'What we all need,' said Larry, 'is sunshine . . . a country where we can grow.' 'Yes, dear, that would be nice,' agreed Mother, not really listening. 'I had a letter from George this morning - he says Corfu's wonderful. Why don't we pack up and go to Greece?' 'Very well, dear, if you like,' said Mother unguardedly. Escaping the ills of the British climate, the Durrell family - acne-ridden Margo, gun-toting Leslie, bookworm Lawrence and budding naturalist Gerry, along with their long-suffering mother and Roger the dog - take off for the island of Corfu. But the Durrells find that, reluctantly, they must share their various villas with a menagerie of local fauna - among them scorpions, geckos, toads, bats and butterflies. Recounted with immense humour and charm *My Family and Other Animals* is a wonderful account of a rare, magical childhood. U.S. Marshalls deliver Harry to court to testify at Jimmy's trial. Even though he's a step slower than he used to be, Harry's no fool - he slips out of the country pronto. With Jimmy Cap's men following and the Feds close behind, the three sides end up in Italy, watching their own backs while keeping abreast of Harry's. But it's not until the chase leads back to Miami that the real winners and losers are revealed ...

Country Joe and Me is about a rock-folk icon and a San Francisco public school teacher. A long time ago Country Joe McDonald and his Navy pal Ron Cabral had an idea to write a book about the story of their lives. They met in 1960 while serving in the U.S. Navy as 18-year old sailors at Atsugi, Japan. Follow their interactions over several decades a roller coaster ride of shared experiences in the military, education and music. Told by Cabral from the perspective of ground zero it offers a unique look at the emergence of Country Joe and the cultural, political, and musical revolution that blossomed in San Francisco and Berkeley during the late 60s and early 70s-- There are chapters on Country Joe and The Fish, Janis Joplin and Joes brief love affair with her. Go behind the scenes with Bill Graham and Jerry Garcia during Summerland - a very special project for high school students initiated by Country Joe while he was a volunteer teacher in Rons school called Opportunity High. Also included are the lyrics to some of Country Joes most important songs, memorabilia, rare photos, a discography and a lot more-- There is a special Afterword by Country Joe on his role with the Vietnam Vets over the years. A must read for every Country Joe fan. This is the only book currently available on Country Joe. For more information on Country Joe see www.countryjoe.com.
