defeat sinister mages plotting her demise. Can Claire overcome creaky joints and major hot flashes in time to save the world - and her own life?

Game of Crones

She knows she's powerful. But is she enough? Claire Emerson has turned her back on destiny. After failing to master her unpredictable elemental magic, it's clear to her she doesn't belong—and her fellow Crones agree. But just as she leaves her magical life behind, she learns that one of the Crones has turned the others over to the mages and Morok, the dark god they serve. Knowing Morok can use the Crones' magic to reclaim his own powers, she has no choice but to go after them—alone. Tracking down and confronting the traitor is the easy part. Getting past the mages who hold the Crones captive is going to be a little more difficult... especially when Morok opens a portal to another world that threatens everything Claire holds dear. Can Claire unleash her full powers in time to save her companions—and the world?

Abigail Always

Sometimes, life gives second chances... Still grieving the loss of her husband and young daughter, Abigail Jamieson is struggling to carve out a new life on her own. With no work experience and few marketable skills, Abby falls back on the one thing she knows how to do well--run a household. Agreeing to be a nanny for an attractive and dedicated single dad, however, turns out to be more than Abby bargained for. Mitch Abram, a widower himself, can barely keep his head above water while raising three daughters who challenge him at every turn. Sympathetic to his desperation, Abby signs on for a

three-month stint to get Mitch's house and family in order, but she soon finds the entire Abrams family stirring a warmth in her she thought she'd never feel again. It's clear that the girls and Mitch all want her in their lives, but can Abby let go of the pain of her own loss and give herself another chance at love and family?

Sins of the Angels

When homicide detective Alexandra Jarvis is assigned a new partner in Aramael, a Guardian Angel who doubles as a hit man, they have only one thing in common: a fallen angel hell-bent on triggering the apocalypse. Now they have no choice but to work together-relentlessly, fearlessly, intimately. Because only they can stop the rogue angel from ushering in the end of days.

Illusions

An ancient cult. A supernatural addiction. A forbidden love. Sixteen year old Evie Willow is terrified of drowning but she's even more afraid of crying. When the charismatic and telepathic lifeguard, Talon Renwyck, suddenly turns his affections toward her, Evie's ability to rein in her feelings is threatened. Talon knows a secret which plunges Evie into the deep waters of her hidden emotions. As she begins to drift away from the life she knew into Talon's beckoning arms, she learns that Talon is much more than just the handsome guy she's falling in love with. Caught in a dark and supernatural addiction and tied to a secret cult, Talon is crying out for help. Can Evie save him from himself? Is their love the real deal or is it an illusion? Nothing is what it seems.

Sounding the Cape

For several centuries Cape Town has accommodated a great variety of musical genres which have usually been associated with specific population groups living in and around the city. Musical styles and genres produced in Cape Town have therefore been assigned an "identity" which is first and foremost social. This volume tries to question the relationship established between musical styles and genres, and social - in this case pseudo-racial - identities. In *Sounding the Cape*, Denis-Constant Martin recomposes and examines through the theoretical prism of creolisation the history of music in Cape Town, deploying analytical tools borrowed from the most recent studies of identity configurations. He demonstrates that musical creation in the Mother City, and in South Africa, has always been nurtured by contacts, exchanges and innovations whatever the efforts made by racist powers to separate and divide people according to their origin. Musicians interviewed at the dawn of the 21st century confirm that mixture and blending characterise all Cape Town's musics. They also emphasise the importance of a rhythmic pattern particular to Cape Town, the ghoema beat, whose origins are obviously mixed. The study of music demonstrates that the history of Cape Town, and of South Africa as a whole, undeniably fostered creole societies. Yet, twenty years after the collapse of apartheid, these societies are still divided along lines that combine economic factors and "racial" categorisations. Martin concludes that, were music given a greater importance in educational and cultural policies, it could contribute to fighting these divisions and promote the notion of a nation that, in spite of the violence of racism and apartheid, has managed to invent a unique common culture.

Sins of the Son

When homicide detective Alexandra Jarvis sees a photo of Seth Benjamin on a police bulletin, she knows that Heaven's plan to halt Armageddon has gone terribly wrong. As the only mortal who knows of Seth's true nature, only she can save him. Aramael was a hunter of Fallen Angels until a traitor forced him into earthly exile. Now, with no powers and only a faint memory of Alex, his mortal soulmate, he will stop at nothing to redeem himself-even if it means destroying Seth in the name of the Creator...

Composer Genealogies

Functioning as its own fully cross-referenced index, this volume lists composers and their dates, followed by their teachers and their notable students. A short introduction lays out the parameters by which composers were selected and provides a survey of the literature available for further study.

Trouble in a Tight Dress

Security expert Austin Flint knows all about trouble. He fought it while serving in the Marines, and now he battles it at home as the head of Six Points Tactical & Security. In his line of work, he can't

afford to be distracted by anything...or anyone, and that includes Nina, his cyber security expert. She's got a chip on her shoulder, a smart mouth. And a body that just doesn't quit. She's also his employee, which makes her off limits, no matter how badly he wants her. But when her life is threatened by the Russian mafia, he'll do whatever it takes to protect her, even if that means breaking his own code of honor and claiming her as his own. Trouble is, he doesn't know about her past, and what he doesn't know might get them both killed. *Please note: when the clothes come off, the bedroom door stays open. Also, characters use profanity, because sometimes, "gosh darn it, you big meany-head" just doesn't cut it. --- Read what others are saying about Lori Sjöberg's Novels: "Loved this book...but then again, what's not to love? Gorgeous guys, beautiful women, computer hacking, guns, and the Russian mafia. With all that in the mix it can only be good!" ~ Sara A. A Gathering of Crones

She's running out of time. And so is the world. Claire Emerson is up against the clock. After learning on her sixtieth birthday that she's one of four Crones destined to save the world, she's been desperately trying to acquire the lifetime of magic she missed out on. But the mages who are out to destroy everything she loves aren't waiting, and when one of the other Crones ends up on Claire's doorstep—wounded and unconscious—Claire knows she's out of time. Leaving the safety of her house, she goes in search of the remaining Crones... only to find them under siege by the mages and the nearly indestructible monster they control. And without control over her powerful elemental magic, she has no idea how to rescue them. Can Claire harness her powers in time to help her fellow Crones defeat the mages—or will her efforts bring even greater disaster?

Dracula in Visual Media

This is a comprehensive sourcebook on the world's most famous vampire, with more than 700 citations of domestic and international Dracula films, television programs, documentaries, adult features, animated works, and video games, as well as nearly a thousand comic books and stage adaptations. While they vary in length, significance, quality, genre, moral character, country, and format, each of the cited works adopts some form of Bram Stoker's original creation, and Dracula himself, or a recognizable vampiric semblance of Dracula, appears in each. The book includes contributions from Dacre Stoker, David J. Skal, Laura Helen Marks, Dodd Alley, Mitch Frye, Ian Holt, Robert Eighteen-Bisang, and J. Gordon Melton.

Forever Grace

A story of love, family, and learning to trust... When injured police officer Sean McKittrick heads to his cottage, he's planning on some much needed rest and recuperation. But the idyllic peace he expected to find is shattered by...children? It's not that Sean dislikes kids, he just isn't interested in having any of his own. Or in settling down, for that matter. Ever. Unfortunately, the woman in charge of his young neighbors has an unsettling way of making him forget why. Grace Daniels is attractive, single, and despite her brave face, overwhelmed by the responsibility of caring for three nieces and a nephew. When she helps Sean out of a jam, he feels obliged to return the favor, but he soon realizes there's more to this cobbled-together little family than meets the eye. Grace is hiding something, a secret that piques Sean's cop suspicions-and stirs his protective instincts. As Sean digs for the truth, however, the line between professional curiosity and personal interest becomes increasingly blurred. A family might not be quite what he had in mind for his future, but he's beginning to wonder if he can live without this one...or if he wants to.

Sins of the Lost

A GRIGORI LEGACY NOVEL From the author of Sins of the Angels and Sins of the Son comes the newest novel in the "electric, thrilling and extremely intelligent" (Ex Libris) Grigori Legacy series. Heaven and Hell are on the brink of war as Lucifer builds his Nephilim army and waits for his new weapon to be born -- a Nephilim child of his own bloodline to lead his forces to cataclysmic victory. With rumors of the pending war rampant on Earth, Alex Jarvis fights to save humanity from its own panic -- leaving little time for her fledgling relationship with Seth, the man with heavenly origins who has captured her heart. But when Nephilim children begin to disappear, along with Alex's own vulnerable niece, the inevitable war between Heaven and Hell becomes personal. Heaven has its own plans to fight the coming apocalypse, but first it needs Seth back. Asked to betray the man she loves, Alex must turn for help to the soulmate she thought she'd given up -- the Archangel Aramael, who may be her last chance to save her family and humanity from the ashes of Lucifer's Armageddon. Don't miss the other Grigori Legacy novels, Sins of the Angels and Sins of the Son.

The National Faculty Directory

At the height of the Roaring Twenties, New York heiress Zoe Gifford longs for the freedoms promised by the Jazz Age. Headstrong and brazen, but bound by her father's will to marry before she can access his fortune, Zoe arranges for a brief marriage to Sebastian Hazelton, whose aristocratic British family sorely needs a benefactor. Once in England, her foolproof plan to wed, inherit and divorce proves more complicated than Zoe had anticipated. Nigel Hazelton, Duke of Langford and Sebastian's austere older brother, is disgraced by the arrangement and looks down upon the raucous young American who has

taken up residence at crumbling Brideswell Abbey. Still reeling from the Great War, Nigel is now staging a one-man battle against a rapidly changing world and the outspoken Zoe represents everything he's fighting against. When circumstances compel Zoe to marry Nigel rather than Sebastian, she does so for love, he for honor. But with Nigel unwilling to change with the times, Zoe may be forced to choose between her husband and her dreams.

New Dimensions in Photo Processes invites artists in all visual media to discover contemporary approaches to historical techniques. Painters, printmakers, and photographers alike will find value in this practical book, as these processes require little to no knowledge of photography, digital means, or chemistry. Easy to use in a studio or lab, this edition highlights innovative work by internationally respected artists, such as Robert Rauschenberg, Chuck Close, Mike and Doug Starn, and Emmet Gowin. In addition to including new sun-printing techniques, such as salted paper and lumen printing, this book has been updated throughout, from pinhole camera and digital methods of making color separations and contact negatives to making water color pigments photo-sensitive and more. With step-by-step instructions and clear safety precautions, New Dimensions in Photo Processes will teach you how to: Reproduce original photographic art, collages, and drawings on paper, fabric, metal, and other unusual surfaces. Safely mix chemicals and apply antique light-sensitive emulsions by hand. Create imagery in and out of the traditional darkroom and digital studio. Relocate photo imagery and make prints from real objects, photocopies, and pictures from magazines and newspapers, as well as from your digital files and black and white negatives. Alter black and white photographs, smart phone images, and digital prints.

Once Upon A Time in the Italian West

There is a rapidly growing interest in, and demand for, non-timber forest products (NTFPs). They provide critical resources across the globe fulfilling nutritional, medicinal, financial and cultural needs. However, they have been largely overlooked in mainstream conservation and forestry politics. This volume explains the use and importance of certification and eco-labelling for guaranteeing best management practices of non-timber forest products in the field. Using extensive case studies and global profiles of non-timber forest products, this work not only seeks to further our comprehension of certification processes but also broaden understanding of non-timber forest product management, harvesting and marketing. It should be useful to forest managers, policy-makers and conservation organizations as well as for academics in these areas.

Black Silk

Mazie Chetwyn knows firsthand how quickly the rich and powerful turn their backs on the less fortunate. Orphaned, penniless and determined to defy their ruthless whims, she joins forces with a local highwayman. Then the pawn broker snitches, and Mazie is captured by the Lord Lieutenant of Nottinghamshire. A man who is far too handsome, far too observant...and surely as corrupt as his father once was. Sensible, rule-driven Trent Carthwick, twelfth Earl of Radford, is certain the threat of the gallows will prompt the villagers' beloved "Angel of Kindness" to reveal the highwayman's identity. But his bewitching captive volunteers nothing--except a sultry, bewildering kiss. And so the games begin. Trent feints, Mazie parries. He threatens, she pretends nonchalance. He cajoles, she rebuffs. Thwarted at every turn, Trent probes deep into her one vulnerability--her past. There he finds the leverage he needs, and a searing truth that challenges all he believes about right and wrong.

Haines ... Directory, San Jose, California, City and Suburban

Led by Commander Owen McClaren, the TNS Aurora is embarked on an extended survey mission, searching for new worlds that could support human life. Drawn to an uncharted star system by the discovery of potentially habitable planets, the crew of the Aurora discovers something entirely unexpected: the planets are already inhabited, but not by humans. Approached by gigantic alien starships, Aurora's crew makes ready for humanity's very first contact with another sentient race. But nothing could prepare them for what fate has in store. For they have entered the domain of the Kreelan Empire, which has waited thousands of years to find another spacefaring race against which to wage war to honor their Empress. With all but one of the crew killed in bloody close combat, the aliens send Aurora home bearing the sole survivor: the Messenger, a young crewman who carries with him an alien artifact that is humanity's only sign of how much time remains until they are plunged into an interstellar war...

New Dimensions in Photo Processes

She'd do anything for him. Including marrying him. But falling in love? That wasn't part of the deal. Billionaire Damon Banks has everything he could ever want. Almost. When his childhood home goes up for sale, there's nothing he wants more. The catch? The seller—his father—insists it be sold to a married couple. No problem. Katie Langdon has been Damon's best friend since kindergarten and there's nothing she wouldn't do for him. Including being his fake fiancé. They already know each other better than anyone else. How hard could it be? But as their wedding date quickly approaches, pretending turns out to be much harder than either of them expected, especially since feelings neither of them ever thought they'd feel become very real. As the lines between real and fake become blurred, Damon and Katie must find a way to see clearly, or risk losing true love for good.

Répertoire des mariages du comté de Glengarry, Ontario

Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores, producing anachronisms such as a feminist Queen Isabel (in RTVE's Isabel) and a lesbian Queen Christina (in The Girl King). This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality, raising questions of intertemporality, the interpretation of history, and the dangers of presentism. Covering a range of famous and lesser-known European monarchs on screen, from Elizabeth I to Muhammad XII of Granada, this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences. The contributors interrogate exactly what is at stake in these

portrayals; namely, our understanding of premodern rulers, the gender and sexual ideologies they navigated, and those that we navigate today.

Tapping the Green Market

This prince charming has no time for love. Hot shot lawyer, Jared Redmond is a workaholic whose romantic life is a string of quick flings. After a long business trip, he returns home early to find his younger brother has thrown a Halloween party in their apartment and there's a big problem... There's a woman wearing a princess gown in his bed...a real sleeping beauty. His undeniable attraction to this mysterious stranger sets him on a path toward the one thing he'd never planned on...falling in love. But his fair princess has no time for love either, and when their careers put them on separate paths, Jared has to fight to win back the woman who stole his heart or lose her forever.

The Runaway Countess

For decades, medieval scholarship has been dominated by the paradigm that women who wielded power after c. 1100 were exceptions to the "rule" of female exclusion from governance and the public sphere. This collection makes a powerful case for a new paradigm. Building on the premise that elite women in positions of authority were expected, accepted, and routine, these essays traverse the cities and kingdoms of France, England, Germany, Portugal, and the Latin Kingdom of Jerusalem in order to illuminate women's roles in medieval power structures. Without losing sight of the predominance of patriarchy and misogyny, contributors lay the groundwork for the acceptance of female public authority as normal in medieval society, fostering a new framework for understanding medieval elite women and power.

First Contact (In Her Name, Book 1)

Clear instructions and step-by-step photographs teach you how to mix chemicals and apply light-sensitive emulsions by hand, how to create imagery in and out of the darkroom, how to translocate Polaroid photos and magazine and newspaper pictures, and how to alter black-and-white photographs. A color portfolio highlights the work of internationally known artists such as Robert Rauschenberg, Todd Walker, and most recently Doug and Mike Starn, and an invaluable list of supply sources (including e-mail addresses) from throughout North America and Europe is included at the end of the book. Setting aside old distinctions between photographer and nonphotographer, *New Dimensions in Photo Processes* invites artists in all media to discover nonsilver imaging techniques. Painters, printmakers, fiber artists, sculptors, illustrators and photographers alike will find this a valuable, practical text outlining creative processes that require little or no knowledge of photography and chemistry.

Legally Charming

When danger and passions flare it's best to find cover... Cade Davies is a former Special Forces soldier who is now a high school teacher and football coach. And something is trying to kill his players. He's been too busy trying to keep his players alive, while also avoiding the Davies Brothers marriage trap set by half the town, to pay attention and to the fiery redhead who has swept into his small town. DEA Agent Annie Blake was undercover to bust a drug ring that preys on high school athletes in the adorable, small town of Keeneston. She had thought to keep her head down and listen to the local gossip to find the maker of this deadly drug. What Annie didn't count on was becoming the local gossip. With marriage

bets being placed and an entire town aiming to win the pot, Annie looks to Cade for help in bringing down the drug ring before another kid is killed. What she didn't intend on was becoming the next target.

Medieval Elite Women and the Exercise of Power, 1100–1400

This is the third book in the Bluegrass Brothers series. Trouble worth dying for... Miles Davies is a natural born leader. The former Special Forces commander has returned to the small town of Keeneston and has become the head of his own company. Nothing can shake his strong resolve. Not war, not the town gossips, and certainly not the one woman who both fascinates and infuriates him . . . or so he thinks. Keeneston's bad girl is back! Morgan Hamilton's life ended and began on her high school graduation night when she left town with no plan to ever return. As a self-made businesswoman, Morgan is always on the lookout for her next victory. Little did she know that next victory would involve acquiring the company that belonged to the one man she always wanted for herself. The order is clear—get Miles's company—even if it means murder.

Personal and Family Names

Relentless Pursuit is the fourth novel in the Bluegrass Brothers series. Sometimes you have to fight for love... Pierce Davies watched as his older siblings fell in love—something this bachelor was not ready for. Though Pierce enjoyed the single lifestyle, his life has been his work and that hard work is set to pay off big time with the unveiling of a secret project that is big enough to change his life forever. However, this work hard, play hard attitude may have also landed him in hot water as he finds himself arrested for a brutal murder with a mountain of evidence pointing to him. Tammy Fields has been suffering from the crush to end all crushes. But her flirtations have fallen short as Pierce Davies seems to only see her as a friend. Tammy decides that now is the time to move on, and move on she has. But everything changes quickly when Pierce is arrested and Tammy, a paralegal, is called upon to help with his case. While working closely with Pierce to prove his innocence, she realizes her feelings for Pierce are far more meaningful than just a crush. Will they finally find love or will the increasing danger prevent their happily ever after?

New Dimensions in Photo Processes

In the first book of an epic futuristic fantasy trilogy, this is the coming-of-age story of Reza Gard, a young boy of the Human Confederation who is swept up in the century-long war with the alien Kreelan Empire. Nightmarish female warriors with blue skin, fangs, and razor sharp talons, the Kreelans have technology that is millennia beyond that of the Confederation, yet they seek out close combat with sword and claw, fighting and dying to honor their god-like Empress. Captured and enslaved, Reza must live like his enemies in a grand experiment to see if humans have souls, and if one may be the key to unlocking an ages old curse upon the Kreelan race. Enduring the brutal conditions of Kreelan life, Reza and a young warrior named Esah-Zhurah find themselves bound together by fate and a prophecy foretold millennia before they were born.
