Let's Throw a Christmas Party!

The Christmas Party is a delicious, page-turning story full of twists and turns. At an elegant country house party, shocking secrets and unexpected romances hide just beneath the surface . . . A must-read for the festive season by Karen Swan, the Sunday Times bestselling author of *The Christmas Secret* and *Christmas at Tiffany's*. When Declan Lorne, the last remaining knight in Ireland, dies suddenly, an ancient title passes with him. But his estate on Ireland's rugged south-west coast is left to his three daughters. The two eldest, Ottie and Pip, inherit in line with expectations, but to everyone's surprise – and dismay – it is the errant baby of the family, Willow, who gets the castle. Why her? Something unknown – something terrible - made her turn her back on her family three years earlier, escaping to Dublin and vowing never to return. So when Willow quickly announces she is selling up, her revenge seems sweet and the once-close sisters are pushed to breaking point: in desperation, Pip risks everything to secure her own future, and Ottie makes a decision that will ruin lives. It's each woman for herself. Before moving in, Connor Shaye, the prospective new owner, negotiates throwing a lavish party at the castle just days before Christmas – his hello, their goodbye. But as their secrets begin to catch up with them, Ottie, Willow and Pip are forced to ask themselves which is harder: stepping into the future, or letting go of the past? 'A real treat to get absolutely lost in. Go on - spoil yourself!' - Veronica Henry, bestselling author of *Christmas at the Beach Hut* What Karen's readers say . . . 'This is a perfect winter's day read, that will have you utterly absorbed...' 'Full of intrigue, secrets, heartbreak, love' 'If you're after a book with a truly Christmas feel, full of drama, mystery, heart and hope then *The Christmas Lights* is a book for you' 'Crammed with love, heartbreak and powerful secrets this Christmas story with substance is not to be missed!' In desperation, Pip risks everything to save her own future, and Ottie makes a decision that will ruin lives. It's each woman for herself. Before moving in, Connor Shaye, the prospective new owner, negotiates throwing a lavish party at the castle just days before Christmas - his hello, their goodbye. But as their secrets begin to catch up with them, Ottie, Willow, and Pip are forced to ask themselves which is harder: stepping into the future, or letting go of the past? The Christmas Party is a delicious story of family, romance and the ultimate Christmas party by internationally bestselling author Karen Swan.
